Then, we attacked him with powerful slashes from our massive greatswords leaving scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and we did the same by firing colored, white, golden yellow, and blue energy slashes from our gold-plated claws and greatswords, and Lincoln, Red Savarin, Robin Hood, Rayman, Mizore, Tsurara, Varie, Yukara Yuki, Skippy the Bush Kangaroo, Von Lycaon, Crash Bandicoot, Sly Cooper, The Cooper Clan, Bentley, Murray, Guru, Penelope, Panda King, Dimitri, Inspector Fox, Nico, and I and all of us attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Okuto Kobutso even angrier than ever!

Suddenly, Lincoln's massive white angel wings and twenty-four other sets of large white angel wings underneath his massive angel wings spread out even more and my massive rainbow angel wings and eleven sets of large rainbow angel wings under my massive rainbow angel wings spread out even more as two gold intricate halos made of gold light appeared above our head along with three sets of gold chains around the gold light halos and formed into a purifying field that hit Okuto Kobutso, and we found ourselves in Heaven.

Then, Lincoln's massive white angel wings and twenty-four sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Okuto Kobutso.

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into Okuto Kobutso's stomach, and a cluster of rainbow, white and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, and I formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, BURN IN HELL FOREVER!

Lincoln, Nico, and I did one final powerful energy slash that hit Okuto Kobutso hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Okuto Kobutso was really really mangled and having had his tentacles slashed off and absorbed by Lincoln, he couldn't stand anymore.

Then, Lincoln swung his massive greatsword and fired a massive wave of water and ice that froze Okuto Kotsubo in a massive block of ice, and then, he, Mizore, and Tsurara smashed it into millions of pieces killing Okuto Kotsubo and his evil spirit was finally sent to The Black Abyss forever!

We cheered as we holstered our weapons and we powered down, and the new bodies, clothes, weapons, jewelry, Third Eyes, eleven massive and long purple and arctic blue wolf tails, longer mermaid tail, large gold halos with four large orbiting gold rings on each corner behind the heads, thirty-five large colored planets orbiting around the legs, thirty-five smaller colored planets orbiting around the waists, smaller planets orbiting around the fingers, medium sized colored planets orbiting around the wrists and ankles, and massive colored angel wings and twenty-four sets of large colored angel wings underneath the massive colored angel wings of Mizore Shirayuki, Tsurara Shirayuki, Varie, and Yukara Yuki are permanent.

Lincoln: (Beastly Voice) I warned you that if I ever saw you again, Okuto, I was going to end you for good, and I fulfilled that promise to the end.

LINCOLN LET OUT A LOUD ANIMALISTIC ROAR OF POWER AND DOMINANCE AS THE FULL MOON SHINED DOWN!

That of course scared off Ginei Morioka and the perverts whom Lincoln had trashed in his last rescue along with scaring of Takeshi and his Lizardmen goons, and Caleb Maxwell saw it.

Caleb Maxwell: That's right! You better run! Goddamn cowards!

Me: They'll stay away for sure.

Nico: Vypra will no doubt keep an eye on that asshole, Takeshi, and his Lizardmen goons.

Lincoln: (Beastly Voice) Because if they so much as say that sentence one more time, I'm gonna skin them alive.

Luna: That's for sure.

Me: Takeshi and his Lizardmen goons have always been nothing but disrespectful thugs, and Lincoln has to put them in their place.

Cordelia Starling: And we hadn't seen that dickhead's hide anywhere.

Selena Mendez: You mean Dark Sebastian? True, he hadn't shown up, but he's bound to show up as we go after the next Eco-Villain.

Juliet Starling: He and those Order of The Dark Universe and Dark Church of Malphas dickheads are just like Swan and The Dark Purveyors. We fought them before and destroyed them, but I have a bad feeling Dark Sebastian's brought them back.

Nico: Juliet, Cordelia, Rosalind, what can you tell us about Swan and The Dark Purveyors?

Juliet Starling: It's not a pretty sight.

The Starling Sisters told us about Swan along with The Dark Purveyors, and when she was finished, we were pissed to the extreme!

Me: WHAT THE FUCK?!

Nico: So, let me get this straight, this Goth bastard, Swan, tired of being bullied decides to start a zombie apocalypse and end humanity and summons five fucked-up Super Zombies and makes you kill them to summon the deity of Rotten World to finally end humanity forever?! (GROWLS) THAT PIECE OF SHIT!

Lincoln's slit pupils change back and large dark blue halo with four orbiting dark blue rings change back to gold.

Lincoln: Juliet, Cordelia, Rosalind, on a future rescue of mine, we are going to San Romero, and we are gonna that fucker, Swan, to shreds!

Ed Cowart: But, we got to watch it, that fucker's bound to summon The Dark Purveyors as well to cause even more trouble.

Lincoln: Well, they're going down as well. Swan wants to try and start a zombie apocalypse? Then, he better be prepared to face the consequences!

Me: This is gonna be good!

Nico: That settles that.

Mizore: Thank goodness.

Lola: Yep.

Mizore: That jerk will never hurt me or anyone again.

Camie: Thank goodness.

Lopunny: Yeah no kidding.

Nico: Nice job Lopunny!

Lopunny: Thanks Nico. It was cool.

Poromon: Want some beer?

Lopunny: Oh no thanks. I don't drink.

Poromon: Okay then.

Poliwag: (Does Puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Ed: Later, something big is happening!

Eddy: A monster movie marathon? As long as Muk is invited

Ed: Even better Eddy!

Leni: It's gonna be totes amazing!

Double D: Let me guess. You got a bucket full of gravy?

Ed: Nope. But good guess Double D.

Leni: It's...

Ed, Ash, Leni and Serena: OUR WEDDING!

WE GASPED!

The Loud Kids squealed in joy!

Me: WHOA! I haven't heard you guys do that in a while.

Camie: Wow!

Eddy: Oh. Congrats then. Will Rolf's chickens be invited?

Rolf: Yes Rolf can have the chickens come.

Ed: GOODY GOODY!

Me: It'll be at Canterlot Palace.

Qin: AWESOME!

Me: Looking forward to it.

Nico: Oh, Toad Man. What do you like to do in your free time?

Toad Man: Oh I help Lana and Fluttershy at the pet shop and help all the pets there.

Lana: It's a good job too.

Fluttershy: He is so helpful.

Me: That's a great job.

Nico: Yep.

Lincoln: (Sensed The Anothers) Uh oh, here come the Anothers!

Eli: (Sensed The Anothers) Lincoln's right, I sensed them. Oh man, and one of The Anothers is a girl who is really, and I mean, REALLY HOSTILE TO J.D. AND IS OUT FOR HIS FUCKING BLOOD!

Me: What the?!

Lincoln: Oh boy, we better be ready.

Nico: That's for sure.

Me: Oh boy! This is gonna be crazy.

Nico: So we got Another Storm Owl, The Lizard, Bufo, Brian, Abner and Ewalt, Sillydillo and Bog.

Me: Yep and Toad Man, Tsuyu, Hops, Frog, Kermit, Gonzo and Ms. Piggy.

Tsuyu: This is gonna be interesting. Ribbit.

Me: I know.

Nico: There they are!

We saw Another The Lizard, Bufo, Brian, Abner and Ewalt, Sillydillo and Bog!

Nico: WHOA!

Me: This will be awesome.

Another Lizard: (In a girls voice) I HATE YOU SO MUCH J.D.! YOU RUINED MY LIFE!

My aura flared up.

Me: Oh dear God! I was hoping never to hear that voice again!

They reverted back and were a girl with blond hair and blue eyes and had black clothes and they were tattered and shredded. And the others were the gene-slammers of Fairy's Gift, Shining Friendship, Witch of The Black Forest, Lady of Faith and Cosmo Queen!

Nico: Tallia Linphea, Cosmic Allie Wendoll, Winona Witchbane, Marria Anastasia and Leia Sora!

Eli: The gene-slammers of Fairy's Gift, Shining Friendship, Witch of The Black Forest, Lady of Faith and Cosmo Queen!

Sillene Carpenter: Been a long time J.D.

Me: Sillene Carpenter! Why am I not surprised.

Nico: You know her?

Me: Unfortunately yes. She was the meanest Queen Bee girl we knew back in school. Until I ruined her life and exposed her family's true colors.

Nico: What happened?

Me: Well it was 15 years ago. Back when me and Sakura were in first grade, Sillene was the meanest Queen Bee girl ever. She was richer than anyone we know. But she bragged about her parents getting money from somewhere and me and Sakura did some investigating.

Sakura Knudson: We found out that her mom and dad were stealing millions and millions of dollars from numbers of charities all over the country and stealing them from all over. We were shocked about all that.

Me: We exposed her and her parents crimes to the world and she lost everything! They were forced to return every single penny and they lost everything. Their crimes and stories spread like wildfire and they became the most hated family in the country. They got lots and lots of death threats and many people threatened to kill them. Her mom and dad couldn't take it anymore and they hung themselves.

THEY GASPED!

Me: Yeah. Normally I would feel sorry for Sillene but not this time.

Sillene Carpenter: AND IT'S ALL YOUR FAULT J.D.! I LOST EVERYTHING BECAUSE OF YOU!

Me: You deserved it! For stealing all that money!

Nico: YOU TELL HER!

Eli: YEAH!

Me: Sillene when are you going to learn that having all the money in the world never brings you happiness and it can't the important things in life like love, friendship, power or any of that. I was doing the right thing by stopping you and I'm not afraid to do so again. Because people like you belong in one place and that..

Eli: Is Jail!

Xenia Xaikora: And I think a nice long stay in the Xaikora Prison is what you need.

Marria Anastasia: That is right!

Me: Sorry about that girls. Just wanted to tell you who Sillene is.

Cosmic Allie Wendoll: No worries.

Tallia Linphea: What she and her family did was awful.

Nico: It sure was.

Me: By the way girls are the Another Storm Owl and Mizore friendly or hostile?

Leia Sora: Friendly but the Another Storm Owl is really crying hard.

Me: Uh oh.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep
Down beneath the earth you go
Go holoré fast to sleep

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books and purified them.

Me: YEAH!

We tied up Sillene.

Me: Before you go to prison Sillene, I think Diamond TIara would like to have some words to say to you. This much we can help you with.

Sillene: Do your worst. I have nothing to say to you.

Diamond Tiara: Sillene listen to me. I was once like you. Like you I came from a very rich family and I once was like you. I thought I could get everything in the world just with money and bullying people just because they are lower class. But thanks to the help of 3 brave people I realized that doing all that can never get me anywhere in life. Because I realized that there is more to life than money. I realize now that friendship and love and redemption are the keys to helping people. Sillene, you got all that money for the wrong reasons. It was never yours. You were young back then.

Sillene: You don't understand what I went through! You never had to be threatened like that by everyone you hated.

Diamond Tiara: Actually, I do understand what you went through.

Sillene gasped.

Sillene: What do you mean?

Diamond Tiara: I was once a bully like you and I hated lower class people because they were worthless. But now I realize that being like that is never going to get you anywhere in life. It's only going to lead you down a one way path to eternal pain. And I don't want that. I redeemed myself because I have something that you could use right now and that's friendship. I was taught that with friendship you can accomplish many great things if you work together with friends and they can help you redeem yourself and help you become someone better. You can redeem yourself Sillene.

Sillene: Really? But I lost...

Diamond Tiara: I learned that having material things like money is never gonna get me anywhere. Having bonds and love and friendship will help you overcome great challenges. Look at how I got to where I'm at. I have lots of amazing friends and they helped me. You can have amazing friends too. They will help you and you can be something great like all of us are.

Me: I couldn't have said it better myself.

Diamond Tiara: So what do you say?

Sillene then broke down crying!

Sillene: (CRYING) I've been such a fool! My mom and dad were wrong!

Diamond Tiara: The way they got money was wrong. But it's not too late for you.

Sillene: How can I start?

Diamond Tiara: Well you can start with saying sorry to J.D. and everyone.

Sillene: (Crying) You're right. J.D., Sakura, (Crying) I'm sorry for everything I did to you.

Me: It's okay Sillene. It's okay.

Sakura Knudson: We now know that you've been punished more than enough.

Xenia Xaikora: Yeah I think the Xaikora prison is too much.

Me: Yeah. We'll shorten your sentence to community service.

Nico: Good idea.

Maria: And now, I'm summoning backup. (TURNS DIAL) LION FURY 7!

She summoned Wheel Gator, Lion (Scooby Doo), Monster Arm, Leo Imagin, Pie King, Evil Manta (X-Squad) and Leonard the Lion!

Nico: And now we wait.

Allie Underhill: Wow! Diamond Tiara has a really good head on her shoulders.

Me: She has learned a lot ever since she and her friends joined us after the Great War With The Royal Defenders. She is really wise beyond her years.

Nico: Yep.

Twilight Sparkle: And we're really proud of her too. She helped many people that were like her in the past realize that it's never good to be like what she was.

Me: It's true.

Allie Underhill: That is amazing.

Lola: Yeah.

Sillene: Can Diamond Tiara help me out?

Me: She sure can.

Horsea: That's right!

Me: Yep. Oh look!

We saw Another Storm Owl and Mizore!

Me: There they are.

Nico: Yep.

Another Storm Owl reverted back and it was the gene-slammer of The Unhappy Maiden.

Nico: (GASP) Helen Rourke!

She was really sad and crying.

Me: Oh man. She looks really blue.

Pumbaa: I'd say she has red hair and blue clothes.

Timon: No no no Pumbaa. He means she's depressed.

Pumbaa: Oh.

Me: Helen what's wrong?

I went over to her.

Me: Helen you can tell us. You're among friends.

Then she hugged me and bursted into full on wailing and crying.

Me: It's okay.

Helen Rourke: (CRYING AND WAILING) I WAS DISOWNED BY MY INSANE MOTHER!

WE GASPED!

Nico: WHAT!?

Ellie Singh: Nico calm down! Why would your mother disown you?

Helen Rourke: Because! (WAILING) SHE CLAIMS I AM A DEMON!

Nico: SAY WHAT NOW?!

Me: You're not a demon Helen. You're mother is just not right in her head. She needs to get some serious help.

Qin: Yeah we got to send her to the nuthouse.

Lola: Yeah.

Me: You aren't alone in this Helen. We know a bunch of people that had mothers like yours. Long story.

Helen Rourke: Really?

Me: Yeah. We'll tell you more later.

Helen Rourke: Okay. Also I have wind and storm powers like Storm Owl does.

Storm Owl: Wow that is cool.

Nico: And your friend?

Another Mizore: Someone who is proud and always will be of her sister.

Mizore: (GASP) That voice.

She reverted back and was a fire version of Mizore! And she has fire angel wings

Mizore: Miyuki!

She and Miyuki hugged.

Mizore: Miyuki I'm so happy.

Miyuki: Same here and I heard you are pregnant. Congratulations sis.

Mizore: Thank you. Guys this is my sister Miyuki. She's a phoenix angel snow woman hybrid.

Me: Whoa!

Tsurara: My brother married a Phoenix Angel and she extinguished him by mistake.

Me: Oops.

Tsurara: Yes and I adopted Miyuki as my own.

Me: Wow! The sisters of fire and ice.

Nico: Yep.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Helen Rourke: No I cried the place and flooded it and we ran.

Sakura Knudson: That explains why I thought the lab sprung a leak.

Camie: Talk about bad plumbing.

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju Armor!

Lincoln: Lets separate you girls first.

We did so.

Me: Lets do it!

Nico: (gets out Storm Owl's Ridewatch) Time to bring on the storm!

May: (Gets out Brian's Ridewatch) This frog is gonna smash!

Maria: (Gets out Sillydillo) (GOOFY KRUSTY LAUGH) I AM GONNA ROLL!

Hops got out Bufo's ridewatch.

Lana: Lets make this a Hammer Fun Time!

They used the powers of Storm Owl, The Lizard, Bufo, Brian, Abner and Ewalt, Sillydillo and Bog and smashed the Anothers all over.

Tunnel Rhino, TTG Cinderblock, TTG Madame Rouge, Commander Dopant, Lightning Bot (RPM) and Moth Amazon (Kamen Rider Amazon) Came.

Me: WHOA!

Nico: Nice team Tunnel Rhino!

Tunnel Rhino: Thanks Nico!

Top Man: My team's next!

Me: Yep!

Qin: It sure is!

Nico: This will be awesome.

Me: Yep!

?: It sure will be!

Rainbow Dark Dragon came!

Me: WHOA! Rainbow Dark Dragon!

Jesse Anderson: This will be awesome!

Me: Yep!

Rainbow Dark Dragon: (In a girls voice) Yeah it sure will be!

Nico: Dahlia Crystal! Wow!

Rhianna Crystal: Awesome you could make it sis!

Dahlia reverted back and was a girl with black hair, red eyes and had black clothes and rainbow angel wings and had Rainbow Dark Dragon on her forehead and arm, skirt and shirt and had a rainbow blade sword.

Dahlia Crystal: Awesome to be here. I got this. RAINBOW DARK REFRACTION!

She formed a rainbow ring around her hand and fired a black rainbow energy blast and it hit the Anothers and they exploded with intense and incredible power!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMMMMM!

I caught the Ridewatches and purified them.

Me: YEAH! Wow! That was powerful!

Lola: YEAH!

Nico: Nice job!

Dahlia Crystal: Thanks Nico! That was cool!

Me: It sure was!

Lola: Yep.

Hops Croaked.

Lana: Hops asked you what your favorite memory of Nico was.

Dahlia Crystal: When me and Nico found a Crystal Pyramid in a cave in Europe and it was where I found this sword.

Nicole: Whoa the Rainbow Sword of Iris! That sword has the intense power of rainbows and the powers of Iris herself.

Nico: Yep.

Me: That is cool!

Qin: Yeah!

Nico: It sure is.

They hugged.

Nico: I've missed you.

Dahlia Crystal: Same here.

We later went back home.

Lincoln: Ah, we're here in Gondor for Day 2 of The Middle Earth rescue arc, and I know what we're going to do here, not only am I going to rescue the eight girls here, but we're here to destroy Denethor and Gloria Gondor and I are going to make him pay for his crimes for how he treats the throne and send him to The Black Abyss forever.

Gloria Gondor: At long last, now we can make this monster pay for all his crimes. How he treated the throne can never be forgiven.

Me: Count me in too, I want in on making that tyrant pay.

Nico: Same here. But, we'll let you two deal the killing blow on Denethor. So, where we can we find him?

Lincoln: After we defeated and exiled him years ago, he was banished to the outlands of Gondor, it's an inhospitable place filled with all kinds of hostile creatures and beasts.

Frog Man: And does it include...zombies?

Suddenly, we saw zombies there: but they were familiar to Juliet Starling.

Juliet Starling: What the Hell?! Those are all of my friends, they got turned into zombies. This means Swan's back for real. Dark Sebastian, he's unbelievable.

Lincoln: Time to start killing some zombies.

We charged down and we slashed at the zombies and killed them, and Lincoln morphed the tips of his eleven wolf tails into Cell's stingers and stabbed them into the beasts and creatures of the outlands of Gondor and he began absorbing them and he grew stronger and gained their strength and powers. Then, as soon as Lincoln was done and the stingers changed back, nothing was left of the beasts and creatures of the outlands and we slaughtered the zombies.

Juliet Starling: This proves what I feared: Swan's back to causing trouble. One day, we're heading for San Romero, and we're taking that bastard down along with The Dark Purveyors once more.

Lincoln: That's for sure.

?: GLORIA GONDOR, LINCOLN LOUD, YOU WILL ALL PAY FOR BANISHING ME FROM MY KINGDOM!

We then saw our target: Denethor.

Lincoln: Well, if it isn't the tyrannical bastard who plunged Gondor into chaos!

Gloria Gondor: Traitor of Gondor, our blades will end your miserable life here and now!

Lincoln: Now, only you remain, Traitor of Gondor. This is where your tyranny ends forever!

Suddenly, we saw the full moon shine down from nowhere and we heard the sounds of over 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 howls in the air, and then, we saw 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 werewolves coming out of nowhere and they were heading for us, but Lincoln charged at them and he morphed the tips of his tails into Cell's stingers and he stabbed them into the chests of the massive numbers of werewolves, and one by one, he began absorbing them into his body and he assimilated their Superhuman strength, Enhanced senses, Super speed, Healing, Super Senses, Healing factor, Shapeshifting, Superhuman speed, Superhuman stamina, Superhuman durability, Massive muscle mass, virility, testosterone, Infectious bite and scratch, Disease immunity, Enhanced Speed, Immortality, Lie Detection, Empathy, Pain Transference, Memory Transference, Animal communication, Superhuman reflexes, Eolas, Ansin, Invulnerability, Lycanthrope enhancement, and Telepathy, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the werewolves and Lincoln let out a loud and massive howl of dominance and power.

Suddenly, we heard more howls in the air, and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 more werewolves coming out of nowhere and they were heading for us.

Caleb Maxwell: They just keep coming!

Lincoln morphed the tips of his tails into Cell's stingers and he stabbed them into the chests of the massive numbers of werewolves, and one by one, he began absorbing them into his body and he assimilated their Superhuman strength, Enhanced senses, Super speed, Healing, Super Senses, Healing factor, Shapeshifting, Superhuman speed, Superhuman stamina, Superhuman durability, Massive muscle mass, virility, testosterone, Infectious bite and scratch, Disease immunity, Enhanced Speed, Immortality, Lie Detection, Empathy, Pain Transference, Memory Transference, Animal communication, Superhuman reflexes, Eolas, Ansin, Invulnerability, Lycanthrope enhancement, and Telepathy, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel

wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the werewolves and Lincoln let out a loud and massive howl of dominance and power.

Lincoln: Alright, now we can take down Denethor for good.

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, brown hair and brown wolf ears and tail, yellow eyes, massive black angel wings, orange Wolf Moon tattoo on her right arm and wolf paw with the Harvest Moon on her forehead, white short-sleeved blouse with wolf paw with the Harvest Moon, dark blue sleeveless top, white gloves, dark blue skirt with wolf paw with the Harvest Moon, dark blue knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, darkness, werewolves, phoenixes, and angels on the coattails, and on the back is the symbol of The Harvest Moon, she has a wolf claymore in her right hand, and with her are the eight girls.

Lincoln: (GASPS) Melanie Harvest Moon, The Werewolf Angel of The Harvest Moon of September.

Melanie Harvest Moon: That's right, and it looks like I got here just in time to help finish Denethor for good, but I also got word that more bodybuilder thugs of Sergio has been sighted.

Me: How many?

Melanie Harvest Moon: 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999.

WE GASPED!

Lincoln: Sergio, you really don't know when to quit, do you? And you all better get out here, you bodybuilding thugs! I know you're here, I can smell your blood!

Suddenly, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large and muscular men came out, and like Melanie Harvest Moon said, these guys are bodybuilders, and they're also hired thugs of Sergio.

Sergio Bodybuilder Thug: You're gonna pay for what you did absorbing our friends!

Lincoln: Your friends deserved it for obeying the orders of that stupid rat with wings, and now, it's your turn.

The bodybuilding thugs ripped their tank tops off and ran at Lincoln, but Lincoln charged at them and he really trashed them as he punched and kicked them all over the place, and he was really working up a sweat, and finally, he knocked the massive bodybuilders down.

Then, Lincoln morphed the tips of his tails into Cell's stingers and he stabbed them into the chests of the massive bodybuilder thugs, and one by one, he began absorbing them and he assimilated their massive superhuman upper body and lower body strength, massive muscle mass, virility, and testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the bodybuilders except for their speedos and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Denethor, and he proceeded to brutally smash him hard into the ground with his massive godly superhuman strength, slashed them with his gold-armored dragon claws and his massive greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at him, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON DENETHOR! HE WAS REALLY GOING APESHIT ON HIM!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going wild on you!

James Blunt: That's only a fraction of what's going to be awaiting you when we kill you.

Suddenly, sharp chainsaw blades formed around the 9'6" massive wide double-edged gold blade of Lincoln's massive greatsword, and then, the chainsaw blades suddenly revved up and came to life as he gripped the handle of his massive greatsword, and then, he charged at Denethor and...!

CHAINSAW BUZZ! SLASH!

LINCOLN SLASHED DENETHOR'S HEAD CLEAN OFF!

Then, as the chainsaw blades vanished, he banished the tyrannical warlord to The Black Abyss. We cheered as we holstered our weapons and powered down and we returned home to The World Tree Estate.

Lincoln: And that is Day 2 of our Middle Earth rescue excursion done.

Gloria Gondor: Now, we are rid of Denethor for good.

Juliet Starling: But, now we got a bigger problem: Swan's back and he's sending my zombified old friends after us.

Rhianna Rohan: We'll get him, Juliet, along with those Dark Purveyors.

Cordelia Starling: She's right, Juliet. Plus, tomorrow on Day 3, we're heading for Rohan.

Lincoln: I hope we face Grima Wormtongue and Saruman for their crimes: Grima plotted to sow discord and chaos for Saruman, and the two-faced powerhungry traitor betrayed Middle Earth and siding with Sauron.

Me: Well, I've got better plans for Saruman, he started out as a hero at first, but then, he went full all-out villain, but for Grima, you guys can tear him in two.

Lincoln: That's a good plan.

Juliet Starling: But, that was so awesome at how you killed Denethor!

Nicole: Yeah, how did you learn how to form chainsaw blades around your greatsword?

Nico: That must've been some sort of upgrade to your greatsword that we hadn't heard of.

Cordelia Starling: We saw Lincoln add in chainsaw blades around the massive blade of his greatsword and it was awesome, and he and Juliet, Rosalind, and I killed a lot of zombies on some dates.

Me: Aw man! And we missed all the fun.

Nico: Buzzkill!

Lincoln: Don't worry, when we get to San Romero, we're gonna have tons of fun slaying zombies. (To Melanie Harvest Moon) And it's so good to see you again, Melanie.

Melanie Harvest Moon: You too, Lincoln, it's been eight years since we last met.

Suddenly, Melanie Harvest Moon had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Melanie Harvest Moon was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Melanie Harvest Moon: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Melanie Harvest Moon and hugged her, and Melanie Harvest Moon was very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and wolf teeth and even more massive white angel wings and twenty-four other sets of large sized angel wings underneath with orange and aurora tips underneath his massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, eleven massive and longer brown wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long brown wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Melanie Harvest Moon: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 10'0" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf and man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and twenty-four sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and the eleven massive and long brown wolf tails with markings and white rabbit tail on top of the massive and long brown wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new, along with getting He-Man's chest harness (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Melanie Harvest Moon, The Werewolf Angel of The Harvest Moon of September, she's Lincoln's Guardian Angel from Michigan and she's an incredibly powerful werewolf of The Harvest Moon of September. Melanie Harvest Moon is a powerful master of the powers of blue wolf fire, darkness, The Harvest Moon, and all of the powers and rage of the werewolves, and over time, as she grew, she gained all of the incredible strengths and powers of the werewolves along with immortality. Melanie Harvest Moon is The Werewolf Harvest Moon Angel of The Wolf Moon Night Pack, a group of twelve girls whom Lincoln met and they each have the powers of The Twelve Elemental Wolf Moons, and she was saved by Lincoln who bit her and injected her with his excessively potent lycanthropy and vampirism after she got brutally attacked by Lori. Melanie trained Lincoln in mastering the powers of blue wolf fire, darkness, The Harvest, Moon, and the powers and rage of the werewolves, and he also gained all of the incredible strengths and powers of the werewolves, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves and men combined along with incredible levels of incredible superhuman speed and he's able to run as fast as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves, plus it also enhanced his night vision, incredible superhuman senses of sight, smell, touch, and taste, and natural hunting instincts as well, and she found out Lincoln's a True Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she kissed him in his werewolf form on the muzzle and made out many times in his werewolf and he came back home all covered in kisses and his wolf tails were wagging like crazy. Lincoln made her a powerful claymore and gave her a wolf moon tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lori with a blazing passion and she wants nothing more than to maul her to death underneath The Harvest Moon!

Nico: Can we see how...?

Lincoln and Loud Sisters: NO!

Me: Whoa, what happened?

Lincoln: I know what you were about to ask, Nico: you wanted to see how Melanie punished Lori, but we can't do that! Let's just say what she did to Lori..., it is not for the faint of heart and it was truly messy and Lori got mauled big time and we had to get her to the hospital where she spent a month there.

Nico suddenly shuddered at the thought!

Nico: Whoa, okay, I see your point. I can't believe I asked that, that was wrong.

Brittney formed a ball of darkness and was about to hit Lincoln with it, but Nicole got in between them.

Nicole: Don't even think about it, Brittney! Now, back to your lair, Empress of Darkness!

Brittney: (HISSES)

Brittney hissed at Nicole showing her vampire fangs and she turned into bats and flew back into her room!

Nicole: And I can guess why Brittney was about to blast you: after the incident with Lori, you turned Melanie, and after what happened in the past, you weren't taking any chances and you weren't going to lose another Guardian Angel to death, especially at the hands of one of the five mean Loud Sisters.

Lincoln: That's true, but now you guys know how The Werewolf Angels of The Elemental Wolf Moons came into being.

Nico: And it was the doing of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of your enemies. What a bunch of jerks.

Lincoln: That's for sure, and now that you're here, Melanie.

Lincoln with his massive muscular arms still wrapped around Melanie Harvest Moon's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and twenty-four sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Melanie Harvest Moon: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Melanie Harvest Moon with orange gems on the gold lightning bolts and orange crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Melanie Harvest Moon: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Melanie Harvest Moon.

Melanie Harvest Moon had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Melanie Harvest Moon's waist, and he leaned down to her face and kissed her on the lips, and with Melanie Harvest Moon's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Melanie Harvest Moon had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Melanie Harvest Moon: (In Heaven) My God. Oh, Lincoln, the eight girls I rescued, they're mega-hot and one of them is a (Gulps) Stripper!

NICO AND I GASPED!

Red Savarin and Travis Tackett: Boys, in your rooms now, and no questions asked, or you're in for a serious buttkicking!

We obeyed Red Savarin and Travis Tackett and fled to our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the eight girls, he had an atomic red blush on his cheeks and muzzle and his nose was gushing out blood. The eight girls are Chastity, Cheetah, Fufu, Infernus, Juliet, Nikki, Peach, and Sapphire from Grand Theft Auto V.

Lincoln: Oh whoa, it's Chastity, Cheetah, Fufu, Infernus, Juliet, Nikki, Peach, and Sapphire from Grand Theft Auto V.

Nicole: Looks like you've had a nosebleed attack for the first time in a long while, Lincoln, and the girls are indeed mega hot and one of them is indeed a stripper. But, thanks to Travis and Red warning the rest of the boys, it's engrained into them.

Lincoln: Their warning saved them. Are you girls okay?

Cheetah: Yes, we're okay, thanks to you.

Then, when Cheetah and the other seven girls saw who it was that saved them from Denethor, their faces turned atomic red upon seeing the 10'0" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair and large brown wolf ears with rainbow markings on top of his head and a large gold halo with embedded Elements of Harmony-shaped gems with a ring of hands made of gold with colored gems in its palms around it and around the ring of hands made of gold is a ring of fire made of gold and gold angel wings on the bottom in the center and four large orbiting gold rings with four rings of hands made of gold with colored gems in its palms around them and around the rings of hands made of gold are four rings of fire made of gold and embedded colored gems on each corner behind his head and behind it is a gold version of Trinity Mirror with three rings of spikes made of gold, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest and surrounded by rainbow animals emblazoned on his forehead and Third Eye with rainbow iris, rows of wolf teeth and straight teeth and vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a cross arrangement on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Reincarnation of Amaterasu, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Almighty Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Loving Nephew of Lance and Sharon Loud, Almighty Loving Cousin of Shane Loud, Shelby Loud, Shiloh Loud, and Dipper and Mabel Pines, True Immortal, God, and Powerful Omnipotent Warrior of The Universe, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth

Cheetah: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made seven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Chastity: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Chastity, Cheetah, Fufu, Infernus, Juliet, Nikki, Peach, and Sapphirewith colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of

Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Alright, guys, come on out.

We then came out and we told them everything that happened on Gondor.

Maria: Hah, serves that tyrant, Denethor, right.

May: But, we also got trouble: we saw Juliet's classmates who got turned into zombies and that just proved Swan's back.

Lincoln: And causing trouble in San Romero.

Nico: He's already going to pay for what he's done in the past. But, we'll be ready for him.

Me: And for whatever he's got up his sleeves.

Eli: But, he's bound to have more zombies on the loose, so we got to be ready.

Lincoln: But, we're more than ready, and with our experience with zombies, we're gonna put an end to those Dark Purveyors and Swan for good, this'll show Dark Sebastian the next time he pulls something like this, he's a dead man!

After Lincoln and all of us destroyed Denethor and sent him straight to The Black Abyss and this time forever, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long brown wolf tails even more stronger than ever as well, and when Melanie Harvest Moon saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long brown wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Melanie Harvest Moon: My God, I was right that Lincoln's really grown into an 18-year-old 10'0" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work, and really working out with those 900,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and

genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Melanie, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Melanie Harvest Moon: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Melanie Harvest Moon: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, Carter Kenrick took out a videotape.

Carter Kenrick: Okay, now this videotape, this was taken on the night of Caleb's return to New York after spending almost two years in West Virginia, I was out on patrol, but of course, his return was also leaked to The Big Claw Gang who knew of his return from the dead.

Carter Kenrick put the videotape in and it played on the big screen, and it showed New York at night and it's been a year and a half since Caleb spent time in West Virginia to recover after his return from the dead, and we saw Caleb Maxwell return to New York.

Past Caleb Maxwell: So, here I am once again. New York, it's changed a lot since my death in 1985, but crime here is still rampant.

Caleb Maxwell continued to walk the streets, but then, he saw two gangsters and they were with The Big Claw Gang, he continued walking, but he heard the conversation.

Big Claw Gang Soldier: Hey, did you hear? The boss, Claw Dane, has seized control of every last one of The Syndicate's operations and revamped everything.

Big Claw Gang Soldier 2: You bet. Marcus Maxwell's empire has since fallen from power ever since the night that fucker, Drake Maxwell, and those four senior members murdered his older brother, Caleb Maxwell back in 1985. But, I feel bad for the kid, Caleb. He wasn't even part of the game anyway.

Big Claw Gang Soldier: Drake was too drunk with power and everything we heard was true, the fucker got off on physically assaulting and abusing his older brother and attacking his little sister and Mom.

Big Claw Gang Soldier 2: What an animal, that guy doesn't deserve to breathe. Plus, his daddy was the one who cut him off and kicked him to the curb after Caleb's death and funeral, but that was a huge mistake. Now, word on the street is, he's become a lowlife thug and he's on the rampage killing many rival drug gangs stealing their drugs and money and using the money to fuel his addiction to drugs and gambling. I wouldn't be surprised if Caleb returns here to New York to wreak his terrible revenge on his brother and his dad.

Caleb heard what the Soldiers said.

Past Caleb Maxwell: So, my father's criminal empire is falling apart and Drake's been kicked out and become a lowlife thug. Meanwhile, The Big Claw Gang's taken control of my dad's operations and the boss, Claw Dane Drake, has made some changes to everything.

Suddenly, he heard the sound of a police siren, and the soldiers retreat while Caleb was still walking about. In the police car was Carter Kenrick.

Past Carter Kenrick: So, it's true, this new gang that's suddenly risen has now seized control of The Syndicate's entire operations, it's been twelve years since Caleb's death and The Syndicate has now fallen from power. (Sees Caleb Maxwell walking) W-who is that? This guy shouldn't be out here at night, not with the gangs running loose. (Suddenly felt a darkness in the air around Caleb Maxwell) What the?! What on Earth is this? The darkness coming off of this guy is pretty extreme.

But, before Carter Kenrick could even question him, Caleb had left, but his presence has left its mark on Carter Kenrick.

Past Carter Kenrick: Just who or what was that person, I've never felt such overwhelming darkness from him. I'll have to talk to the Captain about this, he'll know what's going on, and then, I'm gonna ask my dad about this guy, he'll know a lot more about him.

Carter Kenrick got into his car and drove back to the precinct, and Caleb Maxwell continued onwards, but unknown to Caleb, three figures were watching him, they were Carla Claw, Sally Gamble, and Panther of The Big Claw Gang.

Past Carla Claw: So, the rumors were true: that figure who rose from the grave at the cemetery two years ago was Caleb Maxwell.

Past Sally Gamble: (British Accent) For him to disappear for nearly a year and a half, this is rather unsettling.

Past Panther: (Smirks) Unsettling or not, Caleb's returned from the dead, and he's finally back for one thing: revenge on Drake and his dad.

The three of them left to report this to Claw Dane Drake as the video ends.

Me: Oh man, so your encounter with Caleb left a...!

Jack Howard: Left a mark on Carter. He may be a hardened detective, but the amount of darkness that Caleb had, that would put a dent in even the most seasoned and hardened detectives of the NYPD.

Carter Kenrick: I got sloppy as a result, but when I saw him, I immediately remembered the murder of Caleb Maxwell, and he matched the physical appearance of him, but he looked like he was eighteen when in reality, he was twenty years old when he died in 1985.

Casey Antonio: We didn't get told of this, but Caleb's appearance unrattled Carter.

Buffy Blain: Many of us didn't want to believe it, but there was an old folktale that was told among the teens. According to the tale, when Caleb died, it was said that a mark of damnation was placed on Drake Maxwell, and instead of wealth and power, what awaited him was eternal damnation and death along with all those who followed him.

Roxy Drake: And that old folktale would be proven true: Caleb had returned in search of vengeance against his brother for his death in 1985.

Nico: Yikes.

Lincoln: I knew Caleb's death would leave a dark shadow on Drake, but I hadn't realized how dark that shadow truly is.

Caleb Maxwell: Perhaps, you shouldn't try to find out.

We got a shower, and then, Lincoln, Drossel von Flügel, Snarmail/Trailsmail, Phosphera/Diviwing, Amaterasu, Izanami, and Otohime are heading to Grand Haven Beach in Michigan.

Lincoln snapped his fingers, and the 10'0", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Drossel von Flügel, Snarmail/Trailsmail, Phosphera/Diviwing, Amaterasu, Izanami, and Otohime are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Drossel von Flügel, Snarmail/Trailsmail, Phosphera/Diviwing, Amaterasu, Izanami, and Otohime all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all.

Amaterasu: Wow, we're here in Grand Haven Beach, it sure is beautiful.

Lincoln: It sure is, Amaterasu, and it's perfect for our first date, shall we?

Lincoln, Drossel von Flügel, Snarmail/Trailsmail, Phosphera/Diviwing, Amaterasu, Izanami, and Otohime dived into the waters and had an awesome time swimming, and there, they also saw the sea life that live there, then, the girls took turns in giving Lincoln a deep tissue massage which not only relaxed their muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and he did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they went back to the beach and they had an awesome volleyball game, and they went into a workout area Lincoln created, and Drossel von Flügel, Snarmail/Trailsmail, Phosphera/Diviwing, Amaterasu, Izanami, and Otohime got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Phosphera: (Swooning) What a handsome and manly wolf hunk.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Drossel von Flügel, Snarmail/Trailsmail, Phosphera/Diviwing, Amaterasu, Izanami, and Otohime and hugged them in their abnormally massive and powerful muscular arms, and Drossel von Flügel, Snarmail/Trailsmail, Phosphera/Diviwing, Amaterasu, Izanami, and Otohime placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of Drossel von Flügel, Snarmail/Trailsmail, Phosphera/Diviwing, Amaterasu, Izanami, and Otohime and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and twenty-four sets of large white angel wings underneath spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Grand Haven Beach, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Drossel von Flügel, Snarmail/Trailsmail, Phosphera/Diviwing, Amaterasu, Izanami, and Otohime on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Drossel von Flügel, Snarmail/Trailsmail, Phosphera/Diviwing, Amaterasu, Izanami, and Otohime are now in your harem, Linky.

Drossel von Flügel, Snarmail/Trailsmail, Phosphera/Diviwing, Amaterasu, Izanami, and Otohime showed the marks Lincoln made on the right sides of their necks.

Jenna: You girls had no trouble at all.

Izanami: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted thirteen massive 900,000,000,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck,

and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for Misty, The Pipsqueaks and Xion's final mission.

Nico: Anyone else want to go with Misty, Pipsqueaks, and Xion? Besides Roxas, Cadance, Yost Reed, and Blossom Z?

Tea Gardner: I'll go.

Cad Bane: So will I

Alphabittle: And we agreed I would come with too.

Twilight Sparkle: Me and the princesses will go a well too.

Nico: Good idea.

Me: We have quite a story about that one and it was cool.

Lincoln: It's true.

Alphabittle: I'm Misty's dad Alphabittle Blossomforth.

Misty Brightdawn: I reunited with him last year.

Me: Long story on that but it was awesome.

Tea Gardner: I'm Tea Gardner and I'm a Duelist of Fairies and wizards.

Me: I know and their mom and dad thought it was cute if they had their names started with the letter L. Lanaia has Nebula first because that's her Nickname.

Nebula Lanaia: And It's because of my quirk.

Me: (Whispers to Clovis) They have never been a believer of condoms Too.

HE SNICKERED!

Girl Jordan: And I'm Jordan Rosato but Everyone calls me Girl Jordan.

Zak Storm: Wow it's an honor and a pleasure. Wait you're the famous Vendetta of Carnage! I've heard so much about you.

Girl Jordan: That's right. Check out my new ink.

She got a tattoo of a skull with chomping on Carnage on her arm.

Girl Jordan: I just got this put on. Thought it was cool.

Me: Looks great on you G.J.

Nico:...where did you get the tattoo?!

Girl Jordan: Oh Luna showed me an awesome tattoo parlor in town and thought it would look cool on me.

Luna: It's true dudes. I thought G.J. Would look great with a tattoo.

Nico: It looks great on you.

Girl Jordan: Yep.

Xion: Yep. It fits perfectly too.

Me: Were you expecting our mascots to do it?

Nico: Eh yeah I was.

Xion: Zak, how would you like your own Keyblade?

Zak Storm: Sure but what is a Keyblade?

Xion: It's this.

She showed him and it was amazing.

Xion: It's the weapon of me and my friends. We use these to defend the light.

Me: They are the very weapons we used to destroy Xehanort.

Cece: Who was Xehanort?

Me: He was the main baddie me and my team battled over the last 7 years before Anti-Monitor.

Nico: For years he caused numerous terrible atrocities that lead to so many lives being destroyed.

Me: His goal was to destroy the entire universe and remake it in his own image.

Eli: Yeah and he was poisoning us too.

Cece: How?

Me: With the fragments of his soul. We call them Dark Orbs.

I showed what they were and more and it was shocking.

Zak Storm: WHOA! That is shocking.

Me: It was. But after 7 years we finally ended his reign of terror forever.

Eli: Yep we sure did.

Zak Storm: Wow! That is incredible! Having a Keyblade must be cool!

Nico: Trust me. You'll love it.

Zak Storm: Wow! Okay I accept.

Me: Great!

Xion: Yeah!

Xion gave him and his friends their keyblades.

Zak Storm: Cool!

Me: We can teach you how to use them.

Nico: (to me) Meanwhile, we should double the security in the Black Abyss so Xehanort can't come back like Opaline did.

Me: Actually Nico that's not necessary. Because the Black Abyss is over 100,000,000,000,000,000,000 times more powerful than the Black Gates, there no chance in hell that they are ever going to come back from it.

Nico: Oh just being cautious about it.

Eli: Yeah.

Xion: Good.

Nico: Any of your enemies active right now?

Zak Storm: No but this one you might know.

He showed a photo and it was our old foe ALESSA GILLESPIE!

WE GASPED!

Me: Oh man! The Demon of Silent Hill Alessa Gillespie.

Cece: Is that it there?

We saw a deserted island and on it was SILENT HILL!

Me: Silent Hill is here too?! Oh man!

Zak Storm: Who is Alessa and what is Silent Hill?

Me: Silent Hill is a town that Hell calls home. And Alessa is a girl that is a demon.

I went over what happened.

Alessa Gillespie is the overarching protagonist of the Silent Hill franchise. She is a young girl who lived in the legendary and cursed American ghost town of Silent Hill and is the catalyst for the entire series.

She was voiced by Sandra Wane in the original Silent Hill, and voiced by Jennifer Woodward in Silent Hill: Origins. In addition, she was portrayed by Jodelle Ferland, who is also known for portraying Five on Dark Matter, as a child, and Lorry Ayers as an adult in the film adaptation of Silent Hill.

Alessa is the only daughter of Dahlia Gillespie, the presiding priestess of a religiously crooked cult group known as The Order that operates out of the resort town of Silent Hill, Maine for many years. Any information regarding Alessa's father remains unclear. Dahlia and Alessa live together in a house at Silent Hill's business district.

Alessa kept a butterfly and insect collection in her room, and had 2 dolls (one of which she named "Scarlett"). Alessa was born with vast mental powers, including telekinesis, premonition and astral projection, which could enable her to kill someone with her thought by projecting her desire for them to die into their body.

Her powers eventually lead her to being ostracized at Midwich Elementary School, where she was branded a witch. At her elementary school, her classmates had scribbled on her desk statements such as "Go home", "Drop dead", and "Thief". Alessa's teacher, Mrs. K. Gordon, noticed her bullying and wanted to help her.

Alessa's only friend during childhood was a young Claudia Wolf, who empathized with her because she also came from an abusive family background as well as a father named Leonard who is a overzealous disciple of The Order themselves. Their relationship together was strong, as Alessa thought of her as a "little sister", despite not being related. On Claudia's 6th birthday, Alessa gave her a card that stated "I love you as if you were my real sister. Here's to you!"

They did activities such as playing cards which often made Claudia cry as she had a time winning, as well as drawing. Alessa always drew monsters whenever she was alone and wished for a "nice daddy and mommy and a fun school, and a happy world where everyone smiled and laughed all day long," which was in short everything Alessa and Claudia never had.

A note found at the Artaud Theater says that a certain girl came to the theater apparently playing truant. After being allowed to stay, the girl was terrified of Caliban's costume, and the actor who played him had a headache and a nosebleed. This showed that Alessa was skipping the school and visiting the Artaud Theater to avoid her classmates and hang out in a place she liked to watch theatrical rehearsals.

The Paradise as described according to the beliefs of the local religious cult in Silent Hill known as The Order.

Alessa dreamed of the arrival of Paradise, another world with no hatred, no disease, no famine and no old age. The child also believed that their world must be cleansed with fire before creating another one and shared these thoughts with Claudia with good intentions of eternal happiness and bliss.

As a young girl, Alessa grew up with the teachings of The Order. Dahlia brought Alessa to the Order's chapel frequently and Alessa often looked up at the stained glass which depicted The Order's God (not to be mistaken for real life "God") and the man and woman who birthed Her. Alessa came to worship God and to ask for her prayers to be answered, however, none were ever answered.

When Alessa was seven years old, Dahlia became convinced that a certain ritual to summon the cult's God would likely be a success if she used her daughter as its birth mother. The technique had been performed on other girls that the Order abducted, but all previous attempts had failed. Alessa was offered as a sacrifice by Dahlia to the God on the second floor of their house by immolating her body.

Despite the interfering actions of Travis Grady, the plan was a success, with Alessa becoming pregnant with the deity in embryonic form. Dahlia fled the scene of the fire and people believed that she became crazy due to Alessa's supposed "death". After Travis saves Alessa from the house, Travis faints and the Order takes Alessa's body to a secret ritual site located in Dahlia's Green Lion Antiques antique store.

Alessa uses astral projection to guide Travis through the town. Alessa gives hints to Travis to help her to recreate the

Flauros, an artifact that would "trap" the evil side of her by combining it's five pieces: Future, Past, Falsehood, Truth and Present. Alessa seems a little indifferent to Travis throughout the game, even when he helps her continuously, she remains quiet. Though Travis becomes angry with her and asks what is going on, she continues to use him for her plans.

When the Flauros has been restored, Alessa appears outside Alchemilla Hospital and starts changing the town into its Otherworld version. After Travis kills the demon inside the Order's church, her charred body creates a baby from a part of her soul. She later appears at the end of the game, holding a baby, when Travis is finally able to get back into his truck in the good ending. She smiles at him as a sign of thanking him to which he smiles back and then proceeds to leave the town. Alessa's other half is then found by Harry Mason and his wife Jodie on a road outside of Silent Hill. They named the baby Cheryl and begin to raise her as their own daughter.

Due to the ritual's fire, Alessa Gillespie had received many burns on her body. The ritual performed by Dahlia was kept secret and the residents of Silent Hill assumed that the Gillespie's house burned down due to an antiquated boiler. Alessa was then taken to Alchemilla Hospital and was hidden inside a room in the hospital's basement by Dahlia and the director of the hospital, Dr. Michael Kaufmann, who had an alliance with her centered around drugs. To the public, Alessa was thought to have died in the fire, and was declared a "saint" by the Order as the "Mother of God" and "Daughter of God". Only Dahlia, Michael, a few members of the Order, and a young nurse working at the hospital knew that Alessa was still alive. The young nurse, Lisa Garland, often cared for Alessa and in return, was supplied with drugs from Michael Kaufmann as he was the one who made her addicted to the drugs.

In order to lure the missing portion of Alessa's spirit back to its point of origin, Dahlia intentionally keeps her daughter in a state of excruciating pain for the 7 years prior the events of the first game to compel Cheryl to return. Confined to Alchemilla Hospital's basement and tended to by young nurse Lisa Garland, Alessa is given hallucinogenic drugs, further intensifying her torment.

Upon Cheryl's return, Alessa's latent psychic abilities are triggered and she shrouds Silent Hill in fog and an altered reality to prevent her mother's scheme from advancing. Many of the drastic changes that befall the town in the game, such as the horrific creatures that come to inhabit it, are conjured from her imagination and delusions. While searching for the missing Cheryl in Silent Hill, Harry is manipulated by Dahlia into believing that Alessa possesses the "Mark of Samael", which is the mark of a demon.

She instructs him to use a sacred item, the Flauros, to stop Alessa from completing Samael's five crests and permanently plunging the entire town into a hellish alternate dimension known as the "Otherworld". Taking the bait, Harry neutralizes Alessa in Lakeside Amusement Park, only to learn that she was really trying to contain the Otherworld herself with the "Seal of Metatron" which is a talisman that recurs in Silent Hill 3. After Alessa has been depowered, Dahlia appears and takes her to the Nowhere which is a mix of places from Silent Hill that Alessa knew.

At the end of the game, Dahlia finally captures Alessa, who recombined with Cheryl immediately after the car accident, and uses her to birth God. Depending on the player's actions throughout the game, Alessa emerges either one of the deity's two seperate forms as a serene white-clad figure named the Incubator or the demonic Incubus, the latter coming about by Dahlia's former associate Dr. Kaufmann throwing a sample of Aglaophotis onto Alessa to prematurely expel the God. In either case, the birthed deity kills Dahlia and fights Harry as the final boss.

Following the defeat of the Incubus, a fading apparition of Alessa creates a small portal back to the real world to enable Harry's escape after handing him a newborn child containing the fused soul of herself and Cheryl. Alessa then points towards a light as a path for Harry to escape. Harry looks at the reincarnation of Alessa and ponders what to do, and eventually decides to carry her with him as he escapes. Alessa, with her remaining power, stops the fire surrounding Harry before collapsing to the floor.

From then on, Alessa's soul lives on in the new baby whom Harry names Heather. With no memories of her previous life as Alessa, Heather lives a life without pain or suffering, the life Alessa had wanted. Silent Hill 3 is about Heather remembering who she was and what happened to her father in Silent Hill 17 years prior to the game.

In Silent Hill 3, seventeen years after the events of the first Silent Hill game, Alessa's reincarnation, Heather in Central Square Shopping Center is approached by Claudia Wolf who is now a priestess of the Order. Claudia intends to bring about the descent of the cult's God to usher in Paradise; for this to happen, Heather must remember her "true self" (Alessa). To nourish the growing fetus within her with hatred and also seventeen years of revenge for taking Heather/Alessa away, Claudia has Harry murdered by one of her followers. During the game, Heather slowly regains her memories of being Alessa.

The Memory of Alessa, a living dark emotion mimicking her likeness, is encountered by Heather in Silent Hill's Lakeside Amusement Park. The living memory of Alessa attacks Heather as a boss enemy, intent on ending Heather's life herself to spare her and everyone from further pain after the God is born.

Heather then enters the Order's Chapel that slowly transforms into Nowhere, and revisits several of Alessa's memories from the past. In a confrontation with Claudia, Heather swallows a tablet of Aglaophotis given to her by her father, causing her to vomit it out of her body. Claudia, in desperation, devours the fetus to birth the God herself. Being born of Claudia's womb, the God personifies her vision of what God would look like, and therefore vaguely resembles Alessa. Heather survives the ordeal, kills the God and it can be presumed she lives a happy life afterwards.

When I was done everyone was shocked!

Cece: That is terrible!

Me: it was. We destroyed Silent Hill long ago and sent Alessa to the Black Gates and sent the town to Heaven. But now I understand the truth.

Nico: What truth?

Me: Alessa is not the true enemy of Silent Hill. The Order is.

Cece: And What is the Order?

Me: A Satanic Cult. And it is the one that plunged Silent Hill into Purgatory.

I went over what they were.

The Order are the main antagonists of the Silent Hill franchise.

They are a local, religious cult organization in the American ghost town of Silent Hill that has appeared as a religiously crooked secret society of doomsday zealots residing within the haunted township of Silent Hill and have expanded into other towns across the region, such as Shepherd's Glen.

The Order is a primary source of struggle for most of the Silent Hill games, and are responsible for the many dilemmas that the protagonists of the series face. The cult often resorts to murder, kidnapping, torture, and other acts of violence to meet its needs, though not all of their members are insane or violent.

The Order believes they are the "one true faith" and "one true religion", and all other religions are deceits and false truths. It is ambiguous if this is true, or if it is make-believe fantasy manifested by the ancient power of Silent Hill.

The cult's official seal is known as the Halo of the Sun and is often used or seen in the presence of cult members, particularly while conducting rituals. The Order is involved with esoteric occultism, black magic (sometimes referred as the dark arts), arcane ceremonies, and blood sacrifices.

The Order is prevalent in all of the games, and are deeply rooted in Silent Hill's history and culture. They are responsible for:

Orchestrating the deaths of several people who developed the town, the local anti-drug mayor and his private investigator.

Selling illegal drugs such as the hallucinogen PTV to tourists.

Kidnapping young girls for their ceremonies. These abducted girls were intended to be used as prospective surrogate mothers. It is possible they were murdered after.

Alessa Gillespie's immolation and supernatural rise to power, as well as the subsequent attempts to contain it.

Running the Wish House Orphanage, and were responsible for Walter Sullivan's descent into madness. His murdering almost 21 people became known worldwide as "the Walter Sullivan case".

Creation of multiple Books of Memories to imbue the writers with God's will.

Pyramid Head takes the form of an iconic figure of judgment and punishment of the Order's mythos, Valtiel. The creature itself even makes an appearance to follow Heather Mason (the reincarnation of Alessa) and the Order's God still sleeping within her womb.

When people refuse to convert to the Order, the cult often resorts to brainwashing, kidnapping, drug trafficking, child abuse, acts of violence, torture, and even murder. The Order uses each method to achieve different goals. Loyalty, discipline, and the rebuilding of their flock and faith requires many approaches to ensure that no one attempts to leave the Order. At the same time, the Order has certain goals to achieve in order to seek the path of the old ways as well as certain needs to fulfill. Without total control over the town and the people living within, the Order would not be able to achieve its true goals.

Some Order members threaten eternal damnation towards non-believers, especially those whom they consider as pagans, heretics, sinners, blasphemers, and mockers.

However, not all of their members are necessarily hateful or violent. Many of them are brainwashed, making them mentally and spiritually ill while occasionally also being twisted and depraved. Dr. Michael Kaufmann is an Order member, but he chooses not to be involved with the religious side of it. Some members, such as the unseen Confessor, are treated sympathetically. As with a real cult, some members are not so much evil as they are born into the environment of a cult. While the Order itself is evil, not all of the people within are as well. In truth, the Order genuinely believes that what they are doing will create a Paradise for what they believe is a tainted humanity.

Other Order members fear certain members among them with special powers, which was possibly given to them because of their "great faith".

Their occult and seemingly magical abilities are but further unexplained, as many of their rituals produce arcane effects that defy all logic. It is implied that the town itself is to blame for the power, along with a classic superstition of building on top of a Native American burial ground as explained in Silent Hill 2. Their tie to the forces of the Otherworld are also quite strong, as some members of the Order can even go so far as to manipulate it to a degree.

The Order themselves follows a philosophy of moral nihilism; they do not believe in "good" and "evil", only chaos and order, and feel this somehow justifies their wicked ways.

The Order takes inspiration and draws elements from other religions, such as the origins of Christianity, Japanese folklore, Aztec rituals, and Native American beliefs.

It is important to note that the Order itself is not the same as the religion of the land's original Native American inhabitants before the settlers arrived. The roots of this religious organization originally date back as far as the 17th century, with the burning of Jennifer Carroll in 1692 before she was declared as a saint afterwards by the Order. However, back then, they were not formally known as the Order.

When Silent Hill became a tourist location around the 1900s, the Order was formed at the same time, and were despised by most of the local citizens, thus their union was carried out in secret. With time, the cult infiltrated the public institutions of the town, gradually gaining more influence and power.

Since the Order is suggested to be the same as the Native American tribe's religion, it is possible that the cult's high priestess, Dahlia Gillespie, became their leader because of her family background of a coal company the Gillespies used at the Devil's Pit, which contain artifacts and human remains of the local region's former inhabitants.

The Order used the plant White Claudia for its mystical and hallucinogenic properties and to create the drug PTV, which they used for their ceremonies, and also distributed to the populace of Silent Hill.

After the events of Silent Hill in 1983, the cult was left in shambles and went through a period of inactivity. Father Vincent invested in the cult and revived it. After the events of Silent Hill 3 in 2000 including the demise of 2 ruling

Order clerics Father Vincent and Sister Claudia, it can be speculated that all but one sect were eliminated. Detective Douglas Cartland worked to expose the "now defunct" Order, according to Paul Schieble's book "Through the Fog: A Skeptic in Silent Hill". Paul interviewed long time residents during his 2 year-stay in Silent Hill, many of them proclaiming the Order is the "great evil". Journalist Joseph Schreiber believed that while the Order itself was gone, the spirit of the cult was still alive in Silent Hill because there were too many weird things happening in the town.

After the events of Homecoming in 2007, the presumed final sect in Shepherd's Glen was destroyed, leading to the [supposed] death of the cult.

Beliefs

These paintings are the iconography of the Order's religious mythology of spiritual beliefs.

The Order worships the entities of the Otherworld of Silent Hill, which they believe house their faith's incarnation of God, which is often depicted as an orange haired Caucasian woman in flowing long red robes; it has been stated that this belief lies the foundation for the whole cult. Their mythos has a wide variety of angels and saints, including:

God

Valtiel

Metatron

Lobsel Vith

Xuchilbara

Nicholas: saint, a Doctor of God.

Jennifer Carroll: saint, Unwavering Faith under Death's Blade.

Alessa Gillespie: saint, Holy Mother of God, Daughter of God.

Paradise as described according to the beliefs of the local religious cult in Silent Hill known as The Order.

The Order's main goal, as many of its members state, is to usher in the apocalypse and deliver the faithful to the "Eternal Paradise", an utopian world that is a place without hunger, illness, war or greed, a realm where all would lived by God's grace alone. This paradise means many different things to different members, but the goals remain the same, and this is brought about in ways that vary from sect to sect. Some try to actively aid it while others simply prepare for the inevitable.

As stated on several occasions, the Order themselves follows a philosophy of moral nihilism; they do not believe in terms of "good" or "evil", only the concepts of "chaos" and "order", and they feel this justifies their actions. Their ways are cruel and brutal, to ensure order remains in place. To ensure loyalty and discipline, many children under the Order's care are cruelly treated and disciplined harshly in some sects. Human life is inconsequential to them, as they are more than willing to sacrifice and kill to appease God. They believed in God, Paradise, sin, salvation, souls, Purgatory and Hell.

The Rite of Spring painting (with The Man offering a serpent and The Woman offering a reed both depicted in it) shows the fact that The Order has its own unique beliefs which are based on the mythology of other religions.

The Order's occult and seemingly magical abilities are further unexplained, as many of their rituals produce arcane effects that defy all logic. Their tie to the forces of the Otherworld is also quite strong, as some members of the cult can even go so far as to manipulate it to a degree.

The Order believes that humanity and society is but corrupt, drowning in pain and loss, shackled by sin, and that they are among the elite "chosen people" to bring about a new world unspoiled by evil. Claudia Wolf, a sister of the Order, believes that happy people are most often the cruelest and humanity has been contaminated by avaricious behavior and Earthly materials and base desires.

The Order themselves appears to be either Gnostic or Ascetic, which shuns the material/physical world, instead embracing the spiritual world.

System of Beliefs

1. Commitment

The Order's Beliefs Book

This bible with the Halo of the Sun seal is The Order's system of beliefs found in Silent Hill: Homecoming.

All members of the Order must have fully committed themselves to this purpose in their beliefs, their activities and their lives.

2. Membership

Membership within the Order is extended to all that seek the Old Ways.

Levels of Membership:

Mother Circle

The Mother is considered the founding group of the Order.

Daughter Circle

Any Second Generation group hived off of The Mother.

Servant Circle

Any Third Generation group stemming from The Mother.

3. The High Council

The High Council is set in place as a tool for all within the Order to make use of. The purpose of the High Council shall be to aid in the process of group formation as needed, act as governing body in matters pertaining to the Order as a whole, and to be a judge/jury if asked to settle disputes.

4. Grievances and Discipline Procedures

All decisions made by the High Council are binding. Presenting your case before the Council implies your acceptance of their decision. Those seeking mediation must contact the Scribe.

The High Council shall be called in to preside over disputes within a group to hear complaints and accusation of inappropriate acts, heresy, abuse of power by leaders, any other complaints that are deemed worthy to preserve the public image or internal integrity of the Order.

The nature of the disciplinary action shall be decided at the sole discretion of The High Council. These actions shall contain, but not be limited to, assignment of manual labor, persecution of an individual member, execution or torture, and the banishment of a group.

If an individual member wishes to leave the Order, he or she is required to bring his or her request to the High Council.

The Order is divided into several sects.

Sect of the Holy Woman

This sect, the Holy Woman Sect or the Sect of the Holy Woman, is centered around a priestess named Dahlia Gillespie. This sect believed that God would return to Earth one day and await her coming faithfully. However, Dahlia Gillespie had attempted to hasten God's rebirth by using an immolation ritual which meant her daughter, Alessa, would be used as a sacrifice. Members of this sect include Dahlia Gillespie, Claudia Wolf, Vincent Smith and Leonard Wolf. They believe that once God has come, She will cause the apocalypse and usher the faithful to paradise. Not all their members are active in this, however, such as Vincent. Claudia believes that a God born from pain and hatred would thereby be more sympathetic.

Sect of the Holy Mother

Members of the Holy Mother Sect or Sect of the Holy Mother (not to be confused with Alessa Gillespie, known as the Mother of God), used their self-run Wish House to raise a conjurer. They respected the Mother Stone as something sacred, and called the God "Holy Mother". This sect believed that the Holy Mother would be descended by a conjurer performing a ritual to descend the God into a sacred object. Members of this sect include Toby Archbolt. They are slightly more pacifistic than the Sect of the Holy Woman, though their cruelty is still directly shown by their treatment of the orphans in their care, including a younger Walter Sullivan. They also held a ritual for the resurrection of the dead, which James Sunderland may find in Silent Hill 2.

Sect of Valtiel

Valtiel Sect

This sect, the Sect of Valtiel or the Valtiel Sect, is centered around the priest Jimmy Stone. This sect believed Valtiel to be the closest to God, and worshiped him as a divine executioner. Members of the Valtiel sect would don red pointed hoods and act like executioners in honor of Valtiel. Members of this sect include Jimmy Stone and George Rosten.

Sect of Shepherd's Glen

An unnamed sect of the Order residing in Shepherd's Glen, they are a splinter group, having broken away from the core of the Order to live more peaceful, stable lives. Though separate from the Order, many of the core beliefs are still upheld, including faith in their God and a desire for discipline.

The Founding Families that made up this sect entered into a pact with their God; if one child from each of the four families was sacrificed every 50 years, Shepherd's Glen would be spared from the effects of the Otherworld.

The families are: The Shepherds, the Holloways, the Bartletts, and the Fitches.

With Adam Shepherd's failure to fulfill his portion of the Pact, the agreement was broken, and Shepherd's Glen was left to the ravages of the Otherworld.

Members include Curtis Ackers, Adam Shepherd, Sam Bartlett, Martin Fitch and Margaret Holloway.

The original, true form of the Order has ceased to exist due to several events. The deaths of Sister Claudia and Father Vincent in Silent Hill 3 and the exposure of the Order by private investigator Douglas Cartland shortly thereafter ended the Holy Woman Sect in 1997. The Holy Mother and Valtiel Sects were effectively destroyed by Walter Sullivan as part of his three-fold killing spree.

Silent Hill Films

The Silent Hill film features a similar, yet different, fanatical religious cult called the Brethen as well, however, the director Christophe Gans has stated they are two separate cults. He implies that Jennifer Carroll was burned alive by the movie's cult, tying the Order to the movie cult and says they have "opposite" beliefs.

The sequel to the first film, Silent Hill: Revelation, which features the Order, contradicts Christophe Gans' statements by saying the Order and the first film's cult are actually one and the same. As noted, the Order is a rival cult of the Brethren in the first film. Like in the Silent Hill games, they are seen as cloaked figures dressed in dark belted clothing. It is revealed in the movie that the Brethren is in league with the Order who in the film are renamed The Order of Valtiel and has been aiding them in waiting a demon child whom the Order believed would bring forth the coming of their God and cleanse the mortal world of sin. In the end, they were destroyed after their leader Claudia Wolf was transformed into a demonic manifestation of her cultic devotion and died at the hands of Pyramid Head.

In the comics

High-ranking members of the Order as seen in the Silent Hill comics.

In contrast to the Order's presentation in the game series, the Order of the Silent Hill comics universe is not a central element to the plot.

Presented as a clandestine group of religious human individuals, the Order's goal is to facilitate the birth of the entity Samael. In addition to being servants of Samael, the Order is also said to be able to control the monsters of Silent Hill. Whately appears to serve as the intermediary between the otherworldly Samael and members of the Order.

Though their connection is unclear, Christabella LaRoache appears to have entered into some kind of agreement with the Order, but is said to be guilty of betrayals against the group by trying to obtain the powers of Samael for herself.

Me: WHOA! A Talonflame!

Lucca: COOL!

Nico: Where'd that come from?

It flew in and blasted the rest of the cult with intense fire and incinerated them.

Me: YEAH! But wait.

I used my telepathy and gasped!

Me: That's Shayera's younger sister Chiyanna!

Nico: WHOA! She's from Thanagar!

Lola: Cool!

Me: Be right back.

I flew up to her.

Me: Chiyanna calm down and lets talk.

All she did was use Flame Charge

She flew at me faster than a meteor.

I dodged her and she ended up hitting Alessa and smashing her down.

Me: WHOA! That is fast! But so am I!

I flew at her and fired waves of water and blasted her and steam came off her.

I then snapped my fingers and then she reverted back and had orange hair and red eyes and had fire angel wings and had Talonflame on her forehead and had a sun and Hawkgirl symbol for her cutie mark.

I wrapped her in a blanket.

Nico: YEAH!

She woke up.

Chiyanna: (Groans) What hit me?

Me: Ugly story.

Chiyanna: J.D.? Where am I?

Me: You're in the Bermuda Triangle. Weird story. But you were turned into a Talonflame by Dark Gale.

She gasped.

Chiyanna: I remember!

She was in an orange suit and injected and then in a burst of flames she turned into Talonflame and flew out.

FLASHBACK ENDS

Chiyanna: It was terrible.

Me: I know. We're in the middle of a battle now. Lets get you new clothes.

I snapped my fingers and gave her red, orange and yellow clothes and a Thanagarian Sword.

Chiyanna: I look awesome.

Me: You sure do. Lets get her!

We flew at her and slashed and blasted Alessa!

Nico fired water at her.

Girl Jordan fired waves of water and drenched her all over too.

But then a massive wave of sand piled onto her!

Me: Sand? Where did that come from?

Lana: Not my doing.

Then the sand swirled around and turned into a girl with orange hair and red eyes and black clothes and wings and a tiara with Sandbox on it.

Me: (GASP) Caira Sandbox!

Nico: Sandbox's embodiment.

Caira Sandbox: Yep.

She fired waves of sand and blasted Alessa and then sand got on us!

Me: (SPITS) YUCK!

Nico: Sandy!

Caira: (Grunts) Sorry!

Caira lost control and fired sand at Cad Bane

He dodged it and it ended up hitting me!

Me: (SPITS) YUCK! I'm gonna have sand in my underwear!

I fired the Antidote Ray and injected her.

Me: There.

Cad Bane fired laser blasts and blasted her.

Tea: I summon Fairy's Gift!

She summoned Fairy's Gift!

Tea: Lets get her!

Tea and Fairy's Gift fired waves of energy and blasted her!

Tea got out her Core Medal and fired waves of energy and blasted her.

Chiyanna: I got this.

She fired waves of fire and blasted her all over.

The antidote ray took effect and she had her brown eyes back.

Caira Sandbox: (Groans) What happened?

Me: Well long story but also I got sand in my underwear.

Nico: It's true.

Me: Lets finish this first!

We fired waves of light and purified Alessa and she was freed of the pain of her tormentors and more.

Nico: YEAH!

Zak Storm: That did it!

Then all of Silent Hill Glowed and it vanished!

People: Thank you all.

Me: You're welcome. May you all rest in peace.

Alessa went to the M.O.E.

Me: That was awesome!

I powered down.

Nico: Yeah it was!

Eli: WOW!

Girl Jordan: That was so fun.

Eli: And the best part is we've seen the last of The Order and banished them to the Black Abyss.

Lola: Good riddance.

Me: And the Hellish Curse of Silent Hill is now permanently broken. And we avenged Alessa and destroyed her tormentors.

Nico: Good fucking riddance.

Chiyanna: I agree there.

Nico: Your role in Sonya's Team?

Chiyanna: Oh I am the Fire Wing Mage of the team and I use my powers of Thanagarian Warrior Training and fire to bring down our enemies. Outside the team I work for the Justice League and help my sister bring down her and her friends enemies and also find ways to bring my sister home to Thanagar.

Me: Well we already did that earlier. We brought down Hro and got him talking and made him reveal that he turned Shayera into a traitor because of him. Long story.

Chiyanna: Oh wow! I'm glad he is gone. I hated him.

Eli: So did I.

Lincoln: Me too.

Zak: Misty, ever since I met you, Pipsqueaks, and Xion, I've seen you guys as siblings

Misty Brightdawn: Really? Oh Zak!

They hugged him!

Alphabittle: (LAUGHS) Looks like I'm going to have a son too.

Me: You sure are Alphabittle. Oh Zak I should tell you. Leni, Ed and Ash and Serena's wedding is today. You're more than welcome to join us for that.

Zak Storm: I would be delighted. Wait Leni you're getting hitched?

Lucca: Yeah I forgot to tell you all that. But it's true.

Me: Yep.

Zak Storm: Wow! Congratulations to you Leni.

Leni: Thanks Zak! And it's totes gonna be fun!

Me: It sure is.

Zak Storm: We'll be there!

Me: Awesome! Looking forward to it.

We went back home.

We later came back.

May: Hey guys how did it go?

Me: Epic!

We told them everything and it was amazing.

May: WHOA! Silent Hill was in the Bermuda Triangle?!

Me: Yeah very unusual.

Qin: It sure is!

Lola: WOW!

Nico: Lola, you're next for Ambassador missions. I'll have to decide the other 2 later.

Lola: Okay but this will be awesome!

Nico: It sure will!

At Canterlot Palace, everyone was in their fancy clothes and we were too because it was time for Leni and Ed and Ash and Serena's Wedding. I was dressed in my good clothes. Same with Sakura and everyone.

Me: I'm so excited for this!

Eli: Me too!

Becky: We're so happy for Leni.

Rolf: And Bundt cake for Brain Ed Boy.

Kevin: Boy I'm happy for Ed too. Sarah must be so happy for her brother.

Camie: I agree.

Lilja had all of Rolf's chickens gathered.

Me: Looks like all the chickens are here.

Rolf: They sure are.

Ed was dressed in a nice tuxedo and had his hair combed and more and he even had cologne on which is a first for the stinky lug.

Nico: We're so happy for you Ed.

Ed: I am too but I'm nervous.

Ash: Me too guys.

Me: We're with you guys.

Nico: Yeah.

Then Fluttershy had the birds sing the Wedding March.

The door opened and in came Apple Bloom, Sweetie Belle and Scootaloo and Sarah as flower girls. Serena and Leni came down the isle dressed in amazing wedding dresses and they were beautiful. Even See-More, Number 7, King Hiss and Yost Chemistro were there too

Me: Wow! Leni and Serena look so beautiful.

Ed: Yeah they sure do.

They came up to the altar.

Princess Celestia: Dearly beloved, we are gathered here today to bring together in union in holy matrimony the union of Ed and Leni and Ash and Serena. If there are any objections as to way these two couples should not be married, speak now or forever hold your peace.

Cosmo: Uhh.

Wanda: (Sternly and Threateningly) TALK AND I'LL KILL YOU!

Cosmo shut up.

Mizore: No objections here.

They nodded.

The vows were said and done.

Princess Celestia: It is through the power invested in me and as Princess of Equestria and under the light and grace of God that I now pronounce these two are both Husband and Wives. You may kiss the brides.

They did so.

Princess Celestia: I now give to you Mr. & Mrs. Ash & Serena Ketchem and Edward and Leni Alford!

WE CHEERED WILDLY!

Lynn Sr. was bawling like a baby and crying hysterically in happiness. Delia Ketchem and Grace were crying hysterically too!

We had the reception at Lynn's Table.

Me: Congratulations to both you guys!

Ed: Thanks J.D.!

Ash: This was so awesome!

Number 7: I'm so happy for them.

She was crying oil. Literally.

Me: You're crying oil Number 7?

Number 7: Sorry I didn't know I can do that.

Qin: That's okay.

Ed: And now for the best part?

Aligned Knock Out: What?

Ed: HUGGING THE CHICKENS!

Ed hugged them.

Ed: HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN!

Ymir: Ed sure loves chickens doesn't he?

Eddy: (LAUGHS) Ed loves chickens like pets. Also Lumpy has loved Rolf's chickens more than anything.

Me: Yep.

Ash: Yeah!

Pikachu: But I'm happy for you and Serena, Ash.

Ash: Me too Pikachu.

Me: All of us are.

Skids: (to Rolf) Rolf, Ed's attacking your chickens again.

Nico: Skids, no he's not. Ed's just loving all of Rolf's chickens.

Me: Rolf don't mind Skids. Ed doesn't mean any harm to your chickens. He just wants to show them love.

Rolf: Oh I see so Rolf should love Ed boy for caring for his chickens.

Me: Yep. He did look out for them while you were away at a family reunion.

Sarah: Oh so that's why Ed had all those animals in our house.

Me: Yeah Rolf had to go to a family reunion and Rolf asked him to look out for his barn animals for him.

Sarah: Oh man sorry I didn't know.

Me: It's okay.

Alucard: Nico, who's gonna be with Lola?

Nico: Kimi Lao and Flare Firestar. Sorry it took a while

Me: No worries.

Lola: But that is awesome!

Pipp Petals: Oh my glitter this is gonna be so amazing Flare!

Flare Firestar: I am so excited.

Kimi Lao: Me too!

The newlyweds cut the cake and it was adorable. We had an awesome cake too. Leni threw the bouquet and Edd and Linka caught it!

We cheered!

The chickens hollered!

Nico: Yeah!

We were so happy for Ed and Leni and Ash and Serena.

We later returned home.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before we go after the next Eco-Villain along with Kuyo, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and twenty-four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was our old enemy, Hoggish Greedly, and that pig is back to causing havoc. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we saw!

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: to our anger, it was our old enemy, Hoggish Greedly, and that pig is back to causing havoc.

EVERYONE GASPED!

May: Are you kidding me?!

Me: I knew he was next.

Suddenly, Lincoln had another premonition, and as foretold: Hoggish Greedly isn't the only villain we're facing today, but my old enemy, Kuyo, who's been resurrected by Anti-Monitor is coming after me and he is going to do everything to destroy me!

Lincoln: And just as I thought: Hoggish Greedly isn't the only villain we're facing today, but my old enemy, Kuyo, who's been resurrected by Anti-Monitor is coming after you, J.D., and he's going to do everything he can to destroy you.

Me: I knew it. But, I'm more than ready for him, he's going to see just how much more powerful I've gotten, and this time, I'm going to destroy him forever and send him straight to The Black Abyss for good.

Nico: That fucker's lived for the very last time!

Suddenly, Lincoln also saw the sign of Apophis over the skies.

Lincoln: As if things weren't bad enough, Dark Sebastian's back for more, he's already causing havoc and destruction and he has some really nasty surprises in store for us especially when we use our entrance on Hoggish Greedly and Kuyo. He'll try and send demons at us and attack us with energy blasts and hellfire to try and kill us.

Selena Mendez: Damn him!

Camie Elextor: Before we do our entrance, we need to cast a spell to destroy the surprises that evil monster your parents created and give him a taste of his own fucking medicine.

Qin: That's good, we'll send that monster flying back to Transylvania.

Nico: Which'll end with him spewing toxic death threats and explicit words at us. Alright, team, let's get going, Hoggish Greedly, Kuyo, your time is up!

Lincoln: You're gonna pay for everything you've done, you glutton. And as for you, Kuyo, this is the last time we ever have to deal with you, this is where you die once and for all!

Me: YEAH! Also we are not going to eat Hoggish Greedily again. Last time back in 2019 we ate and I did not like him! He tasted like raw ham mixed with bat guano.

Nico: YUCK!

Qin: That is gross!

Lola: No kidding!

Varie: But I'm excited for this.

Me: Mizore are you excited to face Kuyo?

Mizore: Yes. Yes, I am. What will be his fate though?

Me: I think it's obvious. The Black Abyss.

Qin: Yep. Same with Greedily.

Nico: Yeah.

Mizore: Good.

Ymir: Who is Kuyo?

Me: Oh right. He was a Yoko. The Fox Spirits of Japanese Folklore and he was a nasty guy.

I went over his history.

Kuyō (九曜, Kuyō) is the head of the Public Safety Committee at Yōkai Academy. Kuyō enforces the group's rules with a tyrannical and sadistic iron fist, going so far as to state if someone goes against him, they are against the school. He is a Yōko, an S-Class species of monster who are amongst one of the most powerful of all Yōkai who live in Japan, and they have even known to be worshiped as divine beings. Kuyō believes that yōkai and humans will always remain enemies, claiming friendship between the two only occurs in fairy tales. After Kuyō had been defeated by Tsukune, he joined Fairy Tale and became the 3rd Subdivision Leader.

Kuyō first appears when the Newspaper Club begin publishing articles relating to a scandal involving former teacher Hitomi Ishigami. Believing the Public Safety Committee could intimidate them enough to collect a bribe, he threatens them by outlawing the 'illegal' Club and destroying their newsstand. Kurumu Kurono's indignant outburst causes his second-in-command Keito to get angry - Kuyō orders her to monitor the club's activities. Moka later defeats her after Keito finds Kurumu trying to sell newspapers despite the Committee's imposed ban.

Kuyō reluctantly allies himself with the very teacher who was scandalized, Hitomi Ishigami, to destroy the Newspaper Club once and for all. Based on Ishigami's claims that Tsukune is a human, Kuyō detains both Moka and Tsukune and takes them to the headquarters of the Public Safety Committee. Kuyō forces Tsukune to transform, but as he naturally cannot, Kuyō throws a fireball at Moka and Tsukune. Tsukune nearly faints from the attack, and cannot remove Moka's seal. Kurumu, Yukari Sendo and Ginei Morioka show up; while Yukari helps Tsukune heal, Ginei transforms into wolf form and punches Kuyō several times. During this time, Ishigami hides behind a wall and watches the ongoing events.

Enraged, Kuyō initiates his own transformation, revealing his true nature to his opponents, much to their surprise and horror. After a brief onslaught of threats, Kuyō launches his signature attack, the Vortex of Fire, at the group, which Ginei blocks before collapsing. At this point, he taunts the group even more, and transforms into his Battle Form, and unleashes a swift barrage of attacks which incapacitates the rest of the group, and shakes the entire building and the immediate surroundings like an earthquake.

With only a horrified Tsukune left standing, Kuyō attempts to kill Moka and the others, but Tsukune pleads for him not to, willing to sacrifice himself for the sake of his friends. Upon hearing this, Kuyō briefly pauses, and feigns compassion, before mocking Tsukune once again and firing a blast to kill Moka. In response, Tsukune takes the blast instead, and succeeds in removing the Rosario from Moka's neck as he collapses. As she awakens, she moves to help her fallen friend.

Upon witnessing Moka's transformation, Kuyou recalls his knowledge of the Vampire race before declaring that he will be able to kill her easily while unleashing a surge of his Yōki, which Moka answers in kind, surprising her opponent and demonstrating her superior power level. Rather than attacking, she instead injects a considerable amount of her blood into Tsukune in order to save his life, surprising everyone, especially Kuyō and Ishigami, neither of whom had ever seen nor heard of this.

At that point, she immediately explains the drawbacks of this procedure to her allies and moves against Kuyō, who had been bracing for the inevitable assault. As he is attacked in earnest, Moka warns him that if Tsukune dies, then she will kill him. Surprised and horrified by this, Kuyō barely manages to block Moka's onslaught before she forcefully drives him into ground. However, it soon becomes clear that despite the speed and force that she employed, her attacks lacked the necessary stopping power to defeat her opponent, who immediately recovers without issue and counterattacks.

Because she had given Tsukune so much blood, she has lost a significant amount of her strength, which Kuyō immediately capitalizes on, unleashing his own high-speed, high-intensity hand-to-hand barrage, wounding her and smashing her into the ground with a swift lash of his tails. He taunts her on her weakness before attempting to kill her, but is immediately distracted Tsukune's subsequent revival, fully unharmed with the blood and power of a vampire flowing through him.

Stunned by this development, a now frustrated and fearful Kuyō assumes that Ishigami had tricked him, and incorrectly identifies Tsukune as a monster. By dropping his guard, Moka is given to opportunity to capture Kuyō in strong grapple, with which she takes without a second's thought. She then tells him the final problem of the blood transfusion procedure; in the case of success, the results are unpredictable. She then squeezes Kuyō's chest so hard that she breaks some of his ribs and forces him to spit blood.

Kuyō recoils in pain and struggles to free himself, all the while refusing to face defeat. He makes one last defiant statement just as Moka lets go and Tsukune uses all of his remaining power in a headbutt to Kuyō's jaw, breaking it, shattering teeth, and propelling him into the ground with tremendous, explosive force. This immediately renders Kuyō unconscious, who is left to lie in the rubble as the other student police members find his comatose form.

When Tsukune and the group enter the Floating Garden to recover Moka, Tsukune encounters Miyabi Fujisaki and Kiria Yoshii, members of the 1st Subdivision of Fairy Tale. Kiria casts a spell teleporting Tsukune and Ruby Toujo to a seemingly different dimension filled with shrine-styled buildings and a long walkway. Tsukune soon realizes that the architecture and the view are familiar to him - belonging to that of the former headquarters of the Public Safety Committee. Suddenly, a fireball is launched at them, and while they dodged the attack, Kuyō appears and declares himself a Subdivision Leader of Fairy Tale. It is revealed that Kuyō had also been spying for Fairy Tale during his time at Yōkai Academy.

Soon afterwards, Tsukune attacks Kuyō in earnest, who easily nullifies the incoming attacks. During the fight, Kuyō launches a large fireball attack at Tsukune, and not only continues to overwhelm him, but also taunts him as well. During the fight, Ruby notices that despite his best efforts, Tsukune's body is recalling his near-death experience at the

Yōko's hands, and is in turn subconsciously retreating in fear from Kuyō.

Realizing that Tsukune will lose the fight if he continues like this, Ruby intercepts an otherwise disabling blow meant for Tsukune, which significantly wounds her and renders her unconscious. When Tsukune goes to help her, Kuyō gleefully tells him that Fang-Fang and Yukari had been killed by Gairen, another subdivision leader, and continues to taunt him about his weaknesses. At that point, he breaks into hysterical, manic laughter, declaring that he had wanted to witness and savor Tsukune's fear and face of despair, and moves in for the kill.

However, upon realizing what has to be done, Tsukune overcomes and masters his fear, which in turn enables him to gain proper control of his sealed vampiric abilities, and stops Kuyō's attack cold. Surprised, Kuyō drops his guard long enough for Tsukune to a deliver an explosive left-hook to Kuyō's face, stunning him and causing him to spit blood. Overcoming this shock, a frustrated Kuyō is unable to understand how he was so easily repelled.

At that point, Tsukune states that he must let go of his fear and focus on saving his friends, and begins to tap into his vampiric powers in earnest. This immediately horrifies Kuyō, as he witnesses Tsukune's transformation, who in turn warns that if Kuyō doesn't retreat, Tsukune will kill him. Tsukune then re-engages Kuyō, headbutting him and knocking Kuyō into the flames below. Kuyuo refuses to believe that Tsukune can defeat him and ,in a rage, transforms into his battle form. He then gains a flame suit, that burns anything that comes near him. He then tells Tsukune how he will kill him and climb to greater heights. Tsukune then releases the first seal of his holy lock, and punches several holes in Kuyō before the flames could reach

Tsukune. Kuyō then collapses, still in disbelief that he was defeated. Later it is revealed that he had survived the attack, escaped, and trapped Ruby and Tsukune in a space called "The Masked King".

After Alucard's demise, Kuyō is seen holding Kahlua Shuzen's body standing along side with Kiria holding an unconcious Hokuto Kaneshiro as they make their escape to rebuild Fairy Tale once again.

Later in the Rosario Vampire II chapter 67 Extra II, Kuyo reveals that Kahlua was revived by Miyabi injecting her with his Shinso blood and asked him to look after her before going into battle. Kuyo asked about Hokuto's condition when he was being held by Kiria, the two of them also talked about Miyabi who expected from the start to be defeated and his "real plan" was to play the evil role with the aim of becoming a common enemy toward both humans and yokai in the hope of finally uniting them thus making his long dream of coexistence come true, afterwards kuyo left with the hybrid to rebuild Fairy Tale.

Kuyō first appears in the Committee's office learning about Keito's defeat by Inner Moka and Kurumu as he goes over the files on the members of the Newsclub. Everyone's monster identity is listed except for Tsukune. Kuyō then remarks that they will soon have something interesting happen for the first and longest time at Yōkai, burning the files with a sneer.

The next day, Kuyō comes to Ms. Nekonome's classroom and tells Tsukune that he is under suspicion of being a human. When Moka, Kurumu, and Mizore defends Tsukune with the fact that humans could not even be at Yōkai Academy, Kuyō sees them as possible accessories to Tsukune hiding his identity. With this, Kuyō takes Tsukune and the three girls to the shrine that serves as the Committee's headquarters.

In the shrine, Kuyō shows Tsukune where the teachers, students, and his friends are being questioned about his identity. Kuyō then brings out the Fan Club Collation which he had beat up the trio badly and Kuyō explains that they told him all about how Tsukune never fought back against them and how weak he was. Having his men pin Tsukune to the ground, Kuyō tells Tsukune that he could change into a monster and free himself of the guards holding him down, clearing the charge. When Kuyō hears from Tsukune that he's human, Kuyō simply laughs maniacally. Kuyō tells his men to let Kurumu and Mizore leave, but keep Moka locked up as she was an accessory to hiding Tsukune's human identity. Kuyō coldly tells Tsukune the Committee finds him guilty of being human and he is to be put to death. Kuyō announces through the speakers that Tsukune is a human who infiltrated the Academy, and that he will be put to death, inviting other students to watch him die.

Kuyō puts Tsukune on a big cross for his execution with a bloody sign saying "I'm Human". Kuyō asked Tsukune if he's lost his mind in fear. Tsukune proves him wrong by calmly asking him to promise one thing is to spare the rest of the Newspaper Club. Kuyō is surprised that someone being put to death would make such a selfless request. Kuyō says they will not suffer unnecessary harm, but saying that he plans to kill them. Kuyō announces that the time has come to kill Tsukune and lights him on fire, however, it's put out by Mizore's ice as Ruby and Kurumu fly down to free Tsukune. Moka, Mizore, and Yukari arrive, yelling for them to Tsukune to safety while they handle things there. As Kurumu and Ruby flee with Tsukune, a surprised Kuyō asks if the girls know what they've done is a crime against the Academy. Moka, Mizore, and Yukari tells him that it doesn't matter so long as they save Tsukune. Kuyō explains that Gin said something similar to him the previous year saying that the Security Committee's corruption needed to be exposed which matters more to him than the Academy. In retaliation, the Security Committee killed every member of last years Newspaper Club, except for Gin. Kuyō then orders his top three minion to kill the Newspaper Club as punishment. Kuyō looks up to see Kurumu and Ruby still flying away with Tsukune, gloating that they can try to running, but against someone of his power, they don't stand a chance so Kuyō heads off after the trio.

Kuyō eventually catches up to them on the roof and throws an arrow of fire which pierces Tsukune's heart and engulfs him, burning him badly. Kuyō comments that the execution could sadly not be shown to the students, but has none-the-less been carried out. Before passing out, Tsukune was able to release Inner Moka and with Inner being enraged, she kicks Kuyō across the roof. Kuyō has assumed to his monster form, that of a fox that has control over fire and is also a S-ranked monster. He fires a blast at them but Gin blocks his attack to save his fellow members. Kuyō didn't seem to care if Gin did that since he plan to kill him anyways. Kuyō battles Kurumu, Mizore, Yukari, and Ruby in order to by some time for Moka to inject her blood into Tsukune to save him. Kuyō has proven himself superior in power as he has beaten the four girls as he had changed into his final form. When Moka fights Kuyō, he noticed that her kicks are weak due to the amount of blood she injected into Tsukune. Kuyō beats Moka back to where Tsukune's at and fires a blast seemingly destroying the two for good.

However, Kuyō is shocked to see that Tsukune survived who dodged his attack while holding Moka. Kuyō tries to attack Tsukune and Moka, but Gin grabs him from behind. Kuyō expresses shock at Gin getting into a position to immobilize him, to which Gin reminds him about Werewolves are known for their speed. Moka tells Kuyō that he's became intoxicated with power from being the justice of the school and becoming corrupt and he needs to learn his place. With a jump kick, Moka hammers Kuyō into a room below the roof, ending his ways of justice.

Shortly before the other students arrive, Moka reattaches her rosary and collapses; seeing Kuyō and Moka unconscious and Tsukune shirtless, the others assume that Tsukune himself defeated Kuyō and rejoice at the Yōko's defeat, declaring Tsukune their new hero.

When it was done most of those that hadn't heard about it gasped in shock!

Qin: Yeah he was a monster!

Me: Yep and thats why we're going to kill him like we did before.

Nico: This time for good.

Camie: Man what a jerk!

Ymir: Yeah!

Me: We were forced to fight some of the students the first time because of him.

Naruto: Yeah I remember that and it was awful.

Xenia: Man he is pure evil.

Lola: He is!

The previous group came.

Samon Shakekisutanchin: Can me, Harpymon, Black Knight Ghost, Thundermon, Black Lance, Marluxia, Goro, Black Manta, Marionette Shadow and Metal Sonic go with you guys?

Nico: Yes you can go with us and also we're going to bring down Kuyo.

Me: I'm going to gut that stupid evil fox like a fish! Uh no offense bro.

Naruto: None taken bro but yeah! He has it coming!

RD Clyde: Nico, which gene-slammer do you think you'll meet next?

Nico: Well lets see. I'm thinking Mokey Mokey next.

Me: Ooh! (LAUGHS) That one has been known to cause cuteness overload.

Nico: (LAUGHS) Yeah!

Samon: Oh Ed, Leni, Ash and Serena congratulations to you guys.

Ash: Thanks Samon.

Serena: We're so happy.

Lynn Sr.: (CRYING HARD) MY BABY IS A GROWN GIRL!

Rita: Oh there there honey she sure is.

Cadance: At least Shining Armor didn't cry before the wedding started this time.

Me: He's getting better.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive white angel wings and twenty-four sets of large white angel wings underneath his massive white angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a massive dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Astarothe Voldemorte, Master of Darkness and the former leader of The Order of The Dark Universe, he's been freed from Hell and wants revenge on Dark Sebastian for killing him, but he's also going to try and destroy us. When we saw it, we knew it meant trouble.

Lincoln: Are you kidding me?!

Me: Lincoln, was that...?!

Lincoln: Yep, the figure we saw in the vision orb was none other than Astarothe Voldemorte, Master of Darkness and the former leader of The Order of The Dark Universe, he's been freed from Hell and wants revenge on Dark Sebastian for killing him, but he's also going to try and destroy us.

WE GASPED!

Selena Mendez: But, how was that possible? Sebastian under the possession of The Black Ooze of The Eldritch stole Astarothe's dark powers after he killed him and sent him to Hell.

Varie Yulinova: (GASPS) I think Astarothe regained his dark powers after the thrashings we gave Dark Sebastian in the past.

Juliet Starling: If that's true, then, we've got to stop that Satanic monster and fast before it's too late. What if he goes to Swan for help to get revenge on Dark Sebastian?

Lincoln: Afraid that won't be possible, Juliet. Even if Astarothe does go to Swan, he'll easily be killed because Dark Sebastian's also there as well. But, we'll end Astarothe Voldemore for good.

Nico: This'll serve as a prelude to the massive showdowns against the members of The Order of The Dark Universe and Dark Sebastian along with The Dark Church of Malphas. Alright, team, let's go, we got a greedy glutton and vengeful bastard from the past to kill.

Lincoln: Hoggish Greedly, Kuyo, your time is finally up, this is where you both die once and for all, and once we get done with them, you're next, Astarothe Voldemorte.

Juliet Starling: As if dealing with undead douchebags along with that Goth Geek Bastard, Swan, who's running loose again wasn't bad enough, now we got a Satanic monster running loose. Well, I'll make sure your head winds up as a nice trophy on the wall, Astarothe Voldemorte.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to finally destroy Hoggish Greedly for good, and I also got a score to settle with my old enemy, Kuyo, and this time, I'm going to destroy him for good once and for all, and once we get done with them and send their asses straight to The Black Abyss forever, Juliet Starling and Lincoln are going to destroy the evil Astarothe Voldemorte, Master of Darkness and the former leader of The Order of The Dark Universe, who's returned from Hell to get revenge on Dark Sebastian for killing him, but also, to destroy us as well.

We were off to Yokai Academy.

We arrived.

Me: Boy we were here earlier this morning.

Lola: Yeah we sure were.

Qin: I know!

Mizore: Yeah we sure were.

Black Knight Ghost: Let's call SkullMeramon

Me: Good idea.

SkullMeramon came.

SkullMeramon: I'm here guys.

Me: Awesome!

Disk Wars Mandarin (to the mascots): You guys better not hop on Mizore and Dark Magician Girl's bellies.

Poromon: We were too busy for that anyway with the wedding.

Me: Good. They are too tired for that.

Nico: I hope they give birth on the day after Earth Day.

Qin: Not that far away.

Xenia: Yep.

Black Knight Ghost: Wait we heard about Mizore and Dark Magician Girl being pregnant and we're so happy for them.

Me: We sure are.

Syrus: I am too.

Lola: Yeah.

Black Lance: Instead, you guys should feed their bellies lots of milk!

Me: (LAUGHS) I don't think it works that way Black Lance.

Poromon: It's worth a shot but yeah.

Nico: (LAUGHS) That's funny.

We got to the school building.

Me: Always cool being here.

Mizore: It sure is.

Me: Yep.

Black Lance: I heard that Ginei got his butt kicked big time.

Nicole: Yep after I konked him on the head with a rock and sent him crashing into the girls locker room.

Kurumu: Serves him right.

Drill Man: Guess what happened afterwards!

Black Lance: You guys battled that Okuto jerk and you met more students. That is cool!

Qin: Yep.

Goro: I think he meant that Ginei got beat up.

Nicole: I already told them that.

Goro: Oh sorry.

Nebula: It serves him right!

Me: Yep.

Qin: But it was fun and cool.

Me: It sure was.

We walked around.

Me: So far things are quiet.

Metal Sonic: We should hit Kuyo with an elemental punch.

Me: Oh I intend to hit Kuyo with much more than that.

But then I tripped.

Me: WHOA!

CRASH!

Me: Ouch! What in the name of...

I saw what I tripped over and saw that it was a VICIOUSLY MUTILATED AND BUTCHERED BODY!

WE GASPED!

Me: GOOD GOD!

He had his blood, guts and innards splattered everywhere!

Retrax: Jesus Christ!

Nico: Something REALLY Ripped him to shreds!

Me: Not Ginei though. This is not his style. Sure he's a werewolf but he wouldn't go to great lengths to rip someone apart this bad.

Eli: Uh not just this guy. LOOK!

We saw HUNDREDS OF BODIES ALL RIPPED TO PIECES!

Me: THIS IS A CARNAGE STORM!

Marionette Shadow: Kuyo's on the move!

Me: No this is not his work. He would incinerate these bodies!

Lola: Look at the uniforms!

We saw that they were wearing all too familiar uniforms.

Yukari: These are all public safety committee uniforms! These are all of Kuyo's men!

Qin: What's left of them.

Me: What a bloodbath!

Lincoln suddenly had a premonition, and it was so not good.

Lincoln: (GASPS) Guys, we got really huge trouble: I spotted the next Akuma, and this one is the most savage one yet, his name is Lord Wolfblood, the 2nd Hypothetical Akuma of J.D. Knudson, and he's a WEREWOLF THAT IS EXTREMELY SAVAGE AND BLOODTHIRSTY! He's a really ruthless and savage and bloodthirsty killing machine and anyone that is in his way is going to be killed on the spot! He kills with the most intense savagery and ruthless predatory nature! His thirst for blood is absolutely endless! He was made because of Nico killing him in a blind rage and he came back from the dead to get revenge on Nico as a ruthless bloodthirsty killing machine.

Lincoln got out his sketchpad, and we saw my 2nd Hypothetical Akuma, he was a werewolf with blood red eyes and fiery demonic angel wings and he was EXTREMELY SAVAGE AND BLOODTHIRSTY!

Me: HOLY FUCKING SHIT ON A STICK!

Nico: OH DAMN! THIS WEREWOLF'S ONE EXTREMELY SAVAGE AND BLOODTHRIRSTY MONSTER!

Eli: Oh...no!

Me: And that 2nd Akuma of me must've been the one that Ripped them apart!

Nico: Wait I KILLED you in a blind rage!? I would never do that to you!

Me: We got to stop him!

Lincoln: And we will, J.D., but the only way to stop him is to level out the playing field.

Suddenly, Lincoln let out a growl as his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body and his deep sapphire blue eyes and rainbow iris of his Third Eye remain the same, but the pupils turned into slits, his fangs grew longer and his rows of straight teeth remained the same, his massive white angel wings and twenty-four other sets of large white angel wings underneath his massive white angel wings remained the same, his eleven massive and long brown wolf tails and large brown wolf ears remained the same, his long wild rainbow hair going down to his upper back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair became wilder and his large gold halo with four large orbiting gold rings orbiting the corners behind his head turned dark blue, and he let out a loud howl as he transformed into Lincoln The Nocturnal!

Lincoln: (HOWLS AS HE BEATS HIS CHEST LIKE A GORILLA)

Me: Great idea!

Suddenly, I let out a growl as my abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on my body and my rainbow eyes and rainbow iris of my Third Eye remain the same, but the pupils turned into slits, my fangs grew longer and my rows of straight teeth remained the same, my massive rainbow angel wings and eleven other sets of large rainbow angel wings underneath my massive rainbow angel wings remained the same, my eleven massive and long brown wolf tails and large brown wolf ears remained the same, my long wild rainbow hair going down to my upper back with multi-colored highlights in it and multi-colored phoenix fire ombre streaks on the back of my hair and rainbow highlights in the bangs of my long rainbow hair became wilder and my large gold halo with four large orbiting gold rings orbiting the corners behind my head turned dark blue, and I let out a loud howl as I transformed into J.D. The Nocturnal!

Me: (HOWLS AS I BEAT MY CHEST LIKE A GORILLA)

Maria: That would be impossible anyway!

Me: Yeah! Either way we got to stop him!

Lincoln: And we will, J.D., but the only way to stop him is to level out the playing field.

Suddenly, the full moon came out, and we heard a loud unearthly werewolf howl: it sounded like it came straight out of Hell itself!

Lincoln: (Beastly Voice) (Catches the scent of blood) He's here...!

We heard a howl.

Me: He's outside!

Then, we saw him come out: it was Lord Wolfblood, my 2nd Hypothetical Akuma.

Me: (Beastly Voice) Oh man! So, that's my 2nd Hypothetical Akuma?!

Sakura Knudson and The Knudson Sisters: Oh..., Brother.

Nico: WHOA! He is horrifying!

I growled ferociously!

Lord Wolfblood roared at us and tried to attack, but Lincoln and I slashed at him with our claws, and we growled savagely at Lord Wolfblood who also growled savagely at us. Then, we charged at Lord Wolfblood and we attacked him ferociously and we also slashed at him with our gold-armored dragon claws, and this was making Lord Wolfblood even angrier than ever, and we felt it: he was getting much stronger than ever the angrier he gets!

Me: (Beastly Voice) Damn, he's getting stronger than ever the angrier he gets!

Lincoln: (Beastly Voice) There's only one thing that can stop him.

But then the moon started getting covered by the shadow of the Earth in a Lunar Eclipse!

Me: LOOK!

Lord Wolfblood was getting weaker and he was changing back!

Me: WHOA!

Once the moon was blocked we saw another me!

Me: WHOA!

Another me: No you got to get away from me!

Me: Did you kill all those people!?

Another me: Yes I did! But you got to get away from me! I can't control myself!

Nico: How did this happen?!

Another Me: It was because of Scarecrow!

Me: Scarecrow!? What does he have to do with you?

Another Me: He poisoned Nico with a fear gas that was stronger than anything and it made Nico insane. He thought I was a demon and he killed me in cold blood. I came back to kill him!

WE GASPED!

Me: That's madness! Nico would never be poisoned that easily!

Nico: You need to explain more quickly!

Me: We don't have much time before you change again!

We looked at the moon.

Another Me: I came back like this to get revenge on you Nico! I'm sorry! I can't help myself.

Nico: It's not your fault!

Then Another Me grunted and groaned in pain and we saw the moon starting to become uncovered.

Me: Like something out of The Werewolf of Fever Swamp!

Nico: Yeah!

Another Me: RUN! GO! RUN! PLEASE! RUN!

Once the moon was uncovered he turned back!

Lincoln and I pounced on Lord Wolfblood, and we bit him on both sides of his neck, but that also led to me and Lincoln feeding on his savage untamed werewolf blood, but thanks to my rapidly evolving powers and Lincoln's rapidly evolving powers, we easily overcame the bloodlust and savagery of Lord Wolfblood and the bloodlust and savagery was suddenly turned into energy and power for us and it was making us grow stronger and stronger than ever. Then, after draining Lord Wolfblood of blood...

BANG!

I BLASTED HIS HEAD OFF WITH A 50 CALIBER SILVER BULLET!

I sent him to the M.O.E.

Me: There!

Lincoln: (Beastly Voice) Ah, now that was really good.

Me: (Beastly Voice) You said it.

Agony: We didn't learn more!

Me: We weren't given enough time Nico because annular lunar eclipses only last a few minutes!

Lincoln: It was the Scarecrow from his world that did it.

Agony: Oh. That's why.

Me: Besides he would have kept on killing people to get to Nico.

Nico: Yeah.

Lola fired a wave of fire and incinerated all the bodies that were mangled up.

Me: Besides we got more important things to worry about too.

But then Lincoln had another Premonition and he did a Tex Avery Wolf Wild Take and then had a nosebleed launch and he crashed into a tree!

CRASH!

Me: WHOA! Smoking Hot Babe Akuma coming.

Lincoln: Yep.

Black Manta: You think Slappy had something to do with it?

Nico: It must've been.

Me: Lets see what Akuma is coming next.

Lincoln: It's Mizore's Akuma and her name is Seductive Yuki-Onna. The Hypothetical Akuma of Mizore Shirayuki and a master of ice and cold and is one smoking hot babe. She was made because of being molested by Okuto Kotsubo and vowed to kill him.

WE GASPED!

He showed us a sketch of her and she was a purple hair voluptuous girl with a blue smoking hot bikini and had ice angel wings.

Me: WHOA! Hubba hubba!

Mizore: My akuma is beautiful. And I look amazing.

Kurumu: You sure do Mizore.

Me: Yep.

Lincoln: And yes Black Manta is right. It was Slappy that did it. He was belittling Nico and it made him snap and kill J.D.

Spittor: GEEZ!

Nico: Slappy even in death you just continue to piss me off.

Me: Yes he does.

Suddenly, Lincoln's rainbow, white, golden yellow, and blue energy aura flared up extremely, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and twenty-four sets of large white angel wings underneath his massive white angel wings spread out and his large dark blue halo and four orbiting large dark blue rings on each corner of the halo behind his head glowed.

And then, my rainbow, white, and blue energy aura flared up extremely, and my abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and my massive rainbow angel wings and eleven sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large dark blue halo and four orbiting large dark blue rings on each corner of the halo behind my head glowed.

Me: (Beastly Voice) Holy shit! I feel even more stronger than ever!

Lincoln: (Beastly Voice) That's because we converted Lord Wolfblood's bloodlust and savagery into energy and power, our rapidly growing and evolving powers allowed us to overcome it and convert his endless bloodlust and savagery into energy and power.

Me: (Beastly Voice) No fooling. (Smirks) Kuyo's in for one fucking surprise! (CRACKS KNUCKLES)

Nico: I think you both should remain in your Nocturnal forms for the fight against that glutton and that bastard, Kuyo.

Me: (Beastly Voice) Good idea, Nico.

Lincoln: (Beastly Voice) This is gonna be fun.

Me: First lets go face Mizore's Akuma.

We went to find her and we walked around and saw a beach babe and it was SEDUCTIVE YUKI ONNA!

Lincoln: Well hello there little snowflake.

Seductive Yuki Onna: (Giggles) Hello Linky. (Strikes a pose) Like what you see?

Lincoln: Oh yes I do.

Me: Wow Mizore you have been turned into one smoking hot babe.

Seductive Yuki Onna: Yes I sure have.

Marluxia: Mizore? Is that you?

Seductive Yuki Onna: Yes it's still me.

Lincoln flew fast and hard, and Seductive Yuki Onna kept firing ice blasts at him, but that was a really huge mistake as Lincoln absorbed the ice blasts and it made him even stronger and more supercharged than ever, and then, he flew even faster and grabbed and pinned Seductive Yuki Onna to the ground with his arms.

Nico: Nice work, Lincoln.

Me: She should've known better than to do that, Lincoln has the powers of lightning along with the elemental forces of nature, the Heavens, the cosmos, and the universe.

Lincoln: Hah, got you.

Seductive Yuki Onna: (Seductive Voice) (Smirks) Oh really?

Suddenly, Seductive Yuki Onna wrapped her legs around Lincoln's waist and her arms around his neck as her breasts and stomach pressed against his pecs and ten-pack abs. But, he knew what was coming as he wrapped his massive arms around her waist, and then, he kissed her deeply on the lips which made her hair fly up into the air! He had her outsmarted at her own game of seduction and had her pinned to the ground as they continued to kiss deeply and passionately.

Qin: Whoa.

Then, with his massive muscular arms still wrapped around her waist, Lincoln leaned his head down to the right side of Seductive Yuki Onna's trapezius, and he slowly bit her and then fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and nine sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Seductive Yuki Onna: (Swooning) (In Heaven)
What...a...hunky and manly stud!

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Seductive Yuki Onna with red gems on the gold lightning bolts and green crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

That of course led to Seductive Yuki Onna making out with him even more as the rainstorms grew even more stronger.

Me: I knew Lincoln was going to do that.

Qin: Yep.

Lola: She is one of his future wives.

Me: Yep.

Seductive Yuki Onna: And where is Okuto?

Me: I think right there!

I fired a blast of energy and it hit the Okuto from her world and exploded and destroyed him. Banishing him to the Black Abyss!

SkullMeramon: You need to calm down!

Seductive Yuki Onna: I am much better now that Okuto is gone.

Me: So are we. Sorry we have to fight.

Seductive Yuki Onna: That's okay. As long as I'm with Linky, I'm happy.

Me: Cool.

I fired waves of energy and blasted her.

Me: Also your Non-Akuma self is having a baby soon.

Seductive Yuki Onna: I heard and I'm so happy!

Me: Yep. Same with Dark Magician Girl. We're going to the doctor after we're done here.

Seductive Yuki Onna: Cool!

SkullMeramon: (Echoing) METAL FIREBALL!

He fired a blast of blue fire and blasted her down.

Seductive Yuki Onna: My turn!

She threw ice kunai and I caught them and threw them back and fired waves of fire and blasted her down.

Me: YEAH!

Seductive Yuki Onna: I surrender! You win.

Nico: Thank you.

Trent: Glad you surrendered.

Mizore: Me too.

Me: Yeah. Now we can go after Kuyo. And Greedily.

Lola: Yep.

Nico: Alright, now we need to get after Hoggish Greedly and Kuyo.

Lincoln: (Beastly Voice) But, first. Selena.

Selena Mendez: Got it.

Camie Elextor: Let's do it.

Selena Mendez, Camie Elextor, Wendy Sauron, Varie Yulinova, Lorena Cavenstein, Solla Nexcrota, Kira Textington, Gina Thunderton, and Xenia Vola Dappra raised their staves as they chanted an incantation and we then saw the symbol of The Nightflame Sun appear in the sky and a magic circle appeared on the grounds where Hoggish Greedly and Kuyo at as it glowed with purple energy as we saw it through a viewing window. Then, we saw the chaos erupt as beams of purple energy and magic were fired from nowhere and they forced out armies of demons and monsters that got destroyed in a split second. Hoggish Greedly saw it, and he let out a scream of rage!

The viewing window closed as we were laughing hysterically!

Me: (Beastly Voice) HAH! Serves you right, glutton!

Nico: Okay, now we can do our entrance without any of Dark Sebastian's nasty surprises.

Me: (Beastly Voice) Let's tear that glutton apart limb from limb. (Eyes turn Red) And Kuyo, you and I have unfinished business!

We then took off, and we got there just in time to see Hoggish Greedly ranting, raving, and screaming and shrieking like a monster and our energy auras flared up extremely as we grew stronger from the toxic hate she has against us.

Nico: Okay, let's end those bastards once and for all.

Hoggish Greedly: (ENRAGED SCREAM) WHEN I FIND THAT BLASTED TEAM LOUD PHOENIX STORM, I AM GOING TO END ALL OF THEM! HOW DARE THEY GET IN MY WAY!

Kuyo: J.D. Knudson, show yourself! So that I can finally kill you at long last!

?: (Beastly Voice) OH, SHUT THE FUCK UP, KUYO!

Suddenly, the spirits of fire appeared out of nowhere and they attacked Hoggish Greedly and Kuyo in total fury and that made them extremely pissed off even more! Then, the spirits converged and they crashed down and a massive explosion erupted as a Thunderbird Screech and Phoenix Cry was heard and we appeared, and this made Hoggish Greedly even more pissed off even more, and Kuyo was really pissed off when he saw me once again!

Me: (Beastly Voice) You've got some nerve coming back from the dead, Kuyo, same with you, Hoggish Greedly, you glutton.

Nico: I honestly thought we were finally done with you, Kuyo, after the three times you've come after J.D. in the past, and you too, Hoggish Greedly, after all the trouble you've caused to the Planeteers and Captain Planet. But, thanks to Dark Sebastian bringing you and the others back from the dead, that was basically crossing the line!

Lincoln: (Beastly Voice) And Anti-Monitor has some nerve bringing you back from the dead once again, Kuyo! Don't you even know when to quit!

Hoggish Greedly: DIE! ALL OF YOU JUST FUCKING DIE!

Kuyo: NOW, YOU WILL FINALLY DIE, J.D. KNUDSON!

Lincoln and I fired blasts of moonlight at Hoggish Greedly and Kuyo and they got burned badly!

HOGGISH GREEDLY LET OUT ANOTHER SCREAM OF PURE RAGE!

Hoggish Greedly: YOU MISERABLE CRETINS! I WILL KILL YOU ALL!

Me: (Beastly Voice) Seriously? You did this to yourself, Hoggish Greedly. And I thought Flip was a greedy and disgusting glutton.

Kuyo: (ENRAGED SCREAM) DARK SEBASTIAN, YOU BASTARD! YOU LIED TO US! YOU SAID THEY'D STEP RIGHT INTO YOUR TRAP ONCE THEY DID THAT STUPID ENTRANCE AND THEY WOULD ALL DIE!

Selena Mendez: Aha! I knew it, we already knew the insane dark side of my brother was behind this and that he'd forced The Dark Pact of Apophis upon Hoggish Greedly and the other Eco Villains.

We also saw it: Hoggish Greedly had a black snake tattoo with an inverted pentagram on his left arm: proof of The

Dark Pact of Apophis.

Camie Elextor: Just like with the others.

Solla Nexcrota: Alright, Dark Sebastian, you better get out here right now! Your plan to get rid of us backfired on you, you insane monster!

?: (Demonic Voice) (ENRAGED SCREAM) YOU STUPID BASTARDS AND BITCHES! YOU'VE RUINED EVERYTHING! WHY CAN'T YOU ALL JUST DIE!?

Suddenly, we saw the symbol of Apophis: the snake surrounded by an inverted pentagram appear on the ground, and then, a tornado of pitch black and blood red darkness appeared, and once the vortex disappeared, in its place stood Dark Sebastian, but he had black hair, pale skin, red eyes and black sclera, black coat with red inlay, black dress shirt, black pants, and black boots and massive black demon wings with a wingspan of 6'666'0".

Nico: Dark Sebastian. I should've known you'd be here.

Qin: I can't believe you also forced The Dark Pact of Apophis on the bitch and the other Eco-Villains, you really have no sense of shame at all!

Nico's friends also spewed all sorts of nasty and disgusting names at him, and that absolutely pissed him off even more!

Dark Sebastian Mendez: SHUT THE FUCK UP, BITCHES! DIE! THIS IS FOR HUMILIATING ME!

DARK SEBASTIAN FIRED A BLACK AND RED ENERGY BLAST AT US TO KILL US, BUT LINCOLN REDIRECTED IT AND IT HIT DARK SEBASTIAN RIGHT IN THE STOMACH AND SENT

HIM FLYING INTO A WALL! HE GOT BACK OUT, BUT THAT PISSED HIM OFF BIG TIME!

Hoggish Greedly: Hah, serves you right.

Dark Sebastian Mendez: (DEMONIC VOICE) WHAT THE FUCK DID YOU SAY?!

Hoggish Greedly was smug at Dark Sebastian's humiliation. But, his smugness was about to be broken big time as we saw the darkness blacken the skies.

Selena Mendez: UH OH, NOW YOU'VE GONE AND DONE IT!

Camie Elextor: HE'S GONNA USE THE DARK PACT OF APOPHIS' DARK POWER ON BLIGHT!

Dark Sebastian Mendez: (Demonic Voice) YOU GODDAMN BITCH! HOW DARE YOU SAY THAT TO ME! AND AS IF I'D EVER OBEY THE LIKES OF YOU, YOU AND THE OTHERS ARE NOTHING MORE THAN MY PLAYTHINGS TO USE AND DESTROY! SAME WITH YOU, KUYO!

Hoggish Greedly: What did you just say?!

Dark Sebastian charged at Hoggish Greedly and he proceeded to slash at him many times with a demonic black broadsword and stab him in the stomach and legs and arms with a knife!

Hoggish Greedly: (SCREAMS IN AGONY)

Dark Sebastian: DIE! DIE! DIE! DIE! DDDDDIIIIIIIIIIEEEEEEEEE! (LAUGHING INSANELY AND DEMONICALLY!)

DARK SEBASTIAN WAS STILL MERCILESSLY ATTACKING HOGGISH GREEDLY SLASHING HIM AND STABBING HIM AND HE WAS COVERED IN HER BLOOD AND HE WAS STILL LAUGHING DEMONICALLY AND INSANELY! THEN, HE WENT AFTER KUYO AND HE WAS ALSO SLASHING AT HIM WITH HIS BLACK DEMONIC GREATSWORD AND STABBING HIM WITH A DAGGER AND WAS LAUGHING INSANELY AND DEMONICALLY AS HE WAS COVERED IN MORE BLOOD!

Gina Thunderton: THAT'S IT! LET'S SEND HIM BACK TO TRANSYLVANIA!

Selena Mendez, Camie Elextor, Wendy Sauron, Varie Yulinova, Solla Nexcrota, Kira Textington, Gina Thunderton, and Xenia Vola Dappra retaliated by firing blasts of Divine Darkness which hit Hoggish Greedly and undid The Dark Pact of Apophis and blasted Dark Sebastian off of Kuyo and that really enraged him, but Selena Mendez blasted Dark Sebastian with a blast of Divine Darkness and sent him back to Transylvania as he spewed toxic hatred and death threats towards us, but that made us grow stronger still.

Now, all that was left is to take down Hoggish Greedly and Kuyo for good.

Nico: Alright, now that the two-faced fucked-up snake is back in Transylvania, now it's your turn, you bastards!

Me: YEAH!

I then flared up my power!

Kuyo: WHAT THE!?

Me: I'm not the same as I was when we fought before Kuyo! Now you're going to face my ultimate power!

Thundermon: Shocking, Ain't it?

Me: (FLARES UP POWER TO THE EXTREME) I WILL NEVER FORGIVE YOU FOR ALL YOUR CRIMES KUYO! (ROARS IN EXTREME FURY AND RAGE!)

I released the ultimate extent of my ultimate power to the extreme and it was more powerful than ever before! I VOWED THAT I WOULD MAKE SURE THAT KUYO SUFFER INFINITY-FOLD FOR HIS CRIMES!

FORSAKEN BY WITHIN TEMPTATION PLAYS!

I FIRED A MASSIVE BLAST OF FIRE AND KUYO FIRED A MASSIVE BLAST OF FIRE AND THE BLASTS COLLIDED AND EXPLODED WITH INTENSE POWER!

EXTREMELY MASSIVE AND INCREDIBLY POWERFUL FIERY EXPLOSION OF INTENSE POWER!

I teleported and kicked Kuyo in his stomach and bashed him in his face and kicked him in his neck, chest and head!

I punched him all over and he threw fireballs at me and I fired many energy blasts and numerous massive fiery explosions blasted off all over!

Nico punched and bashed Kuyo and Blasted him all over and pulverized him.

I then went at Kuyo with extreme force and punched him all over the place with extreme savagery!

Me: OMEGA SAGE ART: SUPER TAILED BEAST RASENSHURIKEN KAMEHAMEHA BARRAGE!

I flared up my power and formed 10 clones that had 1 Rasenshuriken of each elemental force of the 10 Tailed Beasts. They threw the 10 Rasenshuriken and I fired a powerful pitch black Kamehameha Wave and the blasts all slammed into Kuyo all at once and exploded with incredibly unbelievable power!

EXTREMELY UNBELIEVABLE AND MASSIVE EXPLOSION OF INCREDIBLY POWERFUL NOVA PROPORTIONS!

He was blasted down from the blast and it was intense!

Me: KAAAAAA MEEEEEEE HAAAAAAA MEEEEEEEE HAAAAAAAAAAAAAAAAAA!

I fired a massive Rainbow Energy Kamehameha Wave and hit Kuyo and exploded with incredible force!

EXTREMELY MASSIVE AND POWERFUL UNBELIEVABLE FIERY EXPLOSION!

When the smoke cleared, Kuyo was badly hurt!

Me: That was for all the pain and suffering you caused to Yokai Academy!

I teleported and kicked Kuyo in his stomach and bashed him in his face and kicked him in his neck, chest and head!

Me: That was for Keito!

I punched him and I then went at Kuyo with extreme force and punched him all over the place with extreme savagery!

I fired a massive barrage of energy balls and had them scatter and then had them converge on him and then they hit him all over and explode!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

I blasted Kuyo all over with energy blasts and I kicked him in his face and headbutt him and then punched him in his stomach hard and kneed him in the neck!

I kicked Kuyo in his face and teleported and punched him in his back and teleported and punched him in his face and kicked him in his eyes and I kneed him in his mouth and knocked out some of his teeth!

He flew into the air.

Me: KAAAAAA MEEEEEEE HAAAAAAA MEEEEEEEE HAAAAAAAAAAAAAAAAAA!

I fired a Kamehameha Wave and it hit Kuyo and exploded with incredible force!

EXTREMELY MASSIVE AND POWERFUL EXPLOSION!

Nico: YEAH!

I punched him all over the place! I punched him and we flew at each other and massive thunderous shockwaves went off all over the place from our punches!

BOOOM! BOOOM BOOOM BOOOM BOOOM BOOOM BOOOM BOOOM BOOOM BOOOM!

Ymir: WHOA! Look at them go!

I punched him down into the ground and he was down.

Ace walked over to him and used her powers

And she made him go nuts!

I teleported and went at Kuyo and punched him in the face and kicked him more!

I kicked him in his face more.

We went at each other with incredible speed and power!

I fired massive energy blasts and he dodged them and fired energy blasts at me and I deflected them and I fired more blasts and he dodged those and he fired more and I dodged them!

KRABOOOM KRABBBBOOOOOOOOOMMM!
KRABBBBBBOOOOOOOOOOMMMMM!
KRABBBBBBBBOOOOOOOOOMMMM!
KRABBBBBBBBOOOOOOMMM!

Mega Articuno fired a blast of ice and froze his arms and tails!

I used that time to punch Kuyo in his face with devastating force and he got his teeth knocked out!

Nico fired a massive blast of energy and blasted him all over.

Varie fired energy blasts and blasted Kuyo all over. Cassidy fired waves of water and drenched him and I fired waves of lightning and electrocuted him all over. I blasted Kuyo all over with energy blasts and I kicked him in his face and headbutt him and then punched him in his stomach hard and kneed him in the neck!

Nico then fired waves of energy and blasted Kuyo all over!

KRABBBBBBOOOOOOOOOOMMMM!
KRABBBBBBBOOOOOOOOOOOOOMMMMMMM!

KRABBBBBOOOOOOOOOOOOMMMM! KRABBBOOOOMM!

Nico fired psychic energy waves and blasted Kuyo all over.

Me: KAAAAAA MEEEEEEE HAAAAAAA MEEEEEEEE HAAAAAAAAAAAAAAAAAA!

I fired a massive Rainbow Energy Kamehameha Wave and it hit Kuyo and exploded with incredible force!

Riku: HOLY FUCKING SHIT!

I went at him more and we mercilessly punched and kicked at each other and THUNDEROUS SHOCKWAVES BLASTED OFF ALL OVER!

We flew up into the sky and more shockwaves blasted off!

Nico punched him!

KRABLAM!

Nico kicked him and sent him flying!

I smashed Kuyo into the ground and flew into the air and I fired a massive and powerful volley of rainbow energy blasts and they hit Kuyo all over and blasted him all over the place with indiscriminate fury and force and power. Then they pinned him down in a powerful dome of energy and then I charged up a powerful energy blast and it was incredible!

Me: TAKE THIS YOU FIEND! MASENKO-HA!

I fired the energy ball and the dome turned red and then…

EXTREMELY MASSIVE AND UNBELIEVABLY POWERFUL FIERY EXPLOSION!

The explosion was so powerful and so devastating that it rocked the area!

Kuyo flew out and I unsheathed my sword and Kuyo formed a sword of intense fire then we clashed and powerful streams of lightning blasted out with each clash!

THUNDERCLAP THUNDERCLAP THUNDERCLAP THUNDERCLAP!

Lightning struck all over and powerful fires blasted out all over! Kuyo went at me and I dodged and kicked him in the back and knocked him down!

I punched Kuyo in his face and dodged a punch and then kicked him in the chest and knocked him down. I jumped as he came at me and I kicked him in the back. LIGHTNING STRUCK ALL OVER THE PLACE AS WE WERE FIGHTING AND THE FIRES OF HELL RAGED ON AROUND US AS WE WERE FIGHTING! The fight was so extremely ferocious that it was unbelievable that the entirety of the universe felt it. Massive Fiery Explosions and thunderous shockwaves from our punches destroyed much of the landscape and engulfed it in a massive raging inferno. Lightning intensified in the skies above to an extremely ferocious level and the fires of the Netherworld and Hell raged on at an extremely vicious level to an amazing degree. The fight was so vicious, ferocious, brutal and savage that it was shaking the entire Universe to an incredible level at an intense level. I was gonna make sure that Kuyo suffers for an infinite number of lifetimes for his crimes against the Earth and Yokai Academy and to countless others. Fiery embers and lava bombs rained down onto the battle and exploded with incredible power. I then punched Kuyo in the face and sent him crashing into the ground and he got up and then we charged toward each other and I punched him in the stomach and we clasped hands. Our auras flared up to such an extreme intensity and our power was so strong and powerful that it was making the entire area of the universe shake extremely violently. Pebbles, rocks and boulders lifted off the ground and the lightning and fire tornadoes intensified even more. Massive fiery explosions blasted off everywhere from the fight and I punched Kuyo in the face again and fired a blast of fire and burned a chunk of his face off.

I punched Kuyo in the face!

Me: YOU CAN'T WIN KUYO!

KUYO: THIS IS MY ACADEMY! MY DESTINY! ALL STUDENTS THAT VIOLATE THE RULES WILL DIE!

KRABLAM!

I punched him hard in his face!

I kicked him into the air and fired 4 more energy blasts at him from the smoke as he was flying and he stopped 2 of the blasts with his feet and the other two with his hands and he was struggling to hold them back. I fired another blast and he saw it coming and I flew up to him as the blasts hit and exploded. In the cloud of smoke I punched him and then we clasped hands and we flared up our auras. Our hands were locked together and our auras mixed and lightning clashed and formed in them. The storm clouds above us intensified and lightning struck at an incredible level at 400 bolts every half a second and the ground was shaking violently at an incredible level. Suddenly from out of no where an energy blast hit Kuyo in the back and exploded and I head butt him and kicked him in the stomach and sent him crashing into the ground! He exploded out with incredibly massive fury!

I kicked him into the ground. I kicked him in the face and sent Kuyo crashing into the ground! He busted out and then fired a massive shower of energy blasts at me and I fired a massive barrage of energy blasts and they collided and then...

EXTREMELY MASSIVE AND UNBELIEVABLE FIERY EXPLOSION!

The explosion shook the area with intense force and fire!

HE EXPLODED OUT AND ROARED IN FURY!

Kuyo: (INSANE AND EXPLOSIVE RAGE) I HATE YOU!

My aura flared up with intense fury!

Harpymon: My turn! (ECHOING) WIND SEEKER!

She fired a blade of wind and slashed him all over!

Kuyo then EXPLODED IN RAGE!

Kuyo: KNUDSON! KNUDSON! KNUDSON! KNUDSON KNUDSON KNUDSON KNUDSON KNUDSON KNNUUUUUUUUUDDDDSON! (ENRAGED DEMONIC SCREAM) DAMN YOU! DAMN YOU! DAMN YOU! DAMN YOU, KNUDSON! DAMN YOU ALL! AND DAMN THIS FUCKING PLANET! IF YOU HADN'T GOTTEN IN MY WAY, I WOULD'VE KEPT THE SCHOOL IN MY RULE AND MAKE SURE EVERYONE OBEYED ME!

I WOULD HAVE LEAD THIS SCHOOL TO GREATNESS AND ULTIMATELY DESTROYED THE ENTIRE PLANET AND EVERY LAST PATHETIC HUMAN ON IT INCLUDING YOU AND I WOULD HAVE PROVED THE SUPERIORITY OF MONSTERS OVER HUMANS! BUT YOU, YOU JUST HAD TO SHOW UP AND THROW A WRENCH IN ALL OF OUR PLANS! YOU MAKE ME SICK! IF YOU HADN'T GOTTEN IN THE WAY OF EVIL'S GLORIOUS REIGN, ALL OF HUMANITY WOULD FINALLY BE DESTROYED ALONG WITH ALL LIFE ON EARTH! I HATE YOU! I DESPISE YOU! I WANT NOTHING MORE THAN TO DESTROY YOU ALL AND EVERYONE THAT YOU LOVE! THAT IS HOW MUCH I HATE YOU! HATE! HHHHHHHHHHHHHHHHHAAAAAAAAAAAAAAAAAAAAATTTTTTTTTTTTTTTTTTTTTEEEEE!

BUT THEN OUR AURAS EXPLODED IN MASSIVELY INTENSE POWER FROM HIS HATRED AND HE REALLY SUPERCHARGED US TIMES 100,000,000 INFINITIES! KUYO HAD ABSOLUTELY FUCKING LOST IT AND SPAT OUT SO MUCH VENEMOUS AND ABHORRENTLY TOXIC INSANE UNHINGED HATRED AT ALL OF US, OUR RAINBOW, WHITE, GOLDEN, YELLOW AND BLUE ENERGY AURA WITH ELEMENTAL FORCES, ANIMALS, AND MYTHICAL BEASTS HAD FLARED UP EXTREMELY AS WE GAINED AN ASTRONOMICAL POWER BOOST OF ASTRONOMICAL PROPORTIONS! ALL OF US, OUR RAINBOW, WHITE, GOLDEN, YELLOW AND BLUE ENERGY AURA WITH ELEMENTAL FORCES, ANIMALS, AND MYTHICAL BEASTS HAD FLARED UP EXTREMELY AS WE GAINED AN ASTRONOMICAL POWER BOOST OF ASTRONOMICAL PROPORTIONS!

Me: WHOA! Thanks for the power boost!

Nico: YEAH!

Me: Pretty big talk from someone who is small and insignificant!

Nico: Don't think we forgot about you, Greedily!

Eli: We're just taking care of our main target before you.

Hoggish Greedily: I never liked this guy anyway!

Me: For once we can agree there!

I punched Kuyo.

Nico punched Greedily in the face!

POW!

Nico: Too bad we aren't eating you like we did before.

Hoggish Greedily: Why? Didn't I taste good?

Nico: J.D. said you tasted like Raw Ham slatthered in Bat Guano.

YUCK!

Harpymon, Black Knight Ghost, Thundermon, Samon Shakekisutanchin, Black Lance, Marluxia, Goro, Black Manta, Marionette Shadow and Metal Sonic and Hookmon, Gwappamon, Oboromon, Bulkmon, Oleamon, Hippogriffomon, Strabimon, Mistymon, Petaldramon, Prasaurmon, Archelomon, Fanbeemon, and Muslmon: ELEMENTAL FURY BLAST STORM!

They fired a blast of energy and blasted Kuyo all over and a massive fiery explosion blasted out.

Chiyanna: Like old times?

Hawkgirl: You know it!

Hawkgirl and Chiyanna: THANAGAR SLASH SMASHER!

They smashed and smashed Greedily all over!

Suddenly, the full moon showed itself, and then, we heard the sounds of loud howls in the air, and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 werewolves coming out of nowhere and they were heading for us, but Lincoln charged at them and he morphed the tips of his tails into Cell's stingers and he stabbed them into the chests of the massive numbers of werewolves, and one by one, he began absorbing them into his body and he assimilated their Superhuman strength, Enhanced senses, Super speed, Healing, Super Senses, Healing factor, Shapeshifting, Superhuman speed, Superhuman stamina, Superhuman durability, Massive muscle mass, virility, testosterone, Infectious bite and scratch, Disease immunity, Enhanced Speed, Immortality, Lie Detection, Empathy, Pain Transference, Memory Transference, Animal communication, Superhuman reflexes, Eolas, Ansin, Invulnerability, Lycanthrope enhancement, and Telepathy, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (Beastly Voice) (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the werewolves and Lincoln let out a loud and massive howl of dominance and power.

Lincoln: (Beastly Voice) Alright, now we can take care of Kuyo and Hoggish Greedly.

A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A MASSIVE ROAR, AND THAT PISSED OFF HOGGISH GREEDLY AND KUYO TO NO END! NOW, THE BATTLE TO DESTROY HOGGISH GREEDLY WAS ON AND I WAS DEAD SET ON DESTROYING KUYO FOREVER!

And then, Kuyo transformed into his true form!

Lincoln, Mizore, Crash Bandicoot, Red Savarin, Von Lycaon, Nico, and I and the rest of us went after Kuyo and Hoggish Greedly, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, colored energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Hoggish Greedly and Kuyo and they exploded with incredible power as they hit them.

Then, we attacked them with powerful slashes from our massive greatswords leaving scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at them as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well, and Lincoln, Mizore, Crash Bandicoot, Red Savarin, Von Lycaon, Nico, and I and the rest of us attacked them super hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Hoggish Greedly and Kuyo even angrier than ever.

Lincoln fired rainbow, white, golden yellow, and blue energy blasts from his left hand and the smaller planets orbiting around his fingers like rings, and they hit Hoggish Greedly and Kuyo and they got hit hard. Plus, the blasts also hit The Monitor Orbs embedded in their foreheads and they shattered and not only did we gain a massive power boost, but Hoggish Greedly and Kuyo clutched their heads in pain!

Chiyanna was surprised as her body started trembling. She yelled out in surprise as her body started expanding.

Chiyanna: No I control the power. It doesn't.

She concentrated and reigned in the power of Talonflame and thens he transformed and blasted them both with fire and blasted them down.

Me: YEAH! Jean Grey helped her sister reign in the power of Arcanine.

Penelope Grey: Yeah I am in full control.

Nico: Cool!

Penelope Grey: But don't leave me out!

She turned into Arcanine and blasted them both with fire.

Nico: YEAH!

Poromon pecked Greedily.

Poliwag blasted Kuyo with water.

Nico fired waves of energy at Greedily.

Then Count Nocturne, Oculous, Zavok, Robo-Blaze, Whiger, Griffin, Vulture, Whiplash, Beetle and Lord Drakkon came.

Nico: Count Nocturne, Oculous, Zavok, Robo-Blaze, Whiger, Griffin, Vulture, Whiplash, Beetle and Lord Drakkon.

Lord Drakkon: (To Me) WOW! You really went at him! I ate all my popcorn before we arrived.

Me: No kidding! Explosive huh?

Kuyo: YOU FOOLS! YOU WILL HELP ME NOW!

Their response?

Vulture: PISS OFF MOTHERFUCKER!

POW!

Nico: Yeah and we're going to the doctor after this.

Nico: Same with Lana, May and Starfire!

Lana: YEAH!

Because of Charity Fraud and scamming and more, J.D. exposed them and made them the most hated family in the world. They received death threats and it was too much for Sillene's parents to handle and they ended up killing themselves and Sillene vowed to kill J.D. to avenge them.

Vonya: But J.D. said they deserved it for conning charities out of millions of dollars.

Luna Lovegood: (British Accent) That is for sure there. Also we met an Arcanine gene-slammer and it was Jean Grey's sister Penelope.

Ace (JL): Yeah he sure did.

Sora: Yeah and we found out that it was because of the cult in Silent Hill that burned her bad that she became that way! She was made that way because they burned her in a Satanic Ritual.

ClavisAngemon: That was sick and J.D. exploded in intense power and fury and unleashed the divine wrath of his power on that cult and banished them to the Black Abyss. Oh I'm Sora's ClavisAngemon.

Robo-Blaze: Oh pleasure and man that was intense! That cult caused a lot of problems for Silent Hill and everyone there! They brought Hell to Earth.

Key Mace: They sure did and it was horrible!

Pakura: We made sure that the people of that town got justice by us having to eradicate that whole cult. And free them from Hell.

Rainbow Dash: Yeah no kidding! Also what surprised us more is that we didn't fight any of Zak's enemies there. He said he was saving them for us to destroy on Misty's big day.

Vulture (to Hay Lin): J.D.'S 2nd Akuma was A FEROCIOUS AND HORRIFIC WEREWOLF! I honestly didn't see that coming!

Hay Lin: Well it is partially his day to shine so it's no surprise. Also we saw that numerous bad students and teachers here were mauled to death by it. As you can see by the entrails and innards splattered all over along with the blood.

Diatrymon: Also he was made because of Nico going into a blind rage and killing J.D. He came back from the dead to kill Nico to get revenge. Oh I'm Hay Lin's Diatrymon.

Vulture: Pleasure and what!? That's preposterous! Nico has too much honor and good in him to snap like that and kill J.D. for no reason.

Yost Spiderman: Yeah we said the same thing!

Kurano: Nico wouldn't do that to J.D.! Especially after everything J.D. did for him and more! And as you can see, this was a really ferocious werewolf hence why J.D. was J.D. the Nocturnal when we found out about it.

Fluttershy: That was a scary werewolf J.D. turned into!

Lilja: (Icelandic Accent) We saw him as a knight made of fire and now a ferocious bloodthirsty werewolf!

Sólrún: (Icelandic Accent) This one was completely feral and it was intensely ferocious! Luckily there was a lunar eclipse when the full moon came out and J.D. transformed back and he told us why he was like that.

Daffodil Bloom: He revealed that it was because of a stronger variant of Scarecrow's fear gas. He saw J.D. as Slappy and he was belittling him. And because of that Nico went mad and killed J.D. in his world.

Bluebell: Yeah that was terrible!

Vulture: That's crazy! So because of Scarecrow's fear poison there, Nico lost his mind!? How horrible!

Tornado Bolt: It was. And J.D. took a 50 Caliber Silver Bullet pistol and blew his akuma's head off and killed it and sent it to you guys.

Me: I was intending to do so. Last time back in 2019 we battled him and ate him for dinner and to be honest he did not taste good. He tasted more like raw ham smothered in bat guano.

Zen Aku: YUCK! That will leave a terrible taste in your mouth.

Me: That is an understatement.

Omnimon: So instead we're going to destroy him completely. Oh I'm J.D.'s Omnimon.

Lord Drakkon: Pleasure and wow! Now J.D. has you and Kazemon and Zhuqiaomon.

Me: That's right I sure do.

Simba: That was a fun battle for all of us though.

Riley Anderson: But we're not going to eat him again because we don't want to throw up all over the place.

Princess Luna: Yeah that would not be good.

Dusk Eclipse: I agree there.

Princess Luna (G5): That is for sure and Greedily belongs in the garbage.

Sailor Neptune: WATER STYLE: TYPHOON BLADE!

Sailor Uranus: EARTH STYLE: QUAKING HAMMER!

Tatsumaki: WIND STYLE: WIND SCYTHE!

Sari Sumdac: LIGHTNING STYLE: THUNDER BLAST!

Lincoln and the girls formed elemental weapons and they attacked Hoggish Greedly and Kuyo with extreme ferocity and they got banged up pretty badly!

SkullMeramon: The last thing you'll feel is searing hot pain! (ECHOING) METAL FIREBALL!

He fired a blast of blue fire and blasted them both.

Lincoln and his harem: Now, for the grand finale! We've had it with you, Hoggish Greedly. Now, die a glutton's death! ELEMENT FINAL SMASH: ELEMENTAL GLUTTON DESTROYER!

Lincoln and his harem fired elemental Ki blasts right at Hoggish Greedly which explodes on contact as they hit him. Then, Lincoln fired a massive Stardust Diviner with elements surrounding it and it hits Hoggish Greedly and he was destroyed and sent to The Black Abyss, and now, all that was left was Kuyo.

Kuyo: No! NO! I WILL NOT LET IT END LIKE THIS! IF I'M GOING DOWN, YOU'RE GOING DOWN WITH ME, J.D. KNUDSON!

Suddenly, Lincoln turned the tip of one of his eleven massive and long brown wolf tails into Cell's stinger and stabbed it into Kuyo's back and he began absorbing him, and he assimilated Kuyo's Yōko Physiology, Transformation, Battle Form, Kitsunebi (Fox Fire), Enhanced Strength, Enhanced Durability, Enhanced Stamina, Enhanced Speed, Enhanced Agility, Flight, Great Demonic Aura, Expert Hand-to-Hand Combatant, Swordsmanship, and his Techniques: Ball of Fire, Vortex of Fire, Fire Punch, Fire Spear, Entei Toui, and Flame Katana, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and twelve sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (Divine Heavenly Echoing Beastly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos True United Friendship Almighty Eternal Celestial Cosmic Elemental Almighty Hinon Eternal Friendship Universal Cosmic Elemental Heaven Cosmos Storm Ultimate Harmony True Unbreakable Eternal Bonds True Immortal God Hero Thunderbird Buffalo Vampire Werewolf Mythological Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos True United Friendship Almighty Eternal Celestial Cosmic Elemental Almighty Hinon Eternal Friendship Universal Cosmic Elemental Heaven Cosmos Storm Ultimate Harmony True Unbreakable Eternal Bonds True Immortal God Hero Thunderbird Buffalo Vampire Werewolf Mythological Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (GROWLS)

Then, when Lincoln was done and the stingers changed back, Kuyo was severely weakened, and I formed and fired a massive Stardust Diviner with fire surrounding it, and it destroyed Kuyo and he was sent to The Black Abyss forever. We cheered as we holstered our weapons and powered down and Lincoln's slit pupils change back and large dark blue halo with four orbiting dark blue rings change back to gold and my slit pupils change back and large dark blue halo with four orbiting dark blue rings change back to gold.

Me: We did it, Kuyo's finally gone forever! And that's six Eco-Villains down and two to go!

Nico: That's for sure.

Me: And I'm pissed that Dark Sebastian tried to steal another kill from us. (GROWLS) Now, I really hate that psychotic bastard even more!

Lincoln: We made sure to drive Dark Sebastian away and destroy Kuyo and Hoggish Greedly for good, but this won't be the last time we deal with that psychotic lunatic. Now, there's one last thing to do and one last loose end to tie up: Astarothe Voldemorte, Master of Darkness and former founder and leader of The Order of The Dark Universe.

?: TEAM LOUD PHOENIX STORM! I WILL DESTROY ALL OF YOU AND I WILL RECLAIM MY PLACE AS LEADER OF THE ORDER OF THE DARK UNIVERSE! THE UNIVERSE WILL BE DESTROYED AND BE REMADE AS A PARADISE WHERE ONLY EVIL REIGNS FOREVER!

Lincoln formed a massive and indestructible diamond barrier infused with absorption energy that protected all of

us from a sudden barrage of dark energy blasts and the dark energy blasts were absorbed into us and it made us even stronger than ever.

Lincoln: (Caught the scent of blood) There's no mistaking the scent of blood from anywhere, you better get out here right now, Astaroth Voldemorte!

A figure came out, he was a male with black hair, pale skin, red eyes, and he was dressed in a long black coat with black clothes and he had the symbol of The Order of The Dark Universe on his forehead: it was Astarothe Voldemorte, Master of Darkness and former leader and founder of The Order of The Dark Universe.

Me: So, that's Astarothe Voldemorte?!

Selena Mendez: The very one.

Lincoln: I should've known you'd show up here once more. So, not even being trapped in Hell for all eternity would keep you down for good.

Astarothe Voldemorte: Nothing in Hell can keep me from fulfilling our goal of destroying this pathetic universe and all of you with it, we will reign supreme and evil will rule the new world order forever! (LAUGHING MALEVOLENTLY)

Juliet Starling: Seriously, what the Hell?! That is royally effed up! You're even worse than Swan, and I think it's time someone put you down for good.

Suddenly, Juliet Starling's blue eyes turned neon blue and she was surrounded by a rainbow, white, golden yellow, and blue energy aura with stars, aura energy, white and blue heavenly flames, lights, rainbows, lollipops, hearts, jewels, phoenixes, and angels, she had her Bedazzled Chainsaw in hand, and as she approached Astarothe Voldemorte, she left rainbow, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, lights, rainbows, lollipops, hearts, jewels, phoenixes, and angels with every step.

Juliet Starling: I can't believe that a douchebag like you exists, and quite frankly, you're the biggest douchebag of all: a royally effed up, malevolent, psychotic, and completely homicidal basket case and a completely damaged ego to boot. Well, that's going to end here and now, you're gonna get what's coming to you, Astarothe Voldemorte, time to pay for your sins and rot in The Black Abyss forever.

Lincoln, Juliet Starling, Nico, and I went after Astarothe Voldemorte, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Astarothe Voldemorte, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Juliet Starling did the same by firing rainbow, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Juliet Starling, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Astarothe Voldemorte even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and twenty-four other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Astarothe Voldemorte, and we found ourselves in Heaven.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Astarothe Voldemorte's stomach and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind him. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the

Captain Whitten: (Smirks) Juliet, Lincoln, mind sawing his head off?

Suddenly, Lincoln kicked Astarothe Voldemorte into the air, and he formed chainsaw blades around the 9'6" massive, wide, double-edged gold blade of his massive greatsword and Juliet Starling had revved up the chainsaw blades around the 9'11" massive, wide, double-edged gold blade of her massive greatsword, and they charged at Astarothe Voldemorte, and then...!

We cheered wildly as we holstered our weapons and powered down and Juliet Starling's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long golden blonde wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, thirty-five large pink and purple planets orbiting around her legs, thirty-five smaller pink and purple planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized pink and purple planets orbiting around her wrists and ankles, and massive golden blonde angel wings and twenty-four sets of large golden blonde angel wings underneath her massive golden blonde angel wings are permanent.

Then, Juliet Starling grabbed a lollipop and put it in her mouth as a sign of victory.

Juliet Starling: And goodbye and good riddance forever, douchebag. Thank you for helping me destroy Astarothe Voldemorte for good, Lincoln. You too, guys.

Lincoln (Smiles Warmly) You're welcome, Juliet.

Me and Nico: Our pleasure, Juliet.

Suddenly, Juliet Starling wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Juliet Starling's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Juliet Starling sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Nicole: Oh man, now that was an awesome big finish! You've done that sort of thing to The Dark Purveyors long ago, Juliet, but that one you and Lincoln did, that was a new one. Got more planned for when we go after that Goth Geek Bastard, Swan, and those Dark Purveyor douchebags when they show up once again?

Juliet Starling: You guessed it.

Cordelia Starling: We'll have to tell Dad about this.

Rosalind Starling: We'll also get a wrecking ball ready for them!

Juliet Starling: Rosalind, you remember the last time you used a wrecking ball, right?

Nico: I do not want to ask.

Nicole: Best you don't. Plus, you transformed late, Carter.

Carter Kenrick: I wasn't that sure if Dark Sebastian was behind this, but when I caught the scent of brimstone and Hellfire from the past few days, I knew that an old enemy of Lincoln's who got sent to Hell long ago was behind it. Oh, and I can save you the trouble and tell you this: the next one to transform is Jack Howard.

Caleb Maxwell: Showoff.

Jack Howard: (Smirks) That's what I'm gonna do tomorrow: giving Roxy a front-row seat as I tear down another army of monsters.

Caleb Maxwell: No, that's not what I...! Oh, what the Hell!

Nicole: (To Roxy Drake) This sort of thing happen all the time?

Roxy Drake: Yeah, but I got together with him because he's also a good person especially when I told him of what happened to Mom and why I joined The NYPD in the first place.

Me: You told Caleb that, but not us, we need to hear about it one day. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw the full moon turn red and the symbol of The Blood Moon appeared in the moon as we heard a wolf howl.

Lincoln: The Blood Moon.

Winter Werewolf: Oh God! And there's only one person whom we're meeting tomorrow: Ophelia Blood Moon, Werewolf Angel of The Blood Moon of October.

Me: (GASPS) The Werewolf Angel of October's Blood Moon! YIKES!

Selina Wolf Moon: I knew it was her, and let me give you guys a warning, Ophelia Blood Moon, Werewolf Angel of The Blood Moon of October, is Lincoln's Guardian Angel from Michigan and she's an incredibly powerful and savage werewolf of The Blood Moon of October. Ophelia Blood Moon is a powerful master of the powers of blood red wolf fire, darkness, The Blood Moon, and all of the powers and rage of the werewolves, and over time, as she grew, she gained all of the incredible strengths and powers of the werewolves along with immortality. Ophelia Blood Moon is The Werewolf Blood Moon Angel of The Wolf Moon Night Pack, a group of twelve girls whom Lincoln met and they each have the powers of The Twelve Elemental Wolf Moons, and she was saved by Lincoln who bit her and injected her with his excessively potent lycanthropy and vampirism after she got brutally attacked by Lynn. Ophelia trained Lincoln in mastering the powers of blood red wolf fire, darkness, The Blood Moon, and the powers and rage of the werewolves, and he also gained all of the incredible strengths and powers of the werewolves, along with incredible levels of superhuman strength and he became as strong as

999,000,000,000,000,000,000,000,000,000,000 packs of werewolves and men combined along with incredible levels of incredible superhuman speed and he's able to run as fast as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves, plus it also enhanced his night vision, incredible superhuman senses of sight, smell, touch, and taste, and natural hunting instincts as well, and she found out Lincoln's a True Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she kissed him in his werewolf form on the muzzle and made out many times in his werewolf and he came back home all covered in kisses and his wolf tails were wagging like crazy. Lincoln made her a powerful claymore and gave her a wolf moon tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lynn with a blazing passion and she wants nothing more than to maul her to death underneath The Blood Moon!

WE GASPED!

Nico: Oh man!

Lincoln: When The Blood Moon rises, that results in a general increase in werewolf activity especially with Halloween, and they are more aggressive and dangerous in nature.

Me: Hence its' other name: The Hunter's Moon.

Nico: And I can guess you did the same thing to her, just like with Selina.

Lincoln: Yes, I did.

Me: I still remembered that incident, and after Lincoln told me and Varie of what happened, well, let's just say it ended with Lynn getting the thrashing of her life from the rest of her sisters.

Nico: And not from Ophelia Blood Moon, because she would kill Lynn if that happens, right?

Lincoln: You guessed it. And tomorrow is Lana, May, and Starfire's big mission with The King Ohgers.

Lana: Aw yeah! You guessed it, bro.

May: So, not only are we going after Dujardin, but also against another Eco-Villain, and another of Anti-Monitor's lackeys, that makes three villains heading for The Black Abyss in a row. This is gonna be awesome!

Starfire: Glorious. But, isn't there also...?

Lincoln: I know what you're gonna say, there's also the matter of Dark Sebastian. I knew that was also coming, but we got to watch it with him: now he's gone completely mad and insane far more than ever.

Nico: Yeah, you're right about that.

Griffin: Another Eco Villain down.

Vulture: And another villain of Yokai Academy dealt with.

Whiplash: You said it.

Me: Man this was explosive!

Qin: You said it!

Beetle: What now?

Lord Drakkon: Now, we get Mizore and Dark Magician Girl to the Doctor.

Me: Yep. That is top priority before we head home.

Nico: Yep. Great job today everyone!

Mizore: This was awesome.

Me: It sure was. (To the viewers) Wow! What an explosive battle. Hope you all liked it.

We went back to Gotham Royal York and went to the doctors. We found out that Mizore and Dark Magician Girl are both expecting triplet girls and we were excited for them! They were due on April 23rd.

We returned home, and hours later, night fell on the city, but it transitioned to Caleb Maxwell as he was perched on top of the roof of The NYPD precinct which is also next to the Gotham Royal York Police Department precinct.

Caleb Maxwell: So ends another day and another Eco-Villain along with another villain from J.D.'s past finally bites the dust.

Suddenly, he heard the report come in of a group of thugs doing drug deals in the northern district of the city.

Caleb Maxwell: Better get to work.

Caleb flew out to the northern district and the NYPD Nightshift were already on the move, but by the time they get there, the thugs will already be dead as the moon turns blood red.

Then, Caleb arrived at the northern district of the city and he spots the thugs.

Caleb Maxwell: Hey, shitheads!

Caleb Maxwell raised his guns at the thugs, and then...!

Caleb Maxwell shot the thugs dead and collected their blood and placed it in bottles.

Caleb Maxwell: This should be more than enough for the Vampire Council and for Cage, Mr. Blunt, Travis, and Cronus.

Caleb Maxwell vanished by the time The NYPD Nightshift arrived.

Jack Howard: Aw damn, Caleb struck again.

Cage Blunt: (Smirks) (Thinking) Caleb, you sneaky eavesdropper. Hope you saved some blood for me, Travis, Dad, and Cronus.

The NYPD Nightshift left as Caleb Maxwell looked down from a nearby rooftop seeing them leave and then, he too vanished back to The World Tree Estate.

Meanwhile on Chikyu, the King Ohgers were expecting us and it was gonna be an awesome and fun adventure.

Gira: I'm so looking forward to this.

Yanma: Me too!

Hymeno: It'll be great to see everyone again.

Jeremie: It sure will be.

Gira: Lets do it! ROYAL ARMS!

In flashes of light they transformed and went at the screen and it froze.

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Rohan in Middle Earth for Day 3 of The Middle Earth Rescue Arc, and we're here to destroy Grima Wormtongue and Saruman for their crimes: For Grima Wormtongue, it's plotting to sow discord and chaos for Saruman, and for Saruman: for betraying Middle Earth and siding with Sauron, the two-faced powerhungry traitor will suffer a horrible death at our hands, and we're going to meet Ophelia Blood Moon, Werewolf Angel of The Blood Moon of October, she's Lincoln's Guardian Angel from Michigan and she's an incredibly powerful and savage werewolf of The Blood Moon of October. Ophelia Blood Moon is a powerful master of the powers of blood red wolf fire, darkness, The Blood Moon, and all of the powers and rage of the werewolves, and over time, as she grew, she gained all of the incredible strengths and powers of the werewolves along with immortality. Ophelia Blood Moon is The Werewolf Blood Moon Angel of The Wolf Moon Night Pack, a group of twelve girls whom Lincoln met and they each have the powers of The Twelve Elemental Wolf Moons, and she was saved by Lincoln who bit her and injected her with his excessively potent lycanthropy and vampirism after she got brutally attacked by Lynn. Ophelia trained Lincoln in mastering the powers of blood red wolf fire, darkness, The Blood Moon, and the powers and rage of the werewolves, and he also gained all of the incredible strengths and powers of the werewolves, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves and men combined along with incredible levels of incredible superhuman speed and he's able to run as fast as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves, plus it also enhanced his night vision, incredible superhuman senses of sight, smell, touch, and taste, and natural hunting instincts as well, and she found out Lincoln's a True Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she kissed him in his werewolf form on the muzzle and made out many times in his werewolf and he came back home all covered in kisses and his wolf tails were wagging like crazy. Lincoln made her a powerful claymore and gave her a wolf moon tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lynn with a blazing passion and she wants nothing more than to maul her to death underneath The Blood Moon!

Get ready for a fun battle as we go to Chikyu and help the King Ohgers!

See you all next time.

Earth Day 2024 Part 7 - Zarm

BUCKLE YOUR SEATBELTS EVERYONE! THIS IS GONNA BE AWESOME AND ACTION PACKED!

King Ohgers action and also battling Zarm

In the early morning hours of 3:24 AM, Lincoln was asleep with his harem, and he had a dark dream: apparently, his dream brought him to Chikyu, but as he was flying, he saw the mark of Apophis in the air and he knew Dark Sebastian was here. Then, he saw Dark Sebastian and the lunatic was saying a dark incantation, and then, a black magic circle appeared on the ground, and a massive tornado of darkness appeared. Then, as the tornado disappeared, what was in its place was a familiar figure: Zarm, The Spirit of War and the seventh Eco-Villain, but he was given flesh and blood for the first time. But, if that wasn't enough, that fucked-up lunatic is planning to unleash havoc and madness untold on Chikyu and the kingdoms by unleashing zombies, demons, and all kinds of monsters upon the people to plunge them into chaos and anarchy.

And as if that wasn't really bad enough, he along with Alaister Necroshade, the high-ranking leader and founder of The Dark Church of Malphas, and the nine other high-ranking members and Alaister's four brothers and five sisters, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, and Maacah Necroshade are plotting to enact the ritual to resurrect the other members of The Order of The Dark Universe, Michael Ondrushko, 2nd in Command and Black Magic Spellcaster of Darkness, Quentin

Hargreaves, Demon Summoner of Darkness, Reagen Lestranfe, Black Magic Spellcaster of Darkness, Owen Thatcher, Satanic Ritual Master of Darkness, Alex Creighton, Hellfire Master of Darkness, Windsor Grimm, Hell's Winter Mage of Darkness, Ryan McCabe, Demon Wind Master of Darkness, Aragon Cochran, Demon Earth Master of Darkness, and Nergal Glaphyra, Demon Lightning Master of Darkness.

Lincoln woke up, and so did his harem and kids.

Lily the Mermaid: Linky, what happened?

Lincoln: It's not good.

Lincoln explained what happened, and they were horrified.

Selena Mendez: I don't fucking believe him! Of all the lines that fucked-up monstrous demon can cross, this is by far the lowest!

Camie Exetor: And right on the day of Lana's big day, he picked today to finally unleash Hell on Earth, or in this case, Hell on Chikyu.

Varie Yulinova: We got to tell everyone about this in the morning. Oh, Lana, May, and Starfire along with the rest of the team are gonna freak out uncontrollably when they hear this!

Lincoln and his harem and kids went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right. Guys, you might want to hold onto your seats for this one. Last night, I had a dream, and it brought me to Chikyu.

Then, Lincoln went on to explain that as he was flying, he saw the mark of Apophis in the air and he knew Dark Sebastian was here. Then, he saw Dark Sebastian and the lunatic was saying a dark incantation, and then, a black magic circle appeared on the ground, and a massive tornado of darkness appeared. Then, as the tornado disappeared, what was in its place was a familiar figure: Zarm, The Spirit of War and the seventh Eco-Villain, but he was given flesh and blood for the first time. But, if that wasn't enough, that fucked-up lunatic is planning to unleash havoc and madness untold on Chikyu and the kingdoms by unleashing zombies, demons, and all kinds of monsters upon the people to plunge them into chaos and anarchy.

And as if that wasn't really bad enough, he along with Alaister Necroshade, the high-ranking leader and founder of The Dark Church of Malphas, and the nine other high-ranking members and Alaister's four brothers and five sisters, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, and Maacah Necroshade are plotting to enact the ritual to resurrect the other members of The Order of The Dark Universe, Michael Ondrushko, 2nd in Command and Black Magic Spellcaster of Darkness, Quentin Hargreaves, Demon Summoner of Darkness, Reagen Lestranfe, Black Magic Spellcaster of Darkness, Owen Thatcher, Satanic Ritual Master of Darkness, Alex Creighton, Hellfire Master of Darkness, Windsor Grimm, Hell's Winter Mage of Darkness, Ryan McCabe, Demon Wind Master of

Darkness, Aragon Cochran, Demon Earth Master of Darkness, and Nergal Glaphyra, Demon Lightning Master of Darkness.

WE GASPED!

Nico: Un-fucking-believable! That bastard's now officially blown his lid!

Me: I don't believe it, that piece of shit!

Lana: This is beyond bad! Jeremie and the others are in horrible danger, I know that they can handle Dujardin and his minions, but Zarm's another story.

May: And Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra are another!

Starfire: This is not good!

Lana: When we get to Chikyu, we're gonna find Jeramie and the rest of The King Ohgers and help them clean up Dark Sebastian's mess and calm the people of the kingdoms, Zarm is The Spirit of War, right? So, Dark Sebastian causing chaos and madness is what's causing him to grow stronger.

Lola: So, you're saying we need to end the chaos at its very root by sending Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia

Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra back to Transylvania.

Lincoln: That's going to be left to The Hunters of The Nightflame Sun and I. We're gonna kick those losers out of Chikyu and send them flying back to Transylvania.

Nico: I overheard Captain Whitten say you have immense holy powers and it was an effect of your powerful unbreakable spiritual connection to God, The Archangels, and Angels of Heaven.

Lincoln: In addition to powers of light and fire and purifying powers, yes, that's correct, I also have immense holy powers as well.

Me: Wow. That's really impressive.

Nico: We're gonna need a lot of holy judgement to kick those losers out of Chikyu and send them back to Transylvania before they unleash more madness and chaos untold.

Suddenly, the symbol of The Nightflame Sun, the black flame sun, appeared, and a tornado of black fire and Divine Darkness appeared, and when it faded, there stood a girl with short black hair, purple eyes, black clothes, massive black angel wings, the symbol of The Black Flame Sun on her stomach, forehead, and right arm, and she has a staff in her hand.

Lincoln: (GASPS) Tania Tornadora, Weather Mage of Darkness of The Hunters of The Nightflame Sun and Master of The Nightflame Sun and Divine Darkness.

Qin: I knew she'd be here, I just knew it.

Nico: It's awesome to see you again, Tania.

Me: Lincoln, you, Nico, Qin, and their friends know her?

Lincoln: Indeed we do, J.D.

Nico: Yep, everyone, this is Tania Tornadora, Weather Mage of Darkness of The Hunters of The Nightflame Sun and Master of The Nightflame Sun and Divine Darkness, she's Lincoln's Guardian Angel from Michigan, and she's a very powerful Guardian Angel of Darkness and Dark Weather. She's The Weather Master Mage of The Hunters of The Nightflame Sun, a group of bounty hunters that go after the most dangerous dark magic users in the world, and their goal is to bring down Selena Mendez's insane older brother, Sebastian, and make him pay for all his crimes. Nyx, The Greek Goddess of the Night called on her and gave her and her team the powers of Divine Darkness and their mission is to bring down Sebastian and the most dangerous dark magic users ever. Tania Tornadora hates Selena's evil demonic insane brother, Sebastian, not just for what he's done, but he also murdered her parents in cold blood and sacrificed her younger twin sister, Talia Tornadora, in a Satanic ritual, and she swore she'd kill him if he ever got out of that insane asylum. But, when news about him breaking out thanks to The Order of The Dark Universe got out, she and the others were immediately assembled by Nyx to bring him down and end Sebastian's reign of terror. He and his followers better beware because the Hunters of The Nightflame Sun are coming for them! She met Lincoln and she also helped him master the powers of Divine Darkness and weather, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful dark magic staff, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lincoln's enemies with a vengeance and vowed to kill them all.

Me: Oh man. So, like the others...!

Nico: Yes, Selena's friends have lost their parents when Sebastian killed them in cold blood and their younger sisters were sacrificed in Satanic rituals, and all of them despise Sebastian for what he did.

Qin: Lincoln and J.D. separated Selena's brother from the black slime that made him into what he was, and it was the embodiment of his evil and more.

Selena Mendez: And unfortunately, I found out about the dark detail hidden from me about Mom and Dad, that they were Satanists and that they were part of The Dark Church of Malphas and they were going to bring Malphas to Earth and destroy us all. They did a terrible spell, but that backfired and it released The Black Ooze of The Eldritch that went into Sebastian and it possessed him and made him what he was after it killed them.

Tania Tornadora: What?

Varie Yulinova: It's true, Tania, and Selena was granted dark powers by the Nightflame of Nyx and how she became The Leader of The Hunters of The Nightflame Sun, and the spell her parents did not only backfired, but it also killed them and Sebastian became that and he was doing all of that against his will.

Tania Tornadora: The Black Ooze of The Eldritch did this. So, we got to destroy it for good.

Selena Mendez: No, I'm going to destroy it, Tania. This thing turned my brother into that demonic murderous lunatic, and by my hand, will it be destroyed.

Lyra Hikari: And you know, Trudy and the twins were right to have attacked him like that, same with all of you as well, and he's still everything Elly said about him in the past that he's far worse than the tyrant who led The Saiyans down the road into darkness.

Buster Bunny: And with what he's done, it won't be long before we finally get rid of that heartless, soulless, remorseless, murderous, monstrous, backstabbing two-faced snake.

Plucky Duck: Calling him all that? Come on, Buster, surely you can call him far worse than that.

Lincoln: Not unless you want the newborn children of me and J.D. to hear it, Plucky.

Nico: He's right. We already had to put a muzzle on Fowlmouth to keep that toxic waste he calls a beak from running.

We saw it: Fowlmouth had a muzzle on his beak.

Eli: (GASPS) Hey, look!

Suddenly, we saw a phoenix of pure fire and encased in rainbow fire along with the symbol of The Hunters of The

Nightflame Sun appear on the right side and on the other side opposing the phoenix and the symbol of The Hunters of The Nightflame Sun is an inverted pentagram with the symbol of Apophis, Egyptian God of Chaos: the snake.

Me: It's an omen.

I got out my book and found it.

Me: Here it is: On the 5th Day of The 5th Month of The 2nd Millennium, The Evil Order of The Dark Universe freed from their eternal imprisonment by The Dark Lord of Eternal Hatred and Emissary of Apophis, The Egyptian God of Chaos and The Betrayer of The Phoenix who has since been freed by The Snake's Power shall make their dark return known throughout the world as the skies of Transylvania turn black as the very darkness blackens the skies and blocks the sun as those unlucky to be caught in his path suffer a horrific death at his hands, but The Phoenix and The Nightflame Sun stands ready to forever end this unspeakable evil.

Nico: So, on May 5th, Cinco De Mayo is...!

Lincoln: The War Against The Order of The Dark Universe and The Dark Church of Malphas, and this time, both of them are going to die for good.

Me: This is gonna be good.

Lincoln: You said it. Now, let's finish breakfast and head out for Nico's next rescue.

Nico: You got it.

Lana was sleeping with her animal friends. Then she farted.

LOUD FART!

Rattata gagged.

Lana woke up to see Rattata staring at her.

Rattata: Morning Lana. Time for breakfast!

Lana: Oh boy! It's my day and that means King Ohgers!

ZOOM!

She got dressed and went to the table.

Me: Morning Lana. I got your favorite.

I gave her a HUGE BOWL of earthworms.

Lana: Oh boy! (SLURPS)

Ymir: Lana loves earthworms?

Me: She sure does. Loves eating them. Known about that since 2016.

Laney: It's true.

Nico: (LAUGHS)

We finished our breakfast, and we set out to take down the next villain on Nico's rescue and send Sergio's thugs to The Black Abyss.

Top Man: No problem Nico. This will be fun.

Me: It sure will.

Mabui: I agree guys. Man we needed a rest after yesterday.

Me: I'll say.

Nico: Mabui, what do you like to do in your free time?

Mabui: Well when I'm not working as the Secretary of the Raikage, I like to take on a genin team and train them.

Me: That's awesome Mabui. In 150,000 years, Mabui was known for working as secretary to the Raikage. She has always been very diligient and efficient in working for him.

Mabui: It does a lot of good.

Me: Yep.

Nico: That is awesome. I'm glad you are working with genin to help the village.

Mabui: That's true.

Karui: And it's fun.

Sarada: I'm glad some of the ninja love working with everyone too.

Maki: Same here.

Ameyuri Ringo: I agree there too.

Nico: That's a good job to have

Mabui: It's very rewarding.

Me: Just like Kakashi-sensei and all the senseis of the Leaf.

Qin: I agree.

Me: WHEW! Man yesterday was super explosive!

Nico: No kidding! That had to be the most explosive ever.

Kurumu: Yeah J.D. you really unleashed your ultimate power on Kuyo.

Me: I sure did. Wow!

Nico: He had it coming.

Me: Man what a jerk!

Lola: I agree! But I'm glad he's gone.

Me: Yeah. But what a GOREFEST! My 2nd Akuma VICIOUSLY dismembered and mutilated all those people!

Nico: YEAH! That was a slaughterfest!

Me: Yeah!

Nico: Because my version of his world killed him.

Me: Yeah! Blame Scarecrow for invoking those Slappy Hallucinations on him.

Nico: Yeah.

Me: But it was both mine and Mizore's day to shine so it was half of my day to shine too.

Lincoln: And man Mizore's Akuma looked so super smoking hot.

Kurumu: (LAUGHS) She sure did Linky. And you marked her.

Lincoln: I sure did.

Me: I'll say. Hubba hubba.

WE LAUGHED!

Me: Yeah! Man yesterday was so eventful. We destroyed Okuto, Misty, The Pipsqueaks and Xion completed their Ambassador Missions. Mizore and Dark Magician Girl are expecting triplets, we destroyed Kuyo and Hoggish Greedily and also Leni, Ed, Ash and Serena are all married.

Nico: We sure did a lot.

Tunnel Rhino: I agree there. Wow! That was so fun.

Eddy: (LAUGHS) Congrats, Lumpy!

Ed: Thanks Eddy!

Eli: Yeah! That was fun.

Sakura Knudson: We all had a lot of fun on that.

Misty Brightdawn: We sure did.

Pipp Petals: Oh my glitter! That was so fun.

Camie: It sure was!

Lincoln: Okay, guys, we're in for one spicy battle, we're here in the park, but here's the villain we're going after: The 9 Chicken Sandwiches of Hell, they are known as Carolina Reaper Chicken, Ghost Pepper Chicken, Dragons Breath Chicken, Naga Viper, Trinidad Moruga, Pepper X, Komodo Dragon Pepper, and Habanero, and the middle one is the deadliest one: ARMAGEDDON SUPERNOVA TORTURE CHICKEN! They are The 3rd Hypothetical Akuma of Girl Jordan, and her personality turned into 9 of the deadliest chicken sandwiches in the entire universe and they contain enough super deadly pepper spice to destroy 4 million planets! 1 bite is enough to kill anyone instantly! Girl Jordan was made into these because of Chandler doing terrible things to me and she vowed to make that jerk pay with extreme spice and prejudice!

Lincoln got out his sketchbook and we saw Girl Jordan's 2nd Hypothetical Akuma: 9 of the deadliest chicken sandwiches in the entire universe and they contain enough super deadly pepper spice to destroy 4 million planets and 1 bite is enough to kill anyone instantly!

WE GASPED!

Me: HOLY SPICY ENCHILADAS!

Helena Knudson: OH MAN!

Eli: Those look lethal!

Girl Jordan: Lazlo's Akuma was poisonous sandwiches but my third Akuma is Nuclear Hot Spicy Chicken Sandwiches!? WHOA!

Nico: Oh man, those are nine deadly chicken sandwiches, I love chicken sandwiches, but those that have enough super deadly pepper spice to destroy 4 million planets and one bit is enough to kill anyone instantly?! You'd have to be a super mega crazy insane Spice Demon to do so.

Suddenly, we saw a smirk form on Lincoln's face!

Eli: Oh crud!

Me: Lincoln, you can't be serious, you're planning on...!

Lincoln: Yep, I'm planning on eating them!

WE FREAKED OUT AND DID TONS OF WILD TAKES!

Nico: OH GOD!

Me: (GULPS)

Lincoln: You guys saw me eat tons of spicy food before, why are you guys starting to get afraid?

Eli: Ooh boy.

Lucy Loud: I'll be sure to say something nice at your funeral brother.

Suddenly, Lincoln had a premonition as the gold versions of The Trinity Mirror behind his large gold halo with four large orbiting gold rings behind his head fired beams of light and they formed into a one-way mirror: it appears Sergio has sent some hired thugs to kill us.

Lincoln: Sergio, why you little...!

Nico: Sergio again?

Lincoln: Yes, he's sent his hired thugs after us.

Me: I thought they...!

Sly Cooper: Afraid not, the thugs were completely stupid and they forgot that Sergio was going to backstab them, and they went back to being his hired thugs.

Nico: Unbelievable, well, we'll run into Sergio's thugs along with another of your cousins, Sly.

Ed Cowart: Right.

Lori: That bird is literally getting on our nerves.

Ronnie Anne: Now, you know what Bobby and the rest of us had to deal with from Sergio. Right now, we got nine spicy deadly chicken sandwiches to eat.

Lincoln: Let's get going.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings and the gold version of the Trinity Mirror behind his large gold halo fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding

out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: This is it.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln turned the tips of his eleven massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and twenty-four sets of large white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln was done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I knew increasing the strength and potency of my Min's Egyptian Virility Drain Curse on those two was a good idea. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for The 9 Chicken Sandwiches of Hell) AHA! There they are! I just spotted the 9 Chicken Sandwiches of Hell.

Nico: Let's get them and scarf them down.

Eddy heard a Pokemon cry.

Eddy: Hey look!

We saw a Scraggy!

Me: Cool a Scraggy!

Eddy: Cool!

Scraggy: Got any jawbreakers?

Eddy: A Pokemon that loves Jawbreakers like me! Awesome!

Eddy gave it one.

Scraggy slurped it.

Ed: Wanna come with us?

Eddy: Ed I was supposed to ask that Stupid!

Ed: Oh sorry.

Scraggy: But sure I would like that.

Eddy: You and me are gonna get along great.

Me: You sure are. That's cool that you have a Pokemon that loves jawbreakers.

Eddy: It sure is. Maybe I can have Scraggy help with some scams.

Me: (LAUGHS) Give the Flim Flam Brothers a little competition.

We laughed!

But then...

KRABBBBBBBBBOOOOOOOOOOMMM!

A laser blast hit the ground by us and an explosion blasted out!

Me: What the!?

Eli: Look!

We saw a Beheeyem!

Me: COOL! A Beheeyem!

Nico: You could've hit a person!

Eli: YEAH!

Starfire: Wait I think I know this one.

She used telepathy and gasped!

Starfire: (GASP) It's my friend Cometffira!

Me: WHOA!

Eli: Who is she?

Starfire: I will explain and it's best if you see for yourselves.

Me and Starfire went to help her.

Starfire: Cometffira it's me Starfire!

All she did was fire another laser.

I deflected it back And it hit her.

Me: Looks like we do this the hard way.

Starfire: Yes we do.

We fired waves of energy and blasted her all over. I then snapped my fingers and she reverted back. She had red hair and orange eyes with reddish pink sclera and had fire angel wings and had a comet cutie mark on her arm and had Beheeyem on her forehead covered by her hair. We wrappd her in a blanket and brought her over.

Me: Wow.

She woke up.

Cometffira: Oh wow. I feel like I was hit by Comet Vellea.

Starfire: Cometffira?

Cometffira: Starfire? It is you!

They hugged.

Starfire: I'm so happy you are here on Earth.

Shanan: Oh wow! Cometffira you're a Xeiramanian.

Cometffira: That's right. I'm amazed you know.

Qin: What's a Xeiramanian?

Shanan: They come from the distant planet of Xeiram. It's located 77,000 lightyears from here and they are a race of warriors that use fire and stars. The planet is in orbit around the gas giant planet Xexramm.

She showed a hologram of the system she is from.

Shanan: This is it.

Me: Whoa! A 3-ringed Saturn world and it has 5 planets like Earth around it? That is amazing.

Cometffira: It is. I met Starfire on Tamaran and it was when it was under attack by the Gordanians and we became close like sisters very quickly. She even showed me around Earth and I grew adapted to it too.

Me: That is amazing.

Nico: Do you remember what happened?

Cometffira: With how I turned into that? I am not part of Sonya's team actually. I was hit when I was fighting some of Brother Blood's students that were causing havok.

Nico: So you were fighting the H.I.V.E.

Cometffira: That's right.

Robin: Cometffira is a member of the Teen Titans.

Me: Wow! Were you fighting anyone during the battles with the Brotherhood of Evil?

Cometffira: No. I was away from Earth when it happened.

Me: Oh.

Cometffira: But in my free time I like to learn all about Earth as much as I can and help people in need.

Me: That's good. You were turned into a Beheeyem by Dark Gale. But we destroyed Dark Gale.

Cometffira: That's good.

Nico: We'll destroy Blood in the future.

Me: Yeah.

Cometffira: I'll gladly help you.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her yellow clothes and a lava sword.

Cometffira: I look great. Just like my old uniform.

Me: You sure do.

Nico: Now for other business.

Qin: Yep.

We took off into the air to take down and eat The 9 Chicken Sandwiches of Hell and send Sergio's thugs to The Black Abyss.

We were flying in the air, but then, we saw our targets: Carolina Reaper Chicken, Ghost Pepper Chicken, Dragons Breath Chicken, Naga Viper, Trinidad Moruga, Pepper X, Komodo Dragon Pepper, Habanero, and the deadliest Chicken Sandwich: ARMAGEDDON SUPERNOVA TORTURE CHICKEN: THE 9 CHICKEN SANDWICHES OF HELL, THE 2ND HYPOTHETICAL AKUMA OF GIRL JORDAN!

Lincoln: There they are. I smell hot pepper spice coming off of them, and it's incredibly strong.

Me: WHEW! No kidding! What a load spice!

We landed.

Me: Girl Jordan, is that you?

Trinidad Moruga: In a sense, yes.

Me: And you look really awesome turned into those Chicken Sandwiches, but I can tell you're deadlier than The Seven Deadly Sandwiches, Lazlo's hypothetical Akuma just as Lincoln said.

Nico: Yeah those were POISONOUS!

Lincoln: And our world's Chandler was purified of his Dark Side that was put in him by Dark Chase Young. (Sensed The 9 Chicken Sandwiches of Hell's Chandler) And your world's Chandler is here, no doubt sent by Dark Sebastian.

Lincoln fired an energy blast and forced out The 9 Chicken Sandwiches of Hell's Chandler.

Nico: So, you've also shown up here! I can tell by the smell of sewage and B.O. in the air! Seriously, haven't you ever heard of a shower!

9 Chicken Sandwiches of Hell's Chandler: PISS OFF, FUCKING APE!

Me: Oh, that's fucking rich! Do you wipe your daddy's ass with that filthy mouth?!

Anna Anyanova: YEAH! And me and my fellow angels REALLY WANT to tear you to shreds!

Lincoln: Now now girls. Watch.

Lincoln used telekinesis to pry the sewage brat's mouth open.

Lincoln: Why don't you give him something to eat?

The 9 Chicken Sandwiches of Hell went into her world's Chandler's mouth and Lincoln closed his mouth shut using telekinesis, and then...

MEGA SUPER ULTIMATE KRABOOM!

THE 9 CHICKEN SANDWICHES OF HELL'S CHANDLER EXPLODED IN AN EXTREMELY MASSIVE AND FIERY EXPLOSION AND HE WAS SENT TO THE BLACK ABYSS!

Then, The 9 Chicken Sandwiches of Hell reformed.

Me: HOLY FUCKING SHIT!

Armageddon Supernova Torture Chicken: Okay, now that was really awesome!

Luna: You seriously caused him to explode into a mega fireball of pain!

Laney: That was super deadly! Lincoln's right, no ordinary mortal can handle them!

Lincoln: Only a spice demon's stomach can.

Lola: YEAH!

Komodo Dragon Pepper: You got that right!

Scraggy charged at her and fired waves of energy and blasted her.

Me: I wonder if there are akuma sandwiches that are gross.

Nico: Don't jinx it.

Me: Sorry.

Marceline: Give me a beat.

Connor and Jane: JUNGLE LOVE BLAST!

They fired waves of energy and blasted the sandwiches all over.

I got out my Gashat.

Me: Okay then time for some fun.

I activated it.

Elsa: Lets make it snow!

Me and Elsa: SNOWSTORM FREEZE BURST!

We fired waves of energy and ice and blasted the sandwiches.

Cometffira: Like old times Starfire?

Starfire: Oh glorious!

Cometffira and Starfire: STARSTORM JEWEL BLAST!

They fired waves of energy and stars and blasted the sandwiches.

Me: It is Elsa's day to shine too because of Lana.

Lana: That is too true!

Me: We'll bring peace for Arendelle for this.

Lana: Did you say (Fires peas from a spoon) PEAS!?

She fired peas at the sandwiches.

Anna (Frozen): I'm ready for some fun!

Me: Me too!

Me and Anna: ARENDELLE ICE TYPHOON!

We fired waves of ice and smashed them down.

Poromon pecked the sandwiches.

POINK POINK POINK POINK!

Me: YEAH! And Sandwiches you know what's more terrifying? THIS! NIGHTMARE STYLE NINJA ART: MASSACRE OF THE 100 ACRE WOOD!

I fired waves of darkness and it formed into the Blood and Honey versions of Pooh and Friends and they smashed and cut them.

Poromon: LOOK AT IT!

Nico: YEAH!

Me: And how about this too!? NIGHTMARE STYLE NINJA ART: FEAST OF THE APPETIZER!

I fired waves of darkness and it formed into THE APPETIZER! It roared ferociously and smashed the sandiches!

Squidward: HOLY FISHPASTE! WHAT IS THAT!?

Mr. Krabs: RUN FOR YOUR LIVES EVERYONE! IT'S THE APPETIZER!

Nico: GEEZ!

Me: Still funny though!

Lily: Yeah!

Lincoln: Alright, let's do this.(Sensed Sergio's thugs) And it appears we have some uninvited guests.

Suddenly, Lincoln fired massive waves of light from his massive white angel wings and twenty-four sets of large white angel wings underneath his massive white angel wings and they forced out Sergio's hired thugs and they're screaming because they got blinded, and Lincoln made a one-way viewing window for Sergio to see.

Nico: Whoa, what the?!

Selene Arcangela: Lincoln exposed them in the blink of an eye with that attack, incredible.

Kali Timestream: Just like when Our Lord takes control, that attack happens before you can blink your eyes.

Sergio Thug: Damn it! The boss isn't going to like this!

Lincoln: I wouldn't worry, you won't be able to report back to your boss. Nor will the rest of your friends for you will not live much longer.

But then...

WHOOSH!

A figure swooped in and swiped their loot!

Sergio Thug: What the!? Our loot!

?: (Mongolian Accent) You mean MY Loot!

We saw a figure and it was the next member of the International Clan of the Coopers!

Lincoln: Enkhjargal Cooper! Wow!

Enkhjargal Cooper: Good to see you Lincoln!

Lincoln: You too!

Me: Care to introduce us?

Anna Anyanova: Sure. This is Enkhjargal Cooper, The Elemental Dragon Striker of Ulaanbaatar of The International Clan of The Coopers, she's Lincoln's Guardian Angel from Mongolia and a powerful and skilled warrior and she is also a notorious thief that brings in the bad guys to justice after stealing from them and one of the descendants and cousins of The Coopers and she's also a thief too and she's the cousin of Sly Cooper from Mongolia and she helped him on lots of dangerous jobs. She's known as The Elemental Dragon Striker of Ulaanbaatar because she uses the powers of the Elemental Dragons of Lightning, Fire, Wind, Water, Earth, Light and Darkness to swoop in and steal from her enemies. They pass through buildings like ghosts and swipe all their valuables. She's the member of a new group of Lincoln's Guardian Angels called The International Clan of The Coopers, a group of notorious thieves from all over the world and they're also the descendants and cousins of the Coopers, meaning they are thieves too, and like Sly and his family, they steal from Criminals, and they've also stolen from Lincoln's Enemies too. They're the most notorious thieves in the world and are equal and skilled and more powerful than the Coopers. They did NUMEROUS Dangerous jobs all over the world and have done it all and stole from DANGEROUS ENEMIES and organizations EVERYWHERE! They also stole from many of Lincoln's enemies and made them dirt poor and even made Flip Dirt Poor. Like Sly said, there's no honor, no challenge and no fun stealing from ordinary people. Enkhjargal came to Royal Woods where she met Lincoln and she taught him a lot in mastering the powers of the Elemental Dragons of Lightning, Fire, Wind, Water, Earth, Light and Darkness and their powers as well, and she was also reunited with Sly, his gang, and his entire family after they became officially part of the team. Lincoln made her an awesome light greatsword, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her and the rest of The International Clan of The Coopers thus tying Lincoln and his family to Sly Cooper and The Cooper Clan and The Cooper Clan will also become members of The Loud Family through marriage, and Enkhjargal Cooper hates Lincoln's enemies with a vengeance and vowed to steal from all of them and make them dirt poor.

Me: WHOA! Pleasure to meet Mongolia's Cooper Clan member.

Enkhjargal Cooper: Same to you J.D.

Lincoln turned the tips of his tails into Cell's stingers and he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive muscle mass, massive physical strength, virility, and testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and twelve sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, he did the same to the remaining thugs hiding out as he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive physical strength, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and twenty-four sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the thugs except for their clothes and he drained their souls of energy and sent them to The

Black Abyss forever. Sergio saw it through the one-way viewing window Lincoln made, he screeched in anger at us.

Sergio: NO! NO! (GROWLS) This ain't over, losers!

Even though it was a one-way viewing window Lincoln made, we saw Sergio mouth the words, "This ain't over, losers!" Then, Nico and I gave that stupid bird both middle fingers and made all kinds of faces at him, and it really pissed Sergio off big time as the window closed.

Eli: Yeah, up yours, you walking feather duster!

Me: You deserved it, you stupid party animal.

Nico: (Smirks) And it's about to get a lot worse for you, Sergio.

Then, Lincoln's gold version of The Trinity Mirror and his large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a one-way viewing window for us, and Lincoln snapped his fingers, and as soon as he did, orbs of rainbow energy with elements appeared surrounding Sergio, and then...!

LINCOLN SENT THE ORBS AT SERGIO, AND THEY EXPLODED WITH INCREDIBLE POWER AS THEY HIT THAT STUPID BIRD, AND WHEN IT WAS DONE, SERGIO WAS AN ABSOLUTE WRECK AND HE GOT HURT BAD!

Sergio: (Groans) Ouch!

We were on our butts laughing like hyenas!

Me and Nico: (LAUGHING HYSTERICALLY) THIS IS WAY MORE HILARIOUS THAN WHEN YOU STUFFED HIS BIG FAT

BEAK WITH HOT PEPPERS AND HOT SAUCE! OH MAN, YOU'RE GONNA MAKE US BUST A GUT!

Maria Garcia: (Spanish Accent) Serves you right, you stupid bird!

Lincoln, Red Savarin, Robin Hood, Skippy the Bush Kangaroo, Von Lycaon, Sly Cooper, and Rayman went after The 9 Chicken Sandwiches of Hell, and they fired extremely powerful blasts of rainbow, green, purple and red, red and yellow, blue, red, white and black, white, golden yellow, and blue energy, elemental forces, mythological animals, and mythical beasts, and they exploded with incredible power as they hit them, and they slashed and punched at them with their massive greatswords and gauntlets and greaves leaving scars on them.

Suddenly, we heard the sound of roars in the distance, and we saw an army of werewolves heading right for us.

Caleb Maxwell: Shit.

Caleb Maxwell put up a barrier.

Me: What the?

The 9 Chicken Sandwiches of Hell and they exploded with incredible power as they hit them.

Then, we attacked them with powerful slashes from our massive greatswords leaving scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and we did the same by firing colored, white, golden yellow, and blue energy slashes from our gold-plated claws and greatswords, and Lincoln, Red Savarin, Robin Hood, Rayman, Dorothy Abercromby, Talia Houou Phoenixheart, Brenda Buffalor, Naga Jolokia Noodle, Naga Jolokia, Skippy the Bush Kangaroo, Von Lycaon, Crash Bandicoot, Sly Cooper, The Cooper Clan, Bentley, Murray, Guru, Penelope, Panda King, Dimitri, Inspector Fox, Nico, and I and all of us attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength.

Suddenly, Lincoln's massive white angel wings and twenty-four other sets of large white angel wings underneath his massive angel wings spread out even more and my massive rainbow angel wings and eleven sets of large rainbow angel wings under my massive rainbow angel wings spread out even more as two gold intricate halos made of gold light appeared above our head along with three sets of gold chains around the gold light halos and formed into a purifying field that hit The 9 Chicken Sandwiches of Hell, and we found ourselves in Heaven.

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into The 9 Chicken Sandwiches of Hell, and a cluster of rainbow, white and blue heavenly flames exploded out behind them, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, and I formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln, Nico, and I attacked them with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, BEGONE!

Lincoln, Nico, and I did one final powerful energy slash that hit The 9 Chicken Sandwiches of Hell hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and The 9 Chicken Sandwiches were on their last legs and they were really really mangled.

We cheered as we holstered our weapons and we powered down, and the new bodies, clothes, weapons, jewelry, Third Eyes, eleven massive and long crimson red and orange wolf tails, large gold halos with four large orbiting gold rings on each corner behind the heads, thirty-five large colored planets orbiting around the legs, thirty-five smaller crimson red, yellow, and orange planets orbiting around the waists, smaller planets orbiting around the fingers, medium sized crimson red, yellow, and orange planets orbiting around the wrists and ankles, and massive colored angel wings and twenty-four sets of large crimson red, yellow, and orange phoenix angel wings underneath the massive crimson red, yellow, and orange phoenix angel wings of Dorothy Abercromby, Talia Houou Phoenixheart, Brenda Buffalor, Naga Jolokia Noodle, and Naga Jolokia are permanent.

Then, The 9 Chicken Sandwiches of Hell were on plates and on a massive buffet table, along with the multiple copies they made of themselves.

Lincoln: Alright, then, let's eat!

Some of us were behind sandbags in foxholes with riot shields around them.

We then proceeded to eat all of them and we didn't leave a crumb of them remaining, and Lincoln belched out the spirits of The 9 Chicken Sandwiches of Hell which sent them flying to The M.O.E.

Me: Ah, now that was really good! (MASSIVE BELCH)

I belched out a massive stream of rainbow fire that hit a thug and he got burned badly, and then...!

KRABOOM!

THREE MASSIVE RAINBOW, WHITE, GOLDEN YELLOW, AND BLUE FIRE VORTEXES EXPLODED OUT OF LINCOLN, ME, AND NICO AS WE GAINED A SUPERMASSIVE ASTRONOMICAL POWER BOOST AND OUR SPICY PEPPER TATTOOS WERE BLEEDING AS NEON RED BLOOD CAME OUT!

Nico: How did they taste?

Me: WHOO! NOW, THAT WAS REALLY, REALLY SPICY!

Nico: You got that right! WHOO!

Eli: WOW! Those are spicy!

Lincoln: That was really good!

Laney: WHOA! That was intense spice!

Nico: You're not kidding!

Suddenly, Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and twenty-four sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed as he gained yet another power boost.

Lincoln: (GROWLS) Oh man, now that was really awesome!

Me: WHOA! I don't know how that happened, but you just gained another supermassive astronomical power boost, Lincoln.

Gina Angellus: That's an effect of The El Paso Diablo Pepper of Fury I gave Lincoln eight years ago: whenever he eats spicy peppers and spicy food of any kind, he gains a supermassive astronomical power boost, and he also grows even more stronger than ever.

Lincoln formed and fired a massive rainbow fireball into the air that transformed into a fiery phoenix and it let out a loud crackling screech as it fades.

Nico: Cool..!

Lincoln with a smirk then flexed his massive muscles and we saw three supernovas exploding in his massive biceps and massive pecs, and that got his harem blushing like crazy and many of them had nosebleeds!

Girl Jordan: (Swooning) What a manly and hunky wolf man.

Lincoln's harem gathered around Lincoln and he let out a low seductive growl. But, then, when Girl Jordan and Lily the Mermaid kissed him right on his left and right pecs, he suddenly let out a massive roar and he fired a massive stream of fire from his mouth that hit an army of demons sent by Dark Sebastian and they were incinerated into ashes.

Me: Whoa!

Nico: Damn, you just incinerated that army of demons into ashes.

Lincoln: I didn't think Dark Sebastian would send another army of demons at us especially after we'd won the fight.

Luna: He's just getting too desperate, dude. He knows doomsday is almost here for him and his dark and demonic minions.

Laney: On May 5th, that's doomsday for them.

Lana: We really got to watch it with him now.

Lola: That's right, he's not gonna let up that easily now, he'll have more vicious and malicious plans in store.

Me: Same with The Necroshade Siblings. I know their tricks all too well, so I'll also alert you guys on what they're up to.

Lincoln: Right.

Me: Yeah! Lana's second akuma was really tasty.

Lana: I'll say!

Nico: Nice ob Scraggy!

Scraggy: Thanks Nico. Got any Captain Morgan Spiced Rum?

Me: Oh you like it flavorful.

Poromon: Yeah.

I pulled out some Captain Morgan rum and gave him a glass of it.

Scraggy: Thank you.

He gave me a $100.00 tip.

Me: (LAUGHS) This isn't a bar but thanks.

I took it and he drank it.

He got drunk.

Scraggy: (BARNEY BELCH)

Poromon: Rum is good as beer.

Barney Gumble: Welcome to the party! (BELCH!

Poliwag: Sing the ABC's!

Scraggy: (Singing) NOBODY KNOWS! (HIC BELCH) HOW DRY I AM! (HIC BELCH) NOBODY KNOWS! (HIC BELCH!) HOW DRY (HIC BELCH) I AM! (HIC BELCH)

WE LAUGHED HYSTERICALLY!

Eddy: (LAUGHS) A pokemon that likes Jawbreakers and Rum. That is funny!

Ed: (LAUGHS) Yeah!

I snapped my fingers and he was back to normal.

Manaphy: We're playing hide and seek later!

Me: Ooh! Gonna see another core member of the M.O.E.'S room?

Poromon: Not this time.

Me: Oh gonna be somewhere else.

Camie: Okay.

Nico: Oh, Top Man, what do you like to do in your free time?

Top Man: I like to spin around!

Nico: Really?

Top Man: No just kidding. I like to work at a toy store and have fun showing off some of the toys for kids.

Nico: Good job to have there.

Me: Yeah.

Lincoln: (Sensed The Anothers) Uh oh, here come the Anothers!

Eli: (Sensed The Anothers) Lincoln's right, I sensed them. Oh man, and one of The Anothers is Another Lana, Another May, and Another Starfire. (GASPS) But, the Another Lana is REALLY REALLY HOSTILE TO LANA!

Me: UH OH!

Lola: What the?!

Lana: Someone who's hostile to me?!

Qin: Wonder who it is?

Me: We'll find out soon.

Lincoln: (Thinking) That better not be who I think it is. Because if it is, you're gonna have some words hurled right at you and your parents are also going to disown you..., Lacey St. Claire!

Nico: There they are!

Me: Wait! We don't know who we're facing yet.

Nico: Oh sorry Force of Habit.

Me: So we got Another Tunnel Rhino, TTG Cinderblock, TTG Madame Rouge, Commander Dopant, Lightning Bot (RPM) and Moth Amazon (Kamen Rider Amazon)

Nico: WHOA!

Me: Yep. So Top Man, Mabui, Karui, Ameyuri Ringo, Sarada and Maki are up.

Mabui: COOL!

Me: We're going to demonstrate new techniques I made for them on this one.

Lola: Awesome!

Nico: NOW! They are here!

Out came Another TTG Cinderblock, TTG Madame Rouge, Commander Dopant, Lightning Bot (RPM) and Moth Amazon (Kamen Rider Amazon)!

Me: WHOA!

Qin: This will be cool!

Another TTG Cinderblock: (In a girls voice) It sure will!

They reverted back and were the gene-slammers of Monster Egg, Gorgon Egg, Miracle Jurassic Egg, Cyber Egg Angel and Winged Egg of New Life.

Nico: The Carter Sisters!

We were introduced to Wendy, Gally, Allie, Jianna Jurassic and Mina Carter.

Me: Whoa! Awesome to meet you girls. The gene-slammers of Monster Egg, Gorgon Egg, Miracle Jurassic Egg, Cyber Egg Angel and Winged Egg of New Life.

Ed: Eggs eggs eggs eggs eggs eggs eggs eggs.

WE LAUGHED!

Nico: Funny.

Jianna Jurassic: That is funny.

Me: Is the Another Tunnel Rhino friendly or hostile? We know the Another Lana is hostile.

Allie Carter: Friendly and she is cool.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

They glowed and the anothers were separated.

Me: Action time!

Mabui: LIGHTNING STYLE NINJA ART: THUNDERSTORM CATURDAY SURPRISE!

Karui: LIGHTNING STYLE NINJA ART: LIGHTNING SPEAR SHOWER!

Ameyuri Ringo: LIGHTNING STYLE NINJA ART: THUNDER BALL SUPER BARRAGE!

Sarada: LIGHTNING STYLE NINJA ART: LIGHTNING STRIKE TSUNAMI!

Maki: LIGHTNING STYLE NINJA ART: THUNDERBOLT CUT SLASH!

They fired waves of intense lightning!

We blasted the Anothers and I caught the Wonder Ride Books and purified them.

Me: YEAH!

Nico: WHOA! That was powerful!

Me: No kidding! Nice job!

May: And now, we wait.

KRABLAM!

I got hit on the head with a bowling ball!

Me: OWWWW!

Nico: Are you alright?

Me: Yeah I'll be fine. OKAY WHO'S THE WISEASS!?

Nico: Yeah! Who did that?!

Lola: They did!

We saw Another Tunnel Rhino and Lana!

Me: WHOA!

Nico: There they are.

Another Tunnel Rhino: (In a girls voice) Sorry about that guys.

She reverted back and it was the gene-slammer of Obelisk the Tormentor Egg.

Nico: Olivia Carter! Wow!

Olivia Carter: Awesome to see you Nico.

Me: I've never seen that monster before.

Olivia Carter: Oh it's Obelisk the Tormentor Egg. It's an egg version of him.

Me: Whoa! That is cool!

Olivia Carter: Yeah. Also I have darkness powers and have the powers to dig underground too like Tunnel Rhino.

Tunnel Rhino: Just like me.

Me: Yep.

Nico: And your friend?

Another Lana: (Posh Accent) Someone that wants Lana to be put in her place.

She reverted back and it was LACEY ST. CLAIRE! But she was a mess and was full of filth and dirt!

WE GASPED!

Lana: Lacey St. Claire!

Lacey St. Claire: Lana Loud!

Me: Lacey St. Claire? Weren't you a contestant on the local dog show that tried to make Lana look bad?

Lacey St. Claire: That's right! Until I lost to Lana because of that mutt!

Lana: HEY! Charles is no mutt!

Nico: You know her Lana?

Lana: She's an old enemy of mine. She likes being super clean and all that and I like being dirty. Years ago we entered a dog show and I won with Charles. She was not happy about it and hated me ever since.

Me: I remember seeing that. That was back in 2018 during the final stages of our teams old days.

Nico: That's amazing. I didn't know about that.

Kaito: (gets out Boonboomger gear) Did Swartz promise you anything?

Zocks: (Gets out King Ohger gear) Because we can grant it instead,

They got weapons from said teams.

Olivia Carter: No he didn't because I put him in a coffin and locked him up and we ran.

Sakura Knudson: That explains why I found him like that there.

Camie: Yikes!

Lucy Loud: Wicked.

Me: Too bad that couldn't be his tomb forever. Also Lacey, your ways of viewing Lana are wrong. She didn't beat you out of spite. She loves all animals.

Diamond Tiara: Yeah. Let me say something.

She went over and told her all about what she learned and more and told her that her ways of getting to be famous and rich are wrong and all that. Diamond Tiara told her all about her life and how she was a bully and it's wrong and that having all the money in the world never brings the good things like life like friendship, power and love. It only brings misery.

Diamond Tiara: So you see Lacey, having money is one thing. But friendship, love and power are another. You can make a good name for yourself. Just look in a different path and you can go on the road of redemption.

Lacey then broke down crying and she was regretting what she did to Lana and more.

Olivia Carter: Wow! Diamond Tiara has a really good head on her shoulders.

Nico: She sure does.

Me: She gets that all the time and she has come a long way. She is really wise beyond her years.

Sougo: (gets out Boonboomger Ridewatch) Diamond Tiara's on a roll lately.

Geiz: (Gets out King Ohger Ridewatch) She did the same thing a few days ago.

Sougo got BunRedArmor while Geiz got KuwagataOhgerArmor

Me: Shes been on roll these last couple of days. But lets not give her a swelled head.

Nico: Yeah.

Lincoln: Lets separate you first.

We did so.

Me: Lets get it on!

Nico: (Gets out Tunnel Rhino's Ridewatch) Here comes the Rhino!

May: (Gets out TTG Madame Rouge's Ridewatch) (Russian Accent) I'm going to destroy all pizza and replace it with Borscht and Piroshki!

Yolei: (DROOLS) I love those!

Maria: (Gets out Lightning Bot's Ridewatch) This is gonna shock you!

Mabui: (Gets out TTG Cinderblock's ridewatch) I will smash you!

They fired waves of elements with the powers of Tunnel Rhino, TTG Cinderblock, TTG Madame Rouge, Commander Dopant, Lightning Bot (RPM) and Moth Amazon (Kamen Rider Amazon) and blasted them down.

TTG Madame Rouge: (Russian Accent) That is something I attempted to do a while back.

TTG Robin: I remember.

Then Rainy Turtloid, Perfect Sandwich, Gengetsu Hozuki, Coconut Allergy Numbuh 4, Charlitazard and Stormterror came!

Nico: WHOA! Nice team Rainy Turtloid!

Rainy Turtloid!

Me: (GASP) Gengetsu Hozuki, The Second Mizukage!

Gengetsu Hozuki: Been a long time J.D.

Me: 150,000 years.

Suigetsu: Grandfather!

Gengetsu Hozuki: Glad to see you're doing well Suigetsu.

Suigetsu: Same to you.

Nico: You know the Second Mizukage?

Me: Well in 150,000 years the 4th Great War broke out and Kabuto resurrected NUMEROUS shinobi both good and bad and many of them were loved ones and family members and even famous shinobi.

Nico: I remember seeing that! That was intense!

Me: It was. He even resurrected a couple of the past kages. Including the Tsuchikage, Mizukage, Kazekage and Raikage. It was brutal.

Nico: Wow!

Laney: That is intense and amazing.

Lana: I agree!

Wind Man: My team's next.

Me: Yep.

?: That is awesome.

We saw a Mokey Mokey!

Me: Mokey Mokey!

Maria, Jasmine, Mindy and Alexis: (SQUEALS) SO CUTE!

It did all kinds of cute poses.

Pinkie Pie: OH I CAN'T HANDLE THE CUTENESS!

Me: (LAUGHS) Told you Mokey Mokey has that kind of effect on people.

Horsea: (jealous) And you are?

Mokey Mokey: (In a girls voice) Someone who loves marshmallows.

Nico: Mallow Mokey!

She reverted back and was a girl with blue hair and blue eyes and had yellow angel wings and blue clothes and had Mokey Mokey on her forehead, shirt and skirt and had a marshmallow with Mokey Mokey on her arm and had a marshmallow sword.

Mallow Mokey: Nice to know my cuteness as Mokey Mokey can affect anyone. Also good to see you Nico. I got this. ANGRY MOKEY MOKEY SMACKDOWN STRIKE!

She fired a punch of marshmallows and bashed the Anothers and I caught the ridewatches and purified them.

Raj: (India Accent) MARSHMALLOWS!

He went and ate them.

Me: That was funny!

Horsea (still jealous): Nice job!

Maria: (Picks her up) Horsea calm down. No need to be jealous. She's a duel monster that is as cute and adorable as Kirby. Before you came along, Kirby had that kind of effect on me and May.

Nico: It's true.

Horsea: Really? Wow.

Kirby: It's true.

Horsea: That is cool.

Mallow Mokey: (LAUGHS) Guess I'm just as cute as all the mascots. LOOK AT IT!

WE LAUGHED!

Poromon: (LAUGHS) You hate Blood and Honey too?

Mallow Mokey: I sure do. With a blazing passion.

Poromon: Welcome to the party!

Nico: Yeah!

Mabui: Do you have a good memory of Nico?

Mallow Mokey: I sure do. When there were these kids picking on this little girl, me and Nico went over and I used the Puppy Eyes and my cuteness and the Bullies were knocked out from cuteness overload and I got them expelled.

Me: WHOA! Cuteness punishment. That is cool!

Fluttershy: (LAUGHS) That is adorable and cute.

Me: It sure is. And Poromon, there are lots of Duel Monsters that are cute and have that kind of effect on people. You just got to accept that.

Poromon: Okay.

Nico and Mallow hugged.

Toy Squeak.

Nico: I've missed you.

Mallow Mokey: Same here.

Me: Aww.

LOUD STOMACH GRUMBLING!

Me: OH SWEET COCONUT MILK! BATHROOM!

WE RUSHED BACK HOME AND WENT TO THE BATHROOM!

LOUD EXPLOSIONS OF FARTS AND DIARRHEA!

Lincoln: Ah, we're here in Rohan in Middle Earth for Day 3 of The Middle Earth Rescue Arc, and I know what we're going to do here, not only am I going to rescue the eight girls here and Ets is going to rescue the two girls here, but we're here to destroy Grima Wormtongue and Saruman for their crimes: For Grima Wormtongue, it's plotting to sow discord and chaos for Saruman, and for Saruman: for betraying Middle Earth and siding with Sauron, the two-faced powerhungry traitor will suffer a horrible death at our hands.

Rhianna Rohan: I knew we'd be going after Grima Wormtongue, that monster of discord and chaos is going to pay, and as for Saruman, that two-faced powerhungry traitor and servant of Sauron, he's going to pay for his crimes as well.

Me: You guys dealt with them before?

Lincoln: More than once. I hated Grima Wormtongue for what he's done trying to sow discord and chaos for Saruman, and as for Saruman, need I say more.

Nico: Oh, right.

Top Man: So, we're going to kill Grima Wormtongue and Saruman, eh?

Lincoln: We are going to kill Grima Wormtongue, but as for Saruman, I have a special punishment for him: I'm going to condemn him to forced eternal servitude in The M.O.E., and he'll have a curse put on him. If he so much as tries to backstab Vypra and try to take over The M.O.E., the curse will take his life and he'll join his master, Sauron, in The Black Abyss.

Nico: Smart move. We can't have Grima Wormtongue running loose any longer, he's going to die, but as for Saruman, he'll get the beatdown of his life before you condemn him to forced eternal servitude in The M.O.E. and with a lethal curse put on him, he's not gonna try anything. So, where we can we find them?

Lincoln: After we defeated Grima Wormtongue and Saruman, I had them banished.

Me: Oh crap, look!

Suddenly, we saw armies of hostile creatures and beasts that were from the outlands of Middle Earth, and with them were Grima Wormtongue and Saruman.

Lincoln: Those two bastards cobbled together armies of hostile beasts and creatures from the outlands of Middle Earth, and they're on the move to attack Rohan and avenge Sauron. Come on!

We charged down and we slashed at the creatures and beasts and killed them, and Lincoln morphed the tips of his eleven wolf tails into Cell's stingers and stabbed them into the beasts and creatures of the outlands of Gondor and he began absorbing them and he grew stronger and gained their strength and powers. Then, as soon as Lincoln was done and the stingers changed back, nothing was left of the beasts and creatures of the outlands and he drained their souls of their energy and banished all of them to The Black Abyss.

Lincoln: That should do it.

?: YOU SHALL PAY FOR WHAT YOU DID TO LORD SAURON!

We then saw our targets: Grima Wormtongue, Sower of Discord and Chaos, and Saruman, the two-faced powerhungry traitor and mage of Sauron.

Lincoln: If it isn't Middle Earth's Sower of Discord and Chaos and Sauron's Two-Faced Powerhungry Traitorous Servant.

Rhianna Rohan: Sower of Discord and Chaos and Traitor of Middle Earth, our blades will end your miserable lives here and now!

Lincoln: Now, only you remain and Grima Wormtongue remain, Traitor of Middle Earth. This is where your lives end here and now.

Suddenly, we saw the full moon shine down from nowhere and we heard the sounds of over 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 howls in the air, and then, we saw 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 werewolves coming out of nowhere and they were heading for us, but Lincoln charged at them and he morphed the tips of his tails into Cell's stingers and he stabbed them into the chests of the massive numbers of werewolves, and one by one, he began absorbing them into his body and he assimilated their Superhuman strength, Enhanced senses, Super speed, Healing, Super Senses, Healing factor, Shapeshifting, Superhuman speed, Superhuman stamina, Superhuman durability, Massive muscle mass, virility, testosterone, Infectious bite and scratch, Disease immunity, Enhanced Speed, Immortality, Lie Detection, Empathy, Pain Transference, Memory Transference, Animal communication, Superhuman reflexes, Eolas, Ansin, Invulnerability, Lycanthrope enhancement, and Telepathy, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the werewolves and Lincoln let out a loud and massive howl of dominance and power.

Suddenly, we heard more howls in the air, and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 more werewolves coming out of nowhere and they were heading for us.

Caleb Maxwell: They just keep coming!

Lincoln morphed the tips of his tails into Cell's stingers and he stabbed them into the chests of the massive numbers of werewolves, and one by one, he began absorbing them into his body and he assimilated their Superhuman strength, Enhanced senses, Super speed, Healing, Super Senses, Healing factor, Shapeshifting, Superhuman speed, Superhuman stamina, Superhuman durability, Massive muscle mass, virility, testosterone, Infectious bite and scratch, Disease immunity, Enhanced Speed, Immortality, Lie Detection, Empathy, Pain Transference, Memory Transference, Animal communication, Superhuman reflexes, Eolas, Ansin, Invulnerability, Lycanthrope enhancement, and Telepathy, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the werewolves and Lincoln let out a loud and massive howl of dominance and power.

Lincoln: Alright, now we can take down Grima Wormtongue and Saruman for good.

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, blood red hair and blood red wolf ears and tail, yellow eyes, massive black angel wings, blood red Wolf Moon tattoo on her right arm and wolf paw with The Blood Moon on her forehead, white short-sleeved blouse with wolf paw with the Blood Moon, dark blue sleeveless top, white gloves, dark blue skirt with wolf paw with the Blood Moon, dark blue knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, darkness, blood, werewolves, phoenixes, and angels on the coattails, and on the back is the symbol of The Blood Moon, she has a wolf claymore in her right hand, and with her are the eight girls Lincoln is to rescue and the two girls Ets is to rescue.

Lincoln: (GASPS) Ophelia Blood Moon, Werewolf Angel of The Blood Moon of October.

Ophelia Blood Moon: That's right, and it looks like I got here just in time to help finish Grima Wormtongue and Saruman for good, but I also got word that more bodybuilder thugs of Sergio has been sighted.

Me: How many?

Ophelia Blood Moon: 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999.

WE GASPED!

Lincoln: Sergio, you really don't know when to quit, do you? And you all better get out here, you bodybuilding thugs! I know you're here, I can smell your blood!

Suddenly, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large and muscular men came out, and like Ophelia Blood Moon said, these guys are bodybuilders, and they're also hired thugs of Sergio.

Sergio Bodybuilder Thug: You're gonna pay for what you did absorbing our friends!

Lincoln: Your friends deserved it for obeying the orders of that stupid rat with wings, and now, it's your turn.

The bodybuilding thugs ripped their tank tops off and ran at Lincoln, but Lincoln charged at them and he really trashed them as he punched and kicked them all over the place, and he was really working up a sweat, and finally, he knocked the massive bodybuilders down.

Then, Lincoln morphed the tips of his tails into Cell's stingers and he stabbed them into the chests of the massive bodybuilder thugs, and one by one, he began absorbing them and he assimilated their massive superhuman upper body and lower body strength, massive muscle mass, virility, and testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the bodybuilders except for their speedos and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Grima Wormtongue and Saruman, and he proceeded to brutally smash them hard into the ground with his massive godly superhuman strength, slashed them with his gold-armored dragon claws and his massive greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at them, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON GRIMA WORMTONGUE AND SARUMAN! HE WAS REALLY GOING APESHIT ON THEM!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

SLASH! SLASH! SLASH!

LINCOLN SLASHED GRIMA WORMTONGUE AND SARUMAN WITH HIS MASSIVE GREATSWORD AND HE ALSO FIRED SEVEN BLASTS OF HEAVENLY LIGHT THAT HIT THEM AND THEY WERE BURNED!

May: OH! AND HE ALSO RESORTED TO THAT!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going wild on you!

James Blunt: That's only a fraction of what's going to be awaiting you when we kill you.

Adrian Morrigan went after Grima Wormtongue and Saruman, and he fired extremely powerful blasts of black and purple-pink, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, blue flames, darkness, dark lightning, dark fire, dark magic, black magic, Satanic Magic, spectral lightning, ghosts, Boos, phoenixes, and angels, and they exploded with incredible power as they hit them. Then, he also attacked them by flashing the Strobulb in his face and blinded him, and the ring of Boos around the flashlight's head fired purple energy beams at Grima Wormtongue and Saruman which hit them hard.

Lincoln continued smashing them hard with his extremely massive godly superhuman strength and Grima Wormtongue and Saruman didn't have time to fight back due to Lincoln's extremely incredible godly superhuman speed and reflexes overpowering them.

Me: UNREAL! His speed and reflexes are still even faster than ever!

Nico: I can't keep track of his movements and he's even more stronger than ever! Look at how he smashed Grima Wormtongue and Saruman all over the place!

Me: That's for sure.

Then, Lincoln fired blasts of elements and energy at Grima Wormtongue and Saruman and they got beaten up real good and they were mangled!

Suddenly, Lincoln fired an energy blast that took the shape of a dragon and it hit Saruman and he had a tattoo of the dragon on him, and Lincoln beamed him to The M.O.E, and as for Grima Wormtongue, he delivered one hard swing of his greatsword right near his neck and decapitated that sower of discord and chaos and banished him to The Black Abyss. We cheered as we holstered our weapons and powered down and we returned home to The World Tree Estate.

Lincoln: And that is Day 3 of our Middle Earth rescue excursion done.

Rhianna Rohan: Now, we are rid of Grima Wormtongue for good and Saruman is now put under the custody of The Masters of Evil.

Me: Those two, I've been wanting a long time to make them pay for their crimes.

Nico: Well, at least, we sent Saruman to The Masters of Evil, and Vypra's going to enjoy dealing with him, and Grima Wormtongue is now in The Black Abyss forever.

Lincoln: And tomorrow, for Day 4, we're heading to The Shire.

Sheena Shire: Perfect, and I hope we deal with an evil version of Gollum there as well.

Lincoln: We will, Sheena, what Gollum did can never be forgiven. (To Ophelia Blood Moon) And it's so good to see you again, Ophelia.

Ophelia Blood Moon: You too, Lincoln, it's been eight years since we last met.

Suddenly, Ophelia Blood Moon had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Ophelia Blood Moon was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Ophelia Blood Moon: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Ophelia Blood Moon and hugged her, and Ophelia Blood Moon was very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and twenty-four other sets of large sized angel wings underneath with orange and aurora tips underneath his massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, eleven massive and longer brown wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long brown wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Ophelia Blood Moon: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 10'0" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf and man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and twenty-four sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and the eleven massive and long brown wolf tails with markings and white rabbit tail on top of the massive and long brown wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new, along with getting He-Man's chest harness (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Ophelia Blood Moon, Werewolf Angel of The Blood Moon of October, she's Lincoln's Guardian Angel from Michigan and she's an incredibly powerful and savage werewolf of The Blood Moon of October. Ophelia Blood Moon is a powerful master of the powers of blood red wolf fire, darkness, The Blood Moon, and all of the powers and rage of the werewolves, and over time, as she grew, she gained all of the incredible strengths and powers of the werewolves along with immortality. Ophelia Blood Moon is The Werewolf Blood Moon Angel of The Wolf Moon Night Pack, a group of twelve girls whom Lincoln met and they each have the powers of The Twelve Elemental Wolf Moons, and she was saved by Lincoln who bit her and injected her with his excessively potent lycanthropy and vampirism after she got brutally attacked by Lynn. Ophelia trained Lincoln in mastering the powers of blood red wolf fire, darkness, The Blood Moon, and the powers and rage of the werewolves, and he also gained all of the incredible strengths and powers of the werewolves, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves and men combined along with incredible levels of incredible superhuman speed and he's able to run as fast as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves, plus it also enhanced his night vision, incredible superhuman senses of sight, smell, touch, and taste, and natural hunting instincts as well, and she found out Lincoln's a True Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she kissed him in his werewolf form on the muzzle and made out many times in his werewolf and he came back home all covered in kisses and his wolf tails were wagging like crazy. Lincoln made her a powerful claymore and gave her a wolf moon tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lynn with a blazing passion and she wants nothing more than to maul her to death underneath The Blood Moon!

Nico: Can we see how...?

Lincoln and Loud Sisters: NO!

Me: Whoa, what happened?

Lincoln: I know what you were about to ask, Nico: you wanted to see how Ophelia punished Lynn, but we can't do that! Let's just say what she did to Lynn..., it is not for the faint of heart and it was truly messy and Lynn got mauled big time and we had to get her to the hospital where she spent a month there.

Nico suddenly shuddered at the thought!

Nico: Whoa, okay, I see your point. I can't believe I asked that, that was wrong.

Brittney formed a ball of darkness and was about to hit Lincoln with it, but Nicole got in between them.

Nicole: Don't even think about it, Brittney! Now, back to your lair, Empress of Darkness!

Brittney: (HISSES)

Brittney hissed at Nicole showing her vampire fangs and she turned into bats and flew back into her room!

Nicole: And I can guess why Brittney was about to blast you: after the incident with Lynn, you turned Ophelia, and after what happened in the past, you weren't taking any chances and you weren't going to lose another Guardian Angel to death, especially at the hands of one of the five mean Loud Sisters.

Lincoln: That's true, but now you guys know how The Werewolf Angels of The Elemental Wolf Moons came into being.

Nico: And it was the doing of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of your enemies. What a bunch of jerks.

Lincoln: That's for sure, and now that you're here, Ophelia.

Lincoln with his massive muscular arms still wrapped around Ophelia Blood Moon's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and twenty-four sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Ophelia Blood Moon: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Ophelia Blood Moon with blood red gems on the gold lightning bolts and blood red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Ophelia Blood Moon: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Ophelia Blood Moon.

Ophelia Blood Moon had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Ophelia Blood Moon's waist, and he leaned down to her face and kissed her on the lips, and with Ophelia Blood Moon's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Ophelia Blood Moon had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Ophelia Blood Moon: (In Heaven) My God.

Then, Ets saw the two girls and he recognized them. The two girls are Agnes and Barley.

Ets: Oh wow, it's Agnes and Barley.

Then, when Agnes and Barley saw Ets, they hugged and kissed him.

Nicole: Been a long while since Ets rescued some girls.

Ophelia Blood Moon: That's true. Oh, Lincoln, the eight girls I rescued, they're mega-hot maids!

NICO AND I GASPED!

Red Savarin and Travis Tackett: Boys, in your rooms now, and no questions asked, or you're in for a serious buttkicking!

We obeyed Red Savarin and Travis Tackett and fled to our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the eight girls, he had an atomic red blush on his cheeks and muzzle and his nose was gushing out blood. The eight girls are Fey Salvatore, Hakuai Nadeshiko, Nana Homareda, Mami Majinai, Chidori Yamato, Rin Salvatore, Serra Edwards, and Nozomi Taiki from Maid de Oyuugi.

Lincoln: Oh whoa, it's Fey Salvatore, Hakuai Nadeshiko, Nana Homareda, Mami Majinai, Chidori Yamato, Rin Salvatore, Serra Edwards, and Nozomi Taiki from Maid de Oyuugi.

Nicole: Oh man, Ophelia's right about them, Lincoln, they're mega hot and gorgeous maids. Thank God Travis and Red warned the rest of the boys.

Lincoln: Their warning saved them. Are you girls okay?

Fey Salvatore: Yes, we're okay, thanks to you.

Then, when Fey Salvatore and the other seven girls saw who it was that saved them from Grima Wormtongue and

Fey Salvatore: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made seven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Hakuai Nadeshiko: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Fey Salvatore, Hakuai Nadeshiko, Nana Homareda, Mami Majinai, Chidori Yamato, Rin Salvatore, Serra Edwards, and Nozomi Taiki with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Alright, guys, come on out.

We then came out and we told them everything that happened on Rohan.

Maria: Whoa, so you went after Grima Wormtongue and sent him to The Black Abyss, and you guys cursed Saruman and threw him to Vypra?! Aw man, and we missed it!

May: Sorry about that. But, we really gave those two what for.

Lincoln: Grima got The Black Abyss, and Saruman is now in eternal forced servitude in The M.O.E., but with a curse to keep him in line.

Nico: You were also right to do so, Lincoln. Considering Saruman's history of betraying Middle Earth and siding with Sauron along with his reputation as a two-faced powerhungry traitor, you made sure to curse him with a powerful curse.

Me: If he so much as tried to backstab Vypra and take over and try to get revenge on us for what we did to Sauron, the curse will take his life and he will be sent to The Black Abyss to join Sauron and his slain armies.

Eli: Saruman will think twice before trying to double-cross Vypra.

Caleb Maxwell: He better, or it won't just be Lincoln's curse that takes his life.

Allie Maxwell: Are you serious? Even if you could, Lincoln's curse will heal Saruman from whatever fatal wound you inflict on him, Caleb.

Tyler Maxwell: I have to agree with Allie, Caleb. You've seen for yourself that Lincoln's curses can heal the cursed victim from whatever fatal wounds are inflicted on them especially the fatal wounds you inflict on them.

Lori: We've seen the fatal wounds your older brother's inflicted on them, and they were screaming in pain as the wounds they were inflicted with hurt a lot more when that came from the anger and rage your brother had towards bastards like your former brother, Drake, and the cold void he had in him: the result of years of pain, anguish, despair, depression, and hopelessness.

Me: Those two were turned into power that he gained after his resurrection, but then, he also gained the powers of darkness when he stepped foot in The Hallowshade Bar.

Nico: So, Caleb has the powers of Divine Darkness, Ice, and Fire? Who knew.

Caleb had a look of shock.

Caleb Maxwell: (Thinking) How did they know about my hidden powers of Fire and Ice born from the anger and rage I had towards my brother and the cold darkness I also had in me: the result of years of pain, anguish, despair, depression, and hopelessness thanks to Drake? I never told anyone about it and the only ones who saw it but swore not to tell were Mr. Blunt, Cage, Travis, Peace, Leela, Cronus, and The NYPD Nightshift, and to another extent, The Big Claw Gang. Shit, I knew it was only a matter of time before they found out one day.

After Lincoln and all of us destroyed Grima Wormtongue and sent him straight to The Black Abyss and sent Saruman to The Master of Evil with a curse on him, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing

900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long brown wolf tails even more stronger than ever as well, and when Ophelia Blood Moon saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long brown wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Ophelia Blood Moon: My God, I was right that Lincoln's really grown into an 18-year-old 10'0" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work, and really working out with those 900,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from

Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Ophelia, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Ophelia Blood Moon: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Ophelia Blood Moon: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, Jack Howard took out a videotape.

Jack Howard: Okay, guys, now this videotape I have here, this was taken on the next day after Caleb returned to New York, this was the day Allie would encounter The Big Claw Gang's three members: the three members who've had their own encounters with her older brother along with Crowe, Mad Cat Max, Patch, Shroud, and Hex.

Jack Howard put the videotape in and it played on the big screen, and it showed New York the next day after Caleb's return to New York and transformation. Allie Maxwell was heading out and was heading for home.

Past Allie Maxwell: (Sighs) Another day done. Yet, it's been years since the night Caleb died and yet, I still feel the sudden emptiness our family's had to deal with since then.

Suddenly, a female brown-haired tan-furred cat came up to Allie.

Student: Allie, did you hear? Apparently, your ex-dad's scumbag relatives have suddenly backed off and they're not going to attack you or your Mom again!

Past Allie Maxwell: What?

Student: It's true. They've retreated back to the slums, I don't know if this is total bullshit, but I think your older brother's returned from the dead to wreak his vengeance on them, your ex-dad, and your ex-brother, Drake.

Past Allie Maxwell: What?! That's impossible! But, I did remember hearing there's a disturbance two years ago at Caleb's grave, the ground was completely dug up and the body went missing when they saw the empty casket open. Anyways, I'd better head home, I'll see you later.

Allie Maxwell left as she walked home, but unknown to her, she was being watched by Carla Claw, Sally Gamble, Panther, and Crowe of The Big Claw Gang, along with new members, Mad Cat Max, Patch, Hex, and Shroud.

Past Hex: Hmm, this girl seems like someone of interest.

Past Sally Gamble: (British Accent) Well, it's no surprise, that's Allie Maxwell, Caleb Maxwell's little sister. The only daughter has spent years trying to get by ever since her older brother's death, and it's a miracle that she'd survived the repeated attempts on her life.

Past Carla Claw: Drake's tried many times to kill her same with her dad's scumbag relatives, but the attacks stopped when they saw a dark figure out there, and that figure was none other than Caleb Maxwell who'd returned from the dead in search of vengeance. That explained what happened when Drake's slutty girlfriends got killed when Allie was sixteen, their throats were torn out.

Past Crowe: That's just bullshit.

Past Panther: To you, it may be, Nick. But, someone was watching out for Caleb's sister on that day. Why don't we go and introduce ourselves to her?

Past Crowe: What if she reacts in the same way as her older brother from all those years ago?

Past Carla Claw: She won't. She's much more calmer than her older brother, Caleb, and she won't try to run at all. (Smirks) What if you used your charm on her, Panther?

Past Panther: Alright, then.

They went off, but unknown to them, Caleb Maxwell heard everything and needless to say, that got on his case bad.

Past Caleb Maxwell: (Thinking) Yeah, we'll see how long that'll last when I show up, you jackass.

Caleb Maxwell ran after them on the rooftops.

Allie Maxwell continued walking, but then, she felt something was off and continued onwards.

Past Allie Maxwell: What the Hell?! Damn it, what is this feeling of dread?! Is...is this the same feeling of dread my brother always had twelve years ago? Caleb, I know about the whole vampire thing, but what else did you encounter?

Allie Maxwell continued on, but then, he caught the scent of cologne in the air.

Past Allie Maxwell: (Coughs) Oh, damn it! Whoever's got cologne on, you better show your face right now, so I can smash your fucking teeth out!

?: Well, well, the little lady's got quite the mouth on her.

Suddenly, Panther came out of the shadows.

Past Allie Maxwell: Who the Hell are you?!

Then, Carla Claw came out along with Sally Gamble, Mad Cat Max, Patch, Shroud, Hex, and Crowe.

Past Carla Claw: I think you already know about the guy in front of you, along with me and my associate thanks to your older brother's encounters with us back in 1985.

Suddenly, Allie Maxwell remembered.

Past Allie Maxwell: You got to be kidding me, The Big Claw Gang!

Past Sally Gamble: (British Accent) So much for you charming her, Panther, she smelled your cologne and knew we were coming.

Past Carla Claw: Guess that wasn't gonna work. Now, then, Allie Maxwell, was it? You've known about us thanks to your brother's encounters with us back in 1985, but we had no hand in Caleb's death in 1985.

Past Allie Maxwell: But, you did know my brother, you knew him well enough! You're gonna tell me everything that my brother went through...right after I beat you guys into the dirt for everything he's gone through twelve years ago!

Allie Maxwell charged at them in blind rage.

Past Mad Cat Max: She's seriously enraged.

Past Patch: We got to stop her.

Past Mad Cat Max: We got to.

Suddenly, Panther got ready and as soon as Allie got near to punch him, Panther leapt up and landed right behind her and she missed!

Past Allie Maxwell: Smug bastard! Stay still!

Allie Maxwell swung around and got ready to attack again, but then, she was bear-hugged by Panther and she couldn't even escape.

Past Allie Maxwell: (GRUNTS) Get off of me! Let me go! Now!

Past Mad Cat Max: Just stop this right now, Allie! Is hurting us going to make you feel any better?

Past Allie Maxwell: It will when I kick all of your asses!

Past Panther: Then, let me ask you this: is this what Caleb would want for you?

Suddenly, that got to Allie Maxwell.

Past Allie Maxwell: You! What the Hell would you know what my brother would want for me?! He'd want me to avenge his death no matter what! Drake caused us so much pain and suffering for so many years, and my brother had to take the brunt of Drake's abusive madness, and it cost him his life in the end! And to that end, I hate Drake for what he did!

Then, the fight suddenly drained out of Allie Maxwell as sadness and despair finally took hold of her.

Past Allie Maxwell: (Voice Breaking) But, no matter what I do, it doesn't change the fact that my older brother, Caleb Maxwell, is dead and gone forever, and nothing...in this world can bring him back. Brother...!

Suddenly, Panther let Allie Maxwell go, but then, she took off running as the tears fell from her eyes.

Past Shroud: Great, that didn't go so well.

Past Carla Claw: But, it's a start. Allie's going to warm up one day to us.

?: Not unless all of you are six feet under!

Suddenly, Caleb Maxwell appeared and he was angered.

Past Caleb Maxwell: You made my little sister have to relive the pain and anguish of losing me all over again, and for that, you're gonna pay!

Past Mad Cat Max: This wasn't our intention to make your sister cry, Caleb.

Past Caleb Maxwell: SHUT UP!

Caleb Maxwell was about to fire, but Crowe got out his shotgun, and...!

BANG! SCREAMS!

CROWE SHOT CALEB MAXWELL IN THE STOMACH!

Past Shroud: Crowe, what the Hell?!

Past Crowe: I had to do it, the fucker's crazy!

Past Carla Claw: The last thing any of us would want is to get Caleb's blood on our hands.

Past Caleb Maxwell: (Weakly) Heh...!

Suddenly, they saw Caleb Maxwell slowly get up, but he had blood dripping from his mouth and he had blood tears in his eyes.

Past Caleb Maxwell: (Weakly) I'll admit, that was a good shot. However...!

Caleb Maxwell forced out the shotgun pellets from his stomach as they dropped to the ground and his stomach healed.

Past Caleb Maxwell: I can't be killed that easily anymore. No matter how much pain I have to suffer from, that pain becomes my strength along with the darkness that dragged me straight to the grave back in 1985, and now, you're about to suffer..., Thomas A.K.A. Panther, Carla Drake A.K.A. Carla Claw, Max Powers A.K.A. Mad Cat Max, Jessie Jean A.K.A. Patch, Chett A.K.A. Shroud, Sarah Parker A.K.A. Hex, Nick Price A.K.A. Crowe, and Sally Gamble of The Big Claw Gang!

Caleb's anger reached a deadly point and we saw his guns become surrounded by fire as he fired fire-infused bullets fueled by rage and anger in his heart from his guns, and then, the guns were suddenly surrounded by ice and he fired ice-infused bullets fueled by the cold darkness in his heart, but they dodged the bullets and they fled.

WE GASPED AT THE SIGHT!

Me: Whoa!

Lincoln: So, you also had the powers of Fire and Ice along with Divine Darkness.

Nico: Incredible, but I sensed it: the fire powers you have were fueled by the anger and rage you had towards Drake for the abuse and assaults he subjected you to in the past.

Caleb Maxwell: And the ice powers were fueled by the years of cold darkness that I felt because of it along with the loss of many of my friends and betrayal of those I thought I knew: the hopelessness, despair, depression, heartache, pain, and betrayal.

Then, we looked at the screen once more, and we saw Allie Maxwell still running with tears in her eyes, but then, she tripped and fell to the ground as her tears of pain mixed in with the sadness in her heart after remembering the pain of Caleb's death.

?: Hey, you alright.

Suddenly, Allie Maxwell looked up and was greeted by Roxy Drake and Jack Howard.

Past Allie Maxwell: Oh..., hey Roxy, Jack. Not...really.

Past Jack Howard: I think we can already tell someone made you cry, right?

Past Allie Maxwell: Someone reminded me of what my brother would've wanted. Some group showed up and three of them, they were familiar to Caleb back in 1985, something about The Big Claw Gang.

Past Roxy Drake: (Thinking) I remembered The Captain telling us about this. So, Caleb had some nasty run-ins with three of its members before in the past. I'm not going to pressure Allie into this and neither is Jack, those guys mentioned her brother and that brought back the memories of his death which still haunted her to this day.

Past Jack Howard: Is there anything we can do for you, Allie?

Past Allie Maxwell: I just...want to head back home. (Sniffles)

Past Roxy Drake: Don't worry, we'll get you home.

Allie Maxwell went with Jack and Roxy as they took her home as the video ends.

Nico: That was a bad first impression The Big Claw Gang members made of themselves.

Roxy Drake: Clearly. Plus, what Panther said should've gotten Allie to cool down, but instead, that only brought back the memory of her brother's death and seeing him in his coffin haunted her, and she was only ten at the time.

Jack Howard: We took Allie home and we explained everything she told us, and this haunted Marlene.

Marlene Maxwell: When Allie mentioned The Big Claw Gang, somehow I remembered Caleb's run-ins in the past with its three members back in 1985, and then, Roxy told me of her father. When I saw the photo of her father, that brought back old memories of my high-school days when I had run-ins with Dane Drake, the bad boy of LaGuardia High School and charismatic delinquent. But, I made sure not to ask about him to her, she was still haunted by what happened to her Mom long ago when she was a kid.

Jazz Jackson: It was a good thing Jack and Roxy were there to get Allie back home, after what she'd been through along with being reminded of her brother, that caused her to fall into the same kind of depression Caleb went through.

Lincoln: Though I understand why she fell into that depression: Caleb became her only sibling left after Drake betrayed the family and all for money and power and it made him insane and ruthless and he forgot what it meant to be part of a family.

Me: That's what I hate: those who betray their own flesh and blood for money and power.

Nico: Those are the worst kind ever.

We got a shower, and then, Lincoln, Legion/Swarmempress, Honey, and Karyn are heading to Lake Lamode.

Lincoln snapped his fingers, and the 10'0", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Legion/Swarmempress, Honey, and Karyn are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Legion/Swarmempress, Honey, and Karyn all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all.

Karyn: Wow, we're here in Lake Lamode, it sure is beautiful.

Lincoln: It sure is, Karyn, and it's perfect for our first date, shall we?

Lincoln, Legion/Swarmempress, Honey, and Karyn dived into the waters and had an awesome time swimming, and there, they also saw the sea life that live there, then, the girls took turns in giving Lincoln a deep tissue massage which not only relaxed their muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and he did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they went back to the beach and they had an awesome volleyball game, and they went into a workout area Lincoln created, and Legion/Swarmempress, Honey, and Karyn got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Honey: (Swooning) What a handsome and manly wolf hunk.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Legion/Swarmempress, Honey, and Karyn and hugged them in their abnormally massive and powerful muscular arms, and Legion/Swarmempress, Honey, and Karyn placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of Legion/Swarmempress, Honey, and Karyn and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and twenty-four sets of large white angel wings underneath spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Lake Lamode, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Legion/Swarmempress, Honey, and Karyn on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Legion/Swarmempress, Honey, and Karyn are now in your harem, Linky.

Legion/Swarmempress, Honey, and Karyn showed the marks Lincoln made on the right sides of their necks.

Jenna: You girls had no trouble at all.

Karyn: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted thirteen massive 900,000,000,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long wolf brown tails, and we were

really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the

extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our big showdown with Dujardin and Zarm, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red

blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Me: I can't believe those sandwiches would damage our toilets like that.

Nico: UCH! No kidding!

Starfire: I do hope the mascots are not in any trouble.

Me: Me too Starfire.

At NASA the Mascots were walking around and saw many places that were restricted.

Poromon: Well we can't hide anywhere.

Poliwag: Except here!

They saw the Gift Shop.

Poromon: Good idea.

They went in.

Nico: Where are they?

Eli: (Concentrates) WHOA MAN! They are at NASA!

WE GASPED!

Me: NASA!?

Nico: They are playing Hide and Seek there!? That's dangerous!

Me: Well I think they are in the gift shop but lets go see.

We went there.

We arrived.

Me: Always love coming to NASA.

Nico: Me too.

We went to a receptionist.

May: Hi, I'm May Chan. I'm looking for my daughter

Me: She's a Manaphy was was with 6 others?

Receptionist: Ah they went to the gift shop. We don't allow tourists to go anywhere in NASA because of our strict Top Secret Restrictions.

Me: Right got to enforce government secrecy. Thank you.

We went to the gift shop and it was amazing.

Me: Wow look at this place.

Nico: We should get some astronaut food too.

Me: Good idea.

Ymir: I haven't had that before.

Me: It's what they eat on the International Space Station and it's freeze dried food.

Shaggy: Like yeah. Me and Scooby had freeze-dried fruits before and they were like delicious.

Qin: I remember hearing about that. That was during the case of the Space Alien. The Purple Alien mystery.

Lana: Where are you guys?

Laney: Take a guess.

We saw them hiding in a bunch of pillows that looked like planets.

May: There you are.

Manaphy: Nobody here but us planet pillows.

Me: Nice try guys.

We picked them up.

Poromon: You found us.

Me: Yep.

Poromon: We wanted to go all over the place but we couldn't.

Me: Yeah too many restricted areas.

Scrapper: I expected you guys to disregard the warnings

Poliwag: No way! We learned our lessed about obeying signs like that.

Nico: That's good.

Me: Yeah. As long as we're here we might as well buy some astronaut food.

Nico: Good idea.

We went and bought all kinds of foods. Ice Cream, Shrimp Cocktail, Fruit Chips and more.

Pinkie Pie: No cakes?

Me: No they can't eat cake on the International Space Station. It'll break apart and damage billions of dollars worth of sensitive equipment.

Nico: Yeah.

G1 Inferno: At least we didn't have to chase you guys

Poromon: No save those for the blind dates.

Me: True.

We later went back home.

We arrived.

Me: WHEW! That was fun.

General Skarr: Next time, find a place more suitable for hiding

Me: Yeah like the park or one of the rooms of the Core Members of the M.O.E. Those are fun.

Lola: Yeah.

Poromon: Okay then. We'll keep the park one in mind.

Me: Great. It should be time for the mission anyway.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and twenty-four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Dujardin, and he and his men are causing havoc. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: So, you're finally on the move, Dujardin.

Eli: It's time.

Lincoln: That it is, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's Dujardin, and he and his men are causing havoc.

EVERYONE GASPED!

Lana: Oh man, I knew he'd be on the move.

May: Now, we can help The King Ohgers and take him down.

Lincoln also had a premonition: Dujardin's not the only one, he also spotted Zarm, the seventh of The Eco-Villains.

Lincoln: And Dujardin's not alone, I also spotted Zarm, he's on Chikyu as well.

Gaia then appeared.

Gaia: So, Zarm's appeared at long last.

Lincoln: And it looks like he's been given flesh and blood.

Nico: What? But, who on Earth would be able to use that kind of magic to give The Spirit of War a flesh and blood body?

Suddenly, Lincoln also saw the sign of Apophis along with The Sigil of Malphas over the skies of Chikyu, and he also saw havoc and madness untold unleashed on Chikyu and the kingdoms with armies of zombies, demons, and all kinds of monsters and they're attacking the people with the hope of plunging the kingdoms and the planet into chaos and anarchy.

Lincoln: Oh, that is not good! As if things weren't bad enough, Dark Sebastian's back and he's finally and officially blown his lid! He's going on the rampage and he's unleashing havoc and madness untold on Chikyu and the kingdoms by unleashing zombies, demons, and all kinds of monsters upon the people and the kingdoms in order to plunge them into chaos and anarchy.

WE GASPED IN HORROR!

Me: HE'S WHAT?!

Lincoln: And as if that wasn't really bad enough, Alaister Necroshade, the high-ranking leader and founder of The Dark Church of Malphas, and the nine other high-ranking members and Alaister's four brothers and five sisters, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, and Maacah Necroshade are also there as well, and Dark Sebastian has some really nasty surprises in store for us especially when we use our entrance on Dujardin and Zarm. He'll try and send demons at us and attack us with energy blasts and hellfire to try and kill us.

Selena Mendez: Damn him!

Camie Elextor: Before we do our entrance, we need to cast a spell to destroy the surprises that evil monster your parents created and give him a taste of his own fucking medicine.

Qin: That's good, we'll send those pack of monsters flying back to Transylvania.

Nico: Which'll end with him spewing toxic death threats and explicit words at us. Alright, team, let's get going, we need to get to Chikyu and help The King Ohgers take down and destroy Dujardin and Zarm.

Lincoln: Those two villains will pay for what they've done, and we'll kick Dark Sebastian and those monsters out of Chikyu and send them flying right back to Transylvania!

Me: YEAH!

The Previous group came.

Robo Blaze: Can me, Count Nocturne, Oculous, Zavok, Whiger, Griffin, Vulture, Whiplash, Beetle and Lord Drakkon go with you guys?

Nico: Yes you can come with guys.

Me: It's time to help the King Ohgers. I've been waiting for this for a long time.

Lana: Me too! We're excited.

Lola: We are too!

Lord Drakkon: I can tell. (Sniffs) HOOWEE! What smells like spicy diarrhea?

Me: Don't fucking ask.

Chaor: Nico, which Gene Slammers do you think you'll meet next?

Nico: Hmm. Number 52: Diamond Crab King.

Me: Oooh! Dazzling.

Camie: And glamourous.

Lola: But it's also the monster that made my friend Roxanne hate Nico.

Me: You just had to bring that up Lola.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive white angel wings and twenty-four sets of large white angel wings underneath his massive white angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a massive dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was our old enemy, Hans, that dirty sneaky weasel's come back from the dead and he still wants revenge on us and Lana for destroying him. When we saw it, we knew it meant trouble.

Lincoln: You have got to be kidding me!

Me: Lincoln, please tell me that wasn't who I think we saw!

Lincoln: Afraid so, J.D., it's our old enemy, Hans, that dirty sneaky weasel's come back from the dead and he still wants revenge on us and Lana for destroying him.

WE GASPED!

Starfire: Unforgiveable.

May: Anti-Monitor was the one who brought that dirty weasel back, and he's allied with Dujardin and Zarm.

Lana: It's finally time, now we can finally punish that dirty sneaky weasel and send him straight to The Black Abyss.

Me: You said a mouthful, and I don't think Dujardin, Zarm, and Hans are stupid enough to ally with Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, and Maacah Necroshade.

Lincoln: They're not, with the chaos and madness Dark Sebastian and those other demonic bastards have unleashed, they're staying far away from that psychopath. But, we still got to kick them out of Chikyu and send them back to Transylvania.

Nico: Before we get that trio of bastards. Alright, team, let's get onboard The U.S.S. Valorous Phoenix and head for Chikyu.

Lincoln: And bring down the trio of powerhungry monsters: Dujardin, Zarm, and Hans!

Lana: And send Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, and Maacah Necroshade screaming back to Transylvania. Gira, everyone, hang in there, we're coming.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us got onboard The U.S.S. Valorous Phoenix and we set a course for Chikyu to help The King Ohgers to put an end to the chaos and madness unleashed by Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, and Maacah Necroshade and kick those demon psychopaths out of Chikyu and send them back to Transylvania and put an end to the trio of powerhungry warmongering bastards: Dujardin, Zarm, and Hans and send those three to The Black Abyss forever.

But, Selena Mendez and her friends had a nasty feeling that Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, and Maacah Necroshade also have something else planned: and it concerns the other members of The Order of The Dark Universe, and it's not good at all.

We were off to Chikyu.

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 12823.9: The U.S.S. Valorous Phoenix is en route to the planet Chikyu for Lana, May and Starfire's big day. We're going there to help the King Ohgers take down Dujardin, Zarm and Hans and we're going to make those three monsters pay.

Me: It'll be awesome to see Gira and everyone again.

Lana: It sure will. I hope Rita and Vexen executes Hans.

Nico: Me too!

Count Nocturne: Speaking of which lets call him.

Me: Good idea.

Vexen came.

Vexen: I'm here and ready.

Me: Cool!

Lisa Loud: We have arrived at our destination!

Nico: On screen.

We saw that we were at Chikyu!

Me: Whoa!

Count Nocturne: We're here.

Me: Yep. Lets engage landing.

We engaged the landing and we got out. We were in front of Gira's kingdom, Shugoddam.

Me: Wow! Awesome to see Shugoddam again.

Khybon: Wonder where Gira is.

But then...

KRABBBBBBBBOOOOOOOOOOOOOOMMMMMM!

We heard an explosion and saw the King Ohgers battling WOGERAJIM from episode 16 of King Ohgers!

Wogerajim was sent out by Kamejim to eliminate Shiron. As Shiron is about to leave to search for Karasu, Wogerajim pops up and is about to kill him when Rita stopped him. Pushing their hair back to reveal a turquoise eye, Rita transforms and Hymeno joins them. Hymeno battles Sanagims while Rita managed to defeat Wogerajim. Wogerajim then runs back to Kamejim who then enlarges him. Jeramie summoned the God Tarantula to easily finish off Wogerajim.

Me: WHOA! That's Wogerajim! I remember him! He's the Mole Cricket Monster and he was sent by Kamejim to eliminate Shiron!

Nico: Lets get him!

We went at him!

Jeremie: Stand down!

Wogerajim: Not until I get Poromon's Beer!

But then...

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMM!

A massive fiery explosion blasted off above him.

Zocks: (Singing: Yo-ho-hoy- yo-ho-hoy- yo-ho-hoy-hoy! Hey! I am a World Pirate. In pursuit of treasure, I go from sea to sea! I am a pirate. In pursuit of freedom, I travel from world to world! I'll get my hands on it no matter what! And then I'll get a feeling that's two good! Yo-ho-hoy!"

Hymeno: It's Zocks!

A Phoenix Cry was heard and we came out!

Me: Hey guys!

Hymeno: You made it!

Me: We wouldn't miss this for anything!

Nico: Lets take care of your little pest problem first!

Poromon: And news flash buddy! You are not getting my beer!

We fired waves of energy and blasted him all over and then...

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

HE EXPLODED!

I caught the Mole Cricket Soul Gem.

Me: YEAH!

Nico: Wogerajim you have failed this city!

Zavok: Hey guys!

Gira: Glad to see you all!

Me: We wouldn't miss this for anything guys. Glad you all are doing great.

Rita Kaniska: We sure are.

Yanma Gast: (Whispers to Me) Is Eli?

Me: He's doing much better Yanma. Ursula and Morgana are now forgotten memories. We still have Sephiroth to deal with though.

Gira Husty: I'm so glad you all made it on time. Did you see that insignia in the sky?

Nico: We did, Gira. That insignia you saw belongs to a very dangerous and demonic enemy of ours, his name is Dark Sebastian, he's the dark side of Sebastian Mendez, he came into our world thanks to his parents who were members of The Dark Church of Malphas, they tried to bring Malphas to our world to destroy us many years ago, but the spell backfired and brought Malphas' creation, The Black Ooze of The Eldritch, into our world.

Me: Long ago, it killed the parents of Sebastian and Selena Mendez, the leader of The Hunters of The Nightflame Sun, and Sebastian wound up getting possessed by it and turned into that murderous and dangerous monster. Selena got her powers from the Nightflame of Nyx and she drove Sebastian away and into the darkness, and no matter what we did to try and keep the evil at bay, the evil kept coming back even worse than ever.

Lincoln: That was until we found the answer in a book in Hell: The Holy Hands of Virtue.

Rainbow fire and energy surrounded Lincoln's hands and my hands as well along with heavenly light.

Gira Husty: Wow.

Me: Yep, it's that powerful and we used it to permanently purify and free Sebastian from The Black Ooze of The Eldritch, but it transformed into Dark Sebastian, the demonic monster that's attacking Chikyu, and we're going to war with him and The Dark Church of Malphas, an evil Satanic Cult whom I destroyed long ago when I killed its 600 plus members years ago, along with The Order of The Dark Universe, they're an evil Satanic Cult that made Sebastian worse than ever, they imbued Sebastian with the powers of the evil god Apophis in order to destroy the entire universe and remake it in their own image into an evil universe where only evil reigns supreme.

The King Ohgers gasped.

Selena Mendez: The ritual worked and Sebastian was imbued with the powers of Apophis, but in a cold-blooded act of cruelty, he killed Astaroth Voldemorte, the former leader and founder of The Order of The Dark Universe, and he took his powers of darkness and sent his soul to Hell and he became the new leader of The Order of The Dark Universe, and the ritual made him even worse than ever: now, he truly was out for destruction and chaos. But, there's more to the story than you know already.

Nico: What do you mean?

Camie Elextor: Eight years ago, we defeated Sebastian and The Order of The Dark Universe, and after he fled to The Netherworld, Selena and the rest of us imprisoned the members of The Order of The Dark Universe in an abandoned castle in Transylvania, where they died of starvation two months later.

We were stunned.

Eli: Whoa!

Lincoln: I didn't know about that.

Varie Yulinova: We swore a pact that we'd never speak of it again after that. But, last night, we had a dream, and it wasn't good: Alaister Necroshade and his brothers and sisters found the bodies of the members of The Order of The Dark Universe.

Me: Then, that means...! (GASPS)

Everyone: THOSE BASTARDS ARE PLANNING ON RESURRECTING THE MEMBERS OF THE ORDER OF THE DARK UNIVERSE!

Eli: Oh God, that is not good at all!

Lincoln: No, it isn't, Eli. We need to head down at once immediately!

Qin: What about our plan of attack on...!

Nico: Lincoln's right, Qin, if we don't put an end the chaos and madness Dark Sebastian and those Dark Church of Malphas dickheads unleashed, it won't be long before their ritual to resurrect the members of The Order of The Dark Universe succeeds.

We immediately got a move on and we saw it: Chikyu and the Seven Kingdoms are in chaos with the armies of zombies, demons, and monsters attacking, and far to the north: we saw Dujardin, Zarm, and Hans, and they're moving in to attack.

Me: There's Dujardin, Zarm, and Hans in the north.

Lincoln: And there in the center.

We looked at the center, and we saw Dark Sebastian laughing insanely and malevolently at the sheer chaos and madness he's unleashed, but he's not alone, we also spotted my old enemies from The Dark Church of Malphas: Alaister Necroshade, the high-ranking leader and founder of The Dark Church of Malphas, and the nine other high-ranking members and Alaister's four brothers and five sisters, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, and Maacah Necroshade.

Selena Mendez: There's Dark Sebastian!

Me: And there's those Dark Church of Malphas dickheads.

Then, we saw the bodies of the nine other members of The Order of The Dark Universe.

Camie Elextor: And there's the bodies of the nine other members of The Order of The Dark Universe.

Lincoln: It's time. Selena.

Selena Mendez, Camie Elextor, Wendy Sauron, Varie Yulinova, Lorena Cavenstein, Solla Nexcrota, Kira Textington, Gina Thunderton, Xenia Vola Dappra, and Tania Tornadora raised their staves as they chanted an incantation and we then saw the symbol of The Nightflame Sun appear in the sky and a magic circle appeared where Dark Sebastian and those Dark Church of Malphas dickheads are at as it glowed with purple energy as we saw it through a viewing window. Then, we saw the chaos erupt as beams of purple energy and magic were fired from nowhere and they forced out the many armies of demons and monsters hiding and got destroyed in a split second. They saw it, and Dark Sebastian let out a scream of rage!

Selena Mendez: Serves you right, asshole!

Me: Yeah! That will hold him off long enough for us to have our talk.

Gira: Yeah.

We went into the castle.

Gira Husty: Thank goodness you all came.

Me: Wouldn't miss this for anything.

Lana: I'll say!

Me: We found out a lot of terrible things over the last couple of weeks. As you saw, Dark Sebastian is here and he was freed from the true pure Sebastian. Long story. Also we're here because of the 8 Days of Earth Day. We're on Day 7 now and we're gonna face one of the enemies of Earth.

Nico: Yeah.

Qin: Yep.

Gira: I know you will do it.

Me: Thanks.

Gargoyle: Too bad there's not a Ladybug King Ohger

Me: Yeah Marinette would like that one.

Marinette: I sure would.

Me: Yep.

Gira: Oh where's Mizore and Dark Magician Girl?

Me: Oh they are on maternal leave. They are pregnant and are due in 2 days on the 23rd of April.

Hymeno: Oh wow! Congratulations to them both.

Jeremie: We felt this enormous energy surge.

Me: That was me. We battled Kuyo yesterday and destroyed him and Hoggish Greedily for good.

Nico: Yep.

Vulture: It was Mizore's day yesterday

Yanma: I see.

Me: Yeah. Oh we owe you guys big time for helping us last week against Aqua Seneschal.

Shocker: You guys were awesome!

Gira: It was nothing.

Me: Yeah.

Nico: Yep.

Hymeno: Man you guys have been showing some of your most dangerous enemies the ultimate extent of your power.

Me: We sure have. Jeremie are your Bugnarok still after Poromon's Beer?

Jeremie: Yes they are.

Me: Geez! Poromon made a really widely and heavily coveted beer recipe.

Plankton: Just as amazing as the Krabby Patty secret formula.

Beetle: Can't really blame them.

Me: Yeah.

Qin: I know.

DANCE OF THE SUGAR PLUM FAIRY PLAYS

Poromon came out in a fairy costume with 3 bottles of beer

Poromon: (to the King Ohgers) Hello there! I'm the beer fairy! Come to give you guys 3 bottles of beer!

Block Man: You get under your pillows if you're good!

Hymeno: Oh Poromon looks so cute as a beer fairy.

Me: (LAUGHS) Yeah he sure does.

Gira: We can't drink beer unfortunately.

Me: In all honesty, I don't think I've ever seen you guys drink.

Gira: Yeah we don't drink sorry.

Poliwag: (Does puppy eyes) Aw pwetty pwease?

Nico: Poliwag that's enough.

Yanma: Yeah.

Me: Now comes the second part of this.

Gira: Yeah we saw the Blood and Honey characters here.

Me: And cue mascots craziness in 3...2...1...

Gira: And we want to know how they came to be

Me: And here it comes.

Poliwag: ASK AND YOU WILL RECEIVE! (shows trailer close to Gira's face) HERE! LOOK AT IT! IT'S UGLY, ISN'T IT?!

GIRA THEN THREW UP ALL OVER THE FLOOR!

Poromon: (shows trailer close to Yanma's face) YOU LOOK AT IT!

YANMA CLENCHED HIS FISTS TIGHT AND BLUE BLOOD POURED OUT FROM HIS KNUCKLES! HE WAS PISSED!

Manaphy: (shows trailer close to Hymeno's face) YOU LOOK AT IT!

HYMENO BURSTED INTO TEARS AND CRIED HYSTERICALLY!

Mevya: (shows trailer close to Rita' face) LOOK AT IT!

RITA WAS STOIC AND EMOTIONLESS!

Horsea: (shows trailer close to Kaguragi's face) LOOK AT IT!

FWOMP!

HE FAINTED!

Jirachi: (shows trailer close to Jeramie's face) LOOK AT IT!

HE SCREAMED AND FARTED!

Tentacool: (shows trailer close to Racules' face) LOOK AT IT!

RACULES SCREAMED!

Mascots: LOOK AT IT! LOOK AT IT! LOOK AT IT! WE WANT ALL OF YOU... TO FUCKING LOOK AT IT!

Drakkon: We're sorry about this!

Racules: YOU DISGUSTING MANIACS! (IN DESPAIR) YOU RUINED A GOOD MOVIE AND CLASSIC! WHY!? WHY!? WHY?! (CRYING)!

I went over.

Me: Uh Racules you're overreacting a little bit. But nice use of the iconic Planet of The Apes line.

Racules: Oh uh sorry.

Star Man: You okay, Rita?

All she did was scream! IT WAS A SCREAM SO LOUD THAT IT WAS HEARD ALL OVER THE GALAXY!

WE COVERED OUR EARS!

Me: HOLY FUCKBUCKETS! THAT IS LOUD!

Nico: YEAH!

We calmed them down.

Me: Wow usually they just scream in fright.

Laney: But their reactions varied.

Camie: Yeah!

Hymeno went over and hugged Pooh and Piglet.

Hymeno: WHY WOULD THEY DO THIS TO YOU TWO!?

Varie healed up Yanma's hand.

Me: I didn't know your blood was blue Yanma. Usually it's red.

Yanma: I know.

Me: Yeah.

Yanma: Explain why the creators didn't get the Black Gates?!

Whiplash: I know, right?!

Me: Because we are not gonna do that! It goes against our code. They are innocent people that made a movie. And our code strictly prohibits us from killing the innocent. So we went with Blu's idea and that was a lawsuit.

Blu: Yeah and it worked too.

Me: Yanma what you suggested was the opposite of what we do. We protect the innocent.

Yanma: Good point.

Me: Yeah.

Sandman: Besides, you saw the real ones get killed

Me: And the Mascots did great on that day too.

Poromon: It was our day to shine.

Nico: It's true.

GIRA THREW UP ALL OVER!

Me: YUCK!

Nico: CLEANUP ON AISLE 12!

Griffin: I'll get a mop.

Me: Sorry Gira. I guess we should have warned you.

Gira: It's okay.

We cleaned up the place.

Nico: There.

Laney used smelling salts on Kaguragi and he woke up.

Me: You guys feeling okay now?

They nodded.

Me: Good.

Laney: Look guys!

We saw a Chandelure!

Brittney: Hey a Chandelure.

Me: Cool!

Nico: Another of Dark Gale's victims?

Brittney: I think it is. Let me see.

She used Telepathy and gasped!

Brittney: Wow! It's Nora Moonsun Yatagarasu! She is one of my closest followers in my coven. Long story.

Me: We better help her.

Me and Brittney went over to her.

Brittney: It's okay Nora. Calm down.

She used Shadow Ball and Brittney fired a darkness ball and the blasts collided and exploded!

KRABBBBBBBBOOOOOOOOOOOOOMMMMM!

Me: WHOA!

Brittney: Looks like we fight in darkness.

We fired waves of darkness and knocked her down.

I snapped my fingers and she reverted back and was a girl with black hair, purple eyes, purple and black angel wings and had Chandelure in the middle of her forehead and had a purple sun with Yatagarasu on her arm as a cutie mark.

We wrapped her in a blanket and brought her over.

Me: Wow that was cool.

Brittney: It sure is dad. Also my cult is called The Coven of The Black Eclipse. We are a good version of the Church of Necrom in a way.

Me: That's cool Brittney.

Nico: It sure is.

She woke up.

Brittney: Nora are you allright?

Nora Moonsun Yatagarasu: Empress Brittney? Empress Brittney!

She hugged her.

Brittney: I'm glad you're alright.

Me: You were turned into a Chandelure by Dark Gale.

Nora Moonsun Yatagarasu: Oh man! I remember.

She was in a black suit and was injected and turned into Chandelure and fired shadow balls and blasted the base and flew out.

FLASHBACK ENDS

Nora Moonsun Yatagarasu: It was awful but it's cool being my favorite Pokemon.

Nico: I can tell. What's your role in Sonya's team?

Nora Moonsun Yatagarasu: I am the dark magic and Karasumancer of the team. I use crows and ravens to fly around and obscure bad guys.

Me: Wow! Itachi here uses crows as his method of a body flicker.

Itachi: It's true. So does Aoba in the leaf.

Me: Yep.

Nora Moonsun Yatagarasu: Wow. Outside the team I help the Coven bring justice to evil rival cults.

Me: Wow! So like a dark angel.

Nora Moonsun Yatagarasu: Exactly.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her black clothes and a darkness sword.

Nora Moonsun Yatagarasu: I look great.

Me: You sure do.

Nico: We're not done.

Me: We still have the Akuma's to face.

?: You mean me next first?

We saw GAIA'S AKUMA, PLANETARY WITCH!

Me: WHOA!

Lincoln: That's Gaia's Akuma, Planetary Witch! The Hypothetical Akuma of Gaia the Spirit of the Earth and a master of the powers of Earth and nature.

Me: WHOA! You look really cool as a witch.

Planetary Witch: I sure do. Also thank you guys for destroying some of the Earth's Enemies.

Me: Well we're not done yet. We still have Zarm here to deal with and tomorrow is gonna be Captain Pollution no doubt about it.

Planetary Witch: You're right.

Nico: I suppose getting you to calm down is out of the question.

Planetary Witch: It is.

Me: Okay then.

She fired waves of energy and earth blasts and I deflected them back and smashed her.

She fired waves of fire and wind and I blew them back and blasted her down.

She was knocked out.

Me: That was easy and she was powerful.

Nico: One of the most powerful ones.

Me: Yep.

But then we smelled something REALLY HORRIBLE!

SEAL BARK!

Me: (SNIFFS) OH GOOD GOD! WHAT IS THAT STENCH! ED!?

Ed: Not me!

Lincoln: I know what it is! It's Lana's Akuma. Her name is Stinky Toilet! The 2nd Akuma of Lana Loud and she is a living toilet and she vomits puke and sewage and she also smells horrible! She also has a REALLY ROTTEN POTTY MOUTH! Literally! She was made because of Chandler bullying her and vowed to make sure he is inundated in raw sewage to the marrow!

WE GASPED!

He took out a sketch of her and she was a living toilet!

Me: WHOA!

Nico: DISGUSTING!

Lana: I look awesome as a toilet!

Numbuh One: She looks like Potty Mouth.

Me: And I'll bet she has a mouth just as rotten as mine.

Eli: Yeah and she is coming in.

We saw a toilet come in.

Stinky Toilet: Well hello fuckbuckets! Nice weather we're having!

Me: Colorful mouth you have there. Do you kiss your mother with it or use it to wipe her ass! (To Rita Loud) No offense Ms. Rita.

Rita Loud: None taken J.D.

Stinky Toilet: (Sees Chandler) YOU!

She grabbed him and drenched him completely in raw sewage and soaked him bad!

Stinky Toilet: YOU LIKE THAT BUTTFUCKER!? YOU LIKE THAT!?

Me: Hey don't talk with your mouth full missy!

Nico: Lana? Is that you?

Stinky Toilet spit out Chandler and MAN DID HE SMELL HORRIBLE!

Stinky Toilet: OF COURSE IT'S ME YOU FATASS!

Nico: WHAT THE FUCK DID YOU JUST CALL ME!?

Vexen: You need to calm down!

Stinky Toilet: SHUT YOUR CHEWHOLE GRANDMA!

Me: Okay you asked for it!

I fired waves of fire and blasted her all over.

Vexen fired waves of ice and blasted her all over.

Stinky Toilet: My turn!

She fired more sewage blasts and we dodged them.

I got out The Fatheads Ridewatch and activated it and got a parking meter! I then smashed her and shattered her and sent her to the M.O.E.

Me: SHEESH! Man that had to be the rudest Akuma next to Lady Foulmouth.

Hornet Man: I know!

Me: Yeah! Well now that all that is taken care of time for the fun.

Camie: The usual battles.

Lola: Yep.

Maria: Lets call them in.

Maria did so.

Whiger: That was the most foul mouthed Akuma ever

Me: Tell me about it!

Camie: Yeah.

Then Dumbbeltron, Fireor, The Rowdyruff Boys, Springfield Mafia, Electro, Evil Star, Dark Spicer, Shiv, Key and Dr. Light came.

Nico: Dumbbeltron, Fireor, The Rowdyruff Boys, Springfield Mafia, Electro, Evil Star, Dark Spicer, Shiv, Key and Dr. Light.

Dumbbelltron: I've been waiting for this.

Fireor: Not as much as me.

Brick: Or me.

Me: We're all excited for this.

Fat Tony: (to Nico) We heard you fought Girl Jordan's Akuma.

Nico: Her 3rd Akuma and it was awesome.

Dark Soicer: (to Gira) Here's your warning: Your ass is about to be kicked! (To Eddy) You should take care of that Scraggy

Gira: (LAUGHS EVILLY) You think you can kick the King of Evil?

Me: Gira is one you don't want to fuck around with!

Eddy: And I will take care of Scraggy.

Hades Beast Spectre came out.

Me: Your turn Spectre?

Hades Beast Spectre: That's right.

Me: Cool!

Hades Beast Spectre: Now we have 3 baddies to fight!

Me: Yeah but we've faced bigger odds than this.

Qin: We sure have.

Dark Spicer: Yep and I have two new aliens to show you.

Me: Lay them on us.

He turned into a winged male version of Ahsoka!

Sithtano: Meet Sithtano!

Shanan: COOL! A Togruta hybrid! This is awesome!

He ignited black bladed lightsabers.

Ahsoka: Are those lightsabers?

Sithtano: They sure are! (Swings lightsabers at Ahsoka)

She blocked them and Eli fired blasts of energy and smashed him down.

Me: Star Wars Aliens this time. I like it.

Dark SpIcer: Thanks! Now this.

He turned into a winged male version of Aayla Secura!

Doomsecura: I call this one Doomsecura!

Shanan: Wow! A Twi'lek hybrid! Awesome!

Aayla: (French Accent) Where did you get the lightsabers?

Doomsecura: Got them from Dooku. (Throws lightsabers at Aayla)

She ducked and Eli used the Force and threw them back and He blasted him down.

Me: Awesome choices Dark!

Nico: YEAH! Lets get it on!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We got the battles underway

Ben 10,000, Makuramon, Merida, Bai Tza, Hannah Thunderbolt Paine, Eithne, Silvermist, Pirate Fairy, Starlight Glimmer, Moonlight Glimmer, Starlight Glimmer (G5), Cozy Glow, Raven Bishop, Undead Skylanders, Major Dr. Ghastly, and Skarr vs Dumbbeltron, Laughing Ghosts, Two Bad, NES Varan the Unbelievable, NES Hedorah, NES Gigan, Octophantom and Strongman Ghost (Theme including Merida) - Nico's rescue was in the park and we battled Girl Jordan's second akuma

---

Dumbbeltron was first.

Dumbbelltron (to Ben 10,000): Nico's rescue was in the park. He battled Girl Jordan's second akuma.

Ben 10,000: He sure did and it was a funny one. It was called the 9 Chicken Sandwiches of Hell and they were 9 super spicy chicken sandwiches. They were Carolina Reaper Chicken, Ghost Pepper Chicken, Dragons Breath Chicken, Naga Viper, Trinidad Moruga, Pepper X, Komodo Dragon Pepper and Habanero and the hottest one was called Armageddon Supernova Torture Chicken.

Dumbbeltron: WHOA! You would have to be absolutely insane to eat those!

Ben 10,000: Oh you have no idea! These were 9 of the deadliest chicken sandwiches in the entire universe and they contain enough super deadly pepper spice to destroy 4 million planets! 1 bite is enough to kill anyone instantly.

THEY GASPED!

Two-Bad: GEEZ!

Makuramon: I know! But in the end we ate them and they were tasty and delicious. Oh I'm Ben 10,000's Makuramon.

Dumbbeltron: Pleasure.

Merida: (Scottish Accent) Aye. Lincoln held open the mouth of Chandler from this Akuma's world and it jumped down his throat and he ate them and bursted into flames and they killed him. Literally now.

THEY GASPED AGAIN!

Dumbbeltron: WHOA! That is intensely spicy! First Lazlo's Akuma was seven poisonous deadly sandwiches, and now Girl Jordan's 2nd Akuma was 9 SUPER SPICY Sandwiches!

Bai Tza: I know! That was nuts! But it was intense!

Starlight Glimmer: It sure was! But it was funny to see and we ate them for lunch. (BURPS RAINBOW FIRE!) Oh sorry.

Moonlight Glimmer: They were tasty though.

Starlight Glimmer (G5): Yeah they sure were.

Cozy Glow: Yeah no kidding.

Raven Bishop: But after we got back some of us had to go to the bathroom big time.

Hex: It was awful damage to our toilets.

Dumbbeltron: Okay I did not need to know that part but it must've been really brutal. Lets do it!

Ben 10,000's Gashat was called The 10,000 Aliens of Justice. They fired waves of magic, stars, lightning, bones, blood, skulls and ghosts and smashed them down.

Wheeler: They sure did and it was awesome and we found out that one of the Anothers was a rival of Lana's. Her name was Lacey St. Claire.

Fireor: Wasn't she a girl that Lana knew that tried to make her look bad in a dog show?

Wheeler: That's right and she is a rival that Lana knew long ago. J.D. didn't meet her before but he did see her on TV with Lana a while back.

BetelGammamon: Yeah and she needed to be taught some manners. Oh I'm Wheeler's BetelGammamon.

Fireor: Pleasure. And jeez that girl needs a serious attitude adjustment.

Sunny Starscout: That is for sure and Diamond Tiara gave her really helpful advice and told her all about how she was lead down the wrong path like Lacey was and all that. It helped her out.

Arienne: It sure did. Also we met Starfire's friend Cometffira. She comes from the planet Xeiram.

Fireor: Xeiram!? Oh man! I've heard about that planet from Trumbipular. The Xeiramanians are a very powerful warrior race of fire and stars. That is amazing that she knows one.

Arienne: It sure is! And Tamaran and Xeiram are 76,000 lightyears apart.

Twilight Sparkle: We were really amazed seeing Cometffira and she is really amazing to get along with.

Stellar Sparkle: I agree there. Starfire is so lucky to know someone like her.

Louie: I hope they didn't get hurt.

Asuramon: Yeah most of that stuff is very valuable to the United States Government. Oh I'm Sora's Asuramon.

Fat Tony: Pleasure and now you have two Digimon partners. That is cool.

Asuramon: It sure is.

Phoenixmon: And we're going to get along great.

Celine Cerberus: It sure is. And have you tried the Freeze Dried Shrimp Cocktail? It's tasty and good. It's amazing how they make all this for Space Travel and for eating on the International Space Station.

Penelope Waverly: Yeah we bought all kinds of freeze-dried meals there. This is the stuff they eat up in space and it's really cool. But they can't eat foods like cake and stuff up there because it crumbles apart and would damage billions of dollars worth of sensitive equipment.

Fat Tony: Yeah I read about all that and it's very interesting.

Pinkie Pie: Yeah it's not fun having no cakes and stuff up there. But I can understand why.

Maud Pie: (Monotonously) The fruit chips they make are really amazing too. Shaggy and Scooby once tried those on a case they had and they were good.

Citrine Pie: They sure were. (Eating Fruit chips) Mmm! Fruity and good.

Pinkie Pie (G5): SpongeBob said that the marshmallows were as good too.

Lincoln: Well they saw the Real thing and just a few minutes ago they saw the trailer for it and it was awful! Hymeno was crying her eyes out, Rita was emotionless because she was trained to not show fear like that, Yanma was enraged that they would turn into that and he clenched his fists too tight and blood poured out of his knuckles, Gira was hurling his guts out, Kaguragi fainted, Racules reaction was like the iconic maniacs line from Planet of The Apes and Jeremie, well he actually knew it was coming and then he did something funny. He farted in fear.

THEY LAUGHED AT JEREMIE DOING THAT!

Slab: That was funny but Hymeno really took it hard and hugged Pooh and Piglet.

Electro: Seeing the real thing must've shook them up bad. And I'll never forget seeing ending scene from Planet of The Apes. That was such an iconic classic scene.

Seabreeze: (Swedish Accent) Ja no kidding.

Stealth Elf: That is for sure!

Evil Star: Yeah those Ecovillains that the Planeteers faced are absolute douchebags. Lets do it!

---

Shiv was next.

Shiv (to Lynn): Zarm is among those we have to battle. But he's only the secondary target.

Lynn: That's right.

Shiv: Who is Zarm?

Lynn: He's the Spirit of War and Destruction. He's the polar opposite of Gaia who is the spirit of Life and the Earth.

Yakiimon: Think of him like Ares the God of War but on Steroids. Oh I'm Lynn's Yakiimon.

Shiv: Pleasure. How come you guys didn't face him back in 2019?

Lynn: I think it was because Gaia banished him to another dimension beyond the reach of Time and Space. Dark

Sebastian released him from his prison somehow. But he will not get away with everything he did.

Coco: Cocococococo! (What he does is horrible!)

Nightscream: Yeah no kidding! What he does is terrible.

Rainbow Dash: We're not going to let him get away with this.

Nico: They sure are.

May: And we're excited too.

Hades Beast Spectre: You got that right. Lets do it!

Nico teleported and opened his safe and got weapons called The Destroyers of Dujardin, Zarm, and Hans, they're a massive collection of greatswords, blasters, spellbooks, and magic rings that'll really put some serious damage on those warmongers!

Nico teleported back with them.

Nico: Hades Beast Spectre you have failed this world!

Troy Burrows: Rangers that's a super mega win

We regrouped and everyone cheered.

Me: YEAH!

Gira: Awesome and cool!

Qin: Yeah it was!

Gravity Man: Now, let's go after Dujardin!

Me: Time to bring those three dirtclods down for good!

Oculous: Where is he?

Eli: (Concentrates) In Jeremie's kingdom.

Me: Just like predicted. We knew this was coming.

Nico: Okay, now we can get after those bastards without any of Dark Sebastian's nasty surprises.

Me: Right. (Eyes turn red) Dujardin, Zarm, Hans, you three are going down straight to The Black Abyss forever, and we're also going to send you and those Order of The Dark Universe and Dark Church of Malphas dickheads flying back to Transylvania, Dark Sebastian!

Nico: Get ready you three, (EYES GLOW RED) YOUR FINAL HOUR HAS COME!

We then took off!

We got there just in time to see those Dark Church of Malphas dickheads ranting, raving, and screaming and shrieking like monsters and our energy auras flared up extremely as we grew stronger from the toxic hate they have against us, and we saw that Dujardin, Zarm, and Hans had already arrived, but they're already being attacked by Dark Sebastian's army of zombies, demons, and monsters of all kinds.

Nico: Dujardin, Zarm, and Hans are here. Let's use our entrance on them along with Dark Sebastian and those Dark Church of Malphas dickheads.

?: I think not.

We saw PRIME MINISTER KAMEJIM!

Me: Prime Minister Kamejim! How can I forget you and all the crimes as a result of your treachery.

Kamejim: We finally meet at last J.D.

Me: Indeed. Step aside, or we'll make sure you stay dead.

Kamejim: Powerful words. Too bad they are idol threats. I'm afraid if you want my master, you'll have to go through me.

Me: Keep on talking and I DON'T MAKE IDOL Threats. Also we'll just plow our way through.

?: You won't be a problem!

CALLING ALL SPIDER RIDERS!

Out came The Spider Riders!

Me: Hey guys!

Hunter Steele: Good to see you! We'll handle this guy!

Me: Thanks Hunter! We owe you one.

Silverstream: Me, Shining Armor, and Bebe will help out too!

Twilight Sparkle: Be careful bro!

Shining Armor: I will Twilie.

We went on and went into the castle mountain and Katnappe and Loki came.

Vexen (to Loki and Katnappe): Thanks for coming, guys.

Katnappe: Anytime guys.

We hid and saw DUJARDIN, ZARM AND HANS!

They went over to them.

Dujardin: Ah Vexen, Loki and Katnappe. Or do you Loki be prefered to be called Beast Baron Cobolda?

Loki: That's my Japanese Counterpart. But I'm America's counterpart Loki.

Dujardin: How nice of you 3 to join me as I take the universe for my own. And this time, the King Ohgers and all of their kingdoms won't stop me.

Katnappe: What are you planning to do.

Dujardin: When we finally get rid of these beasts, The King Ohgers and Team Loud Phoenix Storm are next!

Zarm: All of them will perish!

Hans: And that little brat, Lana, along with Anna and Elsa, will finally die and Arendelle will finally be mine!

?: OH, SHUT THE FUCK UP ALREADY, YOU DIRTY SNEAKY WEASELS! SAME WITH YOU DARK CHURCH OF MALPHAS DICKHEADS!

Suddenly, the spirits of insects and the Angels and Archangels of God appeared out of nowhere and they attacked Dujardin, Zarm, Hans, Dark Sebastian, and those Dark Church of Malphas dickheads in total fury and that made them extremely pissed off even more! Then, the spirits converged and they crashed down and then...

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMMM!

A massive explosion erupted as a Thunderbird Screech and Phoenix Cry was heard and we appeared, and this made Dujardin, Zarm, Hans, Dark Sebastian, and those Dark Church of Malphas dickheads even more pissed off than before.

Gira Husty: Dujardin! Your time has finally come!

Gaia: The same with you, Zarm.

Lana: And you as well, Hans! And it's nice to see you again for the last time Hans.

Hans: YOU LITTLE BRAT! YOU TOOK EVERYTHING FROM ME! ARENDELLE WAS MINE!

Lana: It was never yours!

Alaister Necroshade: YOU! YOU FUCKING ASSHOLE! HOW DARE YOU SHOW YOUR FACE HERE AFTER WHAT YOU DID IN DESTROYING THE MEMBERS OF THE DARK CHURCH OF MALPHAS, KNUDSON!

Me: Oh, shut the fuck up, dickhead! It was your fault from the beginning by forming that godforsaken Dark Church of Malphas! You brought all that on yourself!

Sakura Knudson: I thought we wouldn't have to see you and your eternally damned brothers and sisters ever again after we got you all expelled years ago in high school! And now, we find out that you've thrown in your lot with Dark Sebastian, the monster born from The Black Ooze of The Eldritch!

Lincoln: And we also killed his and Selena's parents not too long ago and brought an end to the dark nightmares and the Hell that Selena and her brother went through.

Selena Mendez: But, the only way it's going to end is by destroying them forever, Lincoln, but we're going to wait until May 5th, that's the day of the war. (To Dark Sebastian) And you've gone too fucking far this time, you demonic monster: launching an attack on Chikyu and The Kingdoms and unleashing zombies, demons, and all kinds of monsters on the people to bring chaos and madness untold! What the Hell?! I knew you were a monster, but this is too fucking much!

Dark Sebastian: (LAUGHING MALEVOLENTLY) There's nothing more satisfying to me than seeing this entire planet burn! This is a prelude to the madness and chaos that will be awaiting Earth once all of you are finally dead! This world, this entire universe, and all of existence doesn't deserve to exist, you all deserve to die! Soon, all life on Chikyu and all life on Earth and the universe and beyond will be exterminated, and every last planet in existence will experience Hell...forever!

DARK SEBASTIAN WAS CACKLING INSANELY AS HIS DEMONIC CACKLING ECHOED THROUGHOUT ALL OF CHIKYU AS AN INFO CARD WITH THE CACKLING DARK SEBASTIAN WITH FLAMES IN THE BACKGROUND APPEARED AND IT LISTED HIS ENTIRE INFO: DARK SEBASTIAN MENDEZ, DERANGED, PSYCHOTIC, BLOOD-CRAZED, AND MURDEROUS DEMON BASTARD AND BLACK OOZE OF THE ELDRITCH, THE SPAWN OF MALPHAS! AGE: 18, LIKES: CAUSING DEATH, DESTRUCTION, CHAOS, AND MADNESS UNTOLD WHEREVER HE GOES! DESPISES: ALL OF MANKIND AND ALL LIFE ON EARTH AND THE UNIVERSE AND BEYOND, TRUTH, JUSTICE, LOVE, COMPASSION, HOPE, FORGIVENES, VALOR, VIRTUE, DETERMINATION, LOYALTY, GENEROSITY, KINDNESS, SELFLESSNESS, COURAGE, TRUST, AND LIGHT!

ON THE BACK, IT LISTED HIS DANGER LEVEL: CLASS QUADRUPLE S PLUS INFINITE-TIMES ROYALLY FUCKED-UP DESTRUCTIVE APOCALYPTIC DEMON AND COMPLETE DANGER TO ALL LIFE ON EARTH AND THE UNIVERSE AND BEYOND, ABSOLUTE THREAT TO ALL HEROES AND VILLAINS: HONORABLE AND DISHONORABLE, AND ALL LIFE ON EARTH AND THE UNIVERSE AND BEYOND, THE LIVING, THE DEAD, AND HEAVEN AND MUST BE DESTROYED FOREVER!

Nico: HOLY FUCKING SHIT ON A STICK! DARK SEBASTIAN TRULY IS A DANGER TO EVERYONE IN HIS PATH!

Me: HE CANNOT BE ALLOWED TO LIVE! And by the way, we also know about the coffins and inside of them are none other than the dead members of The Order of The Dark Universe!

Aragon Nightshade: YOU WON'T STOP US, BITCH! (To Dark Sebastian) DO IT!

Dark Sebastian got out a black Satanic spellbook, and then, he started to recite an incantation as we saw the Sigil of Malphas form on the coffins.

Dark Sebastian: (Demonic Voice) Malicious Lords of Evil, I invoke your Dark Forces to make your presence known! As The Heroes of Light and The Villains of Darkness are present, may the ceremony commence and may the members of The Order of The Dark Universe return to the world! NOW!

Suddenly, the skies turned black and red as we felt unimaginable evil in the air, and then, nine black and red energy beams shot out and forced open the lids of the coffins, and we saw nine black haired males with red eyes and the same black clothes and demon wings as Dark

Sebastian emerge from the coffins: they were Michael Ondrushko, 2nd in Command and Black Magic Spellcaster of Darkness, Quentin Hargreaves, Demon Summoner of Darkness, Reagen Lestranfe, Black Magic Spellcaster of Darkness, Owen Thatcher, Satanic Ritual Master of Darkness, Alex Creighton, Hellfire Master of Darkness, Windsor Grimm, Hell's Winter Mage of Darkness, Ryan McCabe, Demon Wind Master of Darkness, Aragon Cochran, Demon Earth Master of Darkness, and Nergal Glaphyra, Demon Lightning Master of Darkness.

The ceremony was complete: the nine other members of The Order of The Dark Universe have been brought back from the dead and turned into demons by Dark Sebastian.

Selena Mendez: We're too late!

Camie Exetor: Shit!

Me: So that's...!

Selena Mendez: Yes, the other nine members of The Order of The Dark Universe: Michael Ondrushko, 2nd in Command and Black Magic Spellcaster of Darkness, Quentin Hargreaves, Demon Summoner of Darkness, Reagen Lestranfe, Black Magic Spellcaster of Darkness, Owen Thatcher, Satanic Ritual Master of Darkness, Alex Creighton, Hellfire Master of Darkness, Windsor Grimm, Hell's Winter Mage of Darkness, Ryan McCabe, Demon Wind Master of Darkness, Aragon Cochran, Demon Earth Master of Darkness, and Nergal Glaphyra, Demon Lightning Master of Darkness.

Dark Sebastian: (CACKLING INSANELY) The ceremony has been complete! Alright, now it's time to destroy Team Loud Phoenix Storm, The Masters of Evil, Dujardin, Zarm, and Hans, and every last living soul on this planet! (DEMONIC

VOICE) AND THEN, ALL LIFE ON EARTH ALONG WITH ALL LIFE IN THE UNIVERSE AND BEYOND WILL BE EXTERMINATED! (CACKLING INSANELY)

Suddenly, Lincoln's deep sapphire eyes and the rainbow iris of his eyes turned heavenly golden yellow as we felt a massive and powerful divine force coming from him and heavenly lights shined down as the Angels and Archangels of Heaven appeared.

Nico: That's it, we've had it with you, Dark Sebastian, we're throwing you and those Dark Church of Malphas and Order of The Dark Universe dickheads out of Chikyu and sending your damn asses back to The Netherworld where you all belong!

Dark Sebastian: (DEMONIC VOICE) SHUT THE FUCK UP, BITCHES! DIE! THIS IS FOR HUMILIATING ME!

DARK SEBASTIAN FIRED A BLACK AND RED ENERGY BLAST AT US TO KILL US, BUT LINCOLN FIRED A BLAST OF HEAVENLY LIGHT THAT DESTROYED THE BLACK AND RED ENERGY BLAST AND THE BLAST OF HEAVENLY LIGHT HIT DARK SEBASTIAN RIGHT IN THE STOMACH AND SENT HIM FLYING INTO A WALL! HE GOT BACK OUT, BUT THAT PISSED HIM OFF BIG TIME AND HE GOT BURNED BADLY BY THE HEAVENLY LIGHT!

Dujardin: Hah, serves you right.

Dark Sebastian Mendez: (DEMONIC VOICE) WHAT THE FUCK DID YOU SAY, BITCH?!

Dujardin, Zarm, and Hans were smug at Dark Sebastian's humiliation. But, that smugness was about to be broken big time as the darkness blackened the skies even more.

Selena Mendez: UH OH, NOW YOU'VE GONE AND DONE IT!

Camie Elextor: HE'S GONNA GO BALLISTIC!

Dark Sebastian Mendez: (Demonic Voice) YOU GODDAMN BASTARDS! HOW DARE YOU SAY THAT TO ME! AND AS IF I'D EVER OBEY THE LIKES OF YOU, YOU AND THE OTHERS ARE NOTHING MORE THAN MY PLAYTHINGS TO USE AND DESTROY!

Zarm: What did you just say?!

Hans: YOU LITTLE...!

Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra went after Dujardin, Zarm, and Hans, and they proceeded to slash at them many times with demonic black broadswords and they stabbed them in the stomach and legs and arms with daggers!

Dujardin, Zarm, and Hans: (SCREAMS IN AGONY)

Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra: DIE! DIE! DIE! DIE! DDDDDIIIIIIIIIIIEEEEEEEEE! (LAUGHING INSANELY AND DEMONICALLY!)

DARK SEBASTIAN AND THOSE DARK CHURCH OF MALPHAS AND ORDER OF THE DARK UNIVERSE DICKHEADS WERE STILL MERCILESSLY ATTACKING DUJARDIN, ZARM, AND HANS SLASHING THEM AND STABBING THEM AND THEY WERE COVERED IN THEIR BLOOD AND THEY'RE STILL LAUGHING DEMONICALLY AND INSANELY! IT WAS BECOMING A FUCKING BLOODBATH!

Gina Thunderton: THAT'S IT, YOU PACK OF SNAKES! LET'S SEND THEM BACK TO TRANSYLVANIA!

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) Understood, Gina.

Lincoln, Selena Mendez, Camie Elextor, Wendy Sauron, Varie Yulinova, Solla Nexcrota, Kira Textington, Gina Thunderton, Xenia Vola Dappra, and Tina Tornadora fired blasts of Divine Darkness which hit Dujardin, Zarm, and Hans, and blasted Dark Sebastian and those Dark Church of Malphas and Order of The Dark Universe dickheads off of them and that really really enraged them, but The Hunters of The Nightflame Sun and Lincoln blasted Dark Sebastian and those Dark Church of Malphas and Order of The Dark Universe dickheads with blasts of Heavenly Light and Divine Darkness and kicked them off of Chikyu and sent them back to Transylvania as they spewed toxic hatred and death threats towards us, but that made us grow stronger still.

Then, Lincoln fired beams of light that killed Dark Sebastian's army of zombies, demons, and all kinds of monsters and he summoned heavenly healing rains that healed the people and extinguished all of the fires that were caused by Dark Sebastian's rampage.

Dujardin: Hey, why didn't we get...?!

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) I may be a deity that forgives the sins of others, but you three are far beyond forgiveness. All of your crimes were truly the most blackhearted, cold-blooded, and ruthless, and all for your own selfish ambitions. (To Dujardin) Dujardin, you are nothing more than a monster who wishes to conquer Chikyu and destroy The Seven Kingdoms of this planet along with The King Ohgers. (To Zarm) Zarm, you incited war and destruction for your own pleasure and have not a single ounce of remorse in your dark soul. (To Hans) And as for you, Hans, you're nothing but a dirty sneaky weasel and you're also a traitor and a warmonger who committed so many crimes against The Kingdom of Arendelle and the Southern Isles especially when you tried to kill Elsa and Anna and take Arendelle's crown for yourself (HEAVENLY GOLDEN YELLOW EYES GLOW EVEN MORE INTENSELY) I cannot forgive you three harbingers of war and chaos, and for what you've done, you three Spawn of The Devil are finished! Lament your actions as you pay for your crimes for eternity in the dark depths of The Black Abyss, enemies of peace and humanity!

THAT HORRIFIED DUJARDIN, ZARM, AND HANS AS THEY LET OUT A SHRIEK OF HORROR AND PANIC AT WHAT THEY WERE TOLD: OUR LORD TOLD THEM OFF AND DAMNED THEM FOREVER WITH THAT FATE!

Me: OH...MAN!

Nico: T-that was...! I...I have no words to even say!

Eli: S-same here.

Selene Arcangela: (Surprised) My Lord?!

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) Sorry you had to hear that, Selene, and all of you as well. Now, then, I believe it's time to take down Dujardin, Zarm, and Hans for good.

We recovered from the shock.

Me and Nico: Uh..., right, My Lord.

Nico: No one tries to enslave the universe on our watch!

Me: That's right! You try to do so and you mess with us! And it will only end with your death!

Camie: YEAH!

Elsa: Why are you doing this, Hans? It's always Arendelle you've been after!

Hans: That's true. But now, I think conquering the universe is even better!

Lana: Sorry to disappoint you mister loser prince, but death is the only punishment for you!

Me: For your crimes against Arendelle and Elsa and Anna!

Eli: YEAH YOU MONSTER! You are going to pay for your crimes against one of the Disney Princesses and Queens I love as a sister!

I saw Zarm.

Me: So you are Zarm, The Spirit of War and Destruction.

Zarm: Nice to know that my reputation precedes me.

Me: Too bad we didn't face you back in 2019 but I guess it was because you were sealed inside another dimension.

Zarm: Yes that's right and you have Dark Sebastian to thank for freeing me.

Me: Too bad your freedom is only going to be just for today. Because we're going to destroy all three of you. And Gaia is here too.

Zarm: This time, Lady Gaia, I'll make sure to kill you in front of your precious Planeteers!

Gaia: I don't think so Zarm. No more.

Dujardin: Kelzaks! Sanagim!

An army of Kelzaks and Sanagim appeared.

Me: Kelzaks and Sanagim! Now we're talking!

I fired waves of energy and elements and blasted them.

Me: Too bad Lothor isn't here. I would have loved to kill him here too.

Dujardin: Perhaps.

Lana teleported and bashed Hans down!

Then the footsoldiers jumped the King Ohgers and held them down.

The King Ohgers lay defeated at the hands of the Kelzaks and Sanagim.

Dujardin (chuckles evilly): Don't worry. I'll let you all live just long enough to see me conquer this universe.

Hans: And I get to conquer Arendelle.

Manaphy (punches a Kelzak): Oh no. What do we do?!

Lana, May, and Starfire got an idea.

Lana: (to everyone watching) Everyone out there! Lend the King Ohgers your strength!

Starfire: They get stronger with your support!

May: When I go "1, 2", shout "We will rule the world"! Okay? 1, 2...

All: WE WILL RULE THE WORLD!

Starfire: One more time! 1, 2...

All: WE WILL RULE THE WORLD!

Lana: Louder! 1, 2...

All: WE WILL RULE THE WORLD!

Jamesdean5842: WE WILL RULE THE WORLD!

At this, Gira found the strength to get up and laughed.

Dujardin: What's so funny?

Gira: You forget that I am the King of Evil. And we will take you and your friends down!

Gira then threw a Kelzak at a Sanagim, knocking them both down.

Dujardin: WHAT!?

Hans: IMPOSSIBLE!

Zarm: NO!

Gira: Thanks for the help, guys.

Yanma: I can hear my people cheering for me from here.

Hymeno: That's the same for all of us.

Rita: Even the people of Earth are cheering for us.

Kaguragi: I feel inspired by their cheers.

Jeremie: Then let us end this story.

Lana: Can me, May, and Starfire transform with you guys?

Shane Clarke: Sure thing, Lana.

Dan: Me and my team will send out our Bakugan too!

Me: Great!

Dujardin: YOU MISERABLE CRETINS, WE WILL DESTROY YOU ALL!

Zarm: You have ruined every last one of our plans, now I will end you all!

Hans: And once I get rid of you, Lana, you two miserable sisters are next, and Arendelle will be mine!

Lana: That's not going to happen, you dirty sneaky weasel!

May: That's right, this is where you three bastards die here and now!

Bakugan Brawlers: BAKUGAN BRAWL!

They summoned Dragonoid, Tigrerra, Preyas, Hammer Gorem, Skyress and Alpha Hydranoid!

With that, Kouta uses his almost godly power to summon forth a strange blue belt with a latch on the top and what looks like a knife on the right, and a lock with an orange on it labeled "LS-07". Standing up slowly, Kouta places the belt on his waist, generating what looks like a side-image of a samurai warrior on the far left of the belt, then holds the lock out in front of him.)

Kouta: Henshin!

With his battle cry known, Kouta presses a black button on the side of the lock, causing it to unlock)

Orange Lockseed: Orange!

After unlocking the Lockseed, Kouta places it in the belt, below the latch, and closes the Lockseed again, looping it through the latch.

Sengoku Driver: Lock On!

With the Lockseed secured, a zipper in reality opens up over Kouta, revealing a giant orange. With the fruit in place, Kouta pulls the knife-like portion of his belt down, causing the orange on the Lockseed to fall, revealing a design of an orange-slice looking sword on it, and showing the interior of an orange on the rest of it as the knife-looking portion restores to it's normal position.

Sengoku Driver: Suiya! Orange Arms! Hanamichi, On Stage!

As the Sengoku Driver makes it's announcement, the giant orange lands on Kouta's head, generating blue and gold armor around his body before the orange unfolds to create chest and shoulder armor, while revealing a blue head with a large gold crest resembling a long crescent of some sort with a red front portion, with the back of the helmet being orange with a green dot on top of it with a silver mouthpiece an a visor resembling an orange slice, as a long sword with a gun barrel materializes on his hip, and the orange slice looking sword from the Lockseed appearing in his hand.

Mitsuzane: Henshin!

With that, Mitsuzane pushes a button on the side of the Lockseed, unlocking it.

Budou Lockseed: Budou!

Upon activation of the Lockseed, Mitsuzane places it into the slot on the Sengoku Driver and relocks it, causing a strange grape bunch like construct to materialize above his head.

Sengoku Driver: Lock on!

With the Lockseed secured, Mitsuzane pushes forces the knife section of the Sengoku Driver down, flipping the front panel of the Budou Lockseed down, revealing what looks like a cross section of grapes on one side and a grape gun on the now inverted panel

Sengoku Driver: Hai! Budou Arms! Ryu! Hou! Ha, Ha, Ha!

At this seeming battle cry, the grape bunch descends onto Mitsuzane, generating a green undersuit with gold accents before the grape bunch unfolds much like Kouta's orange did, revealing a Chinese warrior styled armor with helmet with a grape styled back and straight violet visor, a gun similar to the one on the Lockseed's flipped down panel materializes in his hand.

Takatora: Henshin.

With his battle cry known, Takatora opens the Lockseed he has with him.

Melon Energy Lockseed: Melon Energy!

At this pronouncement, a strange techno-melon materializes above Takatora as he places the Melon Energy Lockseed into the Genesis Driver and locking it in place.

Genesis Driver: Lock on!

After locking in the Lockseed, Takatora forces a silver panel on the Genesis Driver across a track to hit the Melon Energy Lockseed, splitting the front panel into three pieces revealing the melon cross section beneath it, all the while funneling a strange orange liquid into a reservoir at the bottom of the Genesis Driver

Genesis Driver: Soda! Melon Energy Arms!

With that, the techno-melon descends onto Takatora, generating a white and black battle suit with gold accents as the melon splits open, the left side armor folding to the right to create more armor on the right shoulder, before revealing a helmet reminiscent of a samurai helmet mixed with a melon rind, and a straight orange visor, with a bow similar to Ryoma's in his hand.

Kaito Kumon: Henshin.

With his battle cry known, Kaito presses the button on the side of his Lockseed, unlocking it.

Banana Lockseed: Banana!

After opening the Banana Lockseed, a giant banana appears over Kaito's head as he places the Sengoku Driver on his waist before placing the Lockseed into the Driver and locking it in.

Sengoku Driver: Lock On!

As fanfare starts to play, Kaito pulls the knife part down, flipping down the panel on the Banana Lockseed, revealing a cross section of the three bananas on the body of the Lockseed, and a picture of a lance on the panel

Sengoku Driver: Come On! Banana Arms! Knight of Spear!

As this happens, the armor banana lands on Kaito's head generating red and silver armor before splitting open forming the oddly off-balance shoulder pads, revealing the knight-looking helmet, with a yellow eyepiece behind the visor, marked with ends of a banana on either side of his head, and generating a lance that resembles a peeled banana, with the peel serving as a hand guard, in his hand.

Suddenly, the colored eyes of Lana, May, and Starfire turned neon blue and green, and they were surrounded by colored, white, golden yellow, and blue energy auras with stars, aura energy, white and blue heavenly flames, elemental forces, animals, phoenixes, and angels, they unholstered their massive greatswords, and as they approached Dujardin, Zarm, and Hans, they left colored, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, elemental forces, animals, phoenixes, and angels with every step.

Lana: You make me sick to no end, Dujardin, you've caused so much trouble for The King Ohgers and you've tried to take over Chikyu many times before, and this is something we cannot forgive.

May: And for that, you're gonna pay dearly for this. And as for you, Zarm, you're gonna pay for what you've done in the past, and we'll make sure you die here and now, and you will never return.

Starfire: That's correct, and as for you, Hans, you're also going to pay for your crimes against all of Arendelle, and this time, we're going to make sure you never ever come back!

SUDDENLY, THREE EXTREMELY MASSIVE AND INCREDIBLY POWERFUL RAINBOW FIRE EXPLOSIONS BLASTED OUT OF LANA, MAY, AND STARFIRE WITH INCREDIBLY DEVESTATING AND UNBELIEVABLE FORCE! THE EXPLOSION WAS SO INTENSELY POWERFUL THAT EVERYONE IN 900,000,000,000,000,000,000 UNIVERSES FELT IT AND THEN, IT FORMED INTO A MASSIVE JET OF RAINBOW FIRE AND IT FLEW OUT OF THE INFINITELY VAST WEB OF GALAXIES AND FORMED INTO A POWERFUL RAINBOW FIRE PHOENIX, RAINBOW FIRE OWL, RAINBOW FIRE THUNDERBIRD, AND RAINBOW FIRE ANGEL, AND THEY CRIED INTENSELY WITH AMAZING POWER, AND THEN, THE RAINBOW FIRE PHOENIX, RAINBOW FIRE THUNDERBIRD, RAINBOW FIRE OWL, AND RAINBOW FIRE ANGEL WENT BACK TO EARTH AND LANA, MAY, AND STARFIRE GAINED AN INTENSELY POWERFUL AND SUPERCHARGED ASTRONOMICAL POWER BOOST!

Suddenly, Lana, May, and Starfire were surrounded by three massive vortexes of colored, white, golden yellow, and blue energy with stars, aura energy, white and blue heavenly flames, and elemental forces surrounding the vortexes, there are animals, phoenixes, and angels flying around the vortexes, and in the vortexes are three colored phoenixes with blood red eyes glaring at Dujardin, Zarm, and Hans: the blood red eyes of eternal death, eternal damnation, and eternal judgement, and we saw heavenly lights shining down on the vortexes.

Kouta presses a button on the Lockseed, not causing the lock on the top to open, but rather causing a small key to emerge from the point on the bottom

Kiwami Lockseed: Fruits Basket!

At the sound of this, a whole lot of fruit armors emerge. Of course present are the Orange, Banana, and Grapes used by Kouta, Takatora, and Mitsuzane, but there is also a Melon similar to what Zangetsu's armor is made from as well as Acorn, Pinecone, Durian, Pineapple, Strawberry, Watermelon, Lemon, Cherry, Peach, Walnut, Mango, and Kiwi armors as well. As the armors finish materializing, a port forms where the faceplate on Gaim's Sengoku Driver once was, which allows him to turn the Kiwami Lockseed on it's side, insert it into the port and turn it, revealing a second panel on the Kachidoki Lockseed, which bears a series of fruit half-cross sections on top and a portrait of

Kachidoki Arms' head on the panel, as well as opening the panel on the Kiwami Lockseed, revealing the other half of the cross sections on the body and a silver variant of Kouta's head with a pointed helmet and large version of his crest over a rainbow visor on the panel

Sengoku Driver: Lock Open! Kiwami Arms! Dai, Dai, Dai, Dai, Dai Shogun!

As this announcement goes off, the fruit armors converge in a circle around Kouta, and fly into him, breaking off the Kachidoki Arms, revealing silver armor, with a red cape attached to his back, and a chestplate consisting of several fruits on a black background.

Ninja Storm Rangers: Thunderstorm Cannon!

King Ohgers: Roayl Blade Slash!

Kouta steps back and turns the Kiwami Lockseed twice more

Kiwami Lockseed: Musou Saber! Hinawa Daidai DJ Ju!

As this pronouncement is made, Kouta's gun-sword materializes in one hand, and in the other a massive gun with what looks like an orange mixed with a turntable on one side. But Kouta doesn't focus on the gun, as he extends a section over the barrel and merges the Hinawa Daidai DJ Ju with the Musou Saber, creating an even bigger sword. Seeing this is happening, Kaito and Mitsuzaneeach activate their Sengoku Drivers again, Kaito doing this twice and Mitsuzane three times, but this is not cutting the Lockseeds further but rather channeling more energy into their weapons

Sengoku Driver (Baron): Come On! Banana Au Lait!

Sengoku Driver (Ryugen): Hai! Budou Sparkling!

Seeing the preparation, Takatora removes the Lockseed from his Genesis Driver and places it in a port on his bow

Sonic Arrow: Lock On!

Lockseed secured, Takatora draws back the Sonic Arrow and prepares to shoot it. This gives Kouta the signal to activate his finishing move, activating his Sengoku Driver twice.

Sengoku Driver (Gaim): Suiya! Kiwami Au Lait!

With that battle call, energy constructs of fruit begin to swirl around Kouta's blade, as the energy forming around Kaito's lance starts to take shape as, no surprise, a banana, and Mitsuzane's gun is overflowing with energy in the form of grapes. And in one moment, all the energy across all 4 fighters is released. Mitsuzane and Takatora release their shots, Kaito impales Word with the energy-projection extended lance and Gaim slashes straight through Dujardin.

The blasts all hit them and exploded!

EXTREMELY MASSIVE AND POWERFUL EXPLOSION!

Lincoln and his harem: Now, for the grand finale! Your days of warmongering and mayhem end here and now, Dujardin, Zarm, and Hans! Now, pay for all your sins! FEEL THE FURY OF THE INSECTS! INSECT FINAL SMASH: RAGE OF THE INSECTS!

Lincoln and his harem summoned a massive horde of insects to attack Dujardin, Zarm, and Hans and it was really brutal!

Hans: (SCREAMS) GET THEM OFF! GET THEM OFF!

Caleb Maxwell: Oh, don't worry, I'll get them off! (Smirks) And I'll probably take your head off along the way!

Caleb Maxwell fired wildly at Zarm and Hans, and he was literally riddled with bullets!

Captain Whitten: (Snickers) Next time, he will literally take your heads off!

Nico: There's no next time, Captain, we're taking their heads today! Right after we deal with Dujardin for good!

Suddenly, the bell of judgement rang in his ears meaning his time was finally up! Then, the spirits of The Underworld grabbed him.

Spirits: Guilty!

The spirits found him guilty, and then, the kanji Black Abyss 黒深淵 appeared on his forehead, and he was being consumed by the black flames of The Black Abyss and he began to fade away: he was finally being erased by The Black Abyss!

Dujardin: NO! NO! THIS ISN'T HOW IT WAS SUPPOSED TO END! DAMN YOU, KING OHGERS! DAMN YOU ALL, TEAM LOUD PHOENIX STORM! (LETS OUT ONE LAST SCREAM BEFORE HE FINALLY FADES AWAY FOREVER)

God: (Through Lincoln's body)(Divine Heavenly Godly Voice) Yes, that's true, but this will not be the last time we deal with them. (To Zarm and Hans) And now, we've got one last thing to do before we head back home: and that's to deal with you two final warmongers once and for all.

Zarm: YOU! YOU! YOU'VE RUINED EVERYTHING!

Hans: It's not the end! We will still destroy all of you, and Arendelle will finally be mine!

Lana: Seriously?!

May: Talk about an absolute sore loser and a crybaby!

Starfire: Now, it's time we administer their punishment for their crimes.

Suddenly, the colored eyes of Lana, May, and Starfire turned neon blue and green, and they were surrounded by colored, white, golden yellow, and blue energy auras with stars, aura energy, white and blue heavenly flames, elemental forces, animals, phoenixes, and angels, they unholstered their massive greatswords, and as they approached Zarm and Hans, they left colored, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, elemental forces, animals, phoenixes, and angels with every step.

Lana: Even after all this time, you still make me sick to no end, Hans. You have and always will be nothing more than a dirty sneaky weasel!

May: And you've tried to kill Elsa and Anna along with committing a numerous amount of crimes against Arendelle and The Southern Isles, and for that, we'll make sure that you pay the ultimate price for your warmongering.

Time to pay, you warmongers! And that is...DEATH AND BANISHMENT TO THE BLACK ABYSS FOREVER!

A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A MASSIVE ROAR, AND THAT PISSED OFF ZARM AND HANS TO NO END! NOW, THE BATTLE TO DESTROY ZARM AND HANS WAS ON AND WE WERE ALL DEAD SET ON DESTROYING THOSE LAST TWO WARMONGERS FOR GOOD!

Lana, May, and Starfire: WE'VE ALREADY SENT DARK SEBASTIAN AND THOSE DARK CHURCH OF MALPHAS AND ORDER OF THE DARK UNIVERSE BASTARDS BACK TO TRANSYLVANIA AFTER WE'D KICKED THEM OUT, AND NOW, IT'S TIME WE DEAL WITH YOU ALL ONCE AND FOR ALL!

Lincoln, Lana, May, Starfire, Nico, and I and all of us went after Zarm and Hans, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, ice blue, white, golden yellow, and blue energy, red, purple, and green, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs,

Then, we attacked them with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Lana, May, and Starfire did the same by firing colored, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and massive greatswords, and Lincoln, Lana, May, Starfire, Nico, and I and all of us attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Zarm and Hans even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and twenty-four other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Zarm and Hans, and we found ourselves in Heaven.

Then, Lincoln charged and smashed his rainbow energy infused left fist into the stomachs of Zarm and Hans and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind them, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword.

Rita: Hans, for aiding Dujardin and Zarm, you are hereby sentenced to death. Vexen?

Vexen: My pleasure!

He fired a massive wave of ice and froze them.

Suddenly, Lincoln sucked out Zarm's Body Control and Body Possession, Mind control, Teleportation, Shape-shifting, Energy blasts, and Force field generation and made them his own, and he also tied Zarm and Hans in gold energy chains.

Lincoln formed a massive golden yellow energy ball with golden yellow wolf fire, darkness, moonlight, and ice and condensed it to the size of his body and he fired it at Zarm and Hans and it hit them and sent them flying into the skies and it exploded with incredible power and it destroyed them forever. Then, their evil spirits appeared!

Zarm: YOU! YOU! I'M NOT DONE YET! I WILL RETURN ONCE AGAIN, I WILL HAVE MY REVENGE ON YOU ALL!

YOUR TIME IS UP!

Suddenly, the bell of judgement rang in their ears meaning their time was finally up! Then, the spirits of all those they'd hurt or killed appeared and grabbed them.

Spirits: Guilty!

The spirits found them guilty, and then, the kanji Black Abyss 黒深淵 appeared on their foreheads and they were being consumed by the black flames of The Black Abyss and they began to fade away: Hans and Zarm are finally being erased by The Black Abyss!

Zarm and Hans: NO! NO! THIS ISN'T HOW IT WAS SUPPOSED TO END! CURSE YOU! DAMN YOU ALL, TEAM LOUD PHOENIX STORM! (LETS OUT ONE LAST SCREAM BEFORE THEY FINALLY FADE AWAY FOREVER)

GOOD RIDDANCE, YOU EVIL MONSTERS, AND DON'T YOU DARE COME BACK, YOU BLACKHEARTED MURDEROUS WARMONGERS OF ABSOLUTE TYRANNY AND CHAOS!

We cheered as we holstered our weapons and we powered down, and the new bodies, clothes, weapons, jewelry, Third Eyes, eleven massive and long blonde and light brown wolf tails, large gold halos with four large orbiting gold rings on each corner behind the heads, thirty-five large colored planets orbiting around the legs, thirty-five smaller colored planets orbiting around the waists, smaller planets orbiting around the fingers, medium sized colored planets orbiting around the wrists and ankles, and massive colored angel wings and twenty-four sets of large colored angel wings underneath the massive colored angel wings of Lana, May, and Starfire are permanent.

Me: We finally did it, Zarm and Hans are finally gone forever!

Lana: Now, Arendelle is finally at peace without that dirty sneaky weasel running loose, and we also stopped Zarm as well, that's now seven Eco-Villains down and one more to go.

God: (Through Lincoln's body)(Divine Heavenly Godly Voice) And I can already guess who that villain is: Captain Pollution.

Captain Planet: That's right.

Earth: We'll be ready for him. But, now we got a big problem: The Order of The Dark Universe is back and with the recent addition of The Dark Church of Malphas, Dark Sebastian's nasty surprise attacks are going to get a lot worse.

Nico: We'll be ready for all of them.

God: (Through Lincoln's body)(Divine Heavenly Godly Voice) Yes, you're more than ready for them, they may have the powers of darkness and Hell on their side, but they are no match for any of you.

Selena Mendez: That's right, My Lord. When May 5th comes, we will finally destroy The Order of The Dark Universe and The Dark Church of Malphas once and for all.

God: (Through Lincoln's body)(Divine Heavenly Godly Voice) That is correct. Now, I must take my leave.

God left as Lincoln's heavenly golden yellow eyes turned back to deep sapphire blue and the heavenly golden yellow iris of his Third Eye changed back to rainbow colors.

Me: You alright, Lincoln?

Lincoln: I'm alright, but at least, we got rid of those three warmongers and sent those pack of snakes back to Transylvania.

Me: That's for sure. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw the full moon glow and the symbol of The Frost Moon appeared in the moon as we heard a wolf howl.

Lincoln: The Frost Moon.

Winter Werewolf: And there's only one person whom we're meeting tomorrow: Jackie Frost Moon, Werewolf Angel of The Frost Moon of November.

Me: (GASPS) The Werewolf Angel of November's Frost Moon! That's cold!

Selina Wolf Moon: I knew it was her, and you guys are going to love meeting her, Jackie Frost Moon, Werewolf Angel of The Frost Moon of November, is Lincoln's Guardian Angel from Michigan and she's an incredibly powerful and cool werewolf of The Frost Moon of November. Jackie Frost Moon is a powerful master of the powers of white wolf fire, darkness, ice, The Frost Moon, cold immunity, and all of the powers and rage of the werewolves, and over time, as she grew, she gained all of the incredible strengths and powers of the werewolves along with immortality. Jackie Frost Moon is The Werewolf Frost Moon Angel of The Wolf Moon Night Pack, a group of twelve girls whom Lincoln met and they each have the powers of The Twelve Elemental Wolf Moons, and she was saved by Lincoln who bit her and injected her with his excessively potent lycanthropy and vampirism after she dodged all of Lola's attacks and sent her flying. Jackie trained Lincoln in mastering the powers of white wolf fire, darkness, ice, cold immunity, The Frost Moon, and the powers and rage of the werewolves, and he also gained all of the incredible strengths and powers of the werewolves, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves and men combined along with incredible levels of incredible superhuman speed and he's able to run as fast as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves, plus it also enhanced his night vision, incredible superhuman senses of sight, smell, touch, and taste, and natural hunting instincts as well, and she found out Lincoln's a True Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she kissed him in his werewolf form on the muzzle and made out many times in his werewolf and he came back home all covered in kisses and his wolf tails were wagging like crazy. Lincoln made her a powerful claymore and gave her a wolf moon tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lola with a blazing passion and she wants nothing more than to turn her into a human ice sculpture under The Frost Moon!

Nico: Brr, now that's cold!

May: She also has ice powers and cold immunity, that's pretty impressive! And I can guess Lana took a liking to her.

Lincoln: Yep. Lana likes her, but Lola hates her.

Qin: Ouch. And that made Lana's chances of hanging out with Jackie risky because of Lola.

Lori: We had to literally keep that rampaging pageant demon away when Jackie came over.

Nico: And I can guess you did the same thing to her, just like with Selina.

Lincoln: Yes, I did.

Me: I still remembered that incident, and after Lincoln told me and Varie of what happened, well, let's just say it ended with Lola getting the thrashing of her life from the rest of her sisters.

Nico: Ouch, she met her match. And I can already guess that tomorrow, Casey Antonio's going to transform.

Cage Blunt: Whoever Dark Sebastian's going to send after us, that person's already doomed. But, if that person is an innocent, we'll save him.

Hunter Steele punched Kamejim!

POW!

He knocked him out!

Hunter Steele: What do you guys want to do now?

We came back.

Me: WHOA! THAT WAS INTENSE!

Qin: YEAH!

Electro: We just took down 3 baddies!

Evil Star: How awesome is that?!

Me: It sure was! And we've seen the last of number 7 of the Earth Day 8.

Earth: Tomorrow is my day to shine!

Me: Yep.

Shiv: (to the Spider Riders) You guys helped too.

Hunter Steele: We sure did.

Spiderman: You guys did really awesome!

Gira: See you in 7 days.

Hunter Steele: We'll be waiting.

Gira and Hunter shook hands before Gira petted Shadow, making him purr.

Key: Now what?

Dr. Light: We celebrate in one of the Kingdoms

Me: Good idea.

Lincoln: Lana I'm so proud of you!

Nico: Me too May!

Robin: And me as well Starfire.

Me: Wow!

Nico: Great job today everyone.

Lana: (To the viewers) Boy this was an awesome adventure! Hope you all loved this.

Me: We all did.

We went to Hymeno's kingdom and had a good party. Later Chikyu was merged with Earth and we went back home and got them settled in.

We returned home, and hours later, night fell on the city, but it transitioned to Caleb Maxwell as he was perched on top of the roof of The NYPD precinct which is also next to the Gotham Royal York Police Department precinct.

Caleb Maxwell: So ends another day and another Big Day villain and Eco-Villain finally bites the dust along with another villain from the team's past.

Suddenly, he heard the report come in of a group of thugs doing drug deals in the northern district of the city.

Caleb Maxwell: Better get to work.

Caleb flew out to the northern district and the NYPD Nightshift were already on the move, but by the time they get there, the thugs will already be dead as the moon turns blood red.

Then, Caleb arrived at the northern district of the city and he spots the thugs.

Caleb Maxwell: Hey, shitheads!

Caleb Maxwell raised his guns at the thugs, and then...!

Caleb Maxwell shot the thugs dead and collected their blood and placed it in bottles.

Caleb Maxwell: This should be more than enough for the Vampire Council and for Cage, Mr. Blunt, Travis, and Cronus.

Caleb Maxwell actually remained there by the time The NYPD Nightshift arrived.

Jack Howard: Aw damn, you struck again.

Then, Caleb Maxwell handed Cage Blunt a bottle of freshly bottled blood.

Cage Blunt: (Smirks) You sneaky eavesdropper. Hope you also saved some blood for Travis, Dad, and Cronus.

Caleb Maxwell got out more bottles of freshly bottled blood and gave it to Travis Tackett, James Blunt, and Cronus Chase.

Travis Tackett: Now, that's pretty nice of you.

James Blunt: (To Captain Whitten) So, you're not gonna complain about Caleb's eavesdropping?

Captain Whitten: Caleb's been helping out in his own way despite his dream of being a police officer died with him back in 1985.

The NYPD Nightshift and Caleb Maxwell left and returned to The World Tree Estate.

Earth Day 2024 Part 8 - Finale

The Finale of the Saga.

Earth's Day to Shine

In the early morning hours at 12:12 AM, Lincoln had a dream, and he saw four figures hiding out and living in Tampa, Florida. But, there were no ordinary four figures, they were Soundwave Loud, daughter of Lincoln's future wife, Super Sonico. Sin-Sin Loud, son of Lincoln's future wife, SonSon III. Zee Loud, daughter of Lincoln's future wife, Raim. and Princess Shelly Loud, daughter of Lincoln's future wife, Princess Shirahoshi. Lincoln woke up from the dream, but he wasn't the only one, Super Sonico, SonSon III, Raim, Shirahoshi, Gerenal Jason Dragonzor, Black Alpha, Nico, and I also had the same dream.

Lincoln: Same dream?

Black Alpha: We all did, Lincoln.

Raim: And it also means that we found out where our kids are at.

Me: They're at Tampa, Florida.

Nico: Oh god, no! that's not good at all.

Lincoln: I know right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Black Alpha: we're on it, Lincoln.

As we were about to go to Tampa, Florida, to rescue Soundwave Loud, Zee Loud, Sin-Sin Loud, and Princess Shelly Loud, then suddenly, there was a knock at the door.

Super Sonico: (Confused and went to the door) Who would that be in the middle of the night?

Super Sonico opened the door and saw a cobalt/dark cyan Pegasus with short pale blonde combed mane and tail with red streaks. He wears a white Battle Armor-Suit, Greek Helmet with a T-shaped visor and has a blue right shoulder plate-like and black cape with an Air Element symbol on it. And a young yet beautiful teenage black-red colored Hippogriff, who has orange-colored hair in a ponytail with a flower pin. She wears a black hooded with Chinese-themed vest, blue shorts, long grayish socking, battle gauntlets with dark element symbols on them, and a red sash around her waist. They were Captain Rexstrike and Risa Asashin.

Captain Rexstrike: Greetings, Sonico, SonSon III, Raim, and Princess Shirahoshi.

Princess Shirahoshi: How do you know who we are? Who are you?

Captain Rexstrike: (Salute) Captain Rexstrike, Reporting for duty!

Risa Asashin: I'm Risa Asashin, Assassin of the Shadows. Also, do these young kids belong to you four?

The four kids whore with Captain Rexstrike and Risa Asashin, was a young and beautiful 13 years old girl who has pale skin, large red and blue mismatched eyes, and straight long pink and white hair. She wears a pair of white headphones on her head, a pink hoodie, white skirt, purple leggings, and brown boots. She wields her high-tech guitar of ultimate sound. A slim 14 years old human-monkey hybrid who has peach skin and red fur, brown eyes, and short brown and white hair. He wears white shirt with a red vest, and brown pants. He wield a bo-staff. A 13 years old human-demon hybrid who has fair skin, purple eyes, and long purple, black and white hair. She also has red tail with a heart at the end. She wears black, white and light pink magician classic Lolita dress, black tights, and light pink ballet flats. And a young and beautiful 12 years old giant-sized mermaid who has fair skin, blue eyes, and long flowing pink and white hair. she also has a very long light red, pink and orange striped tail. She wears a pink crop top, and white skirt. They were Soundwave Loud, Sin-Sin Loud, Zee Loud and Princess Shelly Loud.

When Super Sonico, SonSon III, Raim, and Princess Shirahoshi saw them, they were stunned.

SonSon III: (Stunned) How is that possible?

Risa Asashin: Me and Rexstrike found them in Tampa, Florida.

Super Sonico, SonSon III, Raim and Princess Shirahoshi ran up to Soundwave Loud, Sin-Sin Loud, Zee Loud, and Princess Shelly Loud, they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, General Jason Dragonzor, and Black Alpha.

Me: Thanks, Captain Rexstrike and Risa Asashin.

Risa Asashin: Anything for a fellow hero.

Captain Rexstrike: (to Lincoln) Do you have something to say to them?

Lincoln: Of course. (to Soundwave Loud, Sin-Sin Loud, Zee Loud, and Princess Shelly Loud) There's something you should know, Sonico, SonSon III, Raim, Shirahoshi, your mothers are one of my many future wives.

Soundwave Loud, Sin-Sin Loud, Zee Loud and Princess Shelly Loud: Does that mean...you're our father.

Lincoln: (smiled) What else I wouldn't be?

That filled Soundwave Loud, Zee Loud, and Princess Shelly Loud with joy, while Sin-Sin Loud remain calm, but glad to hear it, as Lincoln picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

Then, Lincoln told everyone what happened, and he then introduced Soundwave Loud, Sin-Sin Loud, Zee Loud, and Princess Shelly Loud to the rest of his siblings, who are now their aunts. We were proud of what Lincoln, Captain Rexstrike, and Risa Asashin did in reuniting Super Sonico, SonSon III, Raim, and Princess Shirahoshi with their kids, and Soundwave Loud, Sin-Sin Loud, Zee Loud, and Princess Shelly Loud now has a loving, strong, brave, and caring father in their life. As well as Captain Rexstrike and Risa Asashin join the Team Loud Phoenix Storm as new members of the Ultimate Elementals Heroes. We went back to sleep.

In the early morning hours of 3:24 AM, Lincoln was asleep with his harem, and he had a dark dream: apparently, his dream brought him to an area far from Gotham Royal York, but as he was flying, he saw the mark of Apophis and the Sigil of Malphas in the air and he knew who was there. Then, he saw Dark Sebastian and that lunatic recited a dark incantation, and a black magic circle appeared on the ground, and a massive tornado of darkness appeared.

Then, as the tornado disappeared, what stood in its place was a familiar figure: Captain Pollution. But, if that wasn't enough, that fucked-up demon lunatic along with Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra are planning to unleash havoc and madness untold by unleashing zombies, demons, and all kinds of monsters to bring chaos and anarchy to the world.

Lincoln woke up, and so did his harem and kids.

Lily the Mermaid: Linky, what happened?

Lincoln: It's not good.

Lincoln explained what happened, and they were horrified.

Selena Mendez: I don't fucking believe him! Of all the lines that fucked-up monstrous demon can cross, this is by far the lowest!

Camie Exetor: As if what he did unleashing Hell on Chikyu wasn't bad enough, now he's planning to unleash Hell on Earth?! That bastard!

Lincoln: That's the last straw, we've got to send him and those Dark Church of Malphas and those Order of The Dark Universe chowderheads straight to Hell and keep them locked up until May 5th.

Varie Yulinova: We got to tell everyone about this in the morning. Oh, the rest of the team is gonna freak out uncontrollably when they hear this!

Lincoln and his harem and kids went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right. Guys, you might want to hold onto your seats for this one. Last night, I had a dream, and it brought me to an area far from Gotham Royal York.

Then, Lincoln went on to explain that as he was flying, he saw the mark of Apophis and the Sigil of Malphas in the air and he knew who was there. Then, he saw Dark Sebastian and that lunatic recited a dark incantation, and a black magic circle appeared on the ground, and a massive tornado of darkness appeared.

Then, as the tornado disappeared, what stood in its place was a familiar figure: Captain Pollution. But, if that wasn't enough, that fucked-up demon lunatic along with Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra are planning to unleash havoc and madness untold by unleashing zombies, demons, and all kinds of monsters to bring chaos and anarchy to the world.

WE GASPED!

Nico and his friends: Un-fucking-believable!

Me: That's it, those demonic insane bastards have officially shot themselves right in the ass for this!

Eli: That's an understatement!

Qin: Not exactly, that's the right thing to say! We all knew Dark Sebastian was an insane bastard, but he, along with those Dark Church of Malphas and Order of The Dark Universe chowderheads are also just as demonic and insane as he is!

Trudy Lawrence: (GROWLS) That fucker is still pissing us off with his madness! DAMN HIM!

Nico: Easy, Trudy, easy! We've all had it with that bastard, and there's no way we can wait until May 5th for the war to begin, we need to trap those bastards in Transylvania until that day comes.

Lincoln: I've already got a holy magic-themed spell ready for them, and their dark powers won't be able to help them break out until then.

Me: That's perfect.

Nebula Lanaia: We have to watch out though, we don't know what those demon bastards are going to plan next!

Anna Anyanova: Our Lord and his armies of Angels and Archangels are already keeping an eye out for them, and we'll be alerted when they strike.

Lincoln: That's good.

Suddenly, Lincoln had a premonition.

Lincoln: Oh man. J.D., Our Lord found the Scarecrow of Lord Wolfblood's world and he's sending him to us...right now.

Suddenly, two beams of heavenly light shined down and when they faded, two Archangels appeared and with them was the Scarecrow of Lord Wolfblood's world wrapped in a heavenly golden yellow straitjacket and heavenly chains.

Archangel: We'd found the monster responsible for what happened to Lord Wolfblood.

Nico: Wow, we were going to go after him when he did show up, but...!

Archangel: Our Lord found out that this monster was under the protection of The Black Ooze of The Eldritch.

Me: A.K.A. Dark Sebastian. Thank you both.

Suddenly, Lord Wolfblood appeared.

Lord Wolfblood: YOU! I knew you'd be here, Crane! What you did can never ever be forgiven, because of what you did, Nico killed me! You made him relive his worst nightmare, I will end you!

Lord Wolfblood transformed into his werewolf form and dragged his world's Scarecrow outside and he mutilated him in the same way he mutilated Kuyo's minions, and we saw it all happen outside, and then, he ripped his world's Scarecrow's heart out and ate it, and he let out a vicious unearthly howl that seemed to come from Hell itself, and we banished that fear-inducing bastard to The Black Abyss.

Then, Lincoln went down to Lord Wolfblood who transformed back into human form.

Lord Wolfblood: I am grateful that I at least got my revenge, but this doesn't help that I'll still lose control whenever the full moon rises and...!

Lincoln: I have a way to do so. I found out The Holy Hands of Virtue not only helped in removing The Black Ooze of The Eldritch from Sebastian, but it can also help you not only reign in your werewolf self and your werewolf powers, but also, give you a Nocturnal form and the same humanoid wolf form that J.D., Nico, Eli, and I now have as thanks to the gifts of God.

Lord Wolfblood: Is such a thing possible?!

Suddenly, rainbow fire energy and holy light surrounded Lincoln's hands.

Lincoln: Only one way to find out.

Lincoln placed his hands on Lord Wolfblood's chest, and rainbow fire energy and holy light flooded his body, and we saw it: Lord Wolfblood suddenly reigned in his werewolf self and his werewolf powers suddenly grew even stronger. Suddenly, he started changing as he transformed into a humanoid wolf with blood red eyes and dark grey wolf ears on his head and dark grey fur covering his body and a lighter grey fur covering his chest, stomach, and muzzle and black wolf nose.

Lord Wolfblood: Is that it?

Lincoln: Nope, the real change is about to begin.

Suddenly, Lord Wolfblood grew to 10'6" in height and his muscles grew exponentially as he now has abnormally massive and powerful upper and lower body muscles and twelve-pack abs, but that left him in only tattered pants and he felt a sharp pain on his back as massive black and orange angel wings grew and sprouted out and his tail also grew larger and longer.

Lord Wolfblood: (Groans) Is it over?

Lincoln: It is. Take a look.

Lincoln made a mirror and Lord Wolfblood saw the changes.

Lord Wolfblood: This...this is incredible, and I do feel much stronger than ever, but I also now have more control over myself.

I came down.

Me: I had no idea The Holy Hands of Virtue could do that, incredible.

Lincoln: Mr. Talbot was able to reign in his werewolf self and powers, but Lord Wolfblood didn't do that because he was driven by revenge and uncontrollable bloodlust.

Lord Wolfblood: But, you saved me, Lincoln. (Sad Smile) You did just that.

Suddenly, Lord Wolfblood hugged Lincoln and Lincoln hugged him back.

Nico: I'm glad Lincoln saved you, but what about your world's Nico? We still need to save him from what that bastard did to him.

Lord Wolfblood: I have a feeling we'll run into him on your rescue today.

Lincoln: I still have that Anti-Fear Gas formula and I managed to rework it to destroy every trace of the stronger

Fear Gas that's in his system.

Me: Nice.

We got back inside, but we caught Tyler Maxwell getting into a massive fight with Damian Maxwell, his paternal uncle.

Tyler Maxwell: I cannot believe what you tried to do to my older brother and his little sister! Because of what Dad's relatives did to Aunt Jessica and my other cousins, Michael and Felicia, you gave into a sick desire for revenge and tried to kill my older brother, Caleb, and my younger sister, Allie, two of them who are both innocent and are also Mom's kids, your sister's kids for Pete's sake!

Damian Maxwell: I know, what I did was unforgiveable. Can you forgive me for what I've done?

Tyler Maxwell thought about it: but then, he thought about the brutal attacks on his own dad despite he'd cut ties with his relatives and the attempted murders of his older brother, Caleb, and little sister, Allie, but before he was about to raise his voice, Marlene Maxwell stepped in along with Christiano Maxwell.

Marlene Maxwell: Actually, there's no need to even ask for forgiveness, Damian, and there's no need for you to accept his forgiveness, Tyler.

Tyler Maxwell: But, Mom! After what Gabriel told me about what his Dad did to him, along with what he did to Dad and what he tried to do to Caleb and Allie...!

Christiano Maxwell: I know. But, he's made up for it, he's repented for what he did.

Tyler Maxwell: But..., he...! I...!

Suddenly, Marcus Mackenzie went up to Tyler Maxwell and placed his hands on his shoulders.

Marcus Mackenzie: I understand why you wanted to be angry, but your mother's right, he's repented for his crimes, and like she said, it took time. But, it worked.

Tyler Maxwell: I see...

Suddenly, Lincoln had another premonition.

Lincoln: He's here. Guys, I found the Fear Gas-poisoned Nico of Lord Wolfblood's world, he's at The Great Valley!

WE GASPED!

Aylene Carter: Oh God, we need to get to The Great Valley at once!

Derek Carter: Our friends are in danger.

Carla Carter: You still got that Anti-Fear Gas formula?

Lincoln got out the bottle of the rainbow-colored Anti-Fear Gas formula, but now, it had heavenly light coming off of it.

Me: Whoa.

Nico: That looks so cool.

Lincoln: I added holy light and all things good and holy into it as well, this'll remove the stronger Fear Gas that's in the Nico of Lord Wolfblood's world. Now, let's finish breakfast and head out to The Great Valley.

Nico: You got it.

Earth woke up to see Marill staring at her.

Marill: Morning Earth! Happy Earth Day!

Earth: Oh boy! It's my favorite day!

Marill: Time for breakfast!

She went and got dressed.

Me: Morning Earth. Made your pancakes special.

I gave her special blue raspberry pancakes that were blue and it had green frosting on them that looked like the continents.

Earth: Thanks!

She took a photo of them with her phone.

She then ate them and she loved them.

We finished our breakfast, and we set out to The Great Valley to cure the Nico of Lord Wolfblood's world and take down the next villain on Nico's rescue and send Sergio's thugs to The Black Abyss. After we help Ms. Frizzle's Class.

At Walkerville Elementary, we were there and everyone was getting ready for class.

Me: It's great that you guys got a present for Ms. Frizzle for Earth Day.

Phoebe: We're very excited to show it to her.

Earth: I wonder what it is.

Nico: We'll find out.

Ralphie: Thanks for the get well soon baskets guys.

Me: No problem Ralphie. Sorry you got sick.

Qin: Yeah that sucks.

Me: I know.

Ralphie: It did. But I'm glad to be better.

Tim was working on his Essay Assignment on What Does Earth Day Mean To You.

Tim: (Tears a paper out) What DOES Earth Day mean?

Phoebe: Well to me, Earth Day means thinking about how animals and plants all live together. Like those squirrels and that oak tree.

She saw 2 squirrels in a tree digging and putting nuts in the ground for their food.

Tim: That's great Phoebe. But I don't know what it means so it can't mean that to me. If you know what I mean.

Me: Well keep at it Tim. You'll think of something.

Earth: I love Earth Day very much just like all of you guys like Christmas. It's my favorite day of the year.

Liz came in with a crate.

Keesha: Hey guys! The present's here!

Me: Cool!

Lola: I wonder what's in it.

Simone Houou: It'll be awesome to see. I wasn't with you guys the last time we had Earth Day here because I was sick with a cold.

Carlos: That stinks. Sorry Simone.

Ms. Frizzle: (From in her closet) It's Earth Day! Do you know where your teacher is?

She opened the door and came riding in on an Earth Unicycle.

Ms. Frizzle: Good Morning Class!

Me: Morning Ms. Frizzle!

Simone Houou: Happy Earth Day Ms. Frizzle!

Class: Happy Earth Day Ms. Frizzle!

Ms. Frizzle: And a happy Earth Day to all of you. Earth Day ah my favorite holiday.

Earth: Mine too and I love this holiday too because it's part of who I am.

Me: Yep.

Dorothy Ann: We know and we got you a special Earth Day present Ms. Frizzle from us to you.

Ms. Frizzle: (Gasp) A Present for me? Oh you shouldn't have.

We opened the crate and Liz handed a scroll.

Ms. Frizzle: Why thank you Liz. (Reads it) "Congratulaitons Ms. Frizzle, You have rented a tree in the rainforest. You are helping to preserve all rainforest plants and animals." (Gasp) What a worthwhile gift.

Ralphie: Wait. There's more.

He handed Ms. Frizzle a photo.

Ms. Frizzle: Oh my!

It was a picture of a Cacao Tree.

Ms. Frizzle: My very own Cocoa Tree. How did you know?

Ralphie: We know that cocoa trees make cocoa beans and cocoa beans make chocolate.

Me: That's one of my favorite trees too. The Cacao Tree and it is a natural supplier of cocoa beans for chocolate.

Lisa Loud: Theobroma cacao also known as the Cacao Tree has been a delicious provider of chocolate and sweets for a long time.

Me: We first made chocolate in Mexico back 4,000 years ago and it is still awesome. You would have to be a lunatic to not like chocolate.

Earth: That is for sure.

Ms. Frizzle: Oh my favorite thing on Earth. What a day.

Twilight Sparkle: Who DOESN'T Like chocolate.

Earth: That is for sure.

Dorothy Ann: And listen to this. (Reading a Paper) "As a cocoa tree renter, you are entitled to all the cocoa beans your Cocoa Tree produces for one year."

Nico: Wow! 12 Months of Cocoa Beans. That is cool.

Varie: It sure is.

Liz got out a red can.

Arnold: And here's your first shipment of Cocoa Beans.

Me: Looking forward to this.

She shook it.

Class: Open it!

She looked in and dumped it out and there was ONLY ONE BEAN!

Class: (GASPS) THAT'S IT?!

Me: What in the!?

Dorothy Ann: One measly shriveled...

Ms. Frizzle: Cocoa Bean!

Carlos: We've been had!

Ms. Frizzle: Look there's a note. (Reads a note) "Due to circumstances beyond my control, your cocoa tree is temporarily experiencing a Cocoa Bean Shortage. Signed Inspector 47."

Dorothy Ann: A Temporary Cocoa Bean Shortage?

Tim: What's that supposed to mean?

Keesha: It means no cocoa beans.

Tim: But why? Things don't happen without a reason.

Me: Something is very fishy.

Nico: Yeah Cacao Trees usually produce LOTS of beans this time of year.

Ms. Frizzle: Ah (Earrings Glow) Ah a meaningful point everyone.

Dorothy Ann: Ms. Frizzle, where are you going?

Ms. Frizzle: To the rainforest.

Me: We'll go too and Ms. Frizzle we have someone who wants to come with. Someone who you all haven't seen in a while.

Ms. Frizzle: Who?

The door opened and in came Natalie Frizzle!

They gasped!

Natalie Frizzle: Long time no see everyone! Hi mom! I'm back.

Ms. Frizzle: Natalie!

She hugged her.

Class: NATALIE!

They hugged her.

Me: Awesome reunion.

Natalie Frizzle: I'm back guys. I wanted to surprise you all for Earth Day.

Lola: Yep and it was fun.

Me: Lets go with her to help her out.

Nico: You heard him!

We went to the bus and we were off to Costa Rica!

The Case of the Missing Cocoa Beans was on.

The bus turned into a Blimp and we were off.

Ms. Frizzle: WAHOO!

Lola: This is gonna be awesome!

Dorothy Ann: Don't worry guys, according to my sense of truth, justice and the Milky Way, I'll crack the Case of the Missing Cocoa Beans or my name is not...

Ms. Frizzle: (Finishes for her) Detective D.A.!

Ms. Frizzle pulled a lever and Dorothy Ann got a Trench Coat, a fedora hat and a magnifying glass.

Varie: Awesome detective gear D.A.

Dorothy Ann: Thanks Varie. Hey what's this? (Pulls out a badge) Cool! My own R.F.I. License!

Tim: What's an R.F.I.?

Ms. Frizzle: A Rain Forest Investigator.

Earth: It's a detective organization that works to figure out what's going on in the forests.

Ms. Frizzle: Yep. Every continent needs a few.

She pulled out a book.

Dorothy Ann: And a rainforest handbook! Now I've got everything.

Ms. Frizzle: Except a partner. Every Good detective needs a partner.

Tim got the same gear and a handheld computer.

Me: This will be awesome.

Ms. Frizzle: Dorothy Ann's In charge of the investigation Tim. And you're in charge of The Big Picture.

Tim: The Big Picture?

Ms. Frizzle: As big as Earth itself!

Earth: As big as me.

Me: Yep.

We arrived at the Costa Rica Rainforest.

Me: We're here guys.

Carlos: WHOA! It's wall to wall trees down there!

Phoebe: It looks like they are all connected to each other.

Nico: The rainforest is a huge place.

Me: Looks like we're going to have fun here.

Keesha: How are we EVER Going to find Ms. Frizzle's tree?

Qin: It'll be like looking for a needle in a haystack.

Me: We've been to this place many times before. So we know our way around.

Ms. Frizzle: As my old parachute instructor used to say: "Look before you leap and never jump to conclusions!"

Natalie Frizzle: I remember that mom! So cool!

Ms. Frizzle: It sure is. On the other hand, Take over Liz!

The door opened.

Ms. Frizzle: Single File please!

Me: Here we go!

We got photos of Ms. Frizzle's tree and We jumped out and flew and jumped down. We flew down.

Phoebe: Look how many different kinds of trees there are.

Arnold: And birds and animals.

We saw monkeys and animals and birds of all kinds.

Fluttershy: Oh they are so adorable and amazing.

Lilja: (Icelandic Accent) They sure are mom.

Wanda: And insects.

Me: The rainforest has a lot of different kinds of insects too.

Ms. Frizzle: WAHOO!

Me: Brace for landing everyone!

We laned and Carlos landed on a tree with some monkeys eating fruit.

Carlos: Excuse me guys.

They saw him.

He held up the photo.

Carlos: Have you seen this tree?

The monkeys threw fruit at him.

Me: Hey stop that!

Fluttershy: Now now guys, Carlos is just asking a question.

Fluttershy asked them about it.

The monkeys chittered.

Fluttershy: Oh they have not seen it actually.

Me: Darn.

Fluttershy: Thank you guys.

We flew down.

Ralphie: EW! What's all this sticky stuff?

Me: It's just fruit juice guys.

Wanda: Yum it sure is.

Ralphie: Wow! Those monkeys are real juicers for all these ants.

We saw an anteater eating ants.

Me: Hey an Anteater.

Carlos: (LAUGHS) This must be his favorite rainforest Restaur-ant!

WE LAUGHED!

Luan: (LAUGHS) Good one Carlos!

Me: I get it.

Natalie Frizzle: I missed those jokes of yours Carlos.

We landed.

Me: Wow!

Tim: Hey guys take a look at this. The rainforest is home to more than just cocoa trees, there are loads of fruit trees too!

Me: The rainforest is home a wide variety of them.

Tim: And if we're looking for suspects, maybe it's one of these guys. Maybe they like cocoa beans too.

Me: I don't think the animals in the rainforest like cocoa beans that much. In fact I don't think I've ever seen any animals eat them.

Lisa Loud: Actually J.D. there are certain species of monkeys, bats, birds and rodents that eat the beans of the cacao tree.

Me: Oh I stand corrected. Thank you Lisa.

Lisa Loud: You're welcome.

Dorothy Ann: We got to find Ms. Frizzle's tree and a suspect named Inspector 47.

Keesha: D.A.! We got a match! There's the Frizz's tree!

We saw the tree!

Me: There it is!

Laney: Wow!

Keesha: It's your Cocoa Tree all right Ms. Frizzle.

Ms. Frizzle: Oh it's beautiful! I just want to hug it.

Me: Wouldn't we all. We got loads of Cacao Trees like this in our greenhouse back at the estate.

Nico: We sure do.

Dorothy Ann: Sorry guys you can't touch a thing. According to my handbook we got to dust for fingerprints.

Me: I don't think fingerprints would show on a tree like this.

Laney: He's right on that.

Tim: And according to this picture, the tree should be covered with pods. But it's not. There's only flowers. How come?

I looked at them.

Me: Hmm. These flowers are what they start at before they become Cocoa Pods.

Dorothy Ann: Yeah there's no sign the pods have been picked. It's as if the cocoa tree just stopped making them.

Ralphie: No pods, no beans.

Phoebe: But the tree is healthy and full of flowers.

Laney checked it and her hand glowed blue.

Laney: Yep the tree is perfectly healthy and in the right environmental conditions.

Arnold: So what's going on?

But then...

SPROING!

A NET TRAP CAPTURED MS. FRIZZLE AND HER CLASS!

Me: WHAT THE!?

Nico: A NET TRAP!

Class: HEY! HELP!

Me: A NET TRAP!? Who put this here!?

Carlos: Congratulations D.A. Looks like this case is all Wrapped up!

All: CARLOS!

Me: That was good. I'll have you guys down in a jiffy!

I slashed the net and cut it and then...

SMASH!

They crashed landed on the ground.

Class: (GRUNTS IN PAIN)

Me: Sorry. I hope there are no poachers in the area.

Then a blue truck came.

Me: I wonder who's truck that is.

Out came a man in a white suit.

Man: (French Accent) At last. I have captured ze cocoa bean thieves.

Me: All you captured was a bunch of superior officers!

Dorothy Ann: And some trouble mister!

We showed our badges.

Man: Team Loud Phoenix Storm and a Rain Forest Investigator! Mon Dieu! My humble apologies.

Me: That net trap was yours? Well you surprised us that's for sure. We thought poachers were here.

Marinette: Nice to meet another citizen of Paris.

Man: Ah Mademoisselle Marinette it's an honor. (Pleading) Oh please please do not report me to Inspector 1. If he were to find out...

Dorothy Ann: Wait a minute, who are you?

Inspector 47: (Shows his badge) I am Inspector 47. Zis is my patch of rainforest.

Me: Pleasure to meet you sir. Sorry to drop in like this. But we are on a case here.

Dorothy Ann: Well zis is a tree we rented for Ms. Frizzle.

Me: That's right. It's an Earth Day present for her.

Inspector 47: Ms. Frizzle? Ah and her students. Of course.

Me: Yep and Team Loud Phoenix Storm is here to help.

Inspector 47: Ah you are here about ze cocoa bean shortage are you not?

Me: Yes we are good sir.

Inspector 47: Ah (LAUGHS) You're not alone.

Tim: And neither is Ms. Frizzle's tree. It looks like NONE of these Cocoa Trees have pods.

Natalie Frizzle: How bizzare.

Me: I hope this doesn't turn out to be a nasty problem for a bunch of Rainforest Rentals Catalog Subscribers.

Nico: Yeah.

Inspector 47: Well zey used to but for some reason all of ze pods have gone poof. Zat is the bad news. But ze good news is all ze mud wallows have also gone poof.

Dorothy Ann: Mud Wallows?

Me: Puddles of mud for peccary pigs to wallow in.

Inspector 47: Oui patches of filthy mud filled with ze little pools of disgusting water.

Lana: The kind of mud I like.

Me: Lana is always like that sir. You just have to put up with it.

Inspector 47: Not only that I have gotten rid of ze horrible bugs and the pesky peccaries.

Me: Weird. But sir with all due respect we didn't come down here to study about zones like this we came to crack the case of Ms. Frizzle's tree and why it's not making beans.

Inspector 47: How about Inspector 46?

All: Inspector 46?

Inspector 47: Yes Inspector 46. My neighbor is madly jealous of my bug free, peccary free, mud free place of work so he put ze curse on my cocoa trees! Zat is why zey no longer produce ze cocoa beans!

He left.

Me: Hmm! I'm beginning to have doubts. He's hiding something.

Eli: Yeah I sense it. He's up to no good and it's big.

Tim: I wonder if the bugs and peccaries could have something to do with the missing cocoa beans.

Me: That is a possibility.

Dorothy Ann: Stick to the facts Tim. The facts. This is about cocoa beans, period.

Me: I think it goes deeper than that.

Ms. Frizzle: But the question still remains. What would cause healthy cocoa trees to stop making pods?

Wanda: Hey guys! Look over here!

We saw Wanda looking at a hummingbird pollenating flowers.

Wanda: A hummingbird with pollen on its beak. Isn't he cool?

Fluttershy: Oh he sure is Wanda. That's how he gets Pollen for flowers.

Wanda: That is cool. Look how he fits just inside the flower.

Me: That is cool.

We saw him fly to another flower.

Me: Looks like we got to check elsewhere.

Ms. Frizzle: As my cousin Bea always says (Imitating Bea) Pods gotta travel for its wonders to unravel.

Natalie Frizzle: I remember that mom.

Nico: Did she say that?

Simone Houou: She sure did and that was cool.

Tim: Okay so the hummingbird carries pollen from flower to flower, pollenating them so they turn into seeds or fruits or bean pods.

Qin: So the flowers never got pollenated.

Simone Houou: Yeah! Remember how we learned all about pollenation when we were in Phoebe's Old School?

Phoebe: I sure do. That was cool.

Qin: So no pollenation, no pods and no beans.

Me: Let me see.

I went and looked at a flower and it was full of pollen.

Me: Looks like there's plenty of pollen on ALL these flowers.

Then a bee came.

Me: Whoa a bee!

Arnold: I think it's going to pollenate Ms. Frizzle's tree.

Dorothy Ann: No way Arn. This bee is much too big to get into a cocoa tree flower.

Me: We're going to need to find a much tinier bug that pollenates these.

Tim: So where are they?

Earth: Looks like we're going to have to look in another part of the forest.

We were off.

We were flying and the bus turned into a jeep.

Me: Wow this is amazing.

We saw the bus driving through mud.

Speaker: You are now leaving the Mud Free Zone. Beware the Peccaries, the Bugs and the Filthy Mud.

Then...

KRASPLAT!

The kids were covered in mud!

Me: YUCK!

Lana: Lucky!

Laney: Muddy isn't it.

Wanda: Man, Inspector 47 sure has got a thing about mud.

Lincoln was carrying Rarity on his back.

Rarity: Indeed he does darlings. EW! I don't think I would like this.

Lincoln: I'll hold on to you Rarity to keep you from getting filthy.

Rarity: Oh thank you darling.

Tim: And I've got a hunch it has something to do with the missing cocoa beans.

Ms. Frizzle: A Connection worth detection Tim.

Dorothy Ann: But Ms. Frizzle, what could mud possibly have to do with Cocoa Beans. Besides we're searching for teeny insects.

Me: Well the Rainforest is full of thousands of species of insects. It could be either one of them.

Ralphie: Is it just me or are we about to get down and muddy with a...

Arnold: PACK OF PECCARIES!

Me: UH OH!

Class: WATCH OUT!

Ms. Frizzle hit the breaks and they skidded and were COVERED IN MUD!

Me: WHAT A MESSY STOP!

Natalie Frizzle: Like mom says, take chances, make mistakes and get messy!

Ms. Frizzle tried starting the engine and revving it but it made everyone messy! She then pressed a button and it had a spring on it.

BOING!

The seats ejected them with a powerful spring and they landed in front of a bunch of cocoa trees.

Class: WHOAAAAAAA!

We landed

Ms. Frizzle: Now that's what I call Springing into Action!

Me: That's one way to get ejected!

Eli: Hey guys look!

Carlos: Whoa! Look at all these cocoa trees!

Keesha: And they're loaded with pods.

Me: Lots of them. These are what they look like when the flowers get pollinated.

Laney: Yeah.

Tim: And they are full of cocoa beans.

Nico: We should take some of these pods with us.

Eli: Good idea.

Dorothy Ann: And where there's a working Cocoa Tree we should find our missing insect.

We saw a flower getting pollinated by a tiny fly insect.

Me: That's a small fly.

Lisa Loud: I believe that is an insect of the class Ceratopogonidae.

Me: The Biting Midge Fly, of course!

Ralphie: So I get it! (Thought bubble shows a Midge Fly) Midge Flies carry the pollen...

Phoebe: (Thought bubble shows a fly pollinating a flower) from the flower of one cocoa tree to the next.

Carlos: (Thought bubble shows pods growing) And the pollinated flowers turn into pods.

Keesha: That are filled with cocoa beans...

Arnold: (Thought Bubble shows chocolate and desserts.) That make chocolate!

Me: That does make a lot of sense there.

Natalie Frizzle: It sure does.

Ms. Frizzle: Get the picture Tim?

Tim: Got it Ms. Frizzle. It's all in here.

Then water landed on Tim.

SPLASH!

Tim: HEY! Where'd the water come from?

Ms. Frizzle: Up there.

We saw a huge red flower.

Me: Wow!

Tim: What's that?

Ms. Frizzle: A Bromeliad.

Me: That's one of my favorite kinds of flowers.

Ms. Frizzle: Need to take a closer look?

Me: Lets.

Me and Tim went up to it. Tim climbed the tree and looked in and I flew up and looked in. We looked in.

Tim: Check it out! You're not going to believe it.

Me: Look what's in here guys.

Tim: There's a whole world of life going on in here. There's a Slug drinking water, an iguana taking a bath, a frog laying eggs and the eggs hatching into tadpoles.

Me: Bromeliads hold a symbiotic relationship with many creatures.

Nico: That is cool!

Wanda: All in the same plant?

Me: Yeah.

Tim: Yeah it's all like they are part of the same tiny world. Living, eating and hatching in this one little pool of water.

Dorothy Ann: Unlike these midge flies. It's got nothing to do with our cocoa trees. If we can get these midges back to Ms. Frizzle's tree, our problems solved.

Tim: Hold it D.A. What happens when those midges die? We'll be right back where we started.

Me: He's right on that.

Ms. Frizzle: Could the picture be a little bigger than you thought D.A.?

Dorothy Ann: No way! The solution to this mystery is the midges. I'm sure of it.

Arnold: But D.A. Don't you wanna know why the Midges Disappeared?

Tim: Yeah! Things aren't always what they seem. Like this bromeliad, it's not just a plant it's a pond of water too. And things live in water. Take away the pond and the slug, the frog and the insects would all disappear!

HE FELL OFF THE TREE AND THEN...

KRASPLAT!

HE FELL RIGHT INTO A MUD WALLOW!

Class: TIM!

Me: Are you alright!?

He spit out the mud.

Tim: Uch! What Earth Day means to me.

Me: Man you are a mess.

We helped him up as we laughed.

Carlos: Welcome to Mudville Tim.

Me: Are you alright?

Tim: Yeah I'll be fine. Mudville, this is Bugville! Wait! D.A. Quick your magnifying glass!

She handed it to him and he looked.

Tim: Just as I suspected. A Mud Wallow for the peccaries is also home sweet home for the midge flies.

Dorothy Ann: You're right! It seems that watery mud wallows are the perfect place for laying eggs, hatching larvae and raising midges.

Me: So the mud wallows are breeding grounds for them.

Ms. Frizzle: The plot and the mud thickens.

Tim: I told you mud had something to do with it! (Thought Bubble shows Peccaries running.) Inspector 47 got rid of the peccaries, (Mud Puddles harden and dry out) Which got rid of the mud wallows, (The insects all flew away) which got rid of the insects, (Changes to Cocoa Trees) Which got rid of the cocoa pods because the cocoa flowers never got pollenated.

Eli: I knew he was up to something!

Me: I knew something was fishy about that guy! He caused all this!

Dorothy Ann: Then Inspector 47 is our culprit after all!

Keesha: But how did he get rid of the Peccaries?

Me: That is the $1,000,000.00 Question.

Ralphie: I think he missed a few!

We saw A PECCARY STAMPEDE COMING!

Class: PECCARY STAMPEDE!

Me: RUN FOR YOUR LIVES EVERYONE!

We ran and then Liz went and pushed a button and a pair of hands grabbed the kids and put them in the bus.

Dorothy Ann and Tim were riding Peccaries by accident.

The kids were in the bus.

All: Thank you!

Me: You all okay?

They nodded.

Me: Lets follow those two!

We followed them.

We flew after them.

Speaker: You are now entering the mud free zone.

Tim: We're back in Inspector 47's Patch of Rainforest!

I caught up with them.

Me: There!

Inspector 47: Go around! Go Back! Shoo! Go Away!

We went passed him and Inspector 47 got mud all over his suit!

I grabbed them both and we stopped.

Me: WHEW! At least we're here.

Inspector 47: Oh Look what you have done to my suit! I will not allow zose filthy animals in my patch of ze Rainforest!

Me: Sorry Inspector.

I snapped my fingers and he was clean.

Me: Now we have some things we need to discuss about why you need those animals!

Dorothy Ann: Those filthy animals as you put it are just what your cocoa trees need to make cocoa beans.

Inspector 47: (Sarcastically) Of course, it is ze peccaries who make ze cocoa beans! (Laughs) She is not only a Rain

Forest Investigator, she's a comedian!

Me: Well for your information Inspector it's all true.

Dorothy Ann: So we'll see who has the last laugh Inspector.

We had everyone come.

Dorothy Ann: For your trees to make pods with beans, your cocoa flowers need to get pollenated by midge flies and midges need watery mud wallows to breed in and mud wallows are made by peccaries.

Me: Do you get what we're talking about?

Inspector 47: Oui.

Me: Then we'll go on.

Dorothy Ann: The Peccaries that made the mud wallows left because well..

Me: Wait I see something.

I looked at the ground and lifted up grass?

Tim: What's this?

Me: It feels like Synthetic Grass.

Tim: So THAT'S IT! The peccaries left because there was no ground to wallow in! Because you Inspector 47 covered the rainforest floor with Artificial Turf!

We gasped!

Dorothy Ann: Is this true?

Me: Well?

Inspector 47: Yes. (Crying) IT IS TRUE! BUT HOW WAS I TO KNOW A LITTLE ARTIFICIAL TURF WOULD RUIN MY COCOA TREES!?

Tim: That's because you weer messing up the Big Picture.

Inspector 47: Parde moi?

Me: He means you're messing up something VERY IMPORTANT.

Inspector 47: What?

Earth pointed to herself.

Earth: You're messing up me and my ecosystem.

Tim: Whether it's the Blossom Tree that feeds the monkey that feeds the ant the feeds the anteater or the tree that gives the bromeliad plant a lift to the light which gives animals in the trees a place to eat, drink and to breathe. The truth is the Rainforest is filled with plants and animals that connected in lots of ways. And all the connections in this big picture form a web. The Web of Life. And all plants, and all animals, including people, Squirrels, Oak Trees, Cocoa Beans, Peccaries, fish, or Inspectors are part of the web. It's what Earth Day is all about.

Me: I couldn't have said it better myself.

Inspector 47: All I wanted was to save on my dry cleaning bill and mon dieu I have SPOILED ZE WEB OF LIFE!

Ms. Frizzle: It can happen inspector. But in this case, nothing as been ruined.

Inspector 47: It hasn't?

Phoebe: No. We can repair the link between peccaries and cocoa beans by returning things to the way they were.

Earth: Starting with this!

Earth ripped the Artificial Turf out of the ground and it was gone.

Fluttershy called back the peccaries, insects and more.

I helped the Cocoa Trees get pods.

Nico: That was awesome!

Me: YEAH!

We gathered lots of pods.

We later went back to the school and made cookies and cakes and more and everyone loved them.

Dorothy Ann: That was awesome!

Me: It sure was! We learned so much about how the Rainforest affects Cacao Trees and that was fun.

Lola: It sure was.

Nico: Yep.

We had a great time.

Later it was time for the rescue and Nico, Princess Neri, The Ripping Friends, Ellie Singh, Evelyn Burmingham, Jen Tennyson, Eddy, Yugi, Tea, Jaden, Jesse Anderson, Allenby

Aylene Carter: It sure is.

Lola: I agree there.

Qin: I always like coming here.

Ymir: That is so cool that you guys come here from time to time.

Camie: It sure is and we have fun here.

Varie: We sure do.

Wind Man: I'm always up for some fun on this.

Nico: Wind Man, I want to thank you, Rainy Turtloid, and your teams for coming

Wind Man: No problem Nico. This is always gonna be fun.

Temari: It sure will be fun.

Lola: I agree.

Nico: Temari, what do you like to do in your free time?

Temari: Well I usually like to help my brothers. But I also like to help with relations with the Leaf. As Ambassador of the Leaf, I am always busy.

Me: It's true. Temari represents the Leaf for her Ambassador work. And no she doesn't have any missions like most of us do it's part of our missions as shinobi.

Nico: I kinda figured that.

Temari: But aside from that I help teach a team and make them great shinobi.

Me: That's cool Temari.

Temari: It sure is.

Nico: That's a good job to have.

Temari: It sure is.

Me: Yeah. That is for sure. Your dad would be very proud of Gaara.

Temari: If dad were still around, mom would raise verbal hell on him.

Nico: Why?

Me: He was forced to do all kinds of terrible things to Gaara because of the Council's corruption and them taking too much power away from the Kage and using it against them.

Nico: I see.

Me: Yeah. When I arrived in the Leaf and helped Naruto, I told Lord Third to stop listening to those dirt clods on the council and grab the bull by the horns and tell them that enough is enough and that the Civilian Council has stayed in power for far too long. After the Uchiha Clan Massacre was done I told Lord Hokage that it was time to disband the Civilian Council and send the Elders to prison.

Nico: Good. They abused their power for far too long.

Me: Yep.

Maria: I agree.

Me: Great.

Gangetsu: I'm glad you all put the councils in their place.

Qin: They had it coming.

Me: Yep.

Lana: I agree.

Me: Lana, you, May and Starfire all did an amazing job yesterday.

Gira: Boy that was awesome guys!

Hymeno: It sure was!

Me: Yeah! And explosive!

Gira: We finally had a proper team up with you guys!

Me: Yeah you sure did! WOW!

Laney: That was awesome!

Lana: I'll say!

Rita Loud: And we got rid of that monster Hans!

Lana: We sure did Mom.

Gira: And we saw the horrors of Blood and Honey.

Mascots: LOOK AT IT!

Poromon: Sorry you had to see what that was like.

Me: I had no idea you guys would take it so hard.

Rita: I personally think you had the right idea settling that with a trial.

Me: Thanks Rita. But it was Blu that gave us the idea so he deserves some of the credit for that.

Lana: Yeah.

Me: Are you guys doing okay? You had quite a shock seeing the trailer.

Yanma: We're fine.

Yanma looked at his hand that was bandaged.

Yanma: That hurt bad.

Varie: You'll be alright though.

Rita: I had no idea I could scream that loud.

Me: Yikes.

Gira: Sorry you guys had to see me throw up like that.

Me: We're pretty much used to it. At least we got rid of the real thing.

Poromon: Yeah. Also we use the movie as a torture method in prisons to torture prisoners.

Me: No harm in that.

Qin: Yeah.

Hymeno: I'm glad I was right about you guys using Digimon next.

Me: That was an awesome idea too.

Camie: It sure was.

Earth: But Lana's Akuma that showed up was a REALLY FOULMOUTHED Toilet!

Me: I've heard of potty mouths but this is ridiculous!

Numbuh One: Like Potty Mouth.

Me: And smelled just as bad.

Lana: I thought it was awesome!

Me: Yeah!

Camie: That was the most foulmouthed Akuma ever!

Qin: No Kidding,

Me: But either way we destroyed Zarm, Dujardin and Hans forever.

Lana: Yep.

Earth: That's 7 ecovillains dead. Now all that's left is my day to shine today. This will be fun.

Nico: Unfortunately, the one left is the most dangerous one

Me: Captain Pollution. He'll be a bigger challenge.

Laney: Yeah no kidding.

Lana: But we're ready for him.

Earth: We sure are.

Lana: We also saw Gaia's Akuma and she was awesome. But I wonder what Captain Planet's Akuma will be like.

Me: We'll find out later.

Nico: I dread seeing what it is.

Me: Yeah.

Lincoln: Okay, guys, we're in for one terrifying battle, we're here in The Great Valley, but here's the villain we're going after: his name is Plaghidorasaurus, the 3rd hypothetical Akuma of Eli and he is a slimy and disgusting three headed zombie sauropod dinosaur! He is a disgusting monstrosity! He has slime and horror powers. He was made because of LeLouch hurting Nunnally and vowed to kill LeLouch.

Lincoln got out his sketchpad and we saw him: he was based on the Infected Argentinosaurus, but with Three heads and with green disgusting angel wings, and we freaked out!

Me: OH MY...! (VOMITS)

Aylene Carter: No way!

Eli: My God!

Aylene was horrified.

Lord Wolfblood: Is Aylene still afraid of the Infected Argentinosaurus?

Me: No, she conquered that fear long ago by destroying him. But, I have a feeling that it's back.

Nico: We got to be ready by then.

Me: Yeah.

Ymir: Oh man! That is scary! What was that like?

Me: Well lets just say it was awful.

Deadpool: It was on the show Primal and on April 1st, 2020 that became one of the darkest episodes of the show.

Jamesdean5842: He's right and NO ONE was laughing when that one came out.

Ymir: What happened?

Me: Well it was awful. Made Aylene cry for days.

I went over the history of the Infected Argentinosaurus.

This individual Argentinosaurus was a part of a larger herd that inhabited a seemingly peaceful forest, which included a large watering hole and hundreds of trees for browsing. While feeding with its herd, the sauropod encountered a sick Parasaurolophus acting madly and with flesh rotting off its bones. Not seeing it as a threat, the Argentinosaurus continued eating before it was bitten by the infected Parasaurolophus. The giant herbivore reacted instinctually and killed the sick hadrosaur by kicking it off of its leg and into a tree, but its fate had already been sealed. The disease immediately began taking over the sauropod's body, causing it to become deathly ill. Feverish and struggling to breathe, the now-sickly Argentinosaurus walked to the watering hole and drank deeply, gazing at its reflection in the water before proceeding to vomit up massive amounts of blood.

The herd looked in fear as the sick sauropod flew into a panicked rage, thrashing wildly as the disease completely took over its body. No longer in control of its own actions, the dinosaur turned on its own herd and began rampaging through the forest, smashing nests filled with eggs, killing any of its kin who tried to stop it, and then chasing down the ones that tried to flee. Sometime later, Spear and Fang happened upon the massacre, unwittingly stirring the infected Argentinosaurus to action as it detected new victims. A brutal chase ensued through the forest, ending with the enormous dinosaur falling down a cliff in a blind attempt to get at its prey. After a hard landing at the bottom of the cliff, it began slamming its head on the cliff walls around it, knocking itself unconscious.

Later that night, Spear and Fang decided to try sneaking away from the seemingly inactive creature, only for it to stir awake and resume the chase with renewed ferocity. It was seemingly thwarted when it got itself stuck in the narrow exit of a ravine, but it managed to force itself through at the cost of most of the flesh on its sides. It proceeded to chase Spear and Fang into an active volcanic plain, but its aggression and weight would prove to be its downfall; its next attempt to lunge at its quarry only caused it to break through the rocky crust and fall into the lava below.

Despite slowly burning alive, the infected Argentinosaurus refused to give up, actively burrowing under the rock and bursting through ahead of Spear and Fang in an effort to catch them by surprise; ironically, this assisted their escape of the lava field, with its body and neck acting as a makeshift ramp to help the caveman and dinosaur reach solid ground on the other end of the plain. With its victims out of reach, the plague-maddened sauropod could only flail and roar in agony and impotent rage as its weight and crumbling limbs prevented it from escaping its fiery doom. Spear and Fang looked on somberly as the former Argentinosaurus was fully immolated, reducing it to nothing but ashes that blew away in the wind.

When I was done, YMIR BURSTED INTO TEARS AND IT WAS AWFUL!

I went and comforted her.

Aylene Carter: It was awful. A gentle giant turned into a monster like that.

Me: I know. It was terrible. We had to destroy it completely.

Qin: Yeah.

Deadpool: It was back in chapter 1217.

Jamesdean5842: Yeah no kidding. That was probably the most uneasy chapter we did.

Me: I see.

Lord Wolfblood suddenly caught a familiar scent.

Lord Wolfblood: And the Nico of my world is here. We got to watch it, with that stronger Fear Gas in his system, he's dangerously unstable.

Me: We'll keep an eye out.

Suddenly, Lincoln had a premonition as the gold versions of The Trinity Mirror behind his large gold halo with four large orbiting gold rings behind his head fired beams of light and they formed into a one-way mirror: it appears Sergio has sent some hired thugs to kill us.

Lincoln: Sergio, why you little...!

Nico: Sergio again?

Lincoln: Yes, he's sent his hired thugs after us.

Me: I thought they...!

Sly Cooper: Afraid not, the thugs were completely stupid and they forgot that Sergio was going to backstab them, and they went back to being his hired thugs.

Nico: Unbelievable, well, we'll run into Sergio's thugs along with another of your cousins, Sly.

Ed Cowart: Right.

Lori: That bird is literally getting on our nerves.

Ronnie Anne: Now, you know what Bobby and the rest of us had to deal with from Sergio.

Lincoln: Let's get going.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings and the gold version of the Trinity Mirror behind his large gold halo fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding

out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: This is it.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln turned the tips of his eleven massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and twenty-four sets of large white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln was done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I knew increasing the strength and potency of my Min's Egyptian Virility Drain Curse on those two was a good idea. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Plaghidorasaurus and Lord Wolfblood's Nico) Got them! I spotted Plaghidorasaurus, he's 20 yards away, and Lord Wolfblood's Nico is out there destroying everything.

Lord Wolfblood: Let's find my world's Nico and cure him, then we get Plaghidorasaurus.

Nico: Right.

Me: Let's go!

Hikaru heard a Pokemon Cry.

Hikaru: Look!

We saw a Magnemite float over around Hikaru.

Me: Cool a Magnemite!

Ash: Reminds me of the one that liked Pikachu.

Me: Wow.

Magnemite: This is one crazy place though.

Me: It is.

Hikaru: You hungry?

Magnemite: Sure.

He gave it apples and it liked them.

Magnemite: Thanks.

Hikaru: You're welcome. Wanna come with us?

Magnemite: Sure!

Me: Cool!

Poromon: Yay!

Me: Yep.

But then a rumble was felt and then bursting out of the ground in front of us was A CRYSTAL ONIX!

Me: WHOA! Is that an Onix!?

Brock: WHOA! It's a Crystal Onix!

Qin: Amazing! An Onix made of crystal!

Nico: Wasn't expecting that!

Qin: It's beautiful!

Rarity: Oh my goodness! Seeing an Onix like this is amazing darlings.

Me: It must be one of Dark Gale's work.

Pipsqueak: (British Accent) Let me see here.

He used telepathy and gasped!

Pipsqueak: It's my sister Chalcanthite Aurora!

Me: WHOA!

Horsea: WHAT?!

Pipsqueak: We'll explain later! Lets go!

Me and Pipsqueak went over.

Pipsqueak: Chalcanthite it's me Pip!

All she did was try to crush him with her tail

We jumped out of the way!

Pipsqueak: Oh man! That was close.

Me: We got to do this the hard way.

We fired waves of energy and blasted her all over.

Me: WHOA!

We saw that our blasts didn't have any effect on her.

Me: WHOA! This is a tough one!

She tried to crush Horsea with her tail but Horsea dodged her.

Brock: Blast her with fire! Crystal Onix is weak against fire!

Me: WHOA! Thanks Brock!

Me and Pip fired waves of fire and blasted her down.

I snapped my fingers and she reverted back and was a girl with blue hair and blue eyes and had blue angel wings that were sparkling and she had Crystal Onix on her forehead and had a crystal cluster cutie mark with aurora around it.

We wrapped her in a blanket and brought her over.

Me: WOW! That was cool!

Brock: We saw a Crystal Onix before and that one was a really amazing sight to see.

Me: I never even knew there was a Crystal Onix.

Camie: It looked like an Onix made of diamond.

Brock: It sure did. But yeah it was cool.

Me: It sure was.

She woke up to see Horsea's stern face.

Horsea: You almost crushed me!

Maria picked her up.

Maria: Horsea calm down.

Chalcanthite Aurora: (British Accent) What happened?

Pipsqueak: Chalcanthite?

Chalcanthite Aurora: Pip? (GASP) It is you little bro!

She and Pip hugged.

Pipsqueak: I'm so glad you're okay.

Chalcanthite Aurora: I am too. What happened? Where am I?

Me: You're in the Great Valley.

Aylene Carter: Long story. But you were turned into a Crystal Onix by Dark Gale.

Chalcanthite Aurora: Oh man! And I remember! Wait there is a Crystal Onix?

Me: Yeah believe it or not there is.

Brock: But it's an extremely rare kind of Onix.

Chalcanthite Aurora: Oh wow! And I remember.

She was in a blue suit and injected and then in a huge crystal cluster she turned into CRYSTAL ONIX! She busted out of the base.

FLASHBACK ENDS

Chalcanthite Aurora: It was awful.

Me: I know. But we destroyed Dark Gale forever.

Laney: Long story.

Nico: Your role in Sonya's team?

Chalcanthite Aurora: I am the Crystalmancer of the team and use crystals and jewels to blast our enemies. Outside the team I am a treasure hunter. I go around the world and find amazing treasure for everyone to see.

Nicole: Welcome to the treasure hunter club.

Nico: Yep.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new blue and purple clothes and a crystal sword.

Chalcanthite Aurora: I look amazing.

Nico: You sure do.

Horsea: Why do I always get targeted?!

We shrugged.

Nico: No idea.

Chalcanthite Aurora: I'm sorry.

Horsea: It's okay.

Maria kissed Horsea on the forehead.

We took off into the air to cure Lord Wolfblood's Nico, and then, we take down Plaghidorasaurus, and send Sergio's thugs to The Black Abyss.

We were flying in the air, but then, we dodged an incoming energy blast, and we saw it: it was the Nico of Lord Wolfblood's world, and the stronger Fear Gas was really really affecting him.

Lord Wolfblood: Nico..., hang in there.

Lord Wolfblood's Nico: SHUT UP! SHUT UP! THIS TIME, YOU DIE ONCE AND FOR ALL, SLAPPY!

Me: That stronger Fear Gas really has affected him badly.

Lincoln: Then, this is where it all ends.

Lincoln got out his Anti-Fear Gas formula which he made even stronger and he threw it at Lord Wolfblood's Nico and it exploded and it proceeded to cleanse Lord Wolfblood's Nico of the stronger Fear Gas as he screamed in anger at us. But, finally, every last trace of the stronger Fear Gas was cleansed and purged out of him, and he fell to the ground.

Lord Wolfblood: Nico!

Lord Wolfblood ran up to his world's Nico and picked him up. Then, he started coughing.

Nico of Lord Wolfblood's World: (Weakly) J.D..., but how are you? I...!

Suddenly, he remembered what he did, and he broke down and cried as he hugged Lord Wolfblood and he hugged him back, and Nico of Lord Wolfblood's World passed out after an hour of crying.

Nico: Is he okay?

Lord Wolfblood: He's gonna be okay, he's passed out after crying that much. After remembering what happened, it really hit him hard. I'll watch after him, sorry guys, but I won't join in on the fight.

Me: That's alright.

Lincoln: After what happened, he does need a lot of comfort.

Me: In the meantime, we better get after Plaghidorasaurus and fast before that beast hurts a lot of dinosaurs here.

Suddenly, an army of vampires came out to attack us.

Lincoln: Vampires?! Ugh, Dark Sebastian, I should've known that lunatic would have some nasty surprises for us.

Lincoln fired a blast of blue cold fire which hits the vampires, and it burned them to ashes much more faster than regular fire.

Me: Whoa, cool.

Nico: That blast of blue cold fire burned those vampires to ashes much faster than ever.

Max (Sam and Max): Yeah, but it's missing this!

Max gets out a bazooka!

Max (Sam and Max): FREEZE, UNDEAD BLOODSUCKERS!

Max then started shooting like crazy and the vampires were blown up!

Sam: You crack me up, little buddy.

Nicole: You and Max both do, Sam. Now, we better get after that winged zombie dinosaur before that psycho unleashes any more monsters on us.

We got a move on, but then, we ran into zombies.

Nicole: Seriously?! Ugh! That guy's an absolute fucking headache!

Suddenly, we saw something in Nicole's hair and I got it out: it was a bug and it had Sergio's face on it!

WE GASPED!

Lincoln: Why, that miserable parrot!

Nicole: So, that's how, he was spying on us and that was how he was sending those thugs after us!

Caleb Maxwell crushed it under his foot and shot it multiple times.

Caleb Maxwell: If I ever see that colored rat again, he's gonna be eating a bucket load of lead!

WE FREAKED OUT!

Me: WHAT THE HECK?!

Nico: OH MAN!

Nebula Lanaia: JEEZ!

James Blunt: I think we better get going before someone starts throwing up.

BUT, IT WAS TOO LATE: SOME OF US STARTED THROWING UP HEARING CALEB'S VIOLENT RAGE!

Eli: Okay, I think we better hunt down that winged zombie dinosaur before Caleb gets any murderous ideas and decides to get after Sergio and kill him.

Me: Right.

We then finally went after Plaghidorasaurus.

Me: (Shudders) (To The NYPD Nightshift) Sometimes, Caleb really scares the daylights out of me.

Jack Howard: Tell us about it. He wasn't that scary back then, but ever since he came back from the dead, he finally let the violent anger that was boiling inside him out.

Carter Kenrick: Even my dad and my relatives who are part of The Underworld knew about him from the past and he wouldn't hurt anyone, but they knew that when he came back to New York, there was going to be a trail of blood and destruction left in his wake.

Casey Antonio: Allie told me about what he was like in the past, and what she told me was really bad. I have seven years of experience working with juveniles and teens, but not even that could help Caleb who was that badly hurt by his brother's madness. I'll tell you guys about that later, there's our target!

Just as Casey Antonio said, we found our target: Plaghidorasaurus, the 3rd hypothetical Akuma of Eli, and he was roaring wildly and going on a rampage tearing the place up!

Maria: Is there a way to talk to him?

Lincoln: Nope, he's another feral Akuma.

Qin: Of course.

Cage Blunt: There's only one thing that'll take him down! Caleb, get him!

Caleb Maxwell: Already on it.

Caleb Maxwell began shooting at Plaghidorasaurus with his guns as he fired a barrage of bullets, silver bullets, and elemental bullets, black, blood red, white, and blue energy, stars, aura energy, white and blue heavenly flames, Divine Darkness, blood, demons, vampire bats, phoenixes, and angels.

Of course, The Big Claw Gang were also with us as well as Claw Dane Drake saw what Caleb did.

Claw Dane Drake: Hmm, Caleb still shows restraint especially when it comes to the more dangerous villains. (Smirks) But, I know how to let that more violent side of him out.

Nico: Wait, what are you talking about.

Marlene Maxwell: (GASPS) Dane Drake, you better not be thinking about that! I know just how your mind has worked even after graduating high school.

Me: What is he planning, Mrs. Maxwell?

Claw Dane Drake: You're about to see for yourself, J.D., okay gang, why don't we help Caleb unleash his more "horrific" side.

Claw Dane Drake, Panther, Shroud, Mad Cat Max, Crowe, and Chester went at Caleb Maxwell, and they threw punches at him, which he dodged. But, this was all part of the plan. Suddenly, Caleb's crimson red eyes became brighter, but then, we saw the sclera of his eyes turn black, and the skies turned black and red!

Caleb Maxwell: (GROWLS DEMONICALLY) Dane Drake, Panther, Shroud, Max, Crowe, Chester...! (SCREAMS AT THE TOP OF HIS LUNGS) YOU'RE GONNA PAY FOR THIS! I'LL MAKE THE LAND RUN RED WITH YOUR BLOOD!

Carla Claw: (Smirks) Ooh man, it's working! Now, the show's about to begin!

Allie Maxwell: Carla Drake, you realize you and the rest of the gang are in for deep shit!

Me: What do you mean?

Allie Maxwell: I observed this tactic before, this was known as The Swift Assault. Panther, Shroud, Mad Cat Max, and Crowe charge swiftly at their target and they rush at him and assault him with a flurry of punches and kicks, but now, with addition of Claw Dane Drake and Chester, and with what they also did in drinking Sarah Succubi's spiked protein drink and getting powers, and they chose to use that maneuver on Caleb knowing that when they get him this mad, his bloodlust and anger reach a dangerous point!

WE GASPED!

Nico: Oh...!

Qin: Shit! EVERYONE, TAKE COVER!

We took cover, and then...!

CALEB MAXWELL UNLEASHED PURE HELL ON EARTH AS HE WENT BALLISTIC AND STARTED FIRING LIKE CRAZY AND LAUGHING MANIACALLY!

But, we saw that Panther, Shroud, Mad Cat Max, Chester, and Claw Dane Drake were dodging all of the bullets and energy and elemental blasts that Caleb was also firing as well, and all of the bullets and energy and elemental blasts hit Plaghidorasaurus and he roared angrily at that.

Nico: Wow.

Hex: And with all that exercising in the gym, they're not only stronger and much tougher, but they can now dodge all of Caleb's attacks.

Patch: But, that also means they also find more ways to piss Allie's brother off even more for some lighthearted fun.

Lincoln: To you guys, yes, but to someone as vengeance-driven, angry, and psychotic as Caleb, that's like toying with death.

Carla Claw: And that's the fun of it for us: dancing with danger especially when the danger is Allie's brother who was driven by revenge and blood.

Nico: You guys sure are crazy.

Caleb Maxwell: (LAUGHING MANIACALLY) DIE! DIE! DIE!

Caleb Maxwell continued firing at the five males of The Big Claw Gang.

Allie Maxwell: When my brother snaps out of this, you guys are getting such a swift kick in the ass from me!

Me: Lets bring this feral beast down!

They fired waves of light and energy and smashed the Akuma.

Chalcanthite: Like old times?

Pipsqueak: Always up for it sis.

Chalcanthite and Pipsqueak: AURORA CURTAIN WHIPPER!

They formed Aurora Whips and slashed the Akuma.

Me: You cannot pass! I am a servant of the Secret Fire, wielder of the Flame of Anor. The dark fire will not avail you, Flame of Udun! Go back to the shadow.

Nico: WHOA!

The Akuma went at me.

Me: (ECHOING) YOU! SHALL NOT! PASS!

I fired a massive blast of fire and blasted him down.

Poromon pecked him. But he was too big.

Poromon: Okay then. (Echoing) LIGHTNING JAVELIN!

He fired a wave of lightning and blasted the Akuma.

Me: That was epic. I've always wanted to do that line.

Nico: One of my favorite scenes from Lord of The Rings.

Ben turned into Way Big.

Way Big: WAY BIG!

He smashed and pulverized him.

Suddenly, Claw Dane Drake felt a sharp pain on his wider and muscular back, and then, massive red angel wings grew and sprouted out with a wingspan of 20,880'0" and medium sized red angel wings grew and sprouted underneath his massive red angel wings with a wingspan of 18,880'0" and small sized red angel wings grew and sprouted out underneath his medium sized red angel wings with a wingspan of 16,880'0" and another pair of red angel wings grew and sprouted out underneath his small sized red angel wings with a wingspan of 14,880'0" and another pair of red angel wings grew and sprouted out underneath the red angel wings grew larger a wingspan of 12,880'0" and another pair of red angel wings grew and sprouted out underneath the red angel wings with a wingspan of 10,880'0" and another pair of red angel wings grew and sprouted out underneath the another red angel wings with a wingspan of 8,880'0" and another pair of red angel wings grew and sprouted out underneath the another pair of red angel wings with a wingspan of 6,880'0" and another pair of red angel wings grew and sprouted out underneath the another pair of red angel wings with a wingspan of 4,880'0" and another pair of red angel wings grew and sprouted out underneath the another pair of red angel wings with a wingspan of 2,880'0" and another pair of red angel wings grew and sprouted out underneath the another pair of red angel wings with a wingspan of 1,880'0" and another pair of red angel wings grew and sprouted out underneath the another pair of red angel wings with a wingspan of 1,680'0" and another pair of red angel wings with yellow and orange tips grew and sprouted out underneath the another pair of red angel wings with a wingspan of 1,480'0" and another pair of red angel wings grew and sprouted out underneath the another pair of red angel wings with a wingspan of 1,280'0" and another pair of red angel wings grew and sprouted out underneath the another pair of red angel wings with a wingspan of 1,080'0" and another pair of red angel wings grew and sprouted out underneath the another pair of red angel wings with a wingspan of 980'0" and another pair of red angel wings grew and sprouted out underneath the another pair of red angel wings with a wingspan of 880'0" and another pair of red angel wings grew and sprouted out underneath the another pair of red angel wings with a wingspan of 780'0" and another pair of red angel wings grew and sprouted out underneath the another pair of red angel wings with a wingspan of 680'0" and another pair of red angel wings grew and sprouted out underneath the another pair of red angel wings with a wingspan of 580'0" and another pair of red angel wings grew and sprouted out underneath the another pair of red angel wings with a wingspan of 480'0" and another pair of red angel wings grew and sprouted out underneath the another pair of red angel wings with a wingspan of 380'0" and another pair of red angel wings grew and sprouted out underneath the another pair of red angel wings with a wingspan of 280'0" and another pair of red angel wings grew and sprouted out underneath the another pair of red angel wings with a wingspan of 180'0" and another pair of red angel wings grew and sprouted out underneath the another pair of red angel wings with a wingspan of 88'0" and another pair of red angel wings grew and sprouted out underneath the another pair of red angel wings with a wingspan of 68'0" and another pair of red angel wings grew and sprouted out underneath the another pair of red angel wings with a wingspan of 48'0" and another pair of red angel wings grew and sprouted out underneath the another pair of red angel wings with a wingspan of 28'0" and his massive red angel wings and twenty-four sets of large red angel wings have eyes with green irises and his red tail also grew larger and longer.

Claw Dane Drake: Okay, boys, cease.

They stopped, and they saw that Plaghidorasaurus was now bleeding all over the place, and we came out.

Me: WHOA!

Nico: Damn, so this is the kind of damage Caleb can do whenever you guys piss him off that much?

Shroud: (Smirks) Yep, it's our specialty to piss off the cops and the vengeance-driven Caleb Maxwell.

Caleb Maxwell: You smartass piece of shit!

Caleb Maxwell's bloodlust and anger was still dangerously high, but then, Plaghidorasaurus swung his tail and hit Caleb and sent him flying into a tree and the Akuma fired a blast of energy which hit him and impaled him on a tree branch.

WE GASPED!

Allie Maxwell: No..., Caleb!

Suddenly, Caleb Maxwell turned into black and red mist and reappeared and his wound healed, but he was so pissed off, we saw fire surrounding his twin guns and he fired fire-infused bullets fueled by the rage in his heart at Plaghidorasaurus, and then, ice surrounded his twin guns and he fired ice-infused bullets fueled by the cold darkness that he had towards Drake in the past.

Suddenly, Lincoln fired massive waves of light from his massive white angel wings and twenty-four sets of large white angel wings underneath his massive white angel wings and they forced out Sergio's hired thugs and they're screaming because they got blinded, and Lincoln made a one-way viewing window for Sergio to see.

Nico: Whoa, what the?!

Selene Arcangela: Lincoln exposed them in the blink of an eye with that attack, incredible.

Kali Timestream: Just like when Our Lord takes control, that attack happens before you can blink your eyes.

Sergio Thug: Damn it! The boss isn't going to like this!

Lincoln: I wouldn't worry, you won't be able to report back to your boss. Nor will the rest of your friends for you will not live much longer.

But then...

WHOOSH!

A figure swiped their loot!

Thug: OUR LOOT!

?: (British Accent) You mean MY loot now!

We saw a the next member of the International Clan of The Coopers!

Lincoln: Elizabeth Swann Cooper! Wow!

Elizabeth Swann Cooper: Good to see you Lincoln.

Me: Care to introduce us?

Anna Anyanova: Sure. This is Elizabeth Swann Cooper, The Carnage Tsunami of Bloodbath Bay of The International Clan of The Coopers, she's Lincoln's Guardian Angel from The Bahamas and a powerful and skilled warrior and she is also a notorious thief that brings in the bad guys to justice after stealing from them and one of the descendants and cousins of The Coopers and she's also a thief too and she's the cousin of Sly Cooper from The Bahamas and she helped him on lots of dangerous jobs. She's known as The Carnage Tsunami of Bloodbath Bay and she is called that because she kills all her enemies and steals all their valuables and she even uses deadly tsunami of their blood to destroy all the pirate ships in the area and steal their valuables on board. She's the member of a new group of Lincoln's Guardian Angels called The International Clan of The Coopers, a group of notorious thieves from all over the world and they're also the descendants and cousins of the Coopers, meaning they are thieves too, and like Sly and his family, they steal from Criminals, and they've also stolen from Lincoln's Enemies too. They're the most notorious thieves in the world and are equal and skilled and more powerful than the Coopers. They did NUMEROUS Dangerous jobs all over the world and have done it all and stole from DANGEROUS ENEMIES and organizations EVERYWHERE! They also stole from many of Lincoln's enemies and made them dirt poor and even made Flip Dirt Poor. Like Sly said, there's no honor, no challenge and no fun stealing from ordinary people. Elizabeth came to Royal Woods where she met Lincoln and she taught him a lot in mastering the powers of blood and their powers as well, and she was also reunited with Sly, his gang, and his entire family after they became officially part of the team. Lincoln made her an awesome light greatsword, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her and the rest of The International Clan of The Coopers thus tying Lincoln and his family to Sly Cooper and The Cooper Clan and The Cooper Clan will also become members of The Loud Family through marriage, and Elizabeth Swann Cooper hates Lincoln's enemies with a vengeance and vowed to steal from all of them and make them dirt poor.

Me: WHOA! Awesome to meet you and that is cool that you share hte same name as Elizabeth Swann.

Elizabeth Swann Cooper: It sure is

Lincoln turned the tips of his tails into Cell's stingers and he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive muscle mass, massive physical strength, virility, and testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and twelve sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, he did the same to the remaining thugs hiding out as he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive physical strength, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and twelve sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the thugs except for their clothes and he drained their souls of energy and sent them to The Black Abyss forever. Sergio saw it through the one-way viewing window Lincoln made, he screeched in anger at us.

Sergio: NO! NO! (GROWLS) This ain't over, losers!

Even though it was a one-way viewing window Lincoln made, we saw Sergio mouth the words, "This ain't over, losers!" Then, Nico and I gave that stupid bird both middle fingers and made all kinds of faces at him, and it really pissed Sergio off big time as the window closed.

Eli: Yeah, up yours, you walking feather duster!

Me: You deserved it, you stupid party animal.

Nico: (Smirks) And it's about to get a lot worse for you, Sergio.

Then, Lincoln's gold version of The Trinity Mirror and his large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a one-way viewing window for us, and Lincoln snapped his fingers, and as soon as he did, orbs of rainbow energy with elements appeared surrounding Sergio, and then...!

LINCOLN SENT THE ORBS AT SERGIO, AND THEY EXPLODED WITH INCREDIBLE POWER AS THEY HIT THAT STUPID BIRD, AND WHEN IT WAS DONE, SERGIO WAS AN ABSOLUTE WRECK AND HE GOT HURT BAD!

Sergio: (Groans) Ouch!

We were on our butts laughing like hyenas!

Me and Nico: (LAUGHING HYSTERICALLY) THIS IS WAY MORE HILARIOUS THAN WHEN YOU STUFFED HIS BIG FAT BEAK WITH HOT PEPPERS AND HOT SAUCE! OH MAN, YOU'RE GONNA MAKE US BUST A GUT!

Maria Garcia: (Spanish Accent) Serves you right, you stupid bird!

Lincoln, Red Savarin, Robin Hood, Skippy the Bush Kangaroo, Von Lycaon, Sly Cooper, and Rayman went after Plaghidorasaurus, and they fired extremely powerful blasts of rainbow, green, purple and red, red and yellow, blue, red, white and black, white, golden yellow, and blue energy, elemental forces, mythological animals, and mythical beasts, and they exploded with incredible power as they hit them, and they slashed and punched at him with their massive greatswords and gauntlets and greaves leaving scars on him.

Suddenly, we heard the sound of roars in the distance, and we saw an army of werewolves heading right for us, and that suddenly brought Caleb out of his anger and bloodlust as the black sclera turns back to white.

Caleb Maxwell: Shit.

Caleb Maxwell put up a barrier.

Me: What the?

Caleb Maxwell: You deal with Plaghidorasaurus, I got them.

Nico: Okay.

Caleb Maxwell started shooting at the werewolves with silver bullets from his guns, and they were all falling one by one. But, there were too many of them approaching, and then, Caleb Maxwell got an idea: he got on top of the barrier, and then, he spun like a tornado and proceeded to fire on all sides at the attacking werewolves as they all got hit and died. Then, the barrier deactivated and Caleb then lands and rejoins us.

Then, Lincoln's massive white angel wings and twenty-four sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Plaghidorasaurus.

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into the stomach of Plaghidorasaurus, and a cluster of rainbow, white and blue heavenly flames exploded out behind them, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, and I formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, BEGONE!

Lincoln, Nico, and I did one final powerful energy slash that hit Plaghidorasaurus hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Plaghidorasaurus was on his last legs and he was really really mangled.

Then, Lincoln fired a massive rainbow energy blast that tied Plaghidorasaurus up and he also muzzled him and he fired a wave of water that hit the undead winged dinosaur and sent him into a portal that Lincoln opened up and it led to The M.O.E.

Lord Wolfblood: They got him in!

We cheered as we holstered our weapons and we powered down, and the new bodies, clothes, weapons, jewelry, Third Eyes, eleven massive and long brown wolf tails, large gold halos with four large orbiting gold rings on each corner behind the heads, thirty-five large green planets orbiting around the legs, thirty-five smaller green planets orbiting around the waists, smaller planets orbiting around the fingers, medium sized crimson red, yellow, and orange planets orbiting around the wrists and ankles, and massive brown angel wings and twenty-four sets of large brown angel wings underneath the massive brown angel wings of Aylene and Jenna Jurassic are permanent.

Me: That was one dangerous battle we fought.

Nico: Big time, but we took down Plaghidorasaurus.

Eli: Plus, Caleb really did a lot of damage to him.

Wheeler: Before Claw Dane Drake, Panther, Shroud, Mad Cat Max, Crowe, and Chester caused him to go ballistic and he unleashed even more damage on him.

Roxy Drake: And he's still pissed at you guys for that before those werewolves shocked him out of it.

James Blunt: And speaking of that, you five better start running, because once I catch you, you're in for it big time. What you did to anger Caleb, you almost brought back the demon he became before Dark Sebastian's influence left him thanks to what your daughter, Carla, did to save him, Dane.

Claw Dane Drake: Perhaps. However, I'm not that afraid of you, James Blunt.

Crowe: The boss is right, we're not scared of you, old man.

Crowe shot him in the shoulder, but the wound healed quickly. But, that made James Blunt's crimson red eyes become more intense and his fangs grew longer.

James Blunt: Now, you're just asking for me to put you out of your misery. I think it's time I showed you what happens when you get too cocky, and I am not that old.

Mad Cat Max: Heh, your son couldn't catch any of us, what makes you different from him?

Caleb Maxwell: You're gonna wish you hadn't said that, Max.

Cage Blunt: He's right, Dad may look collected, but piss him off by getting on his bad side, and you're gonna wish you were dead by the time he gets done with you, and do I remind you of the multitude of times Caleb's shot the tires out of Crowe's car and blown it up by shooting the engine. If not, I think you need a refresher.

Caleb Maxwell: And I also still hold on to the memory of what you did to me when we met once more when you and the rest of The Big Claw Gang came to West Virginia, that day, I still remember it all too well.

Shroud: If the old man hadn't saved you by feeding you his blood, you would've been sent back to the grave forever and there'd be no hope of you ever coming back. You'd wind up in Hell forever.

Caleb Maxwell: Is that what you think, Chett? That I would've been sent back to the grave forever and wind up going to Hell and there'd be no hope of me ever coming back from the dead?! You pea-brained idiot, you can never kill me, I'd died so long ago and I'm not talking about when Drake shot me dead during The Hallowshade Bloodbath, it was the culmination of all of the pain and suffering I'd endured and was put through by that bastard, getting chased by two vampires drunk on Demon Blood, losing old friends I knew from long ago, and getting betrayed by those I once called friends, all of it destroyed what I once was: someone who valued the laws of society and let the police deal with said criminals, but I was broken horribly by those events in 1985, and after I came back from the dead in 1993 and when all of my memories came back even after Mr. Blunt helped me, I no longer cared about the laws society had made, there were two things I'd wanted after all of my memories came back on that day in 1993: I wanted blood, I wanted revenge on those who ruined my life so long ago. I wanted to crush their souls into dust and watch as their life ran out as they die by my own hands.

Caleb Maxwell's red eyes turned blood red with seething rage as the memories of the past came back in full force: the memories that hurt him and the pain and suffering that led to the fiery rage and hate towards his brother, Drake Maxwell, and the cold darkness that was forced to be his guide before and after his death and his resurrection eight years later after he died.

Panther: (To James Blunt) And why do you continue to protect Caleb, he's not your son by blood.

James Blunt: Caleb was a lost soul when I met him after he came back from the dead: he was a man broken by such deep despair and sadness, and yet, I helped him recover, and he'd helped me out at the same time, and over time, he became like a son to me and I became like a father to him, but I also knew about the ties he, his mother, Marlene, his sister, Allie, his brother, Tyler, and those in Marlene's side of the family have with the vampires ever since the 1940s. I can never forgive Drake Maxwell for what he did in murdering his older brother and causing him so much pain and anguish, and he suffered so many nightmares of that night and the nightmares of the pain and anguish of what he went through: all of the friends he had turned to for comfort died horribly and those he thought he knew betrayed him, his brother had physically attacked him out of pure malice, he had to deal with my son and Travis who were drunk on Demon Blood, and he's had many attempts on his life, that was the definition of a living Hell that he had to suffer from, and he wouldn't wish that on anyone, not even on you or the rest of The Big Claw Gang.

Caleb Maxwell: Mr. Blunt...

Cage Blunt: Whoa.

Travis Tackett: He's not going vampire on them, but he got them good with words.

Nico: The words a father would use to defend his son like that.

Cage Blunt: Dad knows I can defend myself, but Caleb..., he can defend himself, yes, but not from the utter violence and abuse he suffered from Drake nor those associated with him, and he was also haunted by what he had to go through: one wrong move, and Caleb could snap and have a severe breakdown.

Shroud: Still won't change though. Bring it on, Caleb!

Caleb Maxwell: Fine, then! Time I shut you up for...!

Mad Cat Max: Chett, back off now!

Shroud backed down.

Hex: Hah, serves you right, stupid.

But, then, tears started falling from Caleb Maxwell's eyes: they were a mixture of regular tears and blood tears. James Blunt saw it and he went to Caleb and hugged him as the teen broke down and cried his heart out, and forty-five minutes later, Caleb was alright now.

James Blunt: It's alright, Caleb, it's alright.

Lincoln: Maybe, we should let Caleb sit this out along with Mr. Blunt. Still, you defended him real good, Mr. Blunt.

James Blunt: I wasn't going to let those five get away with what happened to Caleb. (To Roxy Drake) Though you should keep an eye on your dad and his gang, and make sure they don't try that again or I swear I'm gonna finish what they started back in West Virginia.

Roxy Drake: Don't worry, they're not doing that shit again.

Cage Blunt: Next time they do so, I've got some handcuffs ready for them.

Lincoln: Hope they're made of Neutronium.

Nico: That was wild!

Me: It sure was.

Eli: Yeah! My 3rd Akuma was nasty!

Lola: No kidding.

Magnemite: I'm glad he's gone.

Me: Me too.

Nico: Nice job Magnemite!

Magnemite: Thanks Nico.

Poromon: Want some beer?

Magnemite: No thanks. I don't drink sorry.

Poromon: Okay.

Poliwag: (Does Puppy Eyes) Pwetty Pwease?

Nico: Poliwag that's enough.

Sheena Shire: I sense something.

Lincoln: What is it?

Sheena pointed to something and crawling around was a figure.

Lincoln: Gollum. He's here?

Sheena Shire: I knew he would stop following us even here. Anti-Monitor brought him back and he's looking for the Ring. He will never be rid of his need for it. He hates and loves the Ring as he hates and loves himself. Smeagol's life is a sad story.

Lincoln: I know.

Sheena Shire: Yeah.

Ymir: Smeagol?

Sheena Shire: He was a Hobbit once known as Smeagol before the ring found him and before it drove him mad.

Frodo: [of Gollum] It's a pity Bilbo didn't kill him when he had the chance before you all came to help us.

Gandalf: Pity? It was pity that stayed Bilbo's hand. Many that live deserve death. Some that die deserve life. Can you give it to them, Frodo? Do not be too eager to deal out death in judgment. Even the very wise cannot see all ends.

Sheena Shire: Well soon Gollum will meet his end. It's only a matter of time.

Sunny Starscout: I know what we can do later.

Me: Boardtrot fun.

Sunny Starscout: That's right!

Qin: Cool!

Me: Always up for that.

Nico: Oh, Wind Man. What do you like to do in your free time?

Wind Man: I'm a meteorology robot. I monitor the winds and also help build wind farms.

Camie: Cool!

Xenia: Good job there.

Wind Man: It sure is.

Lincoln: Yeah. (Sensed The Anothers) Uh oh, here come the Anothers!

Eli: (Sensed The Anothers) Lincoln's right, I sensed them. Oh man, and one of The Anothers is Another Captain Planet and it's someone he knew, but one of the Anothers. (GASPS) Oh shit, one of them is hostile to Caleb Maxwell.

Caleb Maxwell: To me? Oh God, it's got to be Trevor Rockwell.

Caleb Maxwell got out a photo of Trevor Rockwell, a male teen with long black hair slicked back and dressed in biker clothes.

Nico: This guy looks like trouble, who's he?

Caleb Maxwell: He's the leader of a motorcycle gang who'd been causing trouble in New York for five years and his parents were criminals who robbed people blind. When I came back to New York, I had memories of Trevor and his gang trying to assault me, and in my anger, I killed his parents and sent them to Hell and had him and his gang sent to prison. He swore he'd break out to get revenge on me.

Lincoln: Not good, we got to stop him.

Eli: We got Another Rainy Turtloid, Perfect Sandwich, Gengetsu Hozuki, Coconut Allergy Numbuh 4, Charlitazard and Stormterror.

Me: So Wind Man, Temari, Asuma Sarutobi, Blue Moonlight Raven, Kiki Kaze Suna and Wind Masamune.

Qin: Yep.

Nico: There they are!

We saw Another Perfect Sandwich, Gengetsu Hozuki, Coconut Allergy Numbuh 4, Charlitazard and Stormterror.

Me: WHOA!

Qin: This will be fun!

Me: I'm going to eat the Another Perfect Sandwich.

Nico: Awesome!

Another Perfect Sandwich: (In a girls voice) I am tasty.

They reverted back and were the gene-slammers of Elder Entity N'tss, Elder Entity Norden, Old Entity Cthugua, Old Entity Hastorr, Outer Entity Azathot and Outer Entity Nyarla and Vennu - Bright Bird of Divinity

Nico: (GASP!) Azalia Azathoth, Cathy Cthugha, Nina Nyarlas, Hailey Hastorr, Nadia N'Tss, Nora Norden and Venus Vennu!

Me: WHOA! The gene-slammers of Elder Entity N'tss, Elder Entity Norden, Old Entity Cthugua, Old Entity Hastorr, Outer Entity Azathot and Outer Entity Nyarla and Vennu - Bright Bird of Divinity

Cathy Cthugha: That's right. Good to see you Nico.

Nina Nyarlas: That battle you had was great.

Me: It sure was.

Chazz: Oh man! This brings back bad memories. Those cards we saw at Duel Academy did more harm than the duelist that used them.

Me: I remember that!

Nico: What happened?

Chazz: Well it was back in 2018.

Chazz: I was dueling against a girl with black hair and she had red eyes and black clothes. She had this horrifyingly deranged look on her face. As the duel began, she laughed insanely and summoned all those monsters that Nico's friends here were turned into all at once. They chanted a terrifying speech and then almost instantly the people minus J.D. and myself were hurting each other in a madness induced rage and hundreds of kids got seriously hurt! Me and J.D. jumped the girl and got her sent to the looney bin.

FLASHBACK ENDS

Me: Ever since then I called that day the Cthulhu Bloodbath because over 500 student and teachers got horrifically hurt. I kept her cards for them too.

EVERYONE WAS SHOCKED!

Nico: Say what?!

Me: Yeah it was terrible!

Brittney: Those cards caused lots of kids there to go nuts!

Lola: Awful!

Nico: Did you get that monster girls name?

Me: No we didn't. We were too busy stopping everyone that we didn't have time to ask.

Chazz: Yeah.

Nico: Oh man!

Nina Nyarlas: The Lovecraft Monsters do have that kind of power like we do.

Me: The Dark Tongue of Cthulhu.

Brittney: We know that power all too well.

Cathy Cthugha: Yeah and Lincoln we heard you became a master of Lovecraftian Magic. That is amazing.

Lincoln: It sure is. Came in handy for many of our enemies.

Nico: It's true.

Me: Yeah the curses we heard about really made some of us scream in fear.

Homer: He's right on that one.

Me: We know the Another Captain Planet is friendly. But what about the Another Earth and Rainy Turtoid?

Earth: You never mentioned another me?

Me: Slipped my mind.

Hailey Hastorr: No worries. But the Another Rainy Turtoid is hostile. And the another Earth is friendly too.

Me: Cool.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

They glowed and the anothers were separated.

Me: Action time!

We blasted the anothers and I caught the Wonder Ride Books and then I jumped and ate Another Perfect Sandwich and it was delicious.

I spit out the Wonder Ride Book.

Me: (GULP) Mmm! Delicious!

Nico: Glad you liked it.

Maria: Time for Backup! (TURNS DIAL) TUNNELING RHINO FORCE!

She summoned Tunnel Rhino, TTG Cinderblock, TTG Madame Rouge, Commander Dopant, Lightning Bot (RPM) and Moth Amazon (Kamen Rider Amazon)!

Me: YEAH!

Commander Dopant: Awesome! (Sniffs) I smell chocolate on you guys.

Earth: Oh we made our own chocolates at Walkerville Elementary. And they were made from natural cacao beans.

Xenia: Boy they were tasty.

Commander Dopant: Boy you guys had fun.

Earth: We sure did.

Nico: And now, we wait.

Me: Yep. We don't have to wait long!

We saw Another Rainy Turtloid, Captain Planet and Earth Chan!

Me: WHOA! This will be fun!

Caleb Maxwell: I knew you were coming Trevor Rockwell!

The Another Rainy Turtloid reverted back and it was TREVOR ROCKWELL!

Trevor Rockwell: You will pay for killing my parents Caleb!

Caleb Maxwell: They brought all that on themselves.

Me: So you're Trevor Maxwell. I've heard a lot about you. Now we can send you back to prison and this time we'll make sure you never get out!

Trevor Rockwell: We'll see.

He fired a beam of lightning and I deflected it and it hit him and knocked him down.

Rainy Turtloid: WHOA! He has the same powers as me!

Nico: Who's your friend?

Me: Lets start with Another Captain Planet.

Another Captain Planet: (In a girls voice) Someone that is a sister to him.

She reverted back and was a girl with blond hair and blue eyes and had yellow and orange clothes and wings reflecting the Venusian Sky in them.

Lady Venus: I am Lady Venus, Champion of Venus.

WE GASPED!

Me: WHOA! It's a pleasure.

Earth: Same here!

Me: That is cool that Earth has Captain Planet and Venus has you.

Lady Venus: It sure is.

Another Earth: (In a little girls voice) I think so too.

Earth: (GASP) That voice!

She reverted back and was a little girl with grey hair and had red eyes and had white clothes!

Earth: MOON!

She ran and hugged her!

Earth: My little sister! I thought you were lost.

Moon: I'm okay sis.

Nico: You know her?

Earth: She's my little sister. She's the embodiment of the Moon.

Me: Whoa!

Venus: Just like how Earth is the Embodiment of Earth and I'm for Venus.

Nico: Cool!

Kaito: (gets out Patranger gear) Did Swartz promise you anything?

Zocks: (gets out Kyuranger gear) Because we can grant it instead.

Chloe Bourgeois: (gets out Lupinranger gear) Zocks, I'm helping out too.

Zocks: Okay.

They got weaons from said teams.

Me: It's obvious that Trevor wants revenge.

Caleb: Yep.

Lady Venus: But the rest no.

Moon: We weren't promised anything.

Me: Good.

Sougo: (gets out Patranger Ridewatch) You're not klling Caleb

Geiz: (Gets out Kyuranger Ridewatch) Not if we have anything to say about it!

Tsukuyomi: (gets out Lupinranger Ridewatch) You'll have to go past us!

Sougo got Patren1gouArmor, Geiz got ShishiRedArmor, and Tsukuyomi got LupinRedArmor.

Me: And that is not going to be easy!

Eli: Lets get them!

Lincoln: After this!

We separated them and I stripped Trevor of his power and tied him up.

Me: Lets get them!

Nico: (Gets out Rainy Turtloid's ridewatch) Turtle power!

May: (Gets out Gengetsu Hozuki's ridewatch) I will unleash the mirage!

Maria: (Gets out Charlitazard's ridewatch) This lizard has a bite!

Temari: (Gets out Perfect Sandwich's Ridewatch) I am the perfect sandwich.

They used the powers of Rainy Turtloid, Perfect Sandwich, Gengetsu Hozuki, Coconut Allergy Numbuh 4, Charlitazard and Stormterror and blasted the Anothers.

Me: Take that!

Then Gloxinia of Repose, Bambi (Class of 3000), Narizma Shibonz, Manga World, RTN Deidara and Edo Tensei Hizashi Hyuga came!

Nico: WHOA! Nice team Gloxinia!

Gloxinia: Thanks Nico.

Neji: (Sees his father) Father!

Hizashi: Hello son.

Me: Long time Hizashi.

Hizashi: You too J.D.

Blade Man: My team's next.

Me: It sure is.

Nico: Yep.

?: Awesome!

Then Number 52: Diamond Crab King came.

Me: Whoa! Number 52: Diamond Crab King.

Qin: Wow!

Number 52: Diamond Crab King: It sure is cool huh?

Nico: Rhonda Craffla!

She reverted back and was a girl with blue hair, blue eyes, blue clothes and blue wings and had Number 52 with Diamond Crab King on her forehead and shirt and skirt and arm. And she had a crystal Sword.

Rhonda Craffla: Good to see you Nico. I got this. DIAMOND BRANCH STORM!

She grew diamonds and they branched out and skewered the Anothers and I caught the Ridewatches and purified them.

Me: YEAH!

Lola: Awesome!

Nico: Nice job!

Rhonda Craffla: Thanks Nico.

Temari: Do you have a good memory of Nico?

Rhonda Craffla: I sure do. When me and Nico found a diamond cave under my family's house and it made us rich.

Qin: Wow! I remember that.

Lola: That is cool!

Me: I'll say!

Nico: Yeah.

They hugged.

Nico: I've missed you.

Rhonda Craffla: Same here.

We went back home.

Lincoln: Ah, we're here in The Shire in Middle Earth for Day 4 of The Middle Earth 4 Part Rescue Arc, and I know what we're going to do here, not only am I going to rescue the thirty-three girls here, but we're here to destroy an evil version of Gollum and we're going to banish him to The Black Abyss forever for his crimes.

Sheena Shire: I knew we'd face an evil version of Gollum here. I would've wanted to face the real one and make him pay, but Vypra said she's keeping an eye on him.

Me: That's right, she is.

Nico: But, you've hated him so much for his crimes, same with us.

Lincoln: He caused so much pain and all for wanting to protect The One Ring which destroyed his mind forever, but this time, this is where we put down that monster forever.

Wind Man: That's for sure.

Caleb Maxwell: We got to watch it though, if there are any other hostile beasts and monsters here in The Shire, we need to take them down and fast.

Me: Oh crap, look!

Suddenly, we saw armies of hostile creatures and beasts that were from the outlands of Middle Earth.

Lincoln: Right on time. Come on!

We charged down and we slashed at the creatures and beasts and killed them, and Lincoln morphed the tips of his eleven wolf tails into Cell's stingers and stabbed them into the beasts and creatures of the outlands of Middle Earth and he began absorbing them and he grew stronger and gained their strength and powers. Then, as soon as Lincoln was done and the stingers changed back, nothing was left of the beasts and creatures of the outlands and he drained their souls of their energy and banished all of them to The Black Abyss.

Lincoln: That should do it.

?: MY PRECIOUS! WHAT DID YOU DO TO IT?!

We then saw our target, the evil version of Gollum, and he was out for blood!

Lincoln: If it isn't Middle Earth's Murderous Mad Hobbit.

Sheena Shire: Murderous Hobbit, our blades will end your miserable lives here and now!

Lincoln: Now, only you remain, Murderous Mad Hobbit. This is where your pathetic life ends here and now.

Suddenly, we saw the full moon shine down from nowhere and we heard the sounds of over 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 howls in the air, and then, we saw 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 werewolves coming out of nowhere and they were heading for us, but Lincoln charged at them and he morphed the tips of his tails into Cell's stingers and he stabbed them into the chests of the massive numbers of werewolves, and one by one, he began absorbing them into his body and he assimilated their Superhuman strength, Enhanced senses, Super speed, Healing, Super Senses, Healing factor, Shapeshifting, Superhuman speed, Superhuman stamina, Superhuman durability, Massive muscle mass, virility, testosterone, Infectious bite and scratch, Disease immunity, Enhanced Speed, Immortality, Lie Detection, Empathy, Pain Transference, Memory Transference, Animal communication, Superhuman reflexes, Eolas, Ansin, Invulnerability, Lycanthrope enhancement, and Telepathy, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and twenty-four sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the werewolves and Lincoln let out a loud and massive howl of dominance and power.

Suddenly, we heard more howls in the air, and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 more werewolves coming out of nowhere and they were heading for us.

Caleb Maxwell: They just keep coming!

Lincoln morphed the tips of his tails into Cell's stingers and he stabbed them into the chests of the massive numbers of werewolves, and one by one, he began absorbing them into his body and he assimilated their Superhuman strength, Enhanced senses, Super speed, Healing, Super Senses, Healing factor, Shapeshifting, Superhuman speed, Superhuman stamina, Superhuman durability, Massive muscle mass, virility, testosterone, Infectious bite and scratch, Disease immunity, Enhanced Speed, Immortality, Lie Detection, Empathy, Pain Transference, Memory Transference, Animal communication, Superhuman reflexes, Eolas, Ansin, Invulnerability, Lycanthrope enhancement, and Telepathy, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and twenty-four sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the werewolves and Lincoln let out a loud and massive howl of dominance and power.

Lincoln: Alright, now we can take down Evil Gollum for good.

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, white hair and white wolf ears and tail, blue eyes, massive white angel wings, ice blue Wolf Moon tattoo on her right arm and wolf paw with The Frost Moon on her forehead, white short-sleeved blouse with wolf paw with The Frost Moon, dark blue sleeveless top, white gloves, dark blue skirt with wolf paw with the Frost Moon, dark blue knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, darkness, ice, werewolves, phoenixes, and angels on the coattails, and on the back is the symbol of The Frost Moon, she has a wolf claymore in her right hand, and with her are the thirty-three girls.

Lincoln: (GASPS) Jackie Frost Moon, Werewolf Angel of The Frost Moon of November.

Jackie Frost Moon: That's right, and it looks like I got here just in time to help finish Evil Gollum for good, but I also got word that more bodybuilder thugs of Sergio has been sighted.

Me: How many?

Jackie Frost Moon: 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999.

WE GASPED!

Lincoln: Sergio, you really don't know when to quit, do you? And you all better get out here, you bodybuilding thugs! I know you're here, I can smell your blood!

Suddenly, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large and muscular men came out, and like Jackie Frost Moon said, these guys are bodybuilders, and they're also hired thugs of Sergio.

Sergio Bodybuilder Thug: You're gonna pay for what you did absorbing our friends!

Lincoln: Your friends deserved it for obeying the orders of that stupid rat with wings, and now, it's your turn.

The bodybuilding thugs ripped their tank tops off and ran at Lincoln, but Lincoln charged at them and he really trashed them as he punched and kicked them all over the place, and he was really working up a sweat, and finally, he knocked the massive bodybuilders down.

Then, Lincoln morphed the tips of his tails into Cell's stingers and he stabbed them into the chests of the massive bodybuilder thugs, and one by one, he began absorbing them and he assimilated their massive superhuman upper body and lower body strength, massive muscle mass, virility, and testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and twenty-four sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the bodybuilders except for their speedos and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Evil Gollum, and he proceeded to brutally smash him hard into the ground with his massive godly superhuman strength, slashed him with his gold-armored dragon claws and his massive greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at him, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON EVIL GOLLUM! HE WAS REALLY GOING APESHIT ON HIM!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

LINCOLN SLASHED EVIL GOLLUM WITH HIS MASSIVE GREATSWORD AND HE ALSO FIRED SEVEN BLASTS OF HEAVENLY LIGHT THAT HIT HIM AND HE WAS BURNED!

May: OH! AND HE ALSO RESORTED TO THAT!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going wild on you!

James Blunt: That's only a fraction of what's going to be awaiting you when we kill you.

animals, and they explode with incredible power as they hit him.

Then, Lincoln fired a green energy blast that hit Evil Gollum and he sucked out Evil Gollum's lifeforce and life energy and it went into Lincoln and he grew even stronger, and when Lincoln was done, Evil Gollum was left as a desiccated corpse and he sent him to The Black Abyss forever. We cheered as we holstered our weapons and powered down and we returned home to The World Tree Estate.

Lincoln: And that is Day 4 of our Middle Earth rescue excursion done and completed.

Mina Mordor: We've finally gotten rid of Sauron and his armies, Denethor, Grima Wormtongue, and Evil Gollum, and sent Saruman to The Masters of Evil.

Me: That was really awesome, and we saw you give a display of all the powers of the lands of Mordor, Gondor, Rohan, and The Shire that you learned and mastered, Lincoln.

Nico: And you even absorbed the hostile beasts and hostile creatures that lurked in Middle Earth and acquired all of their powers, strengths, and abilities as well.

Lincoln: Same with you, J.D., and the rest of the team as well. Now, we're finally rid of Sauron and the major enemies of Middle Earth forever and Middle Earth is now in peace. (To Jackie Frost Moon) And it's so good to see you again, Jackie.

Jackie Frost Moon: You too, Lincoln, it's been eight years since we last met.

Suddenly, Jackie Frost Moon had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Jackie Frost Moon was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Jackie Frost Moon: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Jackie Frost Moon and hugged her, and Jackie Frost Moon is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and twenty-four other sets of large sized angel wings underneath his massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, eleven massive and longer brown wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long brown wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Jackie Frost Moon: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 10'0" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and twenty-four sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and the eleven massive and long brown wolf tails with markings and white rabbit tail on top of the massive and long brown wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new, along with getting He-Man's chest harness (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Jackie Frost Moon, Werewolf Angel of The Frost Moon of November, she's Lincoln's Guardian Angel from Michigan and she's an incredibly powerful and cool werewolf of The Frost Moon of November. Jackie Frost Moon is a powerful master of the powers of white wolf fire, darkness, ice, The Frost Moon, cold immunity, and all of the powers and rage of the werewolves, and over time, as she grew, she gained all of the incredible strengths and powers of the werewolves along with immortality. Jackie Frost Moon is The Werewolf Frost Moon Angel of The Wolf Moon Night Pack, a group of twelve girls whom Lincoln met and they each have the powers of The Twelve Elemental Wolf Moons, and she was saved by Lincoln who bit her and injected her with his excessively potent lycanthropy and vampirism after she dodged all of Lola's attacks and sent her flying. Jackie trained Lincoln in mastering the powers of white wolf fire, darkness, ice, cold immunity, The Frost Moon, and the powers and rage of the werewolves, and he also gained all of the incredible strengths and powers of the werewolves, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves and men combined along with incredible levels of incredible superhuman speed and he's able to run as fast as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves, plus it also enhanced his night vision, incredible superhuman senses of sight, smell, touch, and taste, and natural hunting instincts as well, and she found out Lincoln's a True Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she kissed him in his werewolf form on the muzzle and made out many times in his werewolf and he came back home all covered in kisses and his wolf tails were wagging like crazy. Lincoln made her a powerful claymore and gave her a wolf moon tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lola with a blazing passion and she wants nothing more than to turn her into a human ice sculpture under The Frost Moon!

Lincoln: When we dealt with Lola who was on her rampage again, Jackie froze her in a block of ice for a week and she got her out, but Lola wound up getting a cold which she recovered from thanks to her fire powers.

Nico: I bet Lola was pissed off big time, right?

Me: Afraid so, but she wound up getting trashed by her other siblings and Lana threw her in the trash can.

Rita: Lola had to take three baths to get the trash out and get the garbage out of her dress, she was really really mad.

Brittney formed a ball of darkness and was about to hit Lincoln with it, but Nicole got in between them.

Nicole: Don't even think about it, Brittney! Now, back to your lair, Empress of Darkness!

Brittney: (HISSES)

Brittney hissed at Nicole showing her vampire fangs and she turned into bats and flew back into her room!

Nicole: And I can guess why Brittney was about to blast you: after the incident with Lola, you turned Jackie, and after what happened in the past, you weren't taking any chances and you weren't going to lose another Guardian Angel to death, especially at the hands of one of the five mean Loud Sisters.

Lincoln: That's true, but now you guys know how The Werewolf Angels of The Elemental Wolf Moons came into being.

Nico: And it was the doing of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of your enemies. What a bunch of jerks.

Lincoln: That's for sure, and now that you're here, Jackie.

Lincoln with his massive muscular arms still wrapped around Jackie Frost Moon's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and twenty-four sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Jackie Frost Moon: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Jackie Frost Moon with blue gems on the gold lightning bolts and blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Jackie Frost Moon: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Jackie Frost Moon.

Jackie Frost Moon had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Jackie Frost Moon's waist, and he leaned down to her face and kissed her on the lips, and with Jackie Frost Moon's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Jackie Frost Moon had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her

heart was pounding like a loud drum.

Jackie Frost Moon: (In Heaven) My God. Oh, Lincoln, the thirty-three girls I managed to rescue from Evil Gollum are...!

Red Savarin and Travis Tackett: Boys, in your rooms now, and no questions asked, or you're in for a serious buttkicking!

We obeyed Red Savarin and Travis Tackett and fled to our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the thirty-three girls, he had an atomic red blush on his cheeks and muzzle and his nose was gushing out blood. Lincoln: Oh whoa, it's Nobunaga Oda, Haruka Kishinami, Okita Souji, Scáthach, Morgan Le Fay, Melusine, Barghest, Baobahn Sith, Kama, Osakabehime, Musashi Miyamoto, Raikō Minamoto, Popess Johanna, Yang Guifei, Ishtar, Ereshkigal, Suzuka Gozen, Tomoe Gozen, Francis Drake, Jack The Ripper, Sen no Rikyū, Anastasia Nikolaevna Romanova, Scheherazade, Ryōgi Shiki, Aozaki Aoko, Jeanne d'Arc, Jeanne d'Arc (Alter), Nero Claudius, Nagao Kagetora, Florence Nightingale, Helena Blavatsky, Circe, BB, and Frankenstein from Fate.

Lincoln: Their warning saved them. Are you girls okay?

Francis Drake: Yes, we're okay, thanks to you.

Then, when Francis Drake and the other thirty-two girls saw who it was that saved them from Evil Gollum, their faces turned atomic red upon seeing the 10'0" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going Haruka Kishinami: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made thirty-two clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Haruka Kishinami: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, thirty-three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Nobunaga Oda, Haruka Kishinami, Okita Souji, Scáthach, Morgan Le Fay, Melusine, Barghest, Baobahn Sith, Kama, Osakabehime, Musashi Miyamoto, Raikō Minamoto, Popess Johanna, Yang Guifei, Ishtar, Ereshkigal, Suzuka Gozen, Tomoe Gozen, Francis Drake, Jack The Ripper, Sen no Rikyū, Anastasia Nikolaevna Romanova, Scheherazade, Ryōgi Shiki, Aozaki Aoko, Jeanne d'Arc, Jeanne d'Arc (Alter), Nero Claudius, Nagao Kagetora, Florence Nightingale, Helena Blavatsky, Circe, BB, and Frankenstein with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Alright, guys, come on out.

We then came out and we told them everything that happened on The Shire.

Maria: Whoa, so you went after an evil version of Gollum?! Aw, why didn't you guys call the rest of us?

Sheena Shire: Sorry, Maria.

May: But, you should've seen it, Lincoln displayed the powers of The Shire by firing life and nature blasts at Evil Gollum, and he fired a green energy blast and sucked out Evil Gollum's lifeforce and energy and turned him into a mummified corpse.

Lincoln: Yep, and we did it: over the course of four days, we've rid Middle Earth and its lands of The Dark Lord, Sauron and his armies, the tyrannical traitor of Gondor, Denethor, the sower of discord and chaos, Grima Wormtongue, and the evil version of Gollum, and sent Saruman to Vypra.

Nico: That was an awesome four days.

Me: You said it.

Eli: Sauron and his minions and all of Middle Earth's most dangerous enemies got their punishment.

Caleb Maxwell: That was pretty amazing that we travelled to the lands of Middle Earth. My time in West Virginia showed me there was more to life not just in New York.

Nico: Trust us, the lands of Middle Earth were amazing, and you did enjoy your life in West Virginia.

Allie Maxwell: Spending time in the country did do him good, but when the last of his memory came back to him, he had to return to New York, his birthplace, to get revenge and make the streets run red with the blood of those who made his life and the lives of me, Mom, and the relatives on Mom's side of the family Hell.

Luna: Even I knew how heavy your brother's vengeance was since he joined us last year.

Laney: And we saw what happened to those who get him that pissed off.

Nebula Lanaia: If we ever run into more of those hellish bastards, we'll get some front row seats to the show.

Allie Maxwell: You better be joking, Lanaia! You do know who you're talking about: Caleb Maxwell, my older brother who was broken by despair and depression due to the dark abusive actions and violent assaults of my ruthless greedy second ex-older brother, Drake Maxwell, losing so many of his old friends, betrayed by those he once considered friends, and getting isolated by the arrogant losers of his class back in 1984 and 1985, and was brought back from the dead in 1993, and once all his past memories came back, he harbored hatred towards Drake, and when the last memory of him came back when he returned to New York, he turned into a vengeful blood-driven vigilante.

Jazz Jackson: She's right, you better be joking.

Roxy Drake: Even we knew of how dangerous Caleb is when he gets that pissed!

James Blunt: And we saw what he can do especially to assassins and hitmen.

Nico: That's true, and what he did to the friends he once knew who betrayed him in such a callous manner after one incident at NYU, that just proved you do not want to be on Caleb's bad side: that bad side of him will give you absolute Hell.

Me: And he shows no fucking mercy.

Lincoln: That's for sure, he never shows the irredeemable any mercy at all, and he'll just kill them in less than a split second.

Cage Blunt: His dream of being a cop at the NYPD may have died with him back in 1985, but that was only a cover though, you guys saw it: what he had inside him was a desire for revenge on his brother for his cruelty, and when he takes to the streets, the crime lords, organizations, and thugs run away in fear: fear of the overwhelming darkness that was coming for them.

WE FREAKED OUT!

Eli: Okay, now that was just really dark.

Luan: (Shudders) Big time.

After Lincoln and all of us destroyed Evil Gollum and sent him straight to The Black Abyss, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long brown wolf tails even more stronger than ever as well, and when Jackie Frost Moon saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long brown wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Jackie Frost Moon: My God, I was right that Lincoln's really grown into an 18-year-old 10'0" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work, and really working out with those

900,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Jackie, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Jackie Frost Moon: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really

huge, really strong, and really powerful wolf man we know today.

Jackie Frost Moon: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, Casey Antonio took out a videotape.

Casey Antonio: Okay, guys, now this videotape I have here, this was taken on the next day after the incident Allie had with The Big Claw Gang. Eventually, Allie would meet them again, but not on the same scale as that day, and she soon became friends.

Allie Maxwell: Yep, and they were in plain clothes, so the NYPD didn't make the connection between them and who they always try to apprehend every night, and Caleb almost went ballistic and tried to attack them.

Carla Claw: Only for us to taunt him and send him on yet another tirade of demonic rage. So, fair warning, guys, you're gonna hear Caleb's cursing and ranting.

Casey Antonio put the videotape in and it played on the big screen, and it showed New York the next day after that little bad encounter with The Big Claw Gang and Caleb's vengeful attack on them. Allie Maxwell was heading out and was heading for home.

Past Allie Maxwell: Okay, now I got to head home without running into those Big Claw Gang members again, and that dark stranger who attacked them. If that was Caleb, then, this means he's returned to New York, and there's going to be blood on the streets. Drake, you better be ready to die horribly. I know I wanted to leave it to the cops, but the statute of limitations on Caleb's murder ran out even after that day in 1985.

Allie Maxwell then began her walk home, but unknown to her, she was being watched by Carla Claw, Sally Gamble, Panther, Crowe, Mad Cat Max, Patch, Hex, and Shroud of The Big Claw Gang.

Past Hex: Looks like Allie's heading back home. I hope she's in a much better mood than yesterday.

Past Patch: After what happened yesterday, I really feel bad for Allie, and I hope we don't run into her monstrous ex-older brother, Drake, or her undead blood-driven vigilante older brother, Caleb.

Past Sally Gamble: (British Accent) I'd prefer not to run into any of them: Drake Maxwell has been a danger and nightmare to everyone, and Caleb..., let's just say the first meeting that we had with him ever since his return from the dead in 1993 ended with him crossing over to the side of the undead and ever since he returned to New York, The Syndicate's thugs have been getting killed on the streets every night, and the boss knew it was Caleb since he held such hatred towards them along with the bigwigs behind the now formerly powerful crime organization.

Past Mad Cat Max: That man who helped him in West Virginia, I just can't believe that was a vampire. But, they don't exist.

Past Shroud: Yeah, they don't.

Past Carla Claw: (Thinking) You guys have no idea of what we'd seen back in 1985 and Caleb's a part of that world. So, Allie's also a part of that world as well.

Past Crowe: I say we use the same tactic from yesterday.

Past Panther: Don't be stupid, Nick. Besides, like Sally said, we don't want to run into Allie's vengeful blood-driven undead older brother again. Let's just do this with a more subtle approach compared to the mess from yesterday.

They went off, but unknown to them, Caleb Maxwell heard everything and needless to say, that got on his case bad.

Past Caleb Maxwell: (Thinking) Yeah, we'll see how long that'll last when I show up, you jackass.

Caleb Maxwell ran after them on the rooftops.

Allie Maxwell continued walking, but then, she felt something was off and continued onwards.

Past Allie Maxwell: What the Hell?! Not again! You Big Claw Gang yahoos better get out here right now! I know you're here, you better show your faces right now, so I can finally smash your teeth out of your mouths!

?: Oh boy, I knew this wasn't going to be easy.

Suddenly, Carla Claw, Panther, Sally Gamble, Mad Cat Max, Patch, Shroud, Hex, and Crowe dressed in casual clothes came out.

Past Patch: How did you know we were coming?

Past Allie Maxwell: I had a feeling of dread, and I knew something bad was coming for me.

Past Sally Gamble: (British Accent) No doubt you have the same instincts as your brother.

Past Shroud: Hope you're not as dangerous as he is.

Past Allie Maxwell: Want me to rip out your teeth and fill the empty gums with mini-fire crackers and blow your head off?!

Past Crowe: (LAUGHS) She got you real good, Chett!

Past Carla Claw: Alright, cut it out, you two chowderheads. (To Allie Maxwell) Now, Allie, I get that we got off on a really bad start yesterday, but we're not going to hurt you, we may be thieves, but the one thing we don't do is kill innocents.

Suddenly, Allie Maxwell remembered from Roxy and Jack that many of those who got robbed by The Big Claw Gang didn't get killed.

Past Allie Maxwell: But..., if that's true, then why did Caleb think you guys kill someone after you rob them?

Past Panther: Your brother's been poisoned by his desire for revenge, and it's gotten pretty bad. After you ran away yesterday, your brother showed up and tried to kill us, but we dodged his attacks and we ran back home leaving your brother ranting and screaming with blood-soaked anger and revenge at us.

Chester played the video on the computer, and Allie Maxwell heard every violent blood-soaked word of anger and revenge her brother spewed at them and it was horrifying.

Past Allie Maxwell: Oh...my God! How can my own brother, who was the sweetest person I knew, say such horrifying blood-soaked words of anger and hate?!

Past Mad Cat Max: From what the three original members of The Big Claw Gang told us, apparently, your ex-brother, Drake Maxwell, made your older brother's life an absolute Hell.

Past Allie Maxwell: Yes, I get that part because I was a witness to Drake physically assaulting Caleb in a violent manner, and we had to take him to the hospital many times over in the past.

Past Sally Gamble: (British Accent) Did you also know about The Syndicate's thugs always trying to kill him many times over and back in 1985, he lost so many of his friends from the past and he was betrayed by those he once considered his friends?

That got to Allie Maxwell.

Past Allie Maxwell: I...I remembered hearing Caleb's mutterings about that, but I was only 10 at that time. Why didn't he tell Mom about this? She was there to help him!

Past Panther: It's because he refused to drag her down with him, your brother was suffering, but he refused to drag others down with him especially his own family. He'd lost a lot of friends from the past as they died tragically and those he once considered friends betrayed him, those tragic events took a toll on his health even more.

Past Allie Maxwell: The doctor said that my brother was going to die by the time he turned 21, I just thought it was the result of Drake's violent assaults on him.

Past Carla Claw: That was one factor, but seeing for himself the loss of his friends and betrayed by those he once considered friends also took a toll on his health, and on the night of The Hallowshade Bloodbath in 1985 on Halloween, your brother died with his heart broken by despair and consumed by hatred and rage at Drake and all those who betrayed him.

Past Sally Gamble: (British Accent) Your brother didn't want you to be worried about him the same with your mother, but unfortunately, that was bound to fail.

Allie Maxwell knew that Sally was right as she remembered seeing Caleb trying to put on his usual brave face, but in reality, it failed miserably, and when she saw her brother again in 1995 when she and her mom went to West Virginia, she saw Caleb's façade from 10 years ago was forever shattered and she saw the real Caleb Maxwell: her older brother who suffered pain unimaginable from his own brother, lost many of his old friends from long ago, and betrayed by those he once knew, and when he came back, he had revenge in his heart.

Past Allie Maxwell: So, that's why he was...! Oh God. Caleb...

Past Mad Cat Max: Your older brother lost the life he tried to rebuild because of the shadows of the past coming back to haunt him, and now, he's out for the blood of all those who ruined him.

Suddenly, Allie Maxwell had tears in her eyes as sadness overtook her: the sudden revelations of her brother's descent into the blood-driven vengeful murderous vigilante was made true to her.

Past Chester: It's okay, Allie. But, now you know the truth about your brother's deep despair and his descent into what he became.

Past Allie Maxwell: Can you...all join me for some lunch at the diner?

They followed her to the diner, the hangout of Leela and Peace Salyers, and Allie ordered them lunch.

Past Carla Claw: Taking us to lunch at the diner, this is a good start. At least, now you're warming up to us.

Past Allie Maxwell: I still have my contacts with the NYPD Nightshift and the Dayshift as well, so I'm still on the side of the law, but at least, I know the truth about you all and you told me more about my brother's past and how that led to his descent into what he became: a murderous blood-driven vigilante wanting revenge on those who ruined his life.

?: Allie, you little bitch! This time, you finally die!

Past Mad Cat Max: Oh crap! Allie, get down! Your brother's here!

Past Allie Maxwell: I know who that was!

Allie Maxwell ran and grabbed a trash can lid and threw it like a frisbee and hit the person, and to her disgust, it was her ex-older brother, Drake Maxwell!

Past Panther: (Smirks) (Cracks Knuckles) Well, well, well, if it isn't Drake Maxwell. I knew you were here, you still smell like a back alley dumpster.

Past Allie Maxwell: Back alley dumpster's not the word I'd use, a Manhattan subway station is a much better word I'd use for him. What the Hell are you doing here, trash?! Shouldn't you be back in the gutters rooting in trashcans?!

Past Drake Maxwell: SHUT THE FUCK UP, BITCH! NOW, DIE!

?: You first, Drake!

BANG!

Suddenly, a bullet came flying and knocked Drake's gun out of his hand and another bullet hit him in the right shoulder. Drake turned angrily around, but then, he saw who it was that did it: it was Caleb Maxwell.

Past Allie Maxwell: It's Caleb...! The Shadow of Death has come for Drake at long last!

Past Crowe: Oh great, now things are really going to get ugly.

Drake Maxwell's anger reached a nasty boiling point: he was hoping to kill Allie Maxwell at long last, but the sudden appearance of his brother, Caleb Maxwell, ruined it all, and he finally lost it!

Past Drake Maxwell: DIE, BITCH!

Drake Maxwell got out another gun and was about to fire, but then, Caleb Maxwell charged at him and...!

BANG! BANG! SCREAMS!

CALEB MAXWELL SHOT DRAKE MAXWELL IN THE ARMS AND HE FELL TO HIS KNEES AND A POOL OF BLOOD FORMED FROM HIS WOUNDED ARMS!

Past Patch: I thought he was taught when to apply deadly force when he was at the Academy.

Past Allie Maxwell: Yes, that was true, but now, all of those lessons he learned at the Police Academy, he turned them into another way to get revenge on Drake and all those responsible for the ruin of his life.

Past Caleb Maxwell: And now, Drake, it's time for you to die. And once I get done with you, Dad's next!

Caleb raised his right gun to Drake's head and was about to fire!

Past Allie Maxwell: Caleb, stop this right now! I know you wanted to join the NYPD to bring down The Syndicate, but this isn't the way to do it, Brother.

Past Caleb Maxwell: Allie...!

Suddenly, Caleb Maxwell hesitated, he wanted to shoot Drake Maxwell in the head and finally get his revenge, but to do it right in front of everyone in public, that was going to mark him for life. Then, Carla Claw decided to do something to drive him away.

Past Carla Claw: (Smirks) Heh, you know what I think? I think you had a darker motive hidden inside of your undead heart: you hated Drake so much for the endless living Hell he put you through, and it left you wanting revenge on him, you wanted blood.

Past Allie Maxwell: What do you think you're doing?! Are you trying to get yourself killed by provoking him?!

Panther grabbed Allie Maxwell and held her back! That alone was starting to piss Caleb off along with what Carla Claw said.

Past Shroud: (Smirks) She's right, you wanted to crush Drake into the concrete and drench the city streets with his blood, his followers, your dad's relatives, and your dad himself and cut their heads off and mount them on every skyscraper in the city. Admit it!

We gasped as we saw it!

Nico: Uh oh...!

Roxy Drake: Yep, Shroud really did it this time!

Then, we looked at the big screen.

Past Caleb Maxwell: What the Hell did you just say?! You smart-mouth little fricking dumbass?!

Past Panther: (Smirks) What a vulgar choice of words. Why don't you go and use your foul mouth to kill every last one of those Syndicate dumbasses while you're at it? I'm sure they wouldn't mind you poisoning them with your foul mouth.

Past Caleb Maxwell: SHUT UP! SHUT UP! SHUT UP! SHUT UP! ALL OF YOU, YOU'RE JUST A BUNCH OF ARROGANT FOOLS, YOU ALL THINK YOU'RE SO SLICK AND TOUGH, YOU CAN JUST THINK YOU CAN GET AWAY WITH TAUNTING THE COPS! AND YOU THINK YOU CAN JUST GANG UP ON ME AND PISS ME OFF LIKE THAT! YOU GODDAMN COCKY LITTLE INSECTS! SHUT THE FUCK UP ALREADY! YOU CAN

BE FREE TO SAY WHATEVER AND DO WHATEVER YOU LIKE TO ME! BUT, BE FOREWARNED, IT'LL BE YOUR LAST FOR YOU WILL NEVER BE ALLOWED TO DO SO AGAIN WHEN I KILL YOU ALL!

Allie Maxwell was horrified: her brother literally had an absolute breakdown and he brazenly exposed his true murderous nature! This is what her brother became: a vengeful murderous blood-driven and completely dangerous vigilante, but with what he said, he sounded like a villain!

Past Allie Maxwell: Oh, that's it...! CALEB! YOU'RE GONNA GET IT!

Allie Maxwell got out of Panther's grasp and she charged at him while he was still at that state as she clenched her right fist, and...!

POW!

ALLIE MAXWELL LANDED A SUPERPOWERFUL PUNCH TO CALEB'S STOMACH AS HE FELT THE PAIN OF HIS SISTER'S PUNCH AND HIS EYES WIDEN AND HIS RED IRISES AND BLACK PUPILS SHRINK AND BLOODY TEARS FELL FROM HIS EYES!

THEN, THE FORCE OF ALLIE'S SUPERPOWERFUL PUNCH SENT CALEB MAXWELL FLYING AS HE LET OUT A LOUD INHUMAN DEMONIC SCREAM, AND IT SOUNDED LIKE IT CAME FROM HELL ITSELF AND HE LANDED ON HIS BACK!

Past Mad Cat Max: Damn...!

Past Panther: (Smirks) She's got one strong punch, I'll give her that.

But, then, Caleb Maxwell let out a demonic hellish scream as he got back up, and he looked at his little sister with demonic fury.

Past Caleb Maxwell: YOU...! YOU...! ALLIE MAXWELL!

Past Allie Maxwell: What, you want another round?! (Smirks) (CRACKS KNUCKLES) LET'S DANCE, YOU GODDAMN SNAKE! YOU'RE NOT GETTING OUT OF THIS ALIVE!

OUR JAWS DROPPED!

CLANG!

ELI PUT OUR JAWS BACK!

Me: OH DAMN!

Nico: Holy shit! Allie, you just got really sassy with Caleb, if it was anyone else who said that...!

Allie Maxwell: I know, if it was anyone else, he'd kill them in less than a second. But, here's what happened.

Then, just as Allie said that, we looked at the screen just in time for Caleb Maxwell to let out another demonic shriek as he took to the air and flew off back into the darkness. Then, she turned to Drake Maxwell and she picked him up by grabbing him by the collar of his ratty hoodie and punched him in the face giving him a black eye.

Past Allie Maxwell: Alright, you dumbass, now beat it!

Drake Maxwell growled and ran off!

Past Allie Maxwell: AND IF I EVER SEE YOUR UGLY FACE AGAIN, DRAKE, NEXT TIME, I'LL LET CALEB FINISH YOU

OFF!

Past Drake Maxwell: SCREW YOU, BITCH! I'LL KILL YOU!

Past Allie Maxwell, Carla Claw, Panther, Shroud, Mad Cat Max, Patch, Hex, and Sally Gamble: YEAH! FUCK YOU TOO, BITCH!

They gave Drake Maxwell the middle finger and he let out a scream of anger and fury as the video ended.

Me: Oh man, now that was really wild!

Nico: So, that's how you officially became friends with The Big Claw Gang.

Allie Maxwell: Yep, we usually meet up for lunch and they also worry about me, and I didn't tell anyone about it, but when I was eighteen.

Allie Maxwell pulled the right side of her coat and shirt down and showed us the vampire bite marks.

Marcus Mackenzie: Yes, I fed on her blood and she fed on my blood thus giving her the very same powers and immortality as us just like her mother, Caleb, and the other relatives of her mother who were fed our blood when they reached eighteen. We were also impressed by her bravery especially at what she did in defending the city's thieves especially from the hated Drake Maxwell and the vengeful Caleb Maxwell, and she's done this more than once.

Lincoln: If I had to guess, that was when you found out about him being poisoned by Sebastian back before we removed The Black Ooze of The Eldritch.

Marcus Mackenzie: That's correct, and that night, that was when The Big Claw Gang freed Caleb from that dark influence and he was freed from that darkness, but he still harbored hatred towards Drake, his thugs, The Syndicate, and his father, but he didn't attack The Big Claw Gang ever again.

Me: That's of course not as easy though.

Caleb Maxwell: It wasn't, there's still times they taunt me to get me riled up...especially you and Chett, Thomas.

Panther: (Smirks) Looks like someone's still a little angry about all those times as well.

Maria: Damn, and using your real names like that, that's proof he's pissed.

Caleb Maxwell: Honestly, you have no idea how much I'd wanted to punch your brains out of your skulls!

Shroud: Well, you can't do that anymore, we're too tough for you now.

Suddenly, steam blew out of Caleb's nose as he let out an angry bull snort!

Nico: Oh, now you've gone and done it, smartass!

Panther: Chett, leave him alone.

Shroud backed off.

Me: Good thing you told him to back off, Caleb was about to turn into an angry bull.

We got a shower, and then, Lincoln, Nancy Vargas, Mikan Shiratori, Yoshiko Cassidy, and Patricia Haruna are heading to The French Riviera in France.

Lincoln snapped his fingers, and the 10'0", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Nancy Vargas, Mikan Shiratori, Yoshiko Cassidy, and Patricia Haruna are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Nancy Vargas, Mikan Shiratori, Yoshiko Cassidy, and Patricia Haruna all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all.

Nancy Vargas: Wow, we're here in The French Riviera, it sure is beautiful.

Lincoln: It sure is, Nancy, and it's perfect for our first date, shall we?

Lincoln, Nancy Vargas, Mikan Shiratori, Yoshiko Cassidy, and Patricia Haruna dived into the waters and had an awesome time swimming, and there, they also saw the sea life that live there, then, the girls took turns in giving Lincoln a deep tissue massage which not only relaxed their muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and he did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they went back to the beach and they had an awesome volleyball game, and they went into a workout area Lincoln created, and Nancy Vargas, Mikan Shiratori, Yoshiko Cassidy, and Patricia Haruna got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Patricia Haruna: (Swooning) I can't believe how much Lincoln had changed ever since he first came to help Serena and the others years ago, he's now a handsome and manly wolf hunk.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Nancy Vargas, Mikan Shiratori, Yoshiko Cassidy, and Patricia Haruna and hugged them in their abnormally massive and powerful muscular arms, and Nancy Vargas, Mikan Shiratori, Yoshiko Cassidy, and Patricia Haruna placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of Nancy Vargas, Mikan Shiratori, Yoshiko Cassidy, and Patricia Haruna and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and twenty-four sets of large white angel wings underneath spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at The French Riviera, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Nancy Vargas, Mikan Shiratori, Yoshiko Cassidy, and Patricia Haruna on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Nancy Vargas, Mikan Shiratori, Yoshiko Cassidy, and Patricia Haruna are now in your harem, Linky.

Nancy Vargas, Mikan Shiratori, Yoshiko Cassidy, and Patricia Haruna showed the marks Lincoln made on the right sides of their necks.

Sailor Moon: At least Ms. Haruna and Lincoln are together now.

Sailor Mars: Along with Nancy, Mikan, and Yoshiko. I knew they had feelings for Lincoln when he first came to help us years ago, and when they saw him years later and in only gym shorts, they were sent flying via a Nosebleed Rocket.

Jenna: You girls had no trouble at all.

Nancy Vargas: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted thirteen massive 900,000,000,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 12901.2: The U.S.S. Valorous Phoenix is en route to the planet Boris for the first Ambassador Mission of Lola, Flare Firestar and Kimi Lao. We're going to meet the Ultraman Team of 2008's series called Ultra Galaxy Mega Monster Battle. Our mission is to meet them and help bring them back to Earth so we can continue the rest of their missions back home.

Qin: This will be so awesome!

Jackie: You guys are gonna love meeting Rei and his team.

Mandee: This will be so awesome.

Nico: Anyone else want to go with Lola, Flare Firestar and Kimi Lao? Besides 4 Rabbids?

Becky: I'll go.

Gator Ghoul: So will I.

Me: Cool cool. Anyone else?

No one raised their hands.

Me: Okay.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We arrived at what looked like a blue gas giant planet.

Me: Whoa it looks like a gas giant planet from up here.

Nico: But it's not.

We got to landing.

We landed And got out.

We saw a planet that had a city that was destroyed and monsters were all over!

Me: WHOA!

Rei: Jackie? Mandee? Is that you two?

Jackie: Rei!

They went and hugged him.

Mandee: We're glad you and your team are okay.

Rei: I am too. Team Loud Phoenix Storm! What an honor.

Me: Same here.

Lola: Pleasure to meet you. I'm Lola Loud.

Flare Firestar: Flare Firestar.

Kimi Lao: And I'm Kimi Lao.

Lola: We're your ambassadors for this mission.

Me: It's part of a special diplomatic mission program we made.

Rei: Wow! Pleasure!

Becky: My name is Becky.

Gator: And I'm Gator Ghoul. Pleasure.

Rei: It's a pleasure.

The Rabbids gibbered.

Lola: (Sighs) And these are Rabbids.

Rei: They sure are cute.

Eli: But they are not the brightest lightbulbs in the closet if you know what I mean.

Rei: Oh they're idiots.

Me: Yep.

Eli: But they re funny.

Flare Firestar: Yeah and it's cool.

One Rabbid licked Rei.

Rei: Hey!

Eli stopped him.

Eli: See?

Rei: I see.

Jackie: Yeah they are funny.

Nico: Got a base here?

Rei: No I don't sorry.

Me: We can use our ship.

We went into the ship and the Ultra Galaxy Mega Monster Battle Team came in.

Io Mikura: Boy what a ship?

Me: I know.

Ai Asama: But we're glad you guys came.

Me: We'll take you all home after we're done here.

Rei: Really? I figured you'd like being here. After all, you usually go to planets so people don't get killed.

Me: That is true but not when people from Earth are all the way out here and in danger.

Nico:...you know what? I prefer Earth with civilians than going all the way here.

Me: Yeah we have had problems with things like this before. Ugly story.

Rei: I see. Kimi I feel something inhuman about you.

Kimi Lao: Oh I am actually a gene-slammer of a pyronite, Heatblast's kind.

Rei: Wow! That is cool.

Nico: So, any of your enemies active right now?

Me: First we gotta find out who the big baddie is for this one.

Nico: Oh right that's always Mandatory.

Rei: Well it's Black King Joe.

Me: Who is that?

He went over his history.

King Joe is a giant alien robot that has appeared as a supporting antagonist in the Ultraman franchise.

It first appeared in episodes 14 and 15 of Ultraseven, where it was sent in by the Alien Pedan to attack the U.N. Embassy, where a scientist had discovered a chemical that was penetrable against Pedantic Armor. Ultraseven soon arrived to fight the robot, but King Joe initially overpowered the Ultra. However, as soon as King Joe's back was turned, Ultraseven attacked King Joe from behind and knocked King

Joe onto the ground. King Joe then split into four ships and retreated.

King Joe later attacked some oil tankers in the Tokyo Bay. Ultraseven arrived again to fight off the giant robot. It was destroyed when the Ultra Garrison fired the reactive chemical at King Joe, causing it to explode. The Pedan's ship then rose out of the wreckage but was destroyed by Ultraseven's Wide Shot.

King Joe appears in episode 14. After Zetton was destroyed by Ultraman Max and Ultraman Xenon, Alien Zetton sent down four fighters that formed to make King Joe. Piloted by a brainwashed Natty, King Joe caused havoc, prompting Ultraman Max to go and fight it off. After using the Max Galaxy to free Natty from inside the robot, Ultraman Max destroyed King Joe with the Maxium Cannon.

An upgraded version of King Joe called "King Joe Black" appeared as a secondary antagonist in the series. It killed several monsters throughout the series before coming across Rei and ZAP SPACY. Rei attempted to fight off King Joe Black with his monsters but they were unable to get through King Joe's near-impenetrable armor and thus were forced to retreat.

King Joe later reappears in the finale during the battle between Rei's Gomora and Kate's Zetton. It attacked Zetton but was impaled by Gomora EX's tail. It later reappears when it attempts to stop the Pendragon from leaving the planet only to be defeated and destroyed by a revived Ultraman.

King Joe Black appear in episodes 10 and 11 of the series, where they are revealed to be Mass Production Models produced by the Alien Pedan for the purpose of exterminating any beings who carry the Reionyx genes. They were sent after ZAP SPACY but were destroyed by the Pendragon's "Pedanium Launcher".

King Joe appears as a member of the Belial Army. It fought Ultraseven alongside Fire Golza, Eleking, Verokron, Doragory, King Pandon, Banpira, Alien Guts, Alien Metron, and Gan-Q. It was later called back by Ultraman Belial and sent out later to take on Ultraman Zero, only to be destroyed by Zero's Zero Slugger Attack along with Alien Valky, Alien Guts, Fire Golza, Zetton and Tyrant.

When he was done we were shocked!

Me: WHOA! Just what the universe needs, another fucked up artificial intelligence running amok.

Eli: Yeah!

Lola: Not good!

Rei: Yeah. Also we're going to battle Subterranean Monster Telesdon.

Me: Whoa! I remember that one.

Eli: Me too.

Nico: Where is he?

Eli: (Concentrates) He's walking this way! 2,500 yards and closing!

Me: Lets get him! Also you guys have to watch out for the Blackwing Eatos 12 Carriers. They are the Embodiments of

Ben Tennyson's aliens and they have piercing red eyes and black clothes and wings.

Rei: I see.

Me: By the way how did you guys get all the way out here?

Rei: We were out on patrol and then our ship malfunctioned and we crashed here.

Me: Whoa at 62,000 lightyears from home.

Nico: Looks like we got here just in time.

Rei: You sure did.

We flew out.

Nico: He's here somewhere

Me: There!

We saw Subterranean Monster Telesdon!

Nico: WHOA!

Eli: MEGALON!

EXTREMELY MASSIVE FIERY EXPLOSIONS!

Out of a hole came MEGALON!

Megalon roared!

Subterranean Monster Telesdon roared too.

Megalon: So Subterranean Monster Telesdon here. This will be good.

He fired blasts of lightning and explosive meteors and blasted him all over with NUMEROUS POWERFUL FIERY EXPLOSIONS BLASTING OFF!

Me: Lets get him!

We fired waves of energy and blasted him all over.

Lola got out her Gashat and activated it. She fired waves of fire and blasted him.

Flare Firestar got out her Gashat and activated it and blasted him all over the place.

Kimi Lao got out her gashat and activated it and blasted it with fire all over!

NUMEROUS MASSIVE FIERY EXPLOSIONS BLASTED OFF!

Nico: OH YEAH!

KRASMASH!

Nico punched him down.

Rei: YEAH!

Lola: Look there!

We saw a Psyduck!

Me: A Psyduck?

The Psyduck quacked.

Me: How did a Psyduck get here?

Nico: Good question. Must be one of Dark Gale's work.

I checked and gasped!

Me: Oh man! It's Billy's sister Gina! She's the polar opposite of Billy and she's a super genius.

Nico: SAY WHAT?!

Nico opened his mouth so wide that his skeleton fell out.

Eli: That malignant bubblenose baboon has a big sister!?

Me: Yep!

Nico put his skeleton back.

Nico: I hate it when that happens. But that is nuts!

Me: Yeah but she has a nasty condition. She get REALLY NASTY HEADACHES up the ass.

I went over to her.

Me: Gina I know it hurts but calm down.

She used Water Gun

But it was more like a water faucet.

Me: I remember that Misty's Psyduck was funny too.

I snapped my fingers and she reverted back and was a girl with black hair and had blue eyes and red angel wings and had Psyduck on her forehead and had a cutie mark shaped like an exploding volcano with a brain on it.

I wrapped her in a blanket and she had a REALLY NASTY HEADACHE!

Gina: (Groans) My head.

I gave her some ice for it.

Me: Gina you'll be okay.

Gina: J.D.? Oh man what hit me?

Me: You were turned into a Psyduck by Dark Gale.

Gina: (Groans) Man I remember.

She was in a blue suit and injected and then she turned into Psyduck and Dark Gale just... let her go.

FLASHBACK END

Gina: It was awful but they just let me go.

Me: Hmm. I guess Psyduck is a Pokemon that is not worth their time.

Nico: We're in the middle of a battle.

Gina: Oh man.

I snapped my fingers and she got red and purple clothes with Psyduck on her shirt and skirt.

Gina: I look great.

Me: You sure do.

But then we smelled something REALLY HORRIBLE!

SEAL BARK!

Me: Oh good god! What the fuck is that smell!? Is that Ed!?

Nico: He's not with us.

Me: Sorry force of habit.

Lola: Look!

We saw a girl with green hair, red eyes and black clothes and wings and a tiara with Swampfire on it.

Me: (GASP) Mera Methanos!

Mera Methanos: (GRUNT) Good to see you J.D. I got this.

She fired a massive blast of fire and it hit Subterranean Monster Telesdon and he exploded!

EXTREMELY MASSIVE AND INCREDIBLY POWERFUL FIERY EXPLOSION!

Me: YEAH!

I caught a spark doll of him.

Me: Subterranean Monster Telesdon you have failed this world!

Nico: Nice!

Me: But Mera you smell like shit!

Mera Methanos: I know. (GRUNTS) I can't help it.

Mera lost control and threw a piece of mud at Gator Ghoul

SPLAT!

Gator Ghoul: HEY! I may be a Gator but that was rude!

He chomped her and smashed her down.

Gator Ghoul charged her and smashed her down.

I fired the Antidote Ray and injected her.

Becky used her Gashat and fired waves of melons and bashed her down.

Becky charged at her again.

Gina fired energy blasts and knocked her down.

The antidote took effect and she was back to normal. Her green eyes were back.

Gina: (Groans) My head.

Mera Methanos: Your head? Mine hurts worse. What happened?

Me: Ugly story.

Gina: (Groans) Yeah.

Nico: Your role on Sonya's team?

Gina: (Groans) I don't know. I can't answer that.

I gave her an ice bag for her head.

Gina: Thanks J.D. I am the hydromancer of the team. I use water to destroy our enemies. Outside the team I help my family with Billy.

Me: Billy has had his ups and downs with us.

Nico: Yeah.

Rei: That was cool though!

Me: It was.

We went back to the ship.

We told everyone everything.

May: WHOA! That was awesome!

Me: It sure was.

Nico: Next time, Cheese, Piper, Andros, and Emu should come

Me: Good idea.

Qin: Yeah!

Emu: Awesome!

Lola: Yep.

We went back home.

We arrived at the Boardtrot.

Me: The Boardtrot is always fun.

Misty Brightdawn: It sure is.

Earth: Always fun coming here.

Me: You said it.

Peach Fizz pressed a button as a magical sphere appeared, which is a giant apple, but it has a bite mark on it.

Peach Fizz: "What's going on?"

Glory: "I want a turn!"

Seashell: "What's wrong with this thing?"

All of us, Hitch, Sunny, Twilight, and Sunset walked up among the crowd.

Me: Man what a mess.

Sunny Starscout:"Whoa, this place is a mess."

There was some spoiled food on the ground as some was on her hoof.

Sunset Shimmer: "What's going on here?"

The vending machine's slot started glowing, which Peach Fizz's eyes widened as she ducked.

Hitch: "What's seem to be the problem?"

SPLAT!

A bite up cake came out of the vending machine and hit Hitch on the face as it fell, leaving frosting on his face as he gave a surprised look.

Me: WHOA!

Twilight gave a giggle from that.

Twilight Sparkle: "You were right. Hitch just kept having food splattered on his face."

Sunset Shimmer: (Chuckles) "First it was a fruit and now a cake, that's an improvement."

Hitch Trailblazer: "I heard that."

The three mares giggled as he sighed.

Hitch Trailblazer: "But seriously, what seems to be the problem?"

Seashell: "I think the new vending machine is broken."

She held up the apple Peach Fizz brought out.

Seashell: "Look. Everything has... bite marks."

Me: Hmm.

Twilight Sparkle: "That's strange. Whenever a vending machine gives food, they don't have bite marks. Do they?"

This was like her first time with a vending machine that wasn't good when she first came to CHS.

Sunset Shimmer: "Uh, no. But this is the first time a vending machine can make any kind of food for any of us. This thing just came out of nowhere in the middle of the Boardtrot when we first found out."

Me: This must be a magical vending machine. Lets see.

I pressed a button on it for a Watermelon and it dispensed it and out came a HUGE WATERMELON! And it was fine!

Me: WHOA! This machine makes giant food!

Nico: That is cool!

Sunny Starscout: "Another item for the Boartrot like the Tinytrot. But it was okay just yesterday, why would it give food that has bite marks?"

Me: Good question.

Hitch Trailblazer: "Hmm. Must be a loose wire or something. Good thing I'm pretty hooves-y with a wrench."

He placed his hoof in the slot.

Sunny Starscout: "Are you sure that's a good idea?"

Me: Yeah I'm thinking the same thing.

Sunset Shimmer: "Yeah, Hitch, in the Boardtrot, anything we touch is magical."

Twilight Sparkle: "The Tinytrot was one of those examples."

We knew that anything new in Boardtrot is based on a magical effect.

Hitch Trailblazer: "Don't worry, there's always a trick to these things. You just gotta…"

The slot glowed and started pulling him in.

Hitch Trailblazer: "Whoa!"

Sunny, Sunset, Twilight, and the Pippsqueaks: "Hitch!"

Sunny grabbed Hitch's tail to pull him out.

Me: It IS MAGIC!

Sunny Starscout: "Whoa!"

She was being pulled in as well.

Sunset Shimmer: "Sunny!"

She grabbed Sunny by the hindquarters as she started pulling her out with Twilight helping her, but then the two Alicorns were pulled in as well with a scream as the four ponies entered the slot.

Me: WHOA!

Pippsqueaks: "Sunset! Twilight!"

The rest of the crowd looked in shock at what happened to the four ponies.

Me: We better go in after them! Lets go!

I used my scythe and opened a portal into the Vending Machine.

The four ponies all screamed as they fell through a magic portal where a bunch of giant food were floating around. Sunset and Twilight used their wings to gain flight while Sunny held onto a chocolate bar as she looked down at the endless abyss below.

Sunny Starscout: "Hitch! Over here!"

Hitch Trailblazer: "Whoa!"

He landed on a grape before bouncing off as he hit a cookie as he gave a yell before he landed in front of Sunny.

Hitch Trailblazer: "Nailed it."

Sunny rolled her eyes with a small smile at Hitch's acting as he stood up and rubbed his head with slight dizziness.

Sunset and Twilight then landed beside the two Earth Ponies.

Twilight Sparkle: "Well, that was unexpected."

Sunset Shimmer: "You think we've gotten used to the sudden surprise magic by now. And also, where are we?"

We arrived too!

Sunny looked around as her eyes widened.

Me: WHOA! LOOK AT THIS!

Nico: This is incredible!

Sunny Starscout: Um, guys? Are we inside the vending machine?"

We looked around at the endless giant food floating around them.

Nico: It's a Pocket Dimension in a Vending Machine!

Hitch Trailblazer: "I always wondered how these things worked."

Twilight Sparkle: "Does every vending machine look like this inside, Sunset?"

She looked around at the endless food.

Sunset Shimmer: "No. They do not. It's like this vending machine is magical. It has its own pocket dimension with giant endless food floating aimlessly around until they are picked."

Nico: WOW!

Twilight Sparkle: "Sounds about right."

Sunny looked around before she spotted a banana that was bitten.

Sunny Starscout: "Look, ponies. More bite marks. Just like Seashell's apple. We better check it out."

She jumped onto a floating cookie as Sunset and Twilight flew after her as Hitch landed nervously on the cook as well before they found a cyclone where the snacks were being pulled to.

Hitch Trailblazer: "It looks like all the snacks are being pulled down."

We landed on a donut and Homer was eating it.

Homer: Mmm! Donuts!

He was eating them.

Twilight Sparkle: "It could be the source of the bite marks."
.

Sunny Starscout: "I think we need to get down there."

Sunset Shimmer: "You read our minds, Sunny."

Hitch Trailblazer: "Down there?! Into that scary candy vortex?!"

Me: Hitch don't tell me you're going to be like Shaggy now?

Hitch Trailblazer: No way! Sure! Piece of cake!

Before they saw a giant cake heading for them.

Hitch Trailblazer: "Not literally! Not literally!"

Sunset Shimmer "Run!"

They ran off before the cake splattered onto the donut as Sunset and Twilight took flight while Hitch landed on a bag of chips and Sunny landed on a pie.

We flew with them.

Me: WHOA! Look at this place!

Hitch Trailblazer: "Sunny, look out!"

Sunny saw a strawberry heading towards her as she jumped away as it hit the pie as Sunny landed on a cookie as she barely missed the edge by a hoof.

Me: Nico! Cookies and Cream cake coming at you!

Nico saw it!

Nico: (DROOLS) CAKE! (CRAZY TALK) COOKIES AND CREAM!

He went and ate it!

Sunny looked down before she gasped when she saw a path down down.

Sunny Starscout: "I can see a path!"

Me: Me too!

Twilight Sparkle: "Good eye, Sunny!"

She and Sunset flew beside Hitch, who was riding on a piece of chip. We flew with them.

Hitch Trailblazer: "We're right behind you!"

He went up to Sunny as she hopped onto the chip.

Sunset Shimmer: "Aim for the soda can! Up ahead!"

Sunset and Twilight guided the chip as they hop onto the soda can and Sunny opened it up, causing it to squirt up as they move at high speed.

Sunset Shimmer: "Cheese puffs - twelve o'clock!"

They moved around to avoid the cheese puffs.

Sunny Starscout: "Whew."

Hitch Trailblazer: "Donut emergency! Donut emergency!"

He pointed to the donut about to block their path.

Twilight Sparkle: "We're not going fast enough! We'll hit the donut before we can even get past it!

Sunny then saw some mints floating by, which gave her an idea as he grabbed onto the mind and placed it into the soda as she came up next to Hitch with Twilight and Sunset from the side.

Sunny Starscout: "Hold on! Hold on!"

The soda then gave off a burst from the mint as they flew towards the hole of the donut before it was out of drink and they fell into a cupcake.

The four ponies pop their heads out of the cupcake covered in cream as they realize what just happened.

Hitch Trailblazer: "That's teamwork!"

Me: Yeah it is!

Sunny Starscout: "Did it!"

Sunny Starscout: "Now that soda went from pop to fizz."

Twilight chuckled.

Twilight Sparkle: "And straight towards the hole of the doughnut. Because we went through a donut hole? Really? Nothing?"

Sunset Shimmer: "Sorry, Twilight. Not your best."

Hitch Trailblazer: "Not really."

Sunny Starscout: "Good try though."

Twilight groaned before they heard a thud that made the food they were standing on shake as we turned and saw a Raccoonicorn that came in eating snacks while huge as a giant while sitting on a throne made from candy and snacks.

Me: WHAT THE!?

Nico: A Raccoonicorn!?

Hitch Trailblazer: "Kevin?!"

Sunny, Sunset and Twilight: "Who?"

Hitch Trailblazer: "Maretime Bay's most wanted crook. I should've known."

Me: How can a Raccoonicorn be a crook?

Hitch Trailblazer: Some are like that.

Kevin noticed us as he gave a glare as he jumped up and grabbed the lollipop, which glowed when he touched it.

Hitch Trailblazer: "You've had your fun, Kevin. It's time to put the lollipop down and come with me."

Sunset Shimmer: "Uh. Hitch?"

Kevin gave a roar as he swung the lollipop, which moved two giant gummy bears around as he gave a laugh and tossed them at the ponies, which they yelled in startled as they jumped away and landed on the pretzel.

Sunset Shimmer: "That's new."

Me: Okay that was cool!

Hitch Trailblazer: "Let's use our words, buddy!"

Kevin summoned more snacks around him before launching it at the four ponies and us, which made them roll their pretzel around to avoid the snacks.

Me: WHOA!

Hitch Trailblazer: "Ow! Oww! Owww!"

Sunset Shimmer: "We're at a disadvantage here!"

She and Twilight barely used their shields to block the snacks.

I fired waves of energy and blasted the candies.

Kwame: We need Captain Planet for this one.

Me: Good idea.

Kwame: Let our powers combine! EARTH!

Wheeler: FIRE!

Linka: (Russian Accent) WIND!

Gi: WATER!

Me: LIGHTNING!

Ma-Ti: HEART!

We fired energy and element beams and they combined and out came CAPTAIN PLANET!

Captain Planet: By your powers combined I AM CAPTAIN PLANET!

All: GO PLANET!

Me: We got a renegade Raccoonicorn problem here!

Captain Planet: Where is it?

Me: There!

He saw Kevin.

Captain Planet: WHOA! He is huge!

Me: He sure is. But he has an amazing sweet tooth.

Sunny saw a candy cane floating nearby as she got a determined expression and jumped towards it.

Twilight Sparkle: "Sunny!"

Kevin sent more snacks at Sunny, who quickly caught it as she avoided the snacks and backflipped onto a jello as she charged at Kevin, who sent more snacks at her as she whacked the snacks away before her candy cane broke.

Twilight Sparkle: "Whoa. She's good."

Sunset Shimmer: "Learn from the best."

Kevin's eyes widened as he jumped away from the hard snacks of his own projectiles, which broke his snack throne as he growled and used the lollipop to bring out some sticky candy, which hit Sunny on her hooves as she landed on a cookie, but her hooves are now stuck.

Sunny struggled to break free as Kevin landed in front of her as he launched chocolate almonds at Sunny, which they barely hit.

Sunny Starscout: "I don't think he wants to talk!"

Me: He just wants to cause trouble!

Hitch Trailblazer: "Stay very still, Sunny. I got you!"

He jumped over, which surprised Sunset and Twilight as Hitch activated his Earth Pony magic and stomped on the cookie, creating vines that broke the cookies to pieces, which freed sunny as they landed on a rainbow candy as the two Alicorns flew next to them.

Sunset Shimmer: "Wow, Hitch, that was neat."

Me: I'll say!

Hitch Trailblazer: "They don't call me Sheriff of Maretime Bay for nothing. (Turns to Kevin) Time to take out the trash!"

We smirked in agreement as they charged at Kevin as Hitch used his magic to grow more vines to block a snake before narrowly avoiding another while Sunny did the same as she avoided the snacks.

Sunset and Twilight flew ahead while creating magic shields to cover their two friends.

Twilight Sparkle: Keep moving!"

We ran at Kevin as a chocolate piece came at them, slicing the rainbow sour candy as they narrowly avoided it as Hitch charged up at Kevin.

But then Kevin summons a soda can and starts shaking it as he aimed it at Hitch.

Hitch Trailblazer: "Uh-oh."

Kevin opened up the soda can, which hit him as Hitch then got stuck into a jello.

Sunny Starscout" "Hitch!"

Sunset Shimmer: "Okay, time to put this critter on a diet!"

Me: That is an understatement!

She and Twilight flew towards Kevin as they fired magic blasts at him, which he used the snacks to block them as he growled before Twilight and Sunset flew around to circle back while avoiding the snacks.

I fired waves of energy and Captain Planet fired fire blasts and we blasted Kevin all over.

Twilight Sparkle: "Watch out! Incoming snack attacks!"

She and Sunset avoided more snacks. Kevin had enough as he summoned a big giant caramel sweet and launched it at the two alicorns.

Twilight Sparkle: "Aaah!"

She and Sunset didn't have time to react as the caramel hit them and they were sent back and hit a big box as they struggled to break free.

Twilight Sparkle: "What is this stuff?!"

Sunset struggled as she licked her lips to taste the caramel.

Sunset Shimmer: "Caramel?"

She licked her lips again as she gave a smile.

Sunset Shimmer: "Good, but super sticky!"

They struggled to break free.

Twilight Sparkle: "Way stickier giant size!"

They still struggled to break free before they and Hitch were pulled towards Kevin.

Sunny gasped when she saw her friends in trouble as she saw Kevin giving a laugh as Sunset, Twilight, and Hitch gave panicked expressions as Sunny gave a glare as she started glowing.

Me: OKAY THAT DOES IT!

My eyes glowed red!

Sunny Starscout: "That's enough!"

Her eyes glowed as her Alicorn form appeared.

Sunny Starscout: "I'm all three pony kinds wrapped up into one! My cutie mark comes to life with hope bright as the sun!"

She released a bright flash, which blinded the four as they saw Sunny floating in her Alicorn form while glowing.

Me: (Fire swirled behind me) I am the Champion of Friendship and Protector of the Earth and loved by all. When my Cutie Mark Comes to life, Justice brings evil to a fall!

I had waves of fire swirl around me!

Sunny Starscout:"This snack attack is over!"

While the critter looked at her nervously as Sunny and me released a huge magic blast, which broke the snacks as it set her friends free as they were caught in a huge light.

Outside the Vending Machine, the slot glowed as the four ponies and all of us and Raccoonicorn, who was now back to normal size, came out as they landed on the floor.

Me: WHOA! That was awesome!

Sunset Shimmer: "Wow, Sunny. You are getting really good."

Sunny Starscout: "Thanks. I had practice from very good teachers."

Twilight Sparkle: "And you're a great student."

Kevin was stuffed from all the snacks he ate as he was about to make a getaway, but Hitch grabbed him.

Hitch Trailblazer: "Nice try, buddy. You can come down from that sugar high back at the station."

Fluttershy: You are in trouble mister.

Hitch Trailblazer: Thanks for having our backs in there, Sunny."

Sunny Starscout: "Anytime, Hitch. Always."

Their Cutie Marks glowed.

Twilight Sparkle: "They're bond is so strong when they're together."

Sunset Shimmer: "You have no idea."

Kevin then dug into Hitch's mane and brought out a piece of a snack that was still on him, which the ponies noticed as he ate the piece.

Hitch Trailblazer: "Hey!"

Kevin gave a belch as the mares laughed in amusement from that.

Cutthroat: Now that's funny!

Me: This is one Raccoonicorn that could be perfect for the M.O.E.

Lola: I agree.

I went to the Vending Machine and pushed some buttons and got a vanilla and chocolate chip cookie pizza!

Me: Oh boy! Now it works perfectly!

Qin: Yeah!

I ate it.

Me: (Eating) MMM! But it's really good!

Nico: That is big food it has in there. (LOUD BELCH) Man that cake filled me up.

Homer: The donuts too!

Me: Boy those were huge foods in there. Sunny when did this vending machine get put in?

Sunny Starscout: I think about a few days ago.

Tracks: And who put it there?

Me: Well it's magical so it must've appeared out of nowhere.

Xenia: That could be.

HItch Trailblazer: Also how did Kevin get into the machine?

Me: I think he might have gotten into it in the middle of the night. Like raccoons, they are nocturnal.

Sly Cooper: No arguments there on that.

Barricade (to Captain Planet): Hope you don't mind staying a while

Captain Planet: Well it is my day to shine. So I don't mind.

Me: And Earth's too but cool.

We had fun at the Boardtrot for a bit.

We later went home and We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our ultimate final showdown with Captain Pollution, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Me: Boy these last 8 days were so fun!

Qin: They sure were!

Laney: I'll say!

Camie: Nico what was your favorite out of these last 8 days?

Nico: Yesterday, honestly!

Me: AWESOME! That was mine too. We all had fun!

Lola: Yeah we sure did!

Lana: Yeah!

Gira: We all had a fun time!

Lana: Yeah!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and twenty-four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was our old enemy, Captain Pollution, he's back and he wants revenge on us. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we just saw!

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: to our anger, it was our old enemy, Captain Pollution, he's back and he wants revenge on us.

EVERYONE GASPED!

May: Are you kidding me?!

Captain Planet: We all knew this day would come, now we can make him pay.

Me: Just like we knew about yesterday

Earth: What he's done can never be forgiven at all! We'll have him suffer the same fate Lincoln gave to Looten Plunder.

Lincoln: First though, we got to weaken him.

Gaia then appeared.

Gaia: That's right, and I have a little something for you, Lincoln.

Gaia took out a box and she opened it, and inside was a Planeteer Ring with a yellow stone in it with the emblem of Light: The Sun.

Wheeler: Is that a...?

Captain Planet: A Magic Ring like the other five Magic Rings, but it has the emblem of Light: The Sun.

Gaia: Correct. In addition to the Rings of Fire, Water, Earth, Air, Heart, and Lightning, I also created The Light Ring, and only someone with a pure heart and a strong sense of justice can wear this ring. But then, a voice from Heaven spoke to me about who should be the Bearer of The Light Ring and he showed me the vision of Lincoln Loud, and he told me the story of how Lincoln's the reincarnation of Amaterasu, the white wolf Celestial Brush God and Goddess of The Sun from Okami and not only was he born with the powers of The Sun Goddess herself, the powers of light, fire, life nourishment, and energy, along with purifying powers and immense holy powers, but he's also a pure noble hero with a strong sense of justice and always ready to help those in need.

Gi: With this many revelations and sides that we'd been uncovering about Lincoln, we can't even keep track.

Selene Arcangela: And it's just getting started. And that voice you heard, Lady Gaia, that was none other than God himself, he was the one who approached you that day eons ago and told you of who should be the one to wear The Light Ring.

Nico: J.D. had gotten The Lightning Ring years ago, and now, it's Lincoln's turn to receive The Light Ring.

Suddenly, The Light Ring glowed and it merged with Lincoln's Ring of The Phoenix and glowed with an intense light, and when it was done, the light faded, and we saw the emblem of The Sun on the large rainbow gemstone.

Lincoln: There's also more to The Light Ring, apparently, it can also weaken those who use The Rings of Destruction for evil and it can also weaken Captain Pollution since light is a purifying force.

Nico: Which we're going to use on him.

Me: And destroy his powers for good before we send him to The Black Abyss forever.

Suddenly, Lincoln also saw the sign of Apophis along with The Sigil of Malphas over the skies.

Lincoln: Oh, great! As if things weren't bad enough, Dark Sebastian's back for more, along with Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra.

Selena Mendez: Damn him!

Camie Elextor: Before we do our entrance, we need to cast a spell to destroy the surprises that evil monster your parents created and give him a taste of his own fucking medicine.

Qin: That's good, we'll send those pack of monsters flying back to Transylvania.

Nico: Which'll end with him spewing toxic death threats and explicit words at us. Alright, team, let's get going, it's time for the ultimate final showdown with Captain Pollution.

Lincoln: The Avatar of Destruction's time is finally up, now we'll do away with him forever.

The previous group came.

Shiv: Can me, Dumbbeltron, Fireor, The Rowdyruff Boys, Springfield Mafia, Electro, Evil Star, Dark Spicer, Key and Dr. Light go with you guys?

Butch: And can we see the vending machine?

Nico: Yes you all can come with us and yes we can all see it after we're done with the mission. Right now we got to take down Captain Pollution forever.

Shiv: WHOA! This is gonna be good!

Me: Yep and he is gonna be a dangerous and evil challenge.

Fireor: Nico, which Gene Slammer do you think you'll meet next?

Boomer: (pouts) I wanted to see the vending machine!

Brick: Boomer we got more important things to worry about like saving the world.

Nico: He's right. Also I'm hoping to go for the Evil Hero Monsters this time. Starting with Evil HERO Inferno Wing.

Me: WHOA! Cool!

Lola: Hot!

Qin: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive white angel wings and twenty-four sets of large white angel wings underneath his massive white angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a massive dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was

Mitochondria Eve from Parasite Eve, and she's come back for revenge on Aya Brea for killing her. When we saw it, we knew it meant trouble.

Lincoln: Oh man, now we've got some trouble.

Aya Brea: That wasn't who I think we saw.

Lincoln: Afraid so, Aya, it's Mitochondria Eve, your old enemy from New York when you worked for The NYPD, she's back and she wants revenge on you.

Cordelia Starling: We'll need to weaken her first, and then, once Lincoln drains her of her powers, we'll finish her off with a shot to the head.

Lincoln: Great idea, Cordelia.

Nicole: Hope you've got a good round to end her.

Nico: We've got something that can help out with that. Alright, team, let's go, this is it: the battle to forever protect Earth and wipe out the last of The Eco-Villains is about to begin!

Lincoln: Captain Pollution's time is done, this is where we end him for good, and once we get done with him, you're next, Mitochondria Eve.

Cordelia Starling: You've lived for too long, and just like what my little sister, Juliet, did to Astarothe Voldemorte, I'm gonna end you for good, you parasitic monster.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to finally destroy Captain Pollution for good and we'll permanently make sure Earth is forever free of The Eco-Villains, and once we get done with him, Cordelia Starling and Lincoln are going to end Mitochondria Eve for good.

We were off to the island of the planeteers. That was gonna be the stage for destroying Captain Pollution.

We arrived at the Planeteers island.

Me: Here we are.

Kwame: Good to see the island again.

Me: It sure is. This is where we met for the first time.

Laney: I remember that.

Xenia: Wow!

Chillyfish: Let's call Grumblemon.

Me: Good idea.

Dumbbeltron: I was gonna suggest that. But okay.

Grumblemon came.

Grumblemon: I'm here and ready for this

Me: Awesome.

Threatpack: We can kill Pollution with an Elemental Heart Blast

Me: Good idea. We'll all work together and use our combined power on him at our most powerful,

Camie: Yeah!

Ymir: I like that.

Captain Planet: And you guys have been doing a great job.

Me: We sure have captain. Wow! We destroyed 7 Ecovillains. Captain Pollution is all that's left.

Varie: He sure is.

Birdbrain: You should've been there yesterday

Nico: Yeah it was awesome.

Captain Planet: I heard all about it from Gaia and I was really amazed you did all that.

Me: Yesterday was really eventful.

Camie: It sure was.

Ymir: Lets not forgot that Mizore and Dark Magician Girl are due tomorrow.

Me: Yep we know. So tomorrow is gonna be Mizore and Dark Magician Girl's baby shower.

Inque: And no one's hopped on their stomachs

Me: That's good and we've been keeping it that way.

Camie: Yeah.

We then heard amazing and divine singing.

Me: Hey hear that?

Eli: I sense a really good energy signal. This way.

We followed Eli and on a rock by the ocean singing with birds and animals and butterflies was an angel with blue and green hair and had angel wings with Earth reflected in them.

Me: Oh wow.

Lincoln: (GASP) That's Earth's Akuma, Gaia Angel. The Hypothetical Akuma of Earth Chan and she is the angel of Earth and a huge lover of life and all things on Earth. She is a master of all the powers of the Earth. She was made because of my love from a kiss and she promised to protect me and destroy my enemies.

Me: Wow!

Qin: So romantic.

Lola: Wow.

Me: She's a Good Akuma like Max's Akuma that we met.

We went over.

Gaia Angel: Ah Linky and everyone. You came.

Me: Wow! You look beautiful like this Earth.

Earth: Yeah. Wow!

Electro: Earth? Is that you?

Gaia Angel: It's still me and don't worry, I am always on your side.

Nico: That is cool! So you are not a villain Akuma.

Eli: No but HE IS!

We saw a HUGE 10 HEADED DRAGON!

WE GASPED!

Lincoln: OH MY GOD! That's Captain Planet's Akuma, Planetary Chimerahydra! The Hypothetical Akuma of Captain Planet and he is a 10 Headed Dragon and his heads are imbued with the powers of the 10 powers of life and destruction. One for each power and head:

Unicorn - Earth: Stone Blasts

Eagle - Fire: Fire Breath

Polar Bear - Wind: Wind Breath

Dolphin - Water: Tsunami Breath

Anaconda - Heart: Life Blasts

Komodo Dragon - Radiation: Fire Energy Rays

Dragon - Deforestation: Energy Saw Blades

Smog - Vulture: Smoke Breath

Toxins - Shark: Poison Gas Breath

Hate - Wolf: Dark Energy Blasts

He was made because of the crimes and atrocities of the Ecovillains and vowed to destroy them all including the polluting sources all over.

WE GASPED IN SHOCK!

Nico: Mommy.

Me: MY GOD! Captain Planet is that you?

Planetary Chimerahydra: Yes it's me.

Me: WOW! You look incredible like this!

Nico: You have all the powers of the Planeteers and the Rings of Destruction!? That is amazing!

Me: It sure is. Too bad Light and Lightning aren't included.

Planetary Chimerahydra: I know.

Grumblemon: Wanna help us against him?

Gaia Angel: I would be honored.

Me: Awesome. We're going to need a huge super combo for this one!

He fired stone blasts from the Unicorn head. We dodged them

Then fired Fire blasts from the Eagle head and we absorbed that.

He then fired dark energy hate blasts from the wolf headand we got SUPERCHARGED from that one TIMES 100,000,000,000,000!

He fired poison gas breath from the shark head and I blew it back!

He fired waves of energy saw blades from the Dragon head.

We blasted them back!

Me: WHOA! Sheila this is just like fighting Tiamat huh?

Sheila (D&D): It sure feels like it!

Qin: Except Tiamat has 5 heads. This one has double the power!

Xenia: Yeah!

Grumblemon charged at him and smashed him with his club!

Grumblemon: SEISMIC SLEDGE!

SMASH!

He smashed him all over.

Earth: Lets do it!

Gaia Angel: You got it!

Earth and Gaia Angel: EARTH AURORA BLAST!

They fired waves of energy and blasted Planetary Chimerahydra all over.

Me: Lets do it! KAAAAAAAAAA MEEEEEEEEEEEEE HAAAAAAAAAAAAAA MEEEEEEEEEEEEEE HAAAAAAAAAAAAAAAAAAAA!

I fired a massive Kamehameha Wave Blast.

Planeteers, Guardians of Candrakar and Captain Planet: EARTH GUARDIAN FORCE KAMEHAMEHA!

They fired a powerful Kamehameha Wave made of Earth, fire, wind, water, light and energy and the blasts combined and slammed into Planetary Chimerahydra and exploded with incredible power!

EXTREMELY MASSIVE AND INCREDIBLE EXPLOSION!

It was knocked out!

Me: WHOA!

Nico: That was awesome!

Triggerhappy: That was epic!

Me: Yeah it was!

Nico: Yep. Now time for the main event.

Me: Yep.

Nico: Alright, now we need to get after Captain Pollution.

Lincoln: But first. Selena.

Selena Mendez, Camie Elextor, Wendy Sauron, Varie Yulinova, Lorena Cavenstein, Solla Nexcrota, Kira Textington, Gina Thunderton, Xenia Vola Dappra, and Tania Tornadora raised their staves as they chanted an incantation and we then saw the symbol of The Nightflame Sun appear in the sky and a magic circle appeared where Dark Sebastian and those Dark Church of Malphas dickheads are at as it glowed with purple energy as we saw it through a viewing window. Then, we saw the chaos erupt as beams of purple energy and magic were fired from nowhere and they forced out the many armies of demons and monsters hiding and got destroyed in a split second. They saw it, and Captain Pollution let out a scream of rage!

The viewing window closed as we were laughing hysterically!

Me: Hah! Serves you right, asshole!

Nico: Okay, now we can get after that bastard without any nasty surprises from those pack of snakes.

We then took off, and we got there in time to see Captain Pollution ranting, raving, and screaming and shrieking like a monster and our energy auras flared up extremely as we grew stronger from the toxic hate, but our energy auras really really flared up to the extreme and we all grew even more stronger than ever as we felt the extreme toxic hate of Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra.

Nico: Okay, let's end that bastard once and for all.

Captain Pollution: WHEN I FIND THOSE FOOLS, I'M GOING TO DESTROY THEM ALL ALONG WITH THIS ENTIRE PLANET!

Dark Sebastian: WHAT THE HELL! IF ANYONE'S GOING TO DESTROY THOSE FOOLS, IT'S GOING TO BE US!

Alaister Necroshade: CONSIDER OUR ALLIANCE OVER!

Captain Pollution: WHAT?!

Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan

McCabe, Aragon Cochran, and Nergal Glaphyra: ARMIES OF THE NETHERWORLD, ATTACK!

We then saw Captain Pollution fighting against massive armies of zombies, demons, and other evil monsters from Hell that were summoned, and we saw Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra laughing insanely and malevolently at the chaos and madness they've unleashed.

?: TIME TO SHUT YOU PACK OF SNAKES UP!

Suddenly, the spirits of Fire, Earth, Water, Air, Heart, Lightning, and Light appeared out of nowhere and they attacked Captain Pollution in total fury and that made him extremely pissed off even more and they also attacked the armies of zombies, monsters, and demons summoned by Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra and destroyed them!

Then, the spirits converged and they crashed down and then...

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

A massive explosion erupted as a Thunderbird Screech and Phoenix Cry was heard and we appeared, and this made Captain Pollution even more pissed off than ever, along with Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra.

Me: Long time no punch Pollution!

Qin: YEAH!

Captain Pollution: Well look what we got here.

Me: You've got some nerve coming back from the dead, Captain Pollution.

Nico: I honestly thought we were finally done with you, after all the trouble you've caused to Lady Gaia, the Planeteers, and Captain Planet. But, thanks to Dark Sebastian bringing you and the others back from the dead, that was basically crossing the line!

Lincoln: And speaking of, we're only here for our main target, Captain Pollution, you pack of snakes are a nuisance. But, don't think we forgot about what you did yesterday when you unleashed pure unadulterated chaos and madness on Chikyu, along with the bloodbath you tried to cause when you lot tried to kill Dujardin, Zarm, and Hans, that was our kill, not yours.

Captain Pollution: DIE! ALL OF YOU JUST FUCKING DIE!

Lincoln and I fired blasts of purifying light at Captain Pollution along with those pack of snakes and they got burned badly, but Captain Pollution felt his power weaken, and when he saw The Emblem of Light appear behind Lincoln, he froze in horror!

Captain Pollution: No..., it can't be! The Light Ring!

Me: So, you knew about The Light Ring, eh? Too bad it was hidden so long ago, and it was something you feared: light is a purifying force and it can also strip you of your powers as well.

Suddenly, Lincoln's deep sapphire eyes and the rainbow iris of his eyes turned heavenly golden yellow as we felt a massive and powerful divine force coming from him and heavenly lights shined down as the Angels and Archangels of Heaven appeared.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) And we've already had it with you, Dark Sebastian. Time to send you all away once more.

Dark Sebastian: (DEMONIC VOICE) SHUT THE FUCK UP, BITCHES! DIE! THIS IS FOR HUMILIATING ME!

DARK SEBASTIAN FIRED A BLACK AND RED ENERGY BLAST AT US TO KILL US, BUT LINCOLN FIRED A BLAST OF HEAVENLY LIGHT THAT DESTROYED THE BLACK AND RED ENERGY BLAST AND THE BLAST OF HEAVENLY LIGHT HIT DARK SEBASTIAN RIGHT IN THE STOMACH AND SENT HIM FLYING INTO A WALL! HE GOT BACK OUT, BUT THAT PISSED HIM OFF BIG TIME AND HE GOT BURNED BADLY BY THE HEAVENLY LIGHT!

Captain Pollution: Hah, serves you right.

Dark Sebastian Mendez: (DEMONIC VOICE) WHAT THE FUCK DID YOU SAY?! BASTARD!

Captain Pollution was smug at Dark Sebastian's humiliation. But, his smugness is about to be broken big time as the darkness blackened the skies even more.

Selena Mendez: UH OH, NOW YOU'VE GONE AND DONE IT!

Camie Elextor: HE'S GONNA GO BALLISTIC!

Gina was surprised as her body started trembling. She yelled out in surprise as her body started expanding

Same with Chalcanthite Aurora.

Gina: NO! We control the power. It doesn't control us.

They concentrated and reigned in Psyduck and Crystal Onix. They transformed and fired energy blasts at him and smashed him down.

Me: And it's going to get more explosive

Overdrive: Look at all the mess.

Piledriver: I'm looking at it.

Qin: Yep.

Ebon: (to Nico) We heard you fought Eli's Akuma.

Nico: HIs 3rd Akuma actually. But before that we helped Ms. Frizzle's class.

Turtle: (to Hikaru) I hope you take care of that Magnemite

Hikaru: I will.

?: Cool!

A figure came out and it was DRAGONIZER from episode 9 of Operation Overdrive!

Dragonizer, along with Moltor's Zord, was created by Moltor for destroying the Rangers' DriveMax Megazord.

In the first battle with the Rangers, the Dragonizer was originally piloted by a Lava Lizard. It came to help Moltor's Zord and used a giant boomerang in battle. Halfway through the battle against Moltor's Zord, whilst the Drill Driver and Cement Driver were being crushed, Dragonizer showed up and helped it decimate the Drivemax Megazord. They then resumed their pounding of the Megazord, eventually forcing four of the Rangers to eject with Mack staying for some reason and the villains took it on their island with Mack inside where they laid a smackdown on it.

However, the Rangers later showed up in the newly repaired Auxiliary Zords and forced the Zords into battle. By this time, Moltor had assumed control over this Zord and Flurious had taken control of the other from a Lava Lizard. Moltor's Zord was easily overwhelmed by the Crane Driver's crane arm and Dragonizer was no match for the Cement Driver's energy blasts. The Rangers then combined into the new Super DriveMax Megazord.

After taking out Moltor's Zord with a smack to the head, Flurious tried to destroy their formation with Dragonizer but was stuck in place by the Cement Driver's cement. The Rangers then finished off this Zord with the Super DriveMax Megazord's Power Ram along with Moltor's Zord, seemingly killing Moltor and Flurious although they survived and broke their alliance.

Mack: Dragonizer!

Dragonizer: Been a while rangers.

Me: I remember you! You were made by Moltor to destroy the Rangers DriveMax Megazord.

Dragonizer: That's right. Good memory.

Me: Thanks.

William: I'm guessing Vypra made you sentient?

Dragonizer: She sure did.

Me: Awesome and cool.

Qin: Yeah!

Varie: Cool.

Nico: LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We got the battles underway.

---

Turtle was first.

Turtle: (to Hikaru) Ms. Frizzle and the Class went to find out how Cocoa Beans are made. What was the answer to that question?

Hikaru: We found out that the Cacao Trees needed certain conditions for pods on the trees to form and why. We went down to Costa Rica and we found out that They need Mud Wallows made by peccary pigs to produce Midge Flies. Which are the flies that pollinate the flowers on the Cacao Trees to make pods.

Turtle: Ah like a Symbiotic Partnership with certain creatures.

Hikaru: Yep and That was awesome and cool. And we found out that one of the Rainforest Inspectors was keeping the peccaries away by covering the rainforest floor with synthetic grass and preventing no mud wallows to form for the peccaries.

Turtle: That's not right! But at least you helped him correct that and that was awesome that you guys learned so much about the Cacao Tree. That's one of my favorite trees because of how it makes chocolate.

Brigadramon: Yeah like J.D. said, you would have to be an absolute lunatic to not like chocolate. And when we got back we made cookies and chocolates with Ms. Frizzle and we loved it. Oh I'm Hikaru's Brigadramon.

Turtle: Pleasure and wow! How did you guys like it?

Brigadramon: It was delicious. We had natually made chocolate treats and they were awesome!

Sombra: It sure was and we had great sweets too.

Esther: Yeah and we learned all about how the Bromiliad Flower houses creatures too in water. It was beautiful.

Rainbow Dash: Seeing all those creatures and trees there were really awesome and it was great to learn about them.

Comet Thunder: It sure was cool. Earth was in heaven with learning all about this. Simone wasn't present back then when this happened because she was out sick with a cold.

Thunder Rainbow Zoom: But this made up for it big time.

Scootaloo: She had a lot of fun and we learned all about the Web of Life. Which is really cool.

Whirlwind: I agree there. That was so fun and Fluttershy had fun too.

Turtle: Wow! Everyone had fun on that one. Glad you all had a great time there. Lets do it!

Hikaru's Gashat was called Hikaru of Thor and they fired waves of lightning, wind and rainbows and smashed them down.

El Oso (to Sunset): Nico's Rescue was in the Great Valley. He battled Eli's 3rd Akuma Plaghidorasaurus!

Sunset Shimmer: Yeah and you should have seen what he looked like! He was a 3 headed winged version of the Infected Argentinosaurus that we saw and he was scary! He was completely feral and bloodthirsty and was roaring in intense rage and insanity!

El Oso: AY CARAMBA! That is one scary beast! Man he must've been really terrifying!

Shadramon: He sure was! Aylene screamed at seeing him and J.D. threw up all over the place! Oh I'm Sunset's

Shadramon.

El Oso: Pleasure and man I would too amigos!

Kairi Yano: Yeah and he was made because of LeLouch hurting Nunnally and he turned into that monster to destroy him! He was completely out of control!

Firestorm Shimmer: Yeah he sure was!

El Oso: First Eli as a Sith, then as an 11-Tailed Wolf and now a Three-Headed Zombie Argentinosaurus! That is scary!

---

Overdrive was next.

Overdrive: (to Andros) Nico, Wind Man's team, Rainy Turtloid's team, and the others did good battling The Anothers, who were the gene-slammers of Elder Entity N'tss, Elder Entity Norden, Old Entity Cthugua, Old Entity Hastorr, Outer Entity Azathot, Outer Entity Nyarla and Vennu, Bright Bird of Divinity. And what vehicles can I use here?

Andros: Got these.

He pulled out a scroll and gave him a chopper motorcycle.

Overdrive: Perfect!

Andros: And yeah they were awesome. Also we learned a very terrible story about the Lovecraft Entity Cards from J.D. and Chazz. We found out 3 years ago that a student of Duel Academy used those cards. We never got her name though but she was an insane asylum student that had a lot of problems and she challenged Chazz to a duel and used the Lovecraft Entity Cards. They did a terrifying speech and drove everyone in the duel auditorium completely insane! Chazz and J.D. weren't affected but lots of kids got really hurt bad!

Overdrive: THAT'S TERRIBLE! And wait I think I know who you are talking about. Her name is Sheralynn Raynard, she escaped from a maximum security insane asylum 5 years ago. She was extremely deranged and mentally unstable and was diagnosed with Sadistic Personality Disorder and Paranoid Schizophrenia. She is that dangerous. She was arrested for killing 80 people and was declared too insane to face trial ever. She was insane because she wanted to spread her insanity to others by using the Dark Tongue of Cthulhu.

THEY GASPED!

Reptiledramon: THAT'S HORRIBLE! Anyone that does that is really pure evil! Oh I'm Andros' Reptiledramon

Overdrive: Pleasure. But yeah she is extremely dangerous and completely unstable and insane. She will kill anyone that gets in her way. She does it by using the Lovecraft Entity Cards.

I came over.

Me: OH MAN! That is horrible! I had no idea she was that dangerous! And I remember Sheralynn. Back in that time I arrested her and sent her to the Arkham Asylum Supermax Section of the Saturn Insane Asylum. Thanks for telling us this James. Now we know who she is.

Overdrive: No problem J.D.

I went back to the battle.

Galaxy Man: I had no idea she was that messed up! Also we met a gene-slammer of Crystal Onix which was really awesome! She was Pipsqueak's older sister Chalcanthite Aurora. She is beautiful and awesome.

Overdrive: WOW! She must've been quite a sight as a Crystal Onix and I think I remember hearing about a Crystal Onix. They are very rare.

Mai: They sure are.

Twilight Sparkle: We've never seen a Crystal Onix before that's not a gene-slammer.

Stellar Sparkle: Yeah no kidding!

Harmony Sparkle: It sure was awesome.

Starshine Sparkle: Yeah it was awesome to see.

Spyro: We were amazed too.

Overdrive: That is so cool! Lets do it!

Lincoln and his harem: Now, for the grand finale! We've had it with you, Captain Pollution, now disappear forever! ELEMENT FINAL SMASH: ELEMENTAL PURIFICATION BLAST!

Lincoln and his harem fired a massive purifying Ki blast at Captain Pollution, and it exploded with such incredible power as it hit him!

Earth: I've had it with you!

She then raised her hands into the air!

Lincoln: She's going to use the Spirit Bomb!

WE GASPED!

She then formed a massive and powerful huge spirit bomb! She made a Spirit Bomb as big as the moon!

Earth: This is from me to you Pollution! SPIRIT BOMB!

She threw it and he blocked it and held it back.

Grumblemon: Oh, I'm gonna enjoy killing you!

He bashed him in his head and knocked him all over. Then the Spirit Bomb overpowered him and then enveloped him and obliterated him into nothing! Then the bomb exploded up in space harmlessly.

Then, his soul appeared and Lincoln drained it of all his energy, and he banished it to The Black Abyss forever, and Captain Pollution's dead soulless body was forever imprisoned in a tree as part of the planet he tried to destroy. We cheered as we holstered our weapons and we powered down, and Casey Antonio's new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind his head, large thirty-five black and blue planets orbiting around his legs and thirty-five black and blue smaller planets orbiting around his waist, smaller planets orbiting around his fingers, medium sized black and blue planets orbiting around his wrists and ankles, longer orange tail, and his massive brown angel wings and twenty-four sets of large brown angel wings underneath his massive brown angel wings are permanent, and the new bodies, clothes, weapons, jewelry, Third Eyes, eleven massive and long blonde and light brown wolf tails, large gold halos with four large orbiting gold rings on each corner behind the heads, thirty-five large colored planets orbiting around the legs, thirty-five smaller colored planets orbiting around the waists, smaller planets orbiting around the fingers, medium sized colored planets orbiting around the wrists and ankles, and massive colored angel wings and twenty-four sets of large colored angel wings underneath the massive colored angel wings of Earth, Venus, and Captain Planet are permanent.

Earth: We did it! All of the Eco-Villains are finally gone forever and the planet is permanently safe from those monsters!

Captain Planet: That's for sure. But, Dark Sebastian and those other pack of snakes are still running loose.

Nico: That may be true, and they're far too driven by bloodthirst and insanity to not stop with their antics, but we'll be ready for them.

Me: And we'll kick their asses so hard, they're gonna get a permanent scarring on their asses.

Lincoln: That I'd like to see. Now, there's one last thing to do and one last loose end to tie up: Mitochondria Eve.

?: AYA BREA! I WILL DESTROY YOU ONCE AND FOR ALL AND I WILL RETAKE MY PLACE AS QUEEN OF THE NEW WORLD!

Lincoln formed a massive and indestructible diamond barrier infused with absorption energy that protected all of

us from a sudden barrage of dark energy blasts and the dark energy blasts were absorbed into us and it made us even stronger than ever.

Lincoln: (Caught the scent of blood) There's no mistaking the scent of blood from anywhere, you better get out here right now, Mitochondria Eve.

A figure came out, it was Aya Brea's old enemy, Mitochondria Eve.

Aya Brea: Mitochondria Eve.

Lincoln: I should've known you'd show up here once more. So, not even being trapped in Hell for all eternity would keep you down for good.

Mitochondria Eve: Nothing in Hell can keep me from fulfilling my goal of giving birth to the next stage of human evolution, and I also won't stop until you're finally dead, Aya.

Cordelia Starling: Seriously, what the Hell?! That is royally effed up! You're even worse than Swan, and I think it's time someone put you down for good.

Suddenly, Cordelia Starling's blue eyes turned neon blue and she was surrounded by a rainbow, white, golden yellow, and blue energy aura with stars, aura energy, white and blue heavenly flames, lights, hearts, jewels, phoenixes, and angels, she had her rifle in hand, and as she approached Mitochondria Eve, she left rainbow, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, lights, hearts, jewels, phoenixes, and angels with every step.

Cordelia Starling: I can't believe that a bitch like you exists, and quite frankly, you're the biggest douchebag of all: a royally effed up, malevolent, psychotic, and completely delusional basket case and an overinflated ego to boot. Well, that's going to end here and now, you're gonna get what's coming to you, Mitochondria Eve, time to pay for your sins and rot in The Black Abyss forever.

SUDDENLY, AN EXTREMELY MASSIVE AND INCREDIBLY POWERFUL RAINBOW FIRE EXPLOSION BLASTED OUT OF CORDELIA STARLING WITH INCREDIBLY DEVESTATING AND UNBELIEVABLE FORCE! THE EXPLOSION WAS SO INTENSELY POWERFUL THAT EVERYONE IN 900,000,000,000,000,000 UNIVERSES FELT IT AND THEN, IT FORMED INTO A MASSIVE JET OF RAINBOW FIRE AND IT FLEW OUT OF THE INFINITELY VAST WEB OF GALAXIES AND FORMED INTO A POWERFUL RAINBOW FIRE PHOENIX AND RAINBOW FIRE ANGEL, AND THEY CRIED INTENSELY WITH AMAZING POWER, AND THEN, THE RAINBOW FIRE PHOENIX AND RAINBOW FIRE ANGEL WENT BACK TO EARTH AND CORDELIA STARLING GAINED AN INTENSELY POWERFUL AND SUPERCHARGED ASTRONOMICAL POWER BOOST!

Suddenly, Cordelia Starling was surrounded by a massive vortex of rainbow, white, golden yellow, and blue energy with stars, aura energy, white and blue heavenly flames, lights, hearts, and jewels surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is a pink phoenix with blood red eyes glaring at Mitochondria Eve: the blood red eyes of eternal death, eternal damnation, and eternal judgement, and we saw heavenly lights shining down on the vortex.

When all is said and done, what little did you achieve through your actions. You walk the path of a coward always creeping your way through the dark. That's a path that all villains like you have taken, and it's one that'll follow you into death once more. Eve, may you suffer for eternity with not a kindred soul to give you any solace, this is where we end this once and for all!

Suddenly, Lincoln's massive white angel wings and twenty-four other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Mitochondria Eve, and we found ourselves in Heaven.

We cheered wildly as we holstered our weapons and powered down and Cordelia Starling's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long golden blonde wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, thirty-five large pink and purple planets orbiting around her legs, thirty-five smaller pink and purple planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized pink and purple planets orbiting around her wrists and ankles, and massive golden blonde angel wings and twenty-four sets of large golden blonde angel wings underneath her massive golden blonde angel wings are permanent.

Cordelia Starling: And this is goodbye and good riddance forever. Thank you for helping me destroy Eve for good, Lincoln. You too, guys.

Lincoln (Smiles Warmly) You're welcome, Cordelia.

Me and Nico: Our pleasure, Cordelia.

Suddenly, Cordelia Starling wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Cordelia Starling's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Cordelia Starling sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Nicole: Now, all that's left is for Rosalind to transform. But, I can tell things are gonna get destructive when she gets on the move.

Juliet Starling: We'll keep an eye on her.

Me: Good idea. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw the full moon glow and the symbol of The Oak Moon appeared in the moon as we heard a wolf howl.

Lincoln: The Oak Moon.

Winter Werewolf: And there's only one person whom we're meeting tomorrow: Natalie Oak Moon, Werewolf Angel of The Oak Moon of December.

Me: (GASPS) The Werewolf Angel of December's Oak Moon! That's cold!

Selina Wolf Moon: I knew it was her, and you guys are going to love meeting her, Natalie Oak Moon, Werewolf Angel of The Oak Moon of December, is Lincoln's Guardian

Angel from Michigan and she's an incredibly powerful and cool werewolf of The Frost Moon of November. Natalie Oak Moon is a powerful master of the powers of white wolf fire, darkness, ice, snow, The Oak Moon, cold immunity, and all of the powers and rage of the werewolves, and over time, as she grew, she gained all of the incredible strengths and powers of the werewolves along with immortality. Natalie Oak Moon is The Werewolf Oak Moon Angel of The Wolf Moon Night Pack, a group of twelve girls whom Lincoln met and they each have the powers of The Twelve Elemental Wolf Moons, and she was saved by Lincoln who bit her and injected her with his excessively potent lycanthropy and vampirism after she dodged all of Lynn's attacks and sent her flying. Natalie trained Lincoln in mastering the powers of white wolf fire, darkness, ice, snow cold immunity, The Oak Moon, and the powers and rage of the werewolves, and he also gained all of the incredible strengths and powers of the werewolves, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves and men combined along with incredible levels of incredible superhuman speed and he's able to run as fast as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves, plus it also enhanced his night vision, incredible superhuman senses of sight, smell, touch, and taste, and natural hunting instincts as well, and she found out Lincoln's a True Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she kissed him in his werewolf form on the muzzle and made out many times in his werewolf and he came back home all covered in kisses and his wolf tails were wagging like crazy. Lincoln made her a powerful claymore and gave her a wolf moon tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lynn with a blazing passion and she wants nothing more than to turn her into a human ice sculpture under The Oak Moon!

Nico: Brr, now that's cold!

May: She also has ice powers and cold immunity, that's pretty impressive! And I can guess Lana took a liking to her.

Lincoln: Yep. Lana likes her, but Lynn hates her.

Qin: Ouch. And that made Lana's chances of hanging out with Natalie risky because of Lynn.

Lori: We had to literally keep that rampaging pageant demon away when Jackie came over.

Nico: And I can guess you did the same thing to her, just like with Selina.

Lincoln: Yes, I did.

Me: I still remembered that incident, and after Lincoln told me and Varie of what happened, well, let's just say it ended with Lynn getting the thrashing of her life from the rest of her sisters.

Nico: Ouch, she met her match. And I can already guess that tomorrow, Roxy Drake's going to transform.

Cage Blunt: Whoever Dark Sebastian's going to send after us, that person's already doomed. But, if that person is an innocent, we'll save him.

Enchantress: And so end the Eco Villains

Bronze Kneecap: Including Pollution.

Black Spider: You said it!

Me: I can see the look on Dark Sebastian and his followers stupid faces.

Qin: I'm sure we hurt him this time.

Koragg: What do we do now?

Tar Pit: We celebrate!

Me: And I know just where to go. The Boardtrot.

Rowdyruff Boys: YEAH! Lets do it!

Nico: Yeah! NOW we can try out that vending machine. Great job today everyone.

Earth: We had a lot of fun. (To the viewers) Don't pollute the Earth or you will get your butt kicked from me and everyone.

Lincoln: You said it.

We went to the Boardtrot and had fun and it was cool.

We returned home, and hours later, night fell on the city, but it transitioned to Caleb Maxwell as he was perched on top of the roof of The NYPD precinct which is also next to the Gotham Royal York Police Department precinct.

Caleb Maxwell: So ends another day and the last Eco-Villain finally bites the dust.

Suddenly, he heard the report come in of a group of thugs doing drug deals in the northern district of the city.

Caleb Maxwell: Better get to work.

Caleb flew out to the northern district and the NYPD Nightshift were already on the move, but by the time they get there, the thugs will already be dead as the moon turns blood red.

Then, Caleb arrived at the northern district of the city and he spots the thugs.

Caleb Maxwell: Hey, shitheads!

Caleb Maxwell raised his guns at the thugs, and then...!

Caleb Maxwell shot the thugs dead and collected their blood and placed it in bottles.

Caleb Maxwell: This should be more than enough for the Vampire Council and for Cage, Mr. Blunt, Travis, and Cronus.

Caleb Maxwell actually remained there by the time The NYPD Nightshift arrived.

Jack Howard: Aw damn, you struck again.

Then, Caleb Maxwell handed Cage Blunt a bottle of freshly bottled blood.

Cage Blunt: (Smirks) You sneaky eavesdropper. Hope you also saved some blood for Travis, Dad, and Cronus.

Caleb Maxwell got out more bottles of freshly bottled blood and gave it to Travis Tackett, James Blunt, and Cronus Chase.

Travis Tackett: Now, that's pretty nice of you.

James Blunt: (To Captain Whitten) So, you're not gonna complain about Caleb's eavesdropping?

Captain Whitten: Caleb's been helping out in his own way despite his dream of being a police officer died with him back in 1985.

The NYPD Nightshift and Caleb Maxwell left and returned to The World Tree Estate.

THE END

Next is Kari's day to shine and we're going to File Island for Nico's personal vendetta against Devimon

See you all next time.

DEVIMON'S REVENGE

DEVIMON IS BACK FOR REVENGE

In the early morning hours of 3:12 AM, we were sound asleep. But, then, a sudden mist appeared out of nowhere and it went into Ed Cowart's room, and the sudden disturbance caused Ed Cowart to wake up.

Ed Cowart: What was that?

Suddenly, Ed Cowart got up and was still in his boxers as he got out of bed to confront what it was that he felt. But, he wasn't the only one, Cattleya and Nabiki Tendo also got up as they felt the presence in the air as well.

Nabiki Tendo: What on Earth was that?

Cattleya: I have no idea. That better not be Dark Sebastian and those Dark Church of Malphas and Order of The Dark Universe dickwads.

Ed Cowart: I don't think so, Cattleya. If it was them, we'd notice The Sign of Apophis and The Sigil of Malphas over the sky along with the overwhelming sense of dread and evil in the air. No, there's something else, but not evil.

Cattleya: A hypothetical Akuma?

Ed Cowart: Lincoln would be up and at em when he winds up getting a premonition, but he's not. The guy's sound asleep after a really long lovemaking session for nearly six hours.

?: (Seductive Voice) Look who's up and at em, and we were hoping to surprise you in your bedroom.

Suddenly, Ed Cowart felt two slender hands on his pecs, and he had an atomic red blush on his face. Then, he turned around and he came face to face with a playboy bunny girl with gold angel wings.

Ed Cowart: Holy...!

Nabiki Tendo: Who are you?!

Beautylady Moneyduccubus: I am Beautylady Moneyduccubus, your hypothetical Akuma, Nabiki, and yes, as you can see I'm a playboy bunny girl with money powers and I can charm a man good!

Suddenly, Beautylady Moneyduccubus got real close to Ed Cowart and rubbed her breasts against his chest and had her hands on his pecs again.

Beautylady Moneyduccubus: (Seductive Voice) Like what you see, muscle man?

Ed Cowart's cheeks turned atomic red and he was trying not to go flying via a nosebleed rocket.

Nabiki Tendo: Yikes! Ed's trying to keep himself from flying via a nosebleed rocket!

Cattleya: He's trying, but he's losing!

Ed Cowart: But, how did you sneak past Lincoln, his premonitions always give you away.

Beautylady Moneyduccubus: Like you said, he's sound asleep after a really long lovemaking session for nearly six hours. (Smirks) Oh, and I'm not the only one here.

Suddenly, Beautylady Moneyduccubus then backed away only for Ed Cowart to come face to face with a supermega hot, extremely sexy, and mega voluptuous babe with a massive bust like Cattleya, but she was dressed in a white and green dress: but the straps of the dress did little to hide her massive bust and she had green angel wings.

Bladequeen Flowerduccubus: That would be me.

Ed Cowart: (Thinking) HOLY SWEET BEANS IN A BASKET! Another Hypothetical Akuma, and this one's a supermega hot, extremely sexy, and mega voluptuous babe with a massive bust like Cattleya! Ed, keep it together, man!

Cattleya: Holy smokes! And you are...?

Bladequeen Flowerduccubus: I am Bladequeen Flowerduccubus, your Hypothetical Akuma, Cattleya, and I'm a master of flowers and swords and I'm a deadly force of nature.

Suddenly, Bladequeen Flowerduccubus got really close to Ed Cowart and she rubbed her massive breasts against his chest, and she had her hands on his pecs.

Bladequeen Flowerduccubus: (Seductive Voice) Like what you see, muscle man?

Ed Cowart's cheeks turned atomic red and he was trying not to go flying via a nosebleed rocket, but it failed, and he wound up getting a nosebleed, but then, something primal took over as his dark blue eyes turned deep red as he wrapped his arms around Bladequeen Flowerduccubus' waist and he leaned his head down and kissed her hard on the lips with intense passion and he pinned her to the floor as she wrapped her legs around his waist and returned the kiss with equal intense passion. When they were done with an intense makeout, she had a massive atomic blush on her face.

Bladequeen Flowerduccubus: (In Heaven) Wow...!

Ed Cowart then turned his attention to Beautylady Moneyduccubus as he got up.

Ed Cowart: Don't think you're going to be left out.

Suddenly, Ed Cowart rushed and wrapped his arms around Beautylady Moneyduccubus' waist and he leaned his head down and kissed her hard on the lips with intense passion and he pinned her to the floor as she wrapped her legs around his waist and returned the kiss with equal intense passion. When the two of them were done, she had a massive atomic blush on her face.

Beautylady Moneyduccubus: (In Heaven) Holy...shit!

Ed Cowart: (Smirks) And I'm just getting started, ladies. You thought you'd sneak past our team's psychic and clairvoyant and not expect there to be consequences.

Cattleya: Oh boy, you've gone and done it, you've awakened the sex-hungry beast in him.

Suddenly, Ed Cowart picked up and slung Beautylady Moneyduccubus over his left arm and he picked up and slung Bladequeen Moneyduccubus on his right arm and he, Cattleya, and Nabiki Tendo went back to his room and when the door closed, the barrier came on! Ed Cowart was in for one wild and sexy night with two sexy bombshells and his entire harem as well.

In the early morning hours of 3:24 AM, Lincoln was asleep with his harem, and he had a dark dream: apparently, his dream brought him to San Romero, but as he was flying, he saw the mark of Apophis and the Sigil of Malphas in the air and he knew who was there. Then, he saw Dark Sebastian and that fucked-up demon lunatic along with Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra are also unleashing havoc and madness untold by unleashing zombies, demons, and all kinds of monsters to bring even more chaos and anarchy to San Romero.

Lincoln woke up, and so did his harem and kids.

Lily the Mermaid: Linky, what happened?

Lincoln: It's not good.

Lincoln explained what happened, and they were horrified.

Selena Mendez: I don't fucking believe him! Of all the lines that fucked-up monstrous demon can cross, this is by far the lowest!

Camie Exetor: As if what he did unleashing Hell on Chikyu wasn't bad enough, now he's unleashing even more Hell on San Romero?! That bastard!

Lincoln: That's the last straw, we've got to send him and those Dark Church of Malphas and those Order of The Dark Universe chowderheads straight to Hell and keep them locked up until May 5th.

Varie Yulinova: We got to tell everyone about this in the morning. Oh, the rest of the team is gonna freak out uncontrollably when they hear this!

Lincoln and his harem and kids went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right. Guys, you might want to hold onto your seats for this one. Last night, I had a dream, and it brought me to San Romero.

Then, Lincoln went on to explain that as he was flying, he saw the mark of Apophis and the Sigil of Malphas in the air and he knew who was there. Then, he saw Dark Sebastian and that fucked-up demon lunatic along with Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra are also unleashing havoc and madness untold by unleashing zombies, demons, and all kinds of monsters to bring even more chaos and anarchy to San Romero.

WE GASPED!

Nico and his friends: Un-fucking-believable!

Me: That's it, those demonic insane bastards have officially shot themselves right in the ass for this!

Eli: That's an understatement!

Qin: Not exactly, that's the right thing to say! We all knew Dark Sebastian was an insane bastard, but he, along with those Dark Church of Malphas and Order of The Dark Universe chowderheads are also just as demonic and insane as he is!

Trudy Lawrence: (GROWLS) That fucker is still pissing us off with his madness! DAMN HIM!

Nico: Easy, Trudy, easy!

Suddenly, they heard the sound of the shower running in Ed Cowart's room. Then, it stopped, and Ed Cowart came out all dressed up and he closed the door and joined us.

Me: You look like you've had an awesome night's rest, Ed.

Ed Cowart: Well...!

Ed Cowart explained what happened last night.

Nico: Whoa! So, the hypothetical Akumas of Cattleya and Nabiki came inside? And they snuck past Lincoln by taking advantage of him sleeping after an intense lovemaking session last night.

Lincoln: He's right, but they actually didn't slip past me, I knew they were there, but I was indeed asleep after that last night, but here's who he met last night: Bladequeen Flowereduccubus, the Hypothetical Akuma of Cattleya and she is a master of flowers and swords and a deadly force of nature, and Beautylady Moneyduccubus, the Hypothetical

Akuma of Nabiki Tendo and she is a playboy bunny girl with money powers and she can charm you good!

Lincoln got out his sketchbook and we first saw Beautylady Moneyduccubus, and like he said, she's a playboy bunny girl with gold angel wings.

Me: (Tex Avery Wolf Whistle)

Then, Lincoln turned to the next page of his sketchbook, and we saw Bladequeen Flowerduccubus, and we were gonna wish we hadn't seen her: SHE'S A SUPERMEGA HOT, EXTREMELY SEXY, AND EXTREMELY VOLUPTUOUS GIRL WITH A MASSIVE BUST LIKE CATTLEYA'S!

THAT ALONE CAUSED SOME OF THE MALES TO ALMOST GO FLYING VIA A NOSEBLEED ROCKET!

Me: WHOA! HUBBA HUBBA!

Nico: Oh damn! You were visited by two hot sexy bombshell Akumas in the early morning hours!

Ed Cowart: And with the way they seduced me, it's like something primal awakened inside me and I engaged in an intense hot makeout session with both of them which ended with a lovemaking session with both of them and my entire harem that lasted until the morning.

Evelyn Cowart: I might've guessed it, whenever you see a hot voluptuous babe, you go wild and nuts, but ever since you got older, you eventually wound up starting to get...intimate with them, you've got just as much of an excessive sex drive as Lincoln.

Lincoln's cheeks and muzzle turn red.

Lincoln: Evelyn. Anyways, let's finish up breakfast and get ready for Mizore and Dark Magician Girl's baby shower at Yokai Academy.

Nico: Awesome.

Kari woke up to see Regifae staring at her.

Kari: Oh.

Regifae: Morning Kari!

Gatomon: Morning Kari!

Kari: Morning guys.

Gatomon: Time for breakfast.

Regifae: You got a big day ahead of you.

Kari: Be right down!

She went and got dressed and she went to the table and was eating breakfast. We had steak and eggs.

We finished our breakfast, and we set out to Yokai Academy for Mizore and Dark Magician Girl's baby shower and take down the next villain on Nico's rescue and send Sergio's thugs to The Black Abyss.

Later at Yokai Academy was Nico, Princess Neri, The Ripping Friends, Ellie Singh, Evelyn Burmingham, Jen Tennyson, Eddy, Yugi, Tea, Jaden, Jesse Anderson, Allenby Beardsley Knudson, The Hernandez Sisters, Yost Magma, Rin Nohara, the King Ohgers, Tara Duncan, Cal, Sparrow, Woz, Bai Tza, Sabrina Lorelai the Despair from The Dark Gene-Slammer, Albedo, The 1983 D&D Gang, Donbrothers, Irina Krafla the

(Class of 3000), Narizma Shibonz, Manga World, RTN Deidara and Edo Tensei Hizashi Hyuga and the entire team and we were there for Mizore and Dark Magician Girl's baby shower and it was gonna be fun and cool. Some of us were in our special occasion clothes. Mizore and Dark Magician Girl were in hover chairs and they were being looked after by Pickle and Barley Barrel.

Me: This is gonna be so fun.

Camie: It sure is!

Qin: We're so excited for this.

Mizore: I am too guys.

Me: How are you feeling you two?

Dark Magician Girl: Heavy but we'll handle it.

Varie: Good.

Lola: Yeah.

Blade Man: I am excited for all this too.

Nico: Me too. Blade Man I want to thank you Gloxinia and your teams for coming.

Blade Man: No problem Nico. This will be so fun.

Me: It sure will.

Alvin: We're so excited for this.

Ymir: We sure are!

Nico: Alvin, remember when we met you and your brothers back in 2022?

Alvin: I sure do and that was so awesome.

Me: It sure was Alvin. We battled Dr. Frankenstein and had that awesome battle of the bands.

Camie: Really?

Me: Yep. Me and the Rainbooms and Alvin and his brothers battled us and it was cool.

Pinkie Pie: That was so much fun!

Alvin: Yeah it was!

Simon: We always have fun on that.

Theodore: (Eating Nachos) We sure do.

SkullMeramon: I saw that on TV and it was so fun to see.

Me: And the Chippettes had fun too.

Qin: They sure did.

Brittany: We sure did and that was cool.

Eleanor: Yeah!

Me: And they always sang awesome songs from the 1980s and even songs from the 50s, 60s, 70s and beyond.

Simon: That is too true.

Ymir: I do love those songs.

Hunter: (German Accent) Oh ja ja und they are great.

Alvin: Yeah we always have fun.

Nico: Although you and your brothers got into an argument

Alvin: Yeah that was rough.

Me: I honestly don't remember what that argument was about. Alvin can you give me a refresher?

Simon: We had an argument over Alvin making the band about himself.

Me: Oh thanks Simon. Personally I think a band all about Alvin is not a good idea. A band all about being together is the best. Look at the Rainbooms. We are all together.

Will Vandom: Same with me and my friends. They are fun as W.I.T.C.H.

Luna: And we are as fun as the Moongoats dudes!

Sam S.L.: We sure are!

Iris: And as Lollirock.

Me: All bands are fun when they have a great name together.

Alvin: Yes I know hat now and it's fun.

Theodore: It sure is.

Nico: That is for sure.

Me: Also Alvin, I love it when Dave yelled your name. ALLLVIN!

WE LAUGHED AT THAT!

SkullMeramon: (LAUGHS) That never got old.

Nico: It sure doesn't!

Me: Yeah!

Alvin: Yeah that is always part of me.

Me: Yeah.

Rainbow Dash: Yeah that is awesome!

Me: Yep. Also Alvin you and your brothers were a big help to us when Poromon was a werewolf.

Alvin: We sure were. Well Theodore helped Mr. Talbot.

Poromon: I remember that.

Theodore: Yeah I have had a rough experience with that back then. But I learned from it.

Me: You sure did.

Ymir: Wow! That was awesome.

Gira: I'll say! Wow! That is cool.

Me: It was.

Ace Ukiyo: Yeah everyone was in a state of panic when Poromon got bit.

Manaphy: Including me!

Ymir: Whoa man!

Me: Yeah that was rough.

Nico: But that was an awesome adventure though.

Me: Yep.

Theodore: It sure was and I'm glad we helped too.

Me: Yep. Wow!

Earth: Man yesterday was explosive!

Me: Earth Day 2024 was the most epic ever.

Lola: All the Eco Villains of Captain Planet are now officially dead.

Me: And Given the Black Abyss.

Nico: Including Captain Pollution.

Me: Yep.

Earth: We had a really eventful Earth Day. We learned a lot with Ms. Frizzle's Class about what it takes to make beans for chocolate from the Cacao Tree.

Me: Yeah and had really awesome chocolate treats. Then we battled Eli's 3rd Akuma which was horrifying.

Eli: I was an insane winged 3-Headed Zombie Argentinosaurus!

Ymir: That was horrible to hear about what happened to such a gentle giant!

Qin: I know!

Lola: I started my missions with Flare and Kimi.

Lincoln: You sure did.

Misty Brightdawn: And we battled Kevin the Raccoonicorn in that magical vending machine in the Boardtrot.

Sunset Shimmer: That was awesome. And to top it off we battled Captain Pollution and made Earth Day 2024 so fun.

Earth: That was so awesome.

Nico: I bet Grumblemon could've killed him by himself.

Me: He could have. But it was best to let Earth take care of it. It is the very holiday she loves after all.

Earth: It's true. Also we met my Akuma.

Me: She was a really beautiful and peaceful angel.

Earth: She sure was. But Captain Planet's Akuma was a really scary 10-headed dragon!

Me: That one put up much more of a fight.

Bobby (D&D 1983): Yeah it sure did! Reminded me of Tiamat all over again didn't it bro?

Me: It sure did Bobby. That was intense.

Nico: It sure was.

Me: Yep.

We got the party started. It was time for some songs!

Me: HIT IT GIRLS! LETS ROCK!

Pinkie Pie: 1! 2! 3! 4!

(THE NIGHT BEGINS TO SHINE BY B.E.R. PLAYS)

A Total Solar Eclipse formed in the sky above us and the Aurora shined brightly.

Me and the Rainbooms: (SINGING DIVINELY AS LIGHT, DARKNESS AND SUNS AND MOONS SWIRLED AROUND US)

I saw you dance

From the corner

I caught your name

In a conversation

Playing hard-to-get

But I can understand

When I look at you

I see the story in your eyes

When we're dancing

The night begins to shine

Night begins to shine

The night begins to shine

Night begins to shine

When we're dancing

The night begins to shine

Talk 'til dawn

My heart was racing

I took you home

In the driving rain

Had my mind made up

I wanna feel your touch

When I look at you

I see the story in your eyes

When we're dancing

The night begins to shine

Ymir was in awe as she saw us sing and it was cool! Many of our adventures played in the background and it was epic!

When it was done everyone cheered wildly!

Qin: WOOHOO!

Nico: Nice job girls!

Rainbow Dash: Thanks!

Me: Now for a fun one!

Nico: OH YEAH!

Qin: LOVE THAT ONE!

Horsea: Me too!

Ymir: May I try one?

Me: Sure Ymir.

Ymir: Here we go.

(RAIN BY MADONNA PLAYS)

Storm clouds built over us and they dumped lots of rain.

Ymir: (SINGING DIVINELY AS RAIN POURED AND THUNDER AND LIGHTNING STRUCK ALL OVER)

I feel it

It's coming

Rain

Feel it on my finger tips, hear it on my window pane

Your love's coming down like

Rain

Wash away my sorrow, take away my pain

Your love's coming down like

Rain

When your lips are burning mine

And you take the time to tell me how you feel

When you listen to my words

And I know you've heard, I know it's real

Rain is what this thunder brings

For the first time I can hear my heart sing

Call me a fool but I know I'm not

I'm gonna stand out here on the mountain top

Till I feel your

Rain

Feel it on my finger tips, hear it on my window pane

Your love's coming down like

Rain

Wash away my sorrow, take away my pain

Your love's coming down like

Rain

When you looked into my eyes, and you said goodbye

Could you see my tears?

When I turned the other way

Did you hear me say

I'd wait for all the dark clouds bursting in a perfect sky?

You promised me when you said goodbye

That you'd return when the storm was done

And now I'll wait for the light, I'll wait for the sun

Till I feel your

Rain

Feel it on my finger tips, hear it on my window pane

Your love's coming down like

Rain

Wash away my sorrow, take away my pain

Your love's coming down like

Here comes the sun, here comes the sun

And I say never go away

Waiting is the hardest thing (it's strange)

I tell myself that if I believe in you (feel like I've known you before)

In the dream of you (I want to understand you more)

With all my heart and all my soul (and more and more)

That by sheer force of will (when I'm with you I feel)

I will raise you from the ground (like a magical child))

And without a sound you'll appear (everything strange)

And surrender to me (everything wild)

To love

Rain is what the thunder brings

For the first time I can hear my heart sing

Call me a fool but I know I'm not

I'm gonna stand out here on the mountain top

Till I feel your

Rain

I feel it

It's coming

Your love's coming down like

Rain

I feel it

It's coming

Your love's coming down like

Rain

Feel it on my finger tips, hear it on my window pane

Your love's coming down like

Rain

Wash away my sorrow, take away my pain

Your love's coming down like

Rain

I feel it

It's coming

Your love's coming down like

Rain

I feel it

It's coming

Your love's coming down like rain

I'll stand out on the mountain top

Until I hear you call

My name

Rain

* * *

Lightning struck all over and rainbows shined all over and it was awesome.

When the song was done everyone cheered wildly!

Me: WHOA! Way to go Ymir!

Xenia: YEAH!

Rainbow Dash: THAT WAS AWESOME!

Lincoln: I'll say!

Manaphy: WOOHOO!

Me: YEAH! Now this will weaken Opaline a lot.

SHINE LIKE RAINBOWS PLAYS

Rainbow Nebula swirled around us.

Me and the Rainbooms: (SINGING DIVINELY AS RAINBOW ENERGY SWIRLED AROUND US)

* * *

Once upon a time, you came into my world and made the stars align

Now I can see the signs, you pick me up when I get down so I can shine

Shine like rainbows

Shine like rainbows

Friends, you are in my life and you can count on me to be there by your side

And when the music comes alive, you sing us songs to lift us up so we can shine

And the sound that we hear in our hearts

Makes a crescendo

And the light that ignites in the dark

It makes us all glow

And shine like rainbows

We shine like rainbows

Together we stand

As the rain begins to fall

And holdin' our heads up high

As the sun shines through it all

And the sound that we hear in our hearts

Makes a crescendo

And the light that ignites in the dark

It makes us all glow

And shine like rainbows

We shine like rainbows

Shine like rainbows

We shine like rainbows

We shine like rainbows

We fired waves of energy and rainbows into the sky and Opaline in the Kamchatka Peninsula felt it and she screamed in agony as the power was overwhelming her and weakening her and stripping her of her power.

She was really weakened bad!

When it was done everyone cheered!

Me: YEAH!

Laney: AWESOME! Wait what's that?

We looked and saw A METEOR COMING!

Me: UH OH! DUCK AND COVER!

We ducked and it crashed and landed in the middle of the area and nothing was damaged!

Nico: What was that?!

Me: It looks like a meteor. Lets see.

We cooled it down and to our shock and amazement it was a tablet of some kind.

Me: Looks like a tablet.

We picked it up and brought it over.

Twilight Sparkle: It's written in Ancient Equestrian Language.

Me: I haven't seen this kind of language since we brought back the pillars of harmony,

Qin: Wow!

Eli: Amazing.

We looked it over and it showed the sun and 8 planets aligning and a Phoenix killing an evil fire alicorn with an alicorn of good.

Me: Hmm. It looks like a prophecy.

Qin: What does it say?

Me: (Reading) "When Single Shines the Nona Sun, What was Sundered and Undone, Shall be restored, Friendship as one, by the Phoenix Talon's Claw or Else by None."

Nico: What does it mean?

Me: Very Cryptic.

But then I had my eyes glow!

Me: (GASP) Oh man! The Spirit of Harmony came to me. I am the chosen one. It means that The planets and the sun will align on Twilight Sparkle's big day and on that day I am chosen to strike down and destroy Opaline with the Sword of Friendship and Ultimate Harmony and restore everything she destroyed. When the planets align, I must stab Opaline in her black heart and Twilight Sparkle from Sunny's World will awaken and be stronger than ever before.

EVERYONE GASPED!

Nico: Really?!

Me: Yeah!

Eli: WHOA!

Twilight Sparkle: That is amazing!

Me: That's very similar.

Jen: It's like why I was chosen to heal the Dark Crystal and heal the world.

Nico: Very similar. How long before the planets align?

I looked at the star charts and it showed the sun, Jupiter, Saturn, Uranus, Neptune, Venus, Mars, Mercury and Pluto will line up in a perfect straight line in front of the Earth in the coming weeks in a VERY RARE and unusual planetary alignment. One that happens once every 500,000,000 years!

Me: WHOA! This is a mondo unusual alignment.

Nico: Plenty of time.

Me: Yep. We don't know when Twilight has her day but it'll be coming up.

Qin: Yeah.

Twilight Sparkle: I'm ready.

Lincoln: Okay, guys, we're in for one awesome battle, we're here in Yokai Academy, but here's the villain we're going after: his name is Mammomarshmallowdon, the Hypothetical Akuma of Raj and he is a Mammoth made entirely of marshmallows. He has marshmallow, graham cracker and chocolate powers and can shoot all that from his trunk. He was made because of the abuse of Lumpus and vowed to make that moose pay by drenching him in scalding hot melted chocolate and marshmallows

Lincoln got out his sketchpad and we saw him: he's a Mammoth made entirely of marshmallows.

Me: WHOA!

Nico: That's one sweet Akuma. Well, it looks like we're gonna get rid of his world's Lumpus by drenching him in scalding hot melted chocolate.

Lincoln: We'll let him do just that.

Suddenly, Lincoln had a premonition as the gold versions of The Trinity Mirror behind his large gold halo with four large orbiting gold rings behind his head fired beams of light and they formed into a one-way mirror: it appears Sergio has sent some hired thugs to kill us.

Lincoln: Sergio, why you little...!

Nico: Sergio again?

Lincoln: Yes, he's sent his hired thugs after us.

Me: I thought they...!

Sly Cooper: Afraid not, the thugs were completely stupid and they forgot that Sergio was going to backstab them, and they went back to being his hired thugs.

Nico: Unbelievable, well, we'll run into Sergio's thugs along with another of your cousins, Sly.

Ed Cowart: Right.

Lori: That bird is literally getting on our nerves.

Ronnie Anne: Now, you know what Bobby and the rest of us had to deal with from Sergio.

Lincoln: Let's get going.

Me: First lets change into something comfortable.

I snapped my fingers and we had our battle clothes on.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings and the gold version of the Trinity Mirror behind his large gold halo fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: This is it.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln turned the tips of his eleven massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and twenty-four sets of large white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln was done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I knew increasing the strength and potency of my Min's Egyptian Virility Drain Curse on those two was a good idea. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Mammomarshmallowdon) AHA! Gotcha! I just spotted Mammomarshmallowdon, he's 20 yards away, and he's looking for his world's Lumpus.

Nico: Why don't we give him a hand and force that stupid moose out, and then, the show can begin.

Me: Good idea.

Jonny Heard a Pokemon Cry.

Jonny: I hear something.

But then we smelled something REALLY HORRIBLE!

SEAL BARK!

Me: (SNIFFS) OH GOOD GOD! WHAT IS THAT STENCH!? ED?!

Ed: Not me!

Laney: I think it's that!

We saw a Grimer!

Me: Whoa a Grimer!

Jonny: Cool!

Ash: Me and Pikachu and everyone found Grimer and Muk running around and blocking a power plant.

Me: Geez!

Grimer: Sorry about the stench.

Me: No worries.

Jonny: Hungry? (Listens to Plank) What's that Plank? (Listens) Plank says you should do something to make sure people don't get sick from that.

Grimer: I know. And yes I'm hungry.

Jonny gave it apples.

Grimer: Thanks.

It ate them.

Jonny: Wanna come with us?

Grimer: Sure!

Nico: How'd that get here?

Me: Hmm. It must be one of Dark Gale's work. Lets see.

I used Telepathy and gasped!

Me: Popeye that's your daughter Shirley!

WE GASPED!

Popeye: Well blow me down!

Popeye Jr.: Shirley!?

Olive Oyl: Shirley is a Dhelmise!? Oh my!

Popeye: Why those disgusting palookas of Dark Gale!

Me: Lets go help her.

Me and Popeye went over to her.

Popeye: Shirley calm down and we can talk.

Horsea: Please don't attack me. Please don't attack me…

Maria: Horsea calm down.

Dhelmise fired a Shadow Ball and I threw it back at her and smashed her down.

Me: Okay we do this the hard way. Popeye?

Popeye: Lets!

Me and Popeye got out cans of spinach and popped them open and we ate them.

Me: (GULP!)

Popeye: (GULP)

BOING! DING DONG!

WE FLEXED OUR MUSCLES AND ERUPTING VOLCANOES BLASTED OFF IN THEM!

Me: YEAH!

We fired energy blasts and blasted her down. I snapped my fingers and she reverted back and was a girl with aqua green hair and blue eyes and had Dhelmise in the middle of her forehead and had aqua blue wings and had a cutie mark shaped like an anchor with a mermaid sitting on it. And a tattoo of one like it. We wrapped her in a blanket and brought her over.

Me: That was awesome!

Popeye: (Sings) I'm Popeye the sailor man! (TOOT TOOT!)

Me: (LAUGHS) Missed that but still love it

She woke up.

Shirley: What? What happened?

Popeye: Well blow me down. Shirley you all right?

Shirley: Papa? Papa!

She hugged him.

Popeye: Thank goodness ye are okay.

Shirley: Same here. Hey little bro.

Popeye Jr.: Glad you're safe sis.

She hugged him too.

Me: You were turned into a Dhelmise by Dark Gale.

Shirley: Well I'll be drenched in barbecue sauce and fed to a crocodile with an alarm clock in its stomach! Those monsters! I remember.

She was in an aqua blue suit and injected and then turned into a ball of ghosts. She turned into Dhelmise and blasted the place and fled.

FLASHBACK ENDS

Shirley: It was crazy.

Me: And the way you said that referenced to Tick Tock the Crocodile. Also Dark Gale is destroyed forever.

Nico: Yeah.

Me: That was cool though.

Nico: Your role in Sonya's team?

Shirley: I'm the Ship Builder and build ships for us to use for transport. They are cool. Also I am the oceanographer, sailor and treasure hunter of the team. I look for treasure too. Outside the team I do the same things.

Nico: Cool!

Me: Do you like spinach?

Shirley: No but I'm used to it and it makes me talented like my dad.

Me: Nice.

Shirley: I also hate Bluto with a vengeance.

Me: Because of the way he forced himself on your mother for years?

Shirley: That's right.

Me: Still an iconic and awesome bunch of funny fights.

Popeye: (LAUGHS) Yes they sure are.

Lola: Yeah.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her aqua blue clothes and an awesome pirate sword and a sailor hat and she looked great.

Shirley: I look great!

Me: You sure do

Horsea: Yay! I wasn't attacked!

Maria: Thank goodness.

Qin: Yep.

Nico: We're not done yet.

Me: Nope.

We took off into the air to find Mammomarshmallowdon, get rid of his world's Lumpus, and take him down and send him to The M.O.E. and send Sergio's thugs to The Black Abyss.

We were flying in the air, and we saw our target: Mammomarshmallowdon, the Hypothetical Akuma of Raj.

Me: There's Mammomarshmallowdon, and he's still looking for his world's Lumpus.

Lincoln: (Sensed Lumpus from Mammomarshmallowdon's world) Gotcha! He's hiding in a nearby tree, I'll force him out.

Lincoln landed without making a sound and he snuck behind Lumpus from Mammomarshmallowdon's world, and he took a deep breath and...!

SAVAGE AND MASSIVELY LOUD WOLF ROAR!

Lumpus from Mammomarshmallowdon's world: (SCREAMS)

LINCOLN LET OUT A SAVAGE AND MASSIVELY LOUD WOLF ROAR AND THAT FORCED OUT LUMPUS FROM MAMMOMARSHMALLOWDON'S WORLD AND HE CAME RIGHT OUT OF HIS HIDING PLACE AND LINCOLN REJOINED US AS WE LANDED, BUT AS SOON AS WE LANDED, WE WERE ON THE GROUND ON OUR BUTTS AND LAUGHING HYSTERICALLY!

Me: (LAUGHING HYSTERICALLY) OH! OH GOD, THAT WAS TOO HILARIOUS! YOU'RE GONNA MAKE ME BUST A GUT, LINCOLN!

Nico: (LAUGHING HYSTERICALLY) IT SERVES YOU RIGHT, YOU STUPID MOOSE!

King Kai: (Telepathically) (LAUGHING) That was way too hilarious! I thought Lumpus was gonna soil himself! (Clears throat) (To Lumpus from Mammomarshmallowdon's world) But, you're already done though, you've got nowhere else to run, and you've also got bigger problems.

Suddenly, a massive shadow was looming over that stupid moose, and it was none other than Raj's hypothetical Akuma, Mammomarshmallowdon.

Mammomarshmallowdon: I found you!

Then, Mammomarshmallowdon fired a blast of scalding hot molten chocolate from his trunk and it hit Lumpus, and...!

HORRIFIC SCREAM OF AGONY AND PAIN!

HE WAS SCREAMING IN AGONY AND PAIN, AND WE SAW IT: HE WAS MELTING!

Lumpus of Mammomarshmallowdon's world: (SCREAMS) I'M MELTING! I'M MELTING! IT HURTS, IT HURTS!

FINALLY, HIS SCREAMS CEASED AS HE DISSOLVED INTO THE SCALDING HOT MOLTEN CHOCOLATE AND LINCOLN BANISHED HIS SOUL TO THE BLACK ABYSS!

Lincoln: And that's one less Lumpus, but there's a lot more out there.

King Kai: (Telepathically) That's right. Lazlo's hypothetical Akuma and Raj's hypothetical Akuma were just the beginning, there's a lot more, and they all have the same story of how they were created: it was because of Lumpus. Anubis and I are going to keep an eye out for more of the hypothetical Akumas of the team.

Me: Got it, King Kai.

Then, we turned our attention to Mammomarshmallowdon.

Nico: I guess telling you to calm down is now out of the question, now that you got rid of the target of your pain, right?

Mammomarshmallowdon: Actually, you don't have to worry, I'm now much better now that Lumpus is out of the picture. And I've got a little surprise as a reward for flushing out that stupid moose.

Mammomarshmallowdon fired out a stream of graham crackers, marshmallows, and melted chocolate and they formed into gooey s'mores and Raj was already drooling.

Raj and Lincoln's Sisters: (DROOLING) MARSHMALLOWS! CHOCOLATE!

We got to eating the s'mores and they were really delicious.

Me: Now, those were some good s'mores.

Lincoln: You got that right.

Me: Delicious! (Eating) Yeah!

Nico: I'll say! (Eating)

Suddenly, Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and twenty-four sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed as he gained yet another power boost.

Lincoln: Whoa, awesome!

Mary Knudson: I forgot you also have the same power as me: getting stronger through eating sweet foods.

Penelope Popeye: Aye, you remembered what Lincoln told you last year of me giving him the power to grow even stronger than ever by eating spinach and vegetables, along with eating meat and all other sorts of food along with me training him a lot when it came to physical strength, and eight years later, he's now as rock solid as tons of walls of Neutronium with massive and beefy upper and lower body muscles and twelve-pack abs to match and he's also a tall and intimidating God with the rugged handsome looks, charisma, and noble pure-hearted personality to match.

Amara Roshansa: Penelope, need we remind you of what happens when you flirt like that towards Lincoln.

Suddenly, something primal took over as Lincoln's deep sapphire blue eyes turned deep red as he wrapped his arms around Penelope Popeye's waist and he leaned his head down and kissed her hard on the lips with intense passion and he pinned her to the ground as she wrapped her legs around his waist and returned the kiss with equal intense passion. When they were done with their really intense makeout, she had a massive atomic blush on her face.

Penelope Popeye: (In Heaven) So...worth it.

Lincoln helped her up.

Marlene Maxwell: (Smirks) Hey, you realize we got business to take care of first, you can go wild and have tons of lovemaking and sex with your harem when night falls, you big love-hungry wolf.

Caleb Maxwell, Tyler Maxwell, and Allie Maxwell: (GASPS) Mom!

Nico: Uh oh, you're in trouble with your eldest and youngest sons and your youngest daughter, Mrs. Maxwell.

Marlene Maxwell: What can I say? (In Costello's Voice) I'm a bad girl.

WE LAUGHED!

Qin: (LAUGHS) That is funny.

Me: Yeah! And Raj you look awesome as a Marshmallow Mammoth.

Mammomarshmallowdon: I sure do don't I? What can I say, I just love Marshmallows.

Lazlo: That's our Marshmallow Buddy.

Clam: Marshmallow!

Mammomarshmallowdon: Always and forever!

Me: YEAH!

Grimer charged at him.

Grimer: I love good marshmallows! Especially with chocolate!

He fired waves of energy and blasted him all over.

Me: That was awesome how you melted your worlds version of Lumpus. That jerk of a moose had it coming.

Mammomarshmallowdon: That is for sure! Heffer is the REAL Scoutmaster of the camp. NEVER Lumpus.

Me: That we can agree on.

Hikaru got out his Gashat.

Hikaru: Time for the Thunderstrike!

He activated it.

Lazlo: You know what goes great on a banana split? Marshmallows!

Hikaru and Lazlo: LIGHTNING BANANA BOMBER!

They fired waves of bananas and lightning and smashed him all over!

Hikaru: YEAH!

Raj: Another thing about Marshmallows? They are delicious with everything and even cake!

Hikaru and Raj: LIGHTNING INDIA MARSHMALLOW BLAST!

They fired waves of energy and marshmallows and blasted Mammomarshmallowdon all over the place.

Me: That is too true Raj.

Lola: YEAH!

Sunset Shimmer got out her Gashat.

Sunset Shimmer: I love all sweets and S'mores too!

She activated it.

Clam: MARSHMALLOW FUN!

Sunset Shimmer and Clam: MARSHMALLOW PANCAKE BLAST!

They fired waves of energy and pancakes and marshmallows and blasted him all over.

Mammomarshmallowdon: That was a good one.

Me: It sure was. You know what would be the craziest kind of marshmallow ever?

Mammomarshmallowdon: What?

Me: Ghost Chili Garlic Flavor.

Everyone: YUCK!

Raj: YUCK! I Would not like that!

Me: Yeah!

Andros got out his Gashat.

Andros: That would be a disgusting flavor.

He activated it.

Patsy Smiles: It sure would!

Andros and Patsy: SPACE CAMP BLAST!

They fired waves of fire and energy and smashed him all over.

Lily got out her Gashat.

Lily: I love chocolate and marshmallows as much as anyone else. It is awesome.

Lily activated it.

Nina: That is for sure Lily.

Lily and Nina: MARSHMALLOW SQUIRREL BLAST!

They fired waves of energy and blasted Mammomarshmallowdon all over.

Me: YEAH!

Lok got out his Gashat.

Lok: Time for some fun with chocolate.

Me: You said it!

Lok activated it.

I flicked the switches for the chocolate planet, cookies planet and the Dessert planet and got a Cookies and Cream Sword.

Me: THE SWORD OF COOKIES AND CREAM BLISS!

Nico drooled at the sight of that!

Me and Lok: COOKIES AND CREAM DRAGON BLAST!

We fired waves of cookies and cream and blasted Mammomarshmallowdon!

Me: YEAH!

Nico: COOKIES AND CREAM!

Nico ate the blade of the sword.

Me: HEY! Nico!

Nico: Oh sorry.

The blade grew back thankfully.

Me: Wow that is cool.

Lok: Wanted to see what Nico would do to that?

Me: Yeah.

Gretchen: That is funny!

Lok and Gretchen: SPIRIT ALLIGATOR BLAST!

They fired waves of energy and blasted him all over!

WE LAUGHED!

Ilana got out her Gashat.

Ilana: Lets make this awesome.

Edward: Yeah lets do it! If this were all of my brothers I would use this technique on them.

Ilana and Edward: SUPER CHOCOLATE MARSHMALLOW DELUGE!

They fired waves of marshmallows and chocolate and drenched Mammomarshmallowdon all over!

Eli: That was cool!

Stella Zhau got out her Gashat.

Stella Zhau: This is getting great!

Lemmings: Yeah it is!

Stella and Lemmings: SMASHING MARSHMALLOW HAMMER FORCE!

Stella and Lemmings: HUP HUP HUP HUP HUP HUP HUP HUP HUP HUP HUP HUP!

They ran with hammers and bashed him all over with them.

Jenny got out her Gashat.

Jenny: This is getting really fun.

She activated it.

Samson: Time for some action!

Jenny and Samson: VOLLEYBALL CANNON BARRAGE!

They fired volleyballs from cannons and blasted him. Then...

KRABLAM!

ONE HIT ME SQUARE IN THE FACE!

Me: OUCH!

Nico: You alright?

I pulled the ball off.

Me: Ahh! Yeah I'll be fine. Samson I don't know HOW YOU do it but that hurt!

Samson: I've had the worst ever luck with volleyballs like that.

Nico: Just be glad it wasn't a bowling ball.

Sarah got out her Gashat

Sarah: Boy this is a funny one.

Me: Yeah.

She activated it.

Dave and Pingpong: We're ready for this!

Sarah and Dave & Pingpong: EARTH LOON BLAST!

They fired waves of energy and blasted him all over.

Me: YEAH!

Onua got out his Gashat.

Onua: Time for the Earth to bash and smash!

He activated it.

Chip: Lets unleash Dung Power.

Skip: Yeah!

Chip and Skip: SCUM TWIN POWERS ACTIVATE!

They summoned filth!

Onua and the Dung Beetles: EARTH DUNG BLAST!

They fired a powerful energy and fart blast and smashed him down.

Shirley Popeye: Like old times dad?

Popeye: You know it Shirley! (LAUGHS)

Popeye Jr.: Lets do it!

Shirley, Popeye and Junior: SPINACH SUPERCHARGE SMASHER!

They ate spinach!

GULP! DING BONG BOING!

THEY FLEXED THEIR MUSCLES BIG AND IT SHOWED BOB BARKER KICKING ADAM SANDLER'S BUTT! They went at him and smashed him all over with intense force!

Poromon pecked him. But Mammomarshmallowdon's marshmallow hide made that useless.

Poromon: Wow that is cool! Okay how about this! (Echoing) LIGHTNING JAVELIN!

He fired a blast of lightning and electrocuted him all over!

Caleb Maxwell: And Uncle Christiano knew of your reputation as the strongest and toughest girl back when you were 15 and you dealt with the delinquents and thugs at your high school by punching them in the jaw and giving them a black eye, Mom.

Allie Maxwell: And that reputation still held on strong especially when you ran into Bad Boy Dane Drake once again and I still remember that when I was eighteen. We'll explain later, right now, let's get that walking marshmallow elephant!

Lincoln: Alright, let's do this. (Sensed Sergio's thugs) And it appears we have some uninvited guests.

Suddenly, Lincoln fired massive waves of light from his massive white angel wings and twenty-four sets of large white angel wings underneath his massive white angel wings and they forced out Sergio's hired thugs and they're screaming because they got blinded, and Lincoln made a one-way viewing window for Sergio to see.

Nico: Whoa, what the?!

Selene Arcangela: Lincoln exposed them in the blink of an eye with that attack, incredible.

Kali Timestream: Just like when Our Lord takes control, that attack happens before you can blink your eyes.

Sergio Thug: Damn it! The boss isn't going to like this!

Lincoln: I wouldn't worry, you won't be able to report back to your boss. Nor will the rest of your friends for you will not live much longer.

But then...

WHOOSH!

Sergio Thug: What the!? Our loot!

?: You mean MY Loot now!

We saw the next member of the International Clan of the Coopers!

Lincoln: Mele Finau Cooper! Wow!

Mele Finau Cooper: Good to see you Lincoln.

Me: Care to introduce us?

Anna Anyanova: Sure. This is Mele Finau Cooper, The Thunderbolt of Kaine Island of The International Clan of The Coopers, she's Lincoln's Guardian Angel from the Islands of Tonga and a great island hopper and is one with the jungles of the area and she is also the defender of Kaine Island and one of the descendants and cousins of The Coopers and she's also a thief too and she's the cousin of Sly Cooper from the Islands of Tonga and she helped him on lots of dangerous jobs. She's known as The Thunderbolt of Kaine Island because she has this amazing power that makes her as fast as lightning and she strikes her enemies with intense voltage and she steals all their valuables. She goes after criminals in Nuku'alofa and steals their loot and she defends all of the Cooper Vault from threats. She's the member of a new group of Lincoln's Guardian Angels called The International Clan of The Coopers, a group of notorious thieves from all over the world and they're also the descendants and cousins of the Coopers, meaning they are thieves too, and like Sly and his family, they steal from Criminals, and they've also stolen from Lincoln's Enemies too. They're the most notorious thieves in the world and are equal and skilled and more powerful than the Coopers. They did NUMEROUS Dangerous jobs all over the world and have done it all and stole from DANGEROUS ENEMIES and organizations EVERYWHERE! They also stole from many of Lincoln's enemies and made them dirt poor and even made Flip Dirt Poor. Like Sly said, there's no honor, no challenge and no fun stealing from ordinary people. Mele came to Royal Woods where she met Lincoln and she taught him a lot in mastering the powers of the jungle and lightning and their powers as well, and she was also reunited with Sly, his gang, and his entire family after they became officially part of the team. Lincoln made her an awesome light greatsword, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her and the rest of The International Clan of The Coopers thus tying Lincoln and his family to Sly Cooper and The Cooper Clan and The Cooper Clan will also become members of The Loud Family through marriage, and Mele Finau Cooper hates Lincoln's enemies with a vengeance and vowed to steal from all of them and make them dirt poor.

Me: WHOA! Pleasure to meet you.

Mele Finau Cooper: Same here.

Lincoln turned the tips of his tails into Cell's stingers and he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive muscle mass, massive physical strength, virility, and testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and twenty-four sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, he did the same to the remaining thugs hiding out as he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive physical strength, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and twenty-four sets of large white angel wings underneath his massive white angel

wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the thugs except for their clothes and he drained their souls of energy and sent them to The Black Abyss forever. Sergio saw it through the one-way viewing window Lincoln made, he screeched in anger at us.

Sergio: NO! NO! (GROWLS) This ain't over, losers!

Even though it was a one-way viewing window Lincoln made, we saw Sergio mouth the words, "This ain't over, losers!" Then, Nico and I gave that stupid bird both middle fingers and made all kinds of faces at him, and it really pissed Sergio off big time as the window closed.

Eli: Yeah, up yours, you walking feather duster!

Me: You deserved it, you stupid party animal.

Nico: (Smirks) And it's about to get a lot worse for you, Sergio.

Then, Lincoln's gold version of The Trinity Mirror and his large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a one-way viewing window for us, and Lincoln snapped his fingers, and as soon as he did, orbs of rainbow energy with elements appeared surrounding Sergio, and then...!

LINCOLN SENT THE ORBS AT SERGIO, AND THEY EXPLODED WITH INCREDIBLE POWER AS THEY HIT THAT

STUPID BIRD, AND WHEN IT WAS DONE, SERGIO WAS AN ABSOLUTE WRECK AND HE GOT HURT BAD!

Sergio: (Groans) Ouch!

We were on our butts laughing like hyenas!

Me and Nico: (LAUGHING HYSTERICALLY) THIS IS WAY MORE HILARIOUS THAN WHEN YOU STUFFED HIS BIG FAT BEAK WITH HOT PEPPERS AND HOT SAUCE! OH MAN, YOU'RE GONNA MAKE US BUST A GUT!

Maria Garcia: (Spanish Accent) Serves you right, you stupid bird!

Lincoln, Red Savarin, Robin Hood, Skippy the Bush Kangaroo, Von Lycaon, Sly Cooper, and Rayman went after Mammomarshmallowdon, and they fired extremely powerful blasts of rainbow, green, purple and red, red and yellow, blue, red, white and black, white, golden yellow, and blue energy, elemental forces, mythological animals, and mythical beasts, and they exploded with incredible power as they hit them, and they slashed and punched at him with their massive greatswords and gauntlets and greaves leaving scars on him.

Suddenly, we heard the sound of roars in the distance, and we saw an army of werewolves heading right for us!

But, after that's done, Allie, you are going to tell us how your mother had to deal with Claw Dane Drake again especially when you were eighteen.

Allie Maxwell: Got it.

Caleb Maxwell: Mr. Blunt, whatever my sister has to say, please don't go after Claw Dane Drake like you did yesterday. The only blood destined to be spilled on the streets of New York is the blood of the guilty and the truly irredeemable.

We were stunned: Caleb's reasoning was sound.

Cage Blunt: Travis and I weren't the only ones who changed: we changed for the better, but Caleb remained unchanged: he was still the same reasonable person who didn't want any blood spilled.

Me: That was only on the outside.

Travis Tackett: And the inside too, but after his transformation when he returned to the city, the dark anger and rage he had from so long ago came out, and he wanted vengeance and blood.

Caleb Maxwell, Cage Blunt, Travis Tackett, Gabriel Maxwell, Allie Maxwell, and James Blunt went after Mammomarshmallowdon and Caleb Maxwell fired bullets at him, and Chris and the other Watchers appeared and started firing at him as well, and Caleb Maxwell, Cage Blunt, Allie Maxwell, James Blunt, Gabriel Maxwell, and Travis Tackett fired blasts of Divine Darkness, Infernal Darkness, and dark energy and they hit Mammomarshmallowdon.

Sherlock Hound: (British Accent) Of course, your marshmallow body can withstand physical attacks, it's true. (Smirks) But, not other sorts of attacks I have up my sleeve.

Suddenly, a pool of darkness appeared behind Sherlock Hound, and then, a massive geyser of blood came out and rained down and the bloody rain hit Mammomarshmallowdon and he got hurt bad. Then, he fired blasts of black and red, white, yellow, and blue energy, stars, aura energy, white and blue heavenly flames, darkness, demons, devils, devil dogs, demon hounds, dark magic, black magic, Satanic magic, phoenixes, and angels and they hit him.

Against Raj's hypothetical Akuma, I decided to make this a surprise to the rest of you. Now, then.

Sherlock Hound went after Mammomarshmallowdon, and he fired extremely powerful blasts of black, blood red, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, blood red nebulae, blood, Divine Darkness, Demonic Darkness, dark magic, black magic, Satanic Magic, demons, devils, devil hounds, vampire bats, phoenixes, and angels at Mammomarshmallowdon, and they exploded with incredible power as they hit him.

Then, he attacked him with his massive greatsword, and he left scars, and he summoned The Hound of The Baskervilles who viciously attacked him.

Nico: HOLY MOLY!

Me: Holy smokes, whenever Sherlock Hound lets loose, you know it means business.

Lincoln: Same here, but I can't help but wonder that his transformation's also a sign.

We thought the same thing, and unknown to us from far away, a dark figure who looked like Sherlock Hound was spying on us: he had on a black version of his clothes before his transformation, he has blood red eyes and blood red sclera, and massive black demon wings. He had a smirk on his face which showed his vampire fangs.

?: Hmm, as much as I want to make my appearance known, I will have to wait until the day after tomorrow, for you all have a much more dangerous enemy to deal with tomorrow.

The black-clothed demon winged vampiric Sherlock Hound vanished in a black mist and retreated to the darkness.

Then, Lincoln's massive white angel wings and twenty-four sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Mammomarshmallowdon.

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into the stomach of

Mammomarshmallowdon, and a cluster of rainbow, white and blue heavenly flames exploded out behind them, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, and I formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, BEGONE!

Lincoln, Nico, and I did one final powerful energy slash that hit Mammomarshmallowdon hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Mammomarshmallowdon was on his last legs and he was really really mangled.

Then, Lincoln fired a licorice rope that tied Mammomarshmallowdon up and he fired a wave of chocolate that hit the marshmallow mammoth and sent him into a portal that Lincoln opened up and it led to The M.O.E.

Mammomarshmallowdon: Mmm! Delicious! Thank you!

We cheered as we holstered our weapons and we powered down, and Sherlock Hound's new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, large gold halo with four orbiting gold rings on each corner behind his head, thirty-five large black and blood red planets orbiting around his legs, thirty-five smaller black and blood red planets orbiting around his waist, smaller planets orbiting around his fingers, medium black and blood red planets orbiting around his wrists and ankles, and massive red angel wings and twenty-four sets of large red angel wings underneath his massive red angel wings are permanent, and the new bodies, clothes, weapons, jewelry, Third Eyes, eleven massive and long colored wolf tails, longer Cheese Sandwich tail, large gold halos with four large orbiting gold rings on each corner behind the heads, thirty-five large colored planets orbiting around the legs, thirty-five smaller colored planets orbiting around the waists, smaller planets orbiting around the fingers, medium sized colored planets orbiting around the wrists and ankles, and massive colored angel wings and twenty-four sets of large colored angel wings underneath the massive colored angel wings of Melanie Adonicia, Sally Sucros, and Cierra Cheese Sandwich are permanent.

Me: Well, that was one sweet rescue.

Nico: You said a mouthful. Plus, Raj and all of us also had fun eating tons of s'mores.

Lincoln: You got that right.

Nebula Lanaia: And I'm still cracking up on how you scared out Mammomarshmallowdon's Lumpus with that wolf roar, that was hilarious, Lincoln!

Lucy: I would've preferred appeared from out of nowhere, but that worked perfectly as it alerted Raj's hypothetical Akuma.

Lola: And he sprayed him with scalding hot chocolate and he melted and dissolved into it, that was a really horrible way to go.

Lana: Big time.

Lincoln: That truly was a horrible way to go.

Sherlock Hound took a walk and he looked out into the skies, he knew who it was that was watching us, but he couldn't tell the others that it was his hypothetical Akuma: because we got enough on our plates with Dark Sebastian, The Dark Church of Malphas, and The Order of The Dark Universe on the loose.

Sherlock Hound: (Thinking)(British Accent) I don't know who it was that was here watching us, but we'll wait to deal with that another time, we've already got enough problems with our demonic foes running loose, and if I'm right, the villain we're facing today is none other than Devimon, Nico and T.K.'s old enemy from long ago, and he'll no doubt be on File Island and of course knowing him, he's back for revenge on us once again, but this time, Opaline isn't going to save him.

We saw it for ourselves: something got to Sherlock Hound, and we heard his thoughts.

Me: Uh oh, something's got to Sherlock Hound, it's like he felt something pretty dark watching us and it was when he transformed.

Lincoln: That was the sign I mentioned.

Nico: And we heard what he said: Devimon's back.

Lincoln: As we saw three years ago when we first met him, since he's the anthropomorphic canine version of Sherlock Holmes, he was able to piece together clues in his mysteries and identify the culprit in less than a second.

Laney: Right.

Nicole: And he has the godly powers of Sparda and all of the dark powers of the Universe 666 version of Hellsing's secret weapon, Alucard, putting him in a place where's he's far superior to both vampire and devil. Just like you, Lincoln, since you're a Transcendent True Alpha Werewolf-Vampire Hybrid, Sherlock Hound's become a Transcendent Demon-Transcendent Vampire Hybrid: a hybrid of both a Transcendent Demon and Transcendent Vampire and with the training we gave him since he first joined the team, he also was give many other incredible powers as well, and as we saw, if anyone gets him mad, he'll tear the poor bastards apart.

Poromon: Uh oh, he's coming back! Act natur...! (Felt the presence) He's right behind me, isn't he?

We nodded. Suddenly, Poromon slowly turned around to see Sherlock Hound standing behind him, and he let out a ton of wild takes and screams and ran into Nico's arms!

Poliwag: Nice going, chucklehead, now he found us out.

Sherlock Hound: (British Accent) Now, now, I knew you all read my thoughts, and this gave you all a sign as to who we're going after today.

Nico: I knew Devimon would return again for revenge, he clearly doesn't know when to quit, does he?

Me: Unfortunately not. Well, we'll unleash the forces of Heaven and Hell on him and banish his hide to The Black Abyss forever.

Lincoln: We got to watch it with him though, Devimon may be a powerful opponent, but who's to say Dark Sebastian, The Dark Church of Malphas, and The Order of The Dark Universe may try to "ally" with him?

Maria: As in they're gonna double-cross and backstab his ass and try to kill him.

Caleb Maxwell: That's a rather crude way of putting it.

Qin: Crude or not, those chowderheads are no doubt going to cause us trouble on File Island when we go after Devimon.

Lincoln: Well, I'll show those morons who they're messing with.

Nico: That was tasty!

Me: Yeah it was!

Qin: I'll say!

Grimer: No kidding!

Nico: Nice job Grimer!

Grimer: Thanks Nico. (LOUD FART) Oops sorry.

Poromon: No worries. Want some beer?

Grimer: No way. I don't drink sorry.

Poromon: Okay then.

Poliwag: I would do the puppy eyes but I don't want to smell you.

Grimer: No worries.

Horsea did the puppy eyes.

Horsea: Pwetty Pwease?

Maria: Okay Horsea that's enough.

Poliwag: Hey wait a minute! I don't have a nose.

Me: Oops.

Mevya: Oh guys I have some company coming to meet you all soon.

Nico: Who?

Mevya: My parents.

Nico: Really?!

Mevya: Really!

Nico: Okay then.

Norbert: This will be so good.

Daggett: I agree there Norbert B. Beaver!

Norbert: Shut up my dumb buttfaced Baybe Broothere!

Nico: Knock it off you two!

Me: I swear you two shitheads argue about everything!

Nico: Oh, Blade Man, what do you like to do in your free time?

Blade: I'm a cutlery maker and I make kitchen cutlery.

Me: Cool job.

Qin: Yeah.

Lincoln: (Sensed The Anothers) Uh oh, here come the Anothers!

Eli: (Sensed The Anothers) Lincoln's right, I sensed them. Oh man, and one of The Anothers is Another T.K.

T.K.: Another me? Wow!

Kari: And Another me too no doubt!

Nico: We'll have to see who it is though.

Me: Yep. So we got Gloxinia of Repose, Bambi (Class of 3000), Narizma Shibonz, Manga World, RTN Deidara and Edo Tensei Hizashi Hyuga

Nico: And Blade Man, Alvin & The Chipmunks, Suigetsu, Karin, Han (Hidden Rock) and Kotohime (Naruto) are up.

Me: Yep.

Nico: There they are!

We saw Another Bambi (Class of 3000), Narizma Shibonz, Manga World, RTN Deidara and Edo Tensei Hizashi Hyuga

Me: Whoa this will be awesome.

Another Bambi: It sure will.

They reverted back and were the gene-slammers of Midnight Fiend, Mad Dog of Darkness, Flying Elephant, Strong Wind Dragon Stone Dragon and Great Bill.

Nico: WHOA! Mina Midnight, Rei Rabbia, Dianna Dumbo, Layla Mediterranean, Stella Stonnra and Sheila Dodo.

Rei Rabbia: Good to see you Nico.

Me: The gene-slammers of Midnight Fiend, Mad Dog of Darkness, Flying Elephant, Strong Wind Dragon Stone Dragon and Great Bill

Me: Cool.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books and purified them.

Me: YEAH!

Nico: And now we wait.

But then...

SMASH!

We saw the Another T.K. Fly in and punch Ken's brains out!

SMASH SMASH SMASH SMASH SMASH!

We grabbed that one!

Me: HEY WHAT THE FUCK IS WRONG WITH YOU?!

Another T.K.: (In a girls voice) This jerk must die for hurting Digimon!

T.K.: Wait, Noelle!?

She reverted back and was a girl with blond hair and had blue eyes and green clothes.

T.K.: This is a surprise!

Noelle: Hello brother and hello Matt.

Me: Noelle listen. Ken was Brainwashed.

Nico: It's true!

Noelle: Brainwashed? How?

Me: A Dark Spore was inside him. It made him smart and cruel beyond imagination. It made him into a Ruthless tyrant.

Lisa Loud: It's true.

Lisa showed her.

Noelle: Oh man! So everything he did was against his will?

Nico: Yes it's true.

?: It's true.

We saw Another Gloxinia and Kari!

Me: WHOA! That was quick.

Another Gloxinia: (In a girls voice) She was hellbent on killing him like you were Nico.

She reverted back and was the gene-slammer of Skull Mariner!

Nico: Jackie Sparrow! Wow!

Jack Sparrow: Ah you're my descendant mate.

Jackie Sparrow: That's right and it's awesome to meet you ancestor.

Nico: Wow!

Jackie Sparrow: Yep and I have all of Gloxinia's powers too.

Me: Nice.

Nico: And your friend?

She was coughing like mad.

Me: Are you okay?

Another Kari: (Weak and sick) I'll be fine.

Kari: (GASP) That voice.

She reverted back and she looked like a younger version of Kari but with black hair and had yellow clothes.

Kari: (GASP) Mandy!

She went and caught her as she was collapsing.

Me: Whoa she looks really sick.

Varie looked her over.

Varie: She has a really nasty case of the flu.

Me: Oh man.

Varie: She has a high fever and her throat is red.

Qin: Poor girl.

Kari: Mandy is my little sister. She was about to go to summer camp but she got sick.

Nico: Oh man. Looks like she got kidnapped by Swartz while sick.

Sakura Knudson: That explains why his lackeys got sick back then.

Kaito (gets out Zi O gear): Did Swartz promise you anything?

Zocks (Gets out Zero One gear): Because we can grant it instead

They got weapons from said teams.

Jackie Sparrow: No he didn't because of...

Sakura Knudson: Because of Mandy getting him sick? Swartz always was a huge germophobe.

Me: I'm not surprised.

Sonoi: Just like Sonoshi.

Me: Yeah he was always clean. Talk about OCD.

Sonoi: OCD?

Me: Obsessive Compulsive Disorder. Lots of people have it and they like being clean sometimes.

Nico: Yep.

Sougo (gets out Zi O II Ridewatch): After this, we're getting you to the medbay.

Rider Time! (Synthesizer tone) Kamen Rider~! (Rider~!) Zi-O! (Zi-O!) Zi-O~! II!

Geiz (Gets out Vulcan Ridewatch): So you feel better.

Sougo became Zi O II while Geiz got VulcanArmor

Me: I was just going to suggest that we get her to the infirmary after we're done here.

Sougo: Great minds think alike.

Lincoln: Yep. Lets separate you girls.

Me: And Noelle if it makes you feel better you can bash the brains out of the Digimon Emperor that's in our prison at the Estate.

Nico: We have him locked up there to serve as a reminder of what he did to me during the 20 Days of Darkness and in my past. It's an ugly story.

Noelle: I would like that. Thank you.

Me: No problem.

Lincoln separated them.

Me: Lets get it on!

Nico: (Gets out Gloxinia of Repose's ridewatch) Lets do this!

May: (Gets out Narizma Shibonz Ridewatch) Lets bring the pain!

Maria: (Gets out RTN Deidara's Ridewatch) Art is an Explosion!

Alvin: Time for some Music Fun!

Alvin and the Chipmunks got out Bambi's Ridewatch.

They used the powers of Gloxinia of Repose, Bambi (Class of 3000), Narizma Shibonz, Manga World, RTN Deidara and Edo Tensei Hizashi Hyuga And blasted the anothers.

Me: Yeah!

Then Estarossa of Love, Another Faiz, Bossman, Snake Master, Road Rage and Plague came!

Me: WHOA!

Nico: Nice team Estarossa!

Estarossa: Thanks Nico.

Me: Guess Pump Man's team next.

Pump Man: That's right!

Me: Cool!

Qin: Oh yeah!

?: Awesome!

Then Evil HERO Inferno Wing came!

Me: WHOA! Evil HERO Inferno Wing!

Lola: Infernal!

Evil HERO Inferno Wing: I'm ready for some fun!

Nico: Irena Infernus! Wow!

She reverted back and was a girl wing red hair, red eyes, orange and red clothes and had fire angel wings and had a Phoenix Baret on her head. She had Evil HERO Inferno Wing on her forehead, skirt, shirt and arm and had a phoenix on her skirt too. She had a phoenix feather sword in her hand.

Irena Infernus: Awesome to see you Nico. Lets burn these guys. FLARE INFERNO CYCLONE!

She fired a massive tornado of fire and it hit the Anothers and incinerated them and I caught the Ridewatches and purified them!

Me: WHOA! Infernal hot!

Nico: Nice job!

Irena Infernus: Thanks! That was cool and fun.

Me: It sure was.

Alvin: Do you have any good memories of Nico?

Irena Infernus: I sure do. When I challenged Nico to eat the spiciest wings ever. They were made with the most lethal sauce in the world. It was called The 24 Infernos of Doom Wings.

WE GASPED IN SHOCK!

Me: Oh man! That is the hottest ever wings challenge EVER! It's made with the extracts of 24 of the hottest peppers in the world! Hot enough to kill ANYONE!

Irena pointed to a shirt she wore. It said Queen of Hell.

Me: Queen of Hell, I survived The 24 Infernos of Doom Wings and Love the Fire.

Nico: I failed that challenge.

Me: SAY WHAT?!

I opened my mouth so wide that my skeleton fell out!

Eli: WHAT!? But you love wings!

Nico: I had to eat 20 of them and I couldn't get passed 5 of them.

I put my skeleton back.

Me: I hate it when that happens. But man those wings are lethal!

Nico: They sure were. It's in Gotham Royal York too.

Me: I'll have to try them.

Nico: Oh you will love them.

Nico and Irena hugged.

Nico: I've missed you.

Irena Infernatus: Same here.

We went back home and got Mandy to the infirmary.

Lincoln: Ah, we're here in Erosa, and I know what we're going to do here, not only am I going to rescue the four girls, but...!

Suddenly, Lincoln wound up getting a premonition, and he wound up getting tons of seriously wild and crazy nosebleeds!

Nico: HOLY COW!

Lincoln got out his sketchbook and he showed us the pages of said hypothetical Akuma, and when we saw them...!

Me: WHOA! (WOLF WHISTLES)

Nico: (WOLF WHISTLES) Wow! That's got to be the largest number of female hypothetical Akuma we have ever gone after.

Nicole: And their stories shows their absolute love to Lincoln: this large group of hypothetical Akumas were created out of their love for Lincoln and they absolutely hate perverts with a vengeance and they won't hesitate to castrate them.

Kurumu: Wow.

Lincoln: Yep, and I'm going to take them down by marking them and send them to my bedroom.

Cut Man: So, where are they at?

Amara Roshansa: I think I know where: at my former bedroom in the castle.

We flew across the skies, and there we saw Amara Roshansa's family castle: it was a tall imposing stone castle from medieval times, but when we got inside, the inside of the castle was just as really amazing with advanced technology here and it also had medieval tapestries as well.

Me: Wow. Amara, your castle's amazing.

Nico: It's just like being in a castle in medieval times.

Shanan: The Erosans are known for the development of advanced technology, but they were also known for their mastery of war and they've had their inspiration from medieval times in Europe.

Nebula Lanaia: I've never been here to Erosa before nor to the castle, it's amazing. (Smells the scent of blood) Wait, hang on, guys, do you smell blood in the air?

Suddenly, we also picked up on the smell of blood.

Me: It's blood.

Sherlock Hound went after the uninvited guest and we all followed him leaving Lincoln, his harem, Nicole, his sisters, parents, cousins, uncle, and aunt, and they went to Amara Roshansa's former room.

Amara Roshansa: Okay. Here we are.

Minerva Mink: Whoa, they were all waiting for you right here in Amara's room, Linky.

Lincoln: And on the bed no less.

Suddenly, they saw the eyes of the hypothetical Akumas were bright pink.

Amy Roshansa: What the?! Amara, tell me they didn't...!

Amara Roshansa: Oh, they did, they accidentally drank my potion: it's a powerful lust potion that increases the passion and lust of a woman to incredible levels to the point of wanting to have sex with the man who was given our special concoction. Oh crap!

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and we felt Lincoln gain another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him as he went up to the lust driven hypothetical Akumas.

Seductive Mink: (Seductive Voice) (Rubs Lincoln's massive pecs Uh oh, looks like someone's a little...aroused and ready for some action.

Lincoln: (Seductive Voice)(Smirks) You guessed it.

Lincoln used his eleven massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned a deep red thanks to the magic of Lincoln's Mark of The Incubi activating and Lincoln's harem and Guardian Angels guarded the door along with his parents, siblings, cousins, aunt, and uncle.

Nicole: Amara, exactly how long does that lust potion last?

Amara Roshansa: It doesn't have a time limit, it's permanent, and once Lincoln marks them, he'll not only feed on their blood and gain all of their powers and abilities, but he'll also absorb the lust potion that's in their system and it'll make his already abnormally high sex drive, hyperpuberty, and genes he'd inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects even stronger than ever.

Nebula Lanaia: I knew about all that from Becky years ago, and I'm really stunned that our brother has not only grown up really big and strong, but he's also become a hunky and manly stud of a wolf man with a massive harem of future wives. (Smirks) I've also got some friends at my college who've also heard about Lincoln, and they also want to get together with him.

Lori: Marisa and Allie from Fairway University have already gotten together with Lincoln, we'll get in contact with your friends from your college soon, Lanaia.

Meanwhile, Sherlock Hound and the rest of us have been going after our uninvited guest who's also on Erosa.

Eli: Now, where's the bastard who's here on Erosa.

Nico: He's got to be around here somewhere.

Suddenly, we felt a massive power signal.

You better get out here right now, King Cold, I know you're here, I can smell your blood from a mile away.

Suddenly, a figure came out, it was none other than King Cold, the father of Frieza and Cooler.

King Vegeta: I'm surprised you of all people would be here, King Cold. We were planning on also killing you when we go after Frieza, but you just saved us the trouble.

King Cold: We'll see how long your smug attitude lasts when I destroy you and all of Team Loud Phoenix Storm.

Qin: Yeah right, we're more powerful than last time, well, not like we can talk sense into someone who's not only full of himself, but also became Dark Sebastian's next plaything as revenge on us during our eight-day Earth Day adventure.

We were stunned at what Qin said, but then, we saw it on his forehead: The Sigil of Malphas and The Sign of Apophis.

Nico: Unbelievable, you know it's bad enough that you're the father of the bastard who wiped out my entire race long ago.

Paragus: But, you also let yourself be turned into Dark Sebastian's plaything. You realize he's going to kill you when this is all over.

But, the tyrant had his horns slashed off by Sherlock Hound and he screamed in pain, and then, we saw blood beginning to rain down on Erosa, and then, we except for Lincoln, Nicole, his harem, his parents, siblings, Aunt Sharon, cousins, and Uncle Lance suddenly found ourselves on Planet Malamorgo.

WE WERE STUNNED!

Me: Oh...!

Nico: Shit! Now, he really means business!

Eli: Especially if it meant taking the battle to another horror planet!

Me: You're right, bro. Shanan, where are we?!

Shanan: Oh man, we're here on Planet Malamorgo! I swore never to come here to this planet, this planet is a scary hellish Horror planet, and it's just as horrific as Planet Satann! This place is loaded with tons of horrific creatures, horrors, and monsters that look like they belong in Hell!

WE GASPED IN HORROR!

Suddenly, the horrific creatures, horrors, and monsters of Planet Malamorgo came out and they were about to attack us, but Sherlock Hound tamed them and they became loyal to him along with the horrors, creatures, and monsters of Planet Satann!

Shanan: He tamed them like he did with The Hound of The Baskerville. Wait, I heard of an ancient prophecy from those two hellish planets: according to the prophecy, they spoke of a warrior who has the powers of darkness both divine and demonic, demons, devils, devil hounds, dark magic, black magic, Satanic magic, The Black Arts, The Dark Arts, the powers and strengths of the vampires and none of their weaknesses, hellfire, and all the powers of Heaven and Hell at his command, and if that person can tame the horrors of Planet Malamorgo and Planet Satann, they will swear their eternal loyalty to him.

We were amazed.

Nico: They see Sherlock Hound as their lord now, oh man. Wait until we tell Lincoln and the others of this revelation.

King Cold: You...! Don't you dare think this is where it ends!

Suddenly, Cooler appeared.

Cooler: Actually, Father, this is where it ends for you. I'm now a member of The Masters of Evil, and I'd already proven that I've always been better than Frieza, you and Frieza are both irredeemable in every way imaginable. You can do what you want with him, I don't want to be related to him any longer.

And that was the magic word we were hoping to hear. Suddenly, King Cold was about to go after Cooler in a fit of rage only to be grabbed by the cape by Sherlock Hound and thrown onto the floor, and then dragged back to him, and then, he brought him to his face and as he bared his fangs...!

CHOMP! BLOODCURDLING SCREAM!

Sherlock Hound sank his fangs into King Cold's neck and he proceeded to suck him dry of all his blood and at the same time, he was also draining King Cold dry of energy and his life force as well, and we saw King Cold's body begin to dry up as Sherlock Hound continues to drain him dry of blood, energy, and his life force as well and he was continuing to grow stronger than ever.

Then, when Sherlock Hound was done and retracted his fangs, King Cold was now a mummified and desiccated husk drained completely dry of blood, energy, and his own life force and his soul was then drained of energy and sent to The Black Abyss. Then, Sherlock Hound threw the mummified corpse of the dead tyrant and tossed him into a river of blood and it dissolved. We cheered as we holstered our weapons and powered down and we returned to The World Tree Estate.

Nico: At least, we got rid of King Cold forever. Hey, isn't Lincoln back yet?

Me: He must still be on Erosa. Let's go check.

Nico and I went back to Erosa and we met up with Nicole, Lincoln's parents, siblings, Sharon, Lance, and cousins and the barrier was still up.

Nico: Lincoln's still in there?

Amara Roshansa explained everything.

Me: Oh...!

Amara Roshansa: I should've cleared out my room before coming here, damn it.

Helena McTroy: This has been going on for five hours, when Lincoln gets into the lovemaking mood, nothing's going to stop him, and with the stamina and endurance he has when it comes to sex, he can go for more than ten hours.

?: With that kind of natural born stamina, endurance, and libido along with that amazing personality and charisma, it's natural Lincoln would wind up getting a harem.

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, white hair and white wolf ears and tail, golden yellow eyes, massive white angel wings, ice blue Wolf Moon tattoo on her right arm and wolf paw with The Oak Moon on her forehead, white short-sleeved blouse with wolf paw with The Oak Moon, dark blue sleeveless top, white gloves, dark blue skirt with wolf paw with the Oak Moon, dark blue knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, darkness, ice, werewolves, phoenixes, and angels on the coattails, and on the back is the symbol of The Oak Moon, she has a wolf claymore in her right hand, and with her are the four girls.

Anna Anyanova: Natalie Oak Moon, Werewolf Angel of The Oak Moon of December, you got here right on time.

Natalie Oak Moon: I did.

Suddenly, we saw flashes of light coming from the crack of the door, and we heard the shower running in Lincoln's built-in bathroom.

Lily the Mermaid: He's getting a shower. Linky always sweats a lot during and after our lovemaking sessions.

Then, we heard the water stop, and Lincoln came out with a towel over his neck and he closed the door to his room. There, we greeted him.

Rita: We already explained everything to J.D. and Nico.

Lincoln: That's good. So, what happened while I was busy?

Nico: You missed out.

We then explained to Lincoln that the villain we went after was Frieza's father, King Cold, and he was turned into the plaything of Dark Sebastian, The Dark Church of Malphas, and The Dark Order of The Universe, along with what we also saw, and Lincoln was stunned.

Lincoln: Whoa! That must've been really intense, and I didn't expect Sherlock Hound to go vampire on him and drain him completely dry of his blood, energy, and life force, and tame the horrific beasts of Planet Satann and Planet Malamorgia.

Then, we returned back home.

Maria: I also saw the hypothetical Akumas of your future wives, you marked them and they now have Elemental Thunderbird Necklaces of Eternal Love and Elemental Thunderbird Chokers of Eternal Love on their necks, and they're sleeping in your room.

Anna Anyanova: After that session with Lincoln, it's best not to disturb them, and we really missed out on going after

King Cold.

Lincoln: But, at least, he's gone for good and this has no doubt pissed off Frieza and Dark Sebastian and his minions.

Me: True, and Dark Sebastian's already lost his mind after what we did. So, this is going to send him on a psychotic tirade when we go on our next mission today.

Lincoln: Before we send him and his minions back to Transylvania. (To Natalie Oak Moon) And it's so good to see you again, Natalie.

Natalie Oak Moon: You too, Lincoln, it's been eight years since we last met.

Suddenly, Natalie Oak Moon had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Natalie Oak Moon was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Natalie Oak Moon: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Natalie Oak Moon and hugged her, and Natalie Oak Moon is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and twenty-four other sets of large sized angel wings underneath his massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, eleven massive and longer brown wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long brown wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Natalie Oak Moon: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 10'0" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and twenty-four sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and the eleven massive and long brown wolf tails with markings and white rabbit tail on top of the massive and long brown wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new, along with getting He-Man's chest harness (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Natalie Oak Moon, Werewolf Angel of The Oak Moon of December, she's Lincoln's Guardian Angel from Michigan and she's an incredibly powerful and cool werewolf of The Oak Moon of December. Natalie Oak Moon is a powerful master of the powers of white wolf fire, darkness, ice, snow, The Oak Moon, cold immunity, and all of the powers and rage of the werewolves, and over time, as she grew, she gained all of the incredible strengths and powers of the werewolves along with immortality. Natalie Oak Moon is The Werewolf Oak Moon Angel of The Wolf Moon Night Pack, a group of twelve girls whom Lincoln met and they each have the powers of The Twelve Elemental Wolf Moons, and she was saved by Lincoln who bit her and injected her with his excessively potent lycanthropy and vampirism after she dodged all of Lynn's attacks and sent her flying. Natalie trained Lincoln in mastering the powers of white wolf fire, darkness, ice, snow cold immunity, The Oak Moon, and the powers and rage of the werewolves, and he also gained all of the incredible strengths and powers of the werewolves, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves and men combined along with incredible levels of incredible superhuman speed and he's able to run as fast as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves, plus it also enhanced his night vision, incredible superhuman senses of sight, smell, touch, and taste, and natural hunting instincts as well, and she found out Lincoln's a True Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she kissed him in his werewolf form on the muzzle and made out many times in his werewolf and he came back home all covered in kisses and his wolf tails were wagging like crazy. Lincoln made her a powerful claymore and gave her a wolf moon tattoo, and to show her thanks, she kissed

Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lynn with a blazing passion and she wants nothing more than to turn her into a human ice sculpture under The Oak Moon!

Lincoln: When we dealt with Lynn who was on her rampage again, Natalie froze her in a block of ice for a week and she got her out, but Lynn wound up getting a cold which she recovered from thanks to her fire powers.

Nico: I bet Lynn was pissed off big time, right?

Me: Afraid so, but she wound up getting trashed by her other siblings and Lana threw her in the trash can.

Rita: Lynn had to take three baths to get the trash out and get the garbage out of her clothes, she was really really mad.

Brittney formed a ball of darkness and was about to hit Lincoln with it, but Nicole got in between them.

Nicole: Don't even think about it, Brittney! Now, back to your lair, Empress of Darkness!

Brittney: (HISSES)

Brittney hissed at Nicole showing her vampire fangs and she turned into bats and flew back into her room!

Nicole: And I can guess why Brittney was about to blast you: after the incident with Lola, you turned Jackie, and after what happened in the past, you weren't taking any chances and you weren't going to lose another Guardian

Angel to death, especially at the hands of one of the five mean Loud Sisters.

Lincoln: That's true, but now you guys know how The Werewolf Angels of The Elemental Wolf Moons came into being.

Nico: And it was the doing of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of your enemies. What a bunch of jerks.

Lincoln: That's for sure, and now that you're here, Natalie.

Lincoln with his massive muscular arms still wrapped around Jackie Frost Moon's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and twenty-four sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Natalie Oak Moon: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Natalie Oak Moon with blue gems on the gold lightning bolts and blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Natalie Oak Moon: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Natalie Oak Moon.

Natalie Oak Moon had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Natalie Oak Moon's waist, and he leaned down to her face and kissed her on the lips, and with Natalie Oak Moon's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Natalie Oak Moon had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Natalie Oak Moon: (In Heaven) My God. Oh, Lincoln, the four girls I managed to rescue are...!

Red Savarin and Travis Tackett: Boys, in your rooms now, and no questions asked, or you're in for a serious buttkicking!

We obeyed Red Savarin and Travis Tackett and fled to our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the four girls, he had an atomic red blush on his cheeks and muzzle, but no nosebleed attack. The four girls are Chitose Hyuuga, Isuzu Yahagi, Kasumi Chiyoda, and Yura Kirishima from Virgin Oil.

Lincoln: Oh wow, it's Chitose Hyuuga, Isuzu Yahagi, Kasumi Chiyoda, and Yura Kirishima from Virgin Oil.

Nicole: So, those were the girls that were on Erosa, and they must've been kidnapped by Dark Sebastian and his minions so that King Cold can kill them, that murderous blood-crazed lunatics are worse than dead when we get after Devimon on File Island later on today. These girls are cute and not cause for Dad and the others to run back to their rooms like cowards.

Lincoln: Unfortunately, it's been drilled into them.

Maria: After all, many of the girls you've rescued in the past few months were voluptuous bombshells and if Nicole found her Dad and the others sent flying via a Nosebleed Rocket.

Lincoln: She'll send her dad and the other boys to the hospital.

Nicole: Dad always keeps his eyes covered with those blind man glasses, but that's true, I can't stand perverts. But, next time, we'll warn them if the girls are either cute or voluptuous bombshells.

Lincoln: Good idea, once that happens, then, they can either stay with us or run back to their rooms. Are you girls okay?

Chitose Hyuuga: Yes, we're okay, thanks to you.

Then, when Chitose Hyuuga and the other three girls saw who it was that saved them from King Cold who was turned into one of Dark Sebastian's minions, their faces turned atomic red upon seeing the 10'0" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair and large brown wolf ears with rainbow markings on top of his head and a large gold halo with embedded Elements of Harmony-shaped gems with a ring of hands made of gold with colored gems in its palms around it and around the ring of hands made of gold is a ring of fire made of gold and gold angel wings on the bottom in the center and four large orbiting gold rings with four rings of hands made of gold with colored gems in its palms around them and around the rings of hands made of gold are four rings of fire made of gold and embedded colored gems on each corner behind his head and behind it is a gold version of Trinity Mirror with three rings of spikes made of gold, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest and surrounded by rainbow animals emblazoned on his forehead and Third Eye with rainbow iris, rows of wolf teeth and straight teeth and vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a cross arrangement on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Reincarnation of Amaterasu, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Almighty Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Loving Nephew of Lance and Sharon Loud, Almighty Loving Cousin of Shane Loud, Shelby Loud, Shiloh Loud, and Dipper and Mabel Pines, True Immortal, God, and Powerful Omnipotent Warrior of The Universe, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin and Many Evil Monsters and Many Evil Villains, Archenemy of Max Dillon Also Known as Electro and Comic Book Guy, True Immortal and God, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates and The Black Abyss, Ultimate

Chitose Hyuuga: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Kasumi Chiyoda: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Chitose Hyuuga, Isuzu Yahagi, Kasumi Chiyoda, and Yura Kirishima with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Alright, guys, come on out.

We then came out and we told them everything that happened on Erosa.

Maria: Well, that's what happened when we saw you guys come back and the hypothetical Akumas of some of Lincoln's future wives, but I can't believe King Cold was sighted there, and he was turned into another of Dark

Sebastian's playthings as revenge on us for the Earth Day adventure we had.

Lincoln: Well, those pack of snakes are going to get beaten up pretty badly when we get after Devimon on File Island.

Nico: That's for sure.

Me: Those pack of snakes are going to get what they deserve.

Selena Mendez: But, they're going to get what they deserve when we get after them on May 5th.

Camie Elextor: That's right, we saw the omen after Tania Tornadora came here, and we knew this day was going to come.

Gina Thunderton: And to also find out that Alaister Necroshade and his brothers and sisters who are the founders and high-ranking members of The Dark Church of Malphas are also involved, this meant things have gotten darker.

Varie Yulinova: Indeed, but we're more than ready for The Order of The Dark Universe and those vile and deplorable Dark Church of Malphas dickheads.

Eli: Those two groups along with Dark Sebastian are going to be facing Hell for this.

Me: Worse than Hell, we're going to help Lincoln and The Hunters of The Nightflame Sun with this sacred task, this is more than just wiping out The Order of The Dark Universe, The Dark Church of Malphas, and Dark Sebastian, we need to make sure no one else suffers like Sebastian and Selena did.

Nico: Right. By defeating them, no, preventing others from suffering the same dark fate Sebastian and Selena had to be put through thanks to their parents, that's something we have to fulfill without a doubt. When May 5th arrives, those monsters from Hell are going to face the punishment of Heaven for their evil sins.

Selena Mendez: Along with the punishment of the entire universe for their crimes.

Natalie Oak Moon: My God, I was right that Lincoln's really grown into an 18-year-old 10'0" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work, and really working out with those 900,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Natalie, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Natalie Oak Moon: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Natalie Oak Moon: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Mizore: So far, we're doing pretty good.

Dark Magician Girl: And our pregnancies are proceeding according to plan, and it won't be long before we welcome our children into the world.

Nico: If you girls say anything really horrific, you should aim them at Dark Sebastian.

Me: I don't know if that'll do any good, Nico, he's a psychotic monster.

Nico: Who knows, maybe he'll scream in terror.

Qin: Yeah, but he'll just get pissed off again and swear at us like he always does.

Then, Mizore and Dark Magician Girl went to the kitchen and got a glass of water, but then...

GLASS BREAKS! SCREAMS!

Lincoln and all of us stopped our workouts and we saw water coming from Mizore and Dark Magician Girl.

Lincoln: Oh man! It's time! Everyone to the hospital!

Me: Lets move people! DOUBLE TIME!

Lincoln picked up Mizore in his arms and we got Dark Magician Girl and we bolted for the hospital and Lincoln and Syrus went inside with Mizore and Dark Magician Girl as the rest of us were waiting out in the waiting area.

Mizore and Dark Magician Girl: AGH! OH GOD, IT HURTS! LINCOLN LOUD, SYRUS TRUESDALE, THIS IS ALL YOUR FAULT! IF YOU EVER GET US PREGNANT AGAIN, WE'RE GONNA BREAK EVERY LAST ONE OF YOUR FINGERS AND SHOVE THEM DOWN THE THROATS OF LORI, LUAN, LYNN, LOLA, AND LISA, AND THEN, WE'LL TEAR YOUR ARMS AND LEGS OFF AND SHOVE THEM DOWN YOUR THROATS, AND THEN, WE'RE GONNA TEAR YOUR CROTCHES OFF AND SHOVE THEM RIGHT DOWN THE THROATS OF J.D. AND NICO, AND WE'RE GONNA TEAR YOUR HEADS OFF AND SHOVE THEM DOWN VARIE'S THROAT!

WE GASPED IN PURE SHOCK AND TERROR THAT ME, NICO, LORI, LUAN, LYNN, LOLA, LISA, AND VARIE FAINTED!

FWOMP!

Luna: GOOD GOLLY MISS MOLLY!

Laney: I know labor pains are really bad, but with what they said, that was way too excessive!

Rita: I know, honey, and I didn't expect J.D., Nico, Varie, and your sisters to faint at the same time!

AND IT WAS SO BAD, EVEN DARK SEBASTIAN WHO WAS PROWLING AROUND IN THE SHADOWS SCREAMED IN TERROR, AND IT FORCED HIM OUT!

Eli: WHAT THE HELL?! GET THE HELL OUT OF HERE, YOU PARASITE!

ELI GOT OUT HIS LIGHTSABERS AND CHASED DARK SEBASTIAN OUT!

Rita: Nice job chasing that parasite out, Eli. Laney, you better get out the smelling salts and wake the sleeping beauties up.

Laney got out the smelling salts, and me, Nico, Varie, Lori, Luan, Lynn, Lola, and Lisa awoke.

Me: Thanks, Laney. But, sweet beans in a basket, that was really nasty!

Nico: I know we've heard some really mean screams before in the hospital during labor pains, but that was truly the meanest and nastiest we've heard! And that dark presence in the hospital, was that...?

Qin: Don't worry, Nico. The nasty labor pains from Mizore and Dark Magician Girl caused Dark Sebastian to scream in terror and it forced him out and Eli chased him out.

Me: Good one. That'll teach that fucked-up parasite not to go prowling in the shadows again.

Then, a few minutes later, Lincoln came out with Mizore in a wheelchair and carrying three baby girls: one girl has Mizore's light purple hair with white streaks and ice blue eyes, the second girl has a mixture of her mom's light purple hair and dad's white hair and deep sapphire blue eyes, and the third girl has her dad's white hair with light purple streaks and blue eyes, and Syrus came out with Dark Magician girl in a wheelchair and carrying three baby girls: one girl has Dark Magician Girl's blonde hair with blue streaks and green eyes, the second girl has her dad's light blue hair and grey eyes, and the third girl has her mom's hair with green eyes.

Me: Oh wow. They're so cute.

Nico: Congratulations, guys.

Mizore: (Weakly) Thanks.

Dark Magician Girl: (Weakly) It was worth the labor pains.

Lincoln: We also decided on the names of the girls: the girl with Mizore's light purple hair with white streaks and ice blue eyes in Mizore's right arm is Yukino, the second girl with a mixture of Mizore's light purple hair and my white hair and deep sapphire blue eyes in Mizore's left arm is Yukiko, and the third girl with my white hair with light purple streaks and blue eyes in my arms is Yukimi.

Tsurara: Those are Japanese names you chose. Yukino means "Of the Snow", Yukiko means "Snow child, and Yukimi means "Beautiful snow.

Nico: Wow.

Syrus: The girl with Dark Magician Girl's blonde hair with blue streaks and green eyes in Dark Magician Girl's right arm is Luella, Dark Magician Girl of Fire, the second girl with my light blue hair and grey eyes in Dark Magician Girl's left arm is Amiya, Dark Magician Girl of Water, and the third girl with her mom's hair with green eyes in my arms is Dorothy, Dark Magician Girl of Earth.

Me: Ooh, now that's really awesome.

Alexis: You said it.

Then, we returned home and Mizore and Dark Magician Girl were in the Nursery with their newborn girls resting and we put the alarm on silent as we continued our workouts.

Then, he made clones of himself and he did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they went back to the beach and they had an awesome volleyball game, and they went into a workout area Lincoln created, and Kariko Tokoyama, Cassie, Laurie, Katie Sandler, Katarina, Kuri, Elizabeth (Lizzie) Hansford, Peggy Jones, Chao, Tanmen, An Azuki, Simone Magus, Xu Lin, Aoi Kimidori, Apple Goth, Mothra (Monsterverse Transformers Titan Wars), China Riot, Femuto/Femu, Berserk, Brute, Brat, Death Tome Lisa Simpson, Leaptree, Batrax, and Sam Greenfield got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive

900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Kariko Tokoyama: (Swooning) I can't believe how much Lincoln had changed ever since he first came to help Serena and the others years ago, he's now a handsome and manly wolf hunk.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Kariko Tokoyama, Cassie, Laurie, Katie Sandler, Katarina, Kuri, Elizabeth (Lizzie) Hansford, Peggy Jones, Chao, Tanmen, An Azuki, Simone Magus, Xu Lin, Aoi Kimidori, Apple Goth, Mothra (Monsterverse Transformers Titan Wars), China Riot, Femuto/Femu, Berserk, Brute, Brat, Death Tome Lisa Simpson, Leaptree, Batrax, and Sam Greenfield and hugged them in their abnormally massive and powerful muscular arms, and Kariko Tokoyama, Cassie, Laurie, Katie Sandler, Katarina, Kuri, Elizabeth (Lizzie) Hansford, Peggy Jones, Chao, Tanmen, An Azuki, Simone Magus, Xu Lin, Aoi Kimidori, Apple Goth, Mothra (Monsterverse Transformers Titan Wars), China Riot, Femuto/Femu, Berserk, Brute, Brat, Death Tome Lisa Simpson, Leaptree, Batrax, and Sam Greenfield placed their hands on the massive hairy pecs of Lincoln and his clones.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Bubblaine, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, twenty-five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Kariko Tokoyama, Cassie, Laurie, Katie Sandler, Katarina, Kuri, Elizabeth (Lizzie) Hansford, Peggy Jones, Chao, Tanmen, An Azuki, Simone Magus, Xu Lin, Aoi Kimidori, Apple Goth, Mothra (Monsterverse Transformers Titan Wars), China Riot, Femuto/Femu, Berserk, Brute, Brat, Death Tome Lisa Simpson, Leaptree, Batrax, and Sam Greenfield on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Sailor Moon: I knew Kariko, Cassie, Laurie, Katie, Kuri, Lizzie, and Peggy also had feelings for Lincoln.

Sailor Mars: I knew they had feelings for Lincoln when he first came to help us years ago, and when they saw him years later and in only gym shorts, they were sent flying via a Nosebleed Rocket.

Suno: And Chao and Tanmen are also with Lincoln as well, that's awesome.

Jenna: You girls had no trouble at all.

Cassie: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted thirteen massive 900,000,000,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long wolf brown tails, and we were

really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the

extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our ultimate final showdown with Devimon, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red

blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Me: I'm happy for Mizore and Dark Magician Girl though.

Qin: We all are.

Lola: Yeah.

Mevya: They should be here any minute.

Kari: What do your parents look like?

Mevya: Bigger versions of me.

Me: Wow.

The door knocked.

Mr. Krabs: COME IN!

In came Mevya's parents and they were in a hover pod filled with water.

Me: WHOA! They travel in a hover pod full of water. How cool.

Leddia: Mevya! Our son!

Lotiya: Hey there honey!

Mevya: Hi mom and dad. Guys these are my parents.

Leddia: It's a true honor to meet you all. I'm Leddia, Mevya's dad.

Lotiya: And I'm Lotiya, Mevya's mom.

Me: It's a pleasure to meet you both.

Iris: Kevin's taken good care of Mevya

Lotiya: We can see that. Kevin thank you so much for taking care of our son.

Kevin Levin: It's my pleasure.

Me: And your son is one of the mascots and it's awesome.

Mevya: We do all kinds of fun and awesome things together.

Tentacool: We sure do and it's awesome.

Dirtbag: You okay, Gatomon?

Gatomon: Your son tastes bad. I hope you two will be better!

Me: Gatomon!

Kari: Forgive her. She was under the influence of a parasite that made her go after him.

Lotiya: Oh I see. All is forgiven.

Me: Good.

Qin: Yeah.

Grapple: Besides, I doubt you two will be tasty

Lotiya: Yeah we taste bad compared to Earth fish.

Gatomon: I see.

Me: Also you should be proud of your son and the mascots. They destroyed a bunch of Abominations we loathe.

Lotiya: You mean?

Me: Oh yeah. The Blood and Honey Versions of Pooh and friends.

We had a nice talk with them and they went back home.

Gatomon (to Mevya): Your family tastes gross! When was the last time you took a bath?!

Youngblood: Good question.

Mevya: I'm a fish, I live in water so I don't need a bath.

Gatomon: Oh. Good point.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and twenty-four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was our old enemy, Devimon, he's back once again and he still wants revenge on us. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we just saw!

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: to our anger, it was our old enemy, Devimon, he's back once again and he still wants revenge on us.

EVERYONE GASPED!

May: Are you kidding me?!

Kari: I knew he'd come back for more.

Nico: Same here, Kari, but we're going to destroy him once and for all, and this time, Opaline isn't going to save his ass.

Lincoln: He's still on File Island, but we got to watch it, he's not going to hold back, but neither are we. It's time we end that bastard forever.

Me: My words exactly, Lincoln.

Nico: Same here.

Suddenly, Lincoln also saw the sign of Apophis along with The Sigil of Malphas over the skies of File Island.

Lincoln: As if things weren't bad enough, Dark Sebastian's back for more, along with Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra.

Selena Mendez: Damn him!

Camie Elextor: Before we do our entrance, we need to cast a spell to destroy the surprises that evil monster your parents created and give him a taste of his own fucking medicine.

Qin: That's good, we'll send those pack of monsters flying back to Transylvania.

Nico: Which'll end with him spewing toxic death threats and explicit words at us. Alright, team, let's get going, it's time for the ultimate final showdown with Devimon.

Lincoln: That monster's time is finally up, this time, we end it once for all, team! The Digi-Destined of Earth shall end your reign of terror once and for all, Devimon!

Nico: Yeah! I have a score to settle with you Devimon!

T.K.: Me too!

Ymir: Boy that must be one nasty vendetta.

Me: Oh it is.

I went over his history

Devimon, known as Darkmon in Japanese version, is one of the main antagonists in the Digimon universe. He serves as the main antagonist of the first arc of the Digimon Adventure anime, as well as the 2020 reboot, as leader of the Dark Digimon. Devimon is also a minor antagonist in Digimon Adventure 02 and a major antagonist in Digimon Fusion.

He is a Champion-level Digimon, although a very powerful one, rivaled only by Angemon. He is also capable of digivolving into the Ultimate-level NeoDevimon, and then into animalistic Mega-level DanDevimon. He is the archenemy of TK and Patamon.

Devimon discovered the Black Gears and implanted them in good Digimon to turn them evil. Victims included Meramon, Andromon, Monzaemon, Unimon, Frigimon, Mojyamon, Centarumon, Whamon, and Drimogemon. The most notable of his victims was Leomon; while Leomon and Ogremon were fighting, Devimon commanded them to work for him. It took little convincing to get Ogremon on his side; however, Leomon was a good Digimon so he refused to work for Devimon and attacked him, until Devimon used the Touch of Evil to brainwash Leomon, turning him evil.

As the Digidestined were inside the imaginary hotel (created by Devimon), Devimon prepares his henchmen to attack the Digidestined. Tai and Agumon were eventually cornered by Ogremon and the brainwashed Leomon, and also confronted by Devimon. Devimon then shattered the imaginary hotel to pieces and used his power to break File Island apart and scatter it all over the sea. The brainwashed Leomon attempts to take Tai out, but a Digivice fell and flashed at Leomon, managing to free him from Devimon's control. Devimon tries to send the Digidestined and their Digimon to their doom, but Leomon attacks Devimon, saving them from their deaths. While Leomon helps Tai and Agumon escape from Devimon, the demon brainwashes Leomon again. After fighting off several Digimon, most of them victims of the Black Gears, the Digidestined (minus Joe and Sora) fought Leomon at Primary Village, where Leomon was attacked by more Black Gears, making him bigger and stronger. But they drove all the evil out with their Digivices. Leomon told them that the only way to restore File Island to normal was to defeat Devimon.

Naturally, the Digidestined chose to attack him. Back at his secret Castle atop Infinity Mountain, Devimon absorbed Ogremon and all the Black Gears, transforming into a much bigger form. Although they were able to get some shots in, Devimon gained the advantage over all of them, using powers of pure evil. Leomon was sent flying far away by Ogremon, who kept on jumping out of Devimon's chest. Devimon eventually turned to TK, whose Digimon Patamon had not participated in the fight due to his inability to Digivolve.

It was said that the smallest Digidestined would destroy him, so Devimon tried to crush TK but Patamon jumped in front of him and was caught in Devimon's fist. However, it was at that moment that Patamon Digivolved into Angemon. In the classic angel vs devil battle, Angemon knocked Ogremon out of Devimon and put all his power into a Hand of Fate attack, which he used to destroy Devimon. As he was dying, he warns Angemon that more evil is everywhere and laughs one last time. Angemon was destroyed as well, but was reborn as a Digi-egg. The next time he became Angemon again was to fight the even more sinister Myotismon.

When the Digimon Emperor extracts DNA from Digimon to make Kimeramon, he enters the Dark Whirlpool, where he finds the broken remains of Devimon (who is said to have created the Whirlpool) and absorbs him, ignoring his warning that he cannot control the power of darkness. The Dark Whirlpool is believed to be caused by Devimon. Devimon's voice continues to taunt the Digimon Emperor, and his influence causes Kimeramon to rebel against him, but he is once again destroyed when Magnamon obliterates Kimeramon.

The exact nature of his reappearance is unclear. It could be that, like Wizardmon and Myotismon, he became a ghost after his death and haunted the ocean, creating the whirlpool via the powers of darkness. It is also possible that the Dark Whirlpool leads to the Dark Area (Digimon hell), and Devimon somehow opened the portal from within (supported by the ghostly apparitions appearing in the whirlpool).

When I was done, everyone was shocked!

Qin: WHOA!

Ymir: My thoughts exactly!

Nico: Is everyone ready?

Me: Almost.

The previous group came.

Turtle: Can me, El Oso, Overdrive, Ebon, Wrecking Crew, Enchantress, Bronze Kneecap, Black Spider, Koragg and Tar Pit go with you guys?

Piledriver: And are the babies out?

Me: Yes they are. Mizore and Dark Magician Girl are in the Nursery resting.

Varie: Yep.

Nico: Also yes you all can come with us.

Piledriver: Awesome.

Molly Hale: Nico, which Gene Slammer do you think you'll meet next?

Bulldozer: I hope it's someone powerful

Nico: It is. It's Evil HERO Lightning Golem.

Me: Nice.

Qin: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive white angel wings and twenty-four sets of large white angel wings underneath his massive white angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a massive dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Ghirahim, and he's come back for revenge. When we saw it, we knew it meant trouble.

Lincoln: Oh man, now we've got some trouble.

D.J. Dalmatian: That wasn't who I think we saw.

Lincoln: Afraid so, D.J., it's Ghirahim, he's come back from the dead and he wants revenge.

Rosalind Starling: Looks like it's time for me to wreck him! This is going to be fun!

Juliet Starling: Hold on, Rosalind, Cordelia and I are also joining in as well.

Cordelia Starling: She's right, it wouldn't be fun without your two other sisters joining in as well.

Nico: This is gonna get messy. Alright, team, let's go, this is the last time we ever have to deal with Devimon.

Lincoln: Devimon's time is done, this is where we end him for good, and once we get done with him, you're next, Ghirahim.

Rosalind Starling: You've lived for too long, and just like Juliet and Cordelia, I'm gonna end you for good, Ghirahim.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to File Island to finally destroy Devimon for good and we'll make sure he never comes back, and once we get done with him, Rosalind Starling and Lincoln are going to end Ghirahim for good.

We were off to File Island.

We arrived.

Me: We're here.

Tai Kamiya: Good to be here on File Island.

Me: Yep.

Thunderball: Here we are.

Overdrive: Which vehicles can I use around here?

Me: I brought plenty of these.

I unsealed a bunch of Missile tanks and Laser tanks.

Overdrive: Perfect.

Me: We should call Arbormon for this.

Overdrive: Good idea.

We did so.

Arbormon: I'm here guys.

Me: Awesome. And also we should call in our Digimon archenemies for this too to make it fun.

Nico: I like it.

We called in Myotismon, Duskmon, Grumblemon, Ranamon, Mercurymon, Meramon, Seadramon and MANY MORE!

Me: Perfect!

Eye Five: We should use Greymon for this.

Me: We'll use not just him but all of our Digimon. We have Devimon pretty much beat already.

Nico: What do you mean?

Me: Well think about it. 1: He's gonna be up against not just Tai and friends but Digidestined from all over the world. 2: He's gonna face the Digimon Sovereign with us. 3: He's going to face countless numbers of Digimon with us and here on File Island. And 4: He's gonna face all of us with our Digimon partners too. We have every level of Digimon covered from In Training to Super Ultimate. So we pretty much have him done for.

Nico: You're right.

Zhuqiaomon: He has no chance against all of us working together.

MetalSeadramon: And we have him hopelessly outnumbered.

Machinedramon: In numbers and in power.

Laney: He's just one Champion Digimon and he's gonna face all of us.

Marcus Damon: Not to mention he hasn't fought my team yet.

Wrecker: You're right about that.

Me: Or Mikey's team too.

Qin: Yeah.

Flarerizamon: Yeah we pretty much have him totally outclassed.

Halinor: We sure do.

Harpymon: That is for sure there.

Puppetmon: It's going to take all of us to make sure he never harms anyone again.

Me: That's right. Lets not forget, he caused a huge number of probems for Tai and friends when they first came here. You remember all that right Tai?

Tai: We sure do.

Matt: He has tried lots of times to kill us and failed on all of them.

Nico: And I was there too.

Divebomb: And that's only the beginning of his crimes

Me: Yeah. The worst of them being trying on numerous occasions to try and kill Tai and Friends.

Nico: Yep. But also in death he was assimilated into Kimeramon and THAT is what pushed me over the edge and I killed Ken before.

Bronze Kneecap: I remember that

Ymir: You killed Ken before Nico?

Nico: It was years ago before I joined the team.

Manaphy: Yeah we heard about it on his and mamas first day.

Poromon: Yeah and also it's what lead Nico to become plagued by guilt and all that.

Me: And it took 3 years but we helped Nico conquer his guilt.

Nico: Yep you sure did and I helped you bring Ken back.

Ken: That's right.

Ace Ukiyo: Oh man. Nico you went through a lot.

Nico: I sure did.

Me: Nico was second in command of the team back then. But he had all of us to support him greatly in his time of need. I never gave up on him.

Nico: That is for sure.

Skullgrin: And eventually, he became leader

Ymir: Wow!

Me: Yep.

Kari: I wasn't with Tai and friends back then in those days because I was sick. I had to miss Summer Camp because of it.

Lola: Yeah you told us that.

Machinedramon: I remember that. That was awful.

Piedmon: It was. Also guys to be honest we never liked Devimon.

MetalSeadramon: Yeah he was a jerk.

IceDevimon: At least we're going to be rid of him soon.

Lucemon (Fusion): And it'll be good to rid the world of him too.

Koragg: He doesn't have Opaline to help him this time.

Me: Nope. Still I wonder why Opaline would choose a monster like Devimon to help her like that when there are other evil villains out there.

Nico: Maybe because we took out the other options at the time.

Me: Hmm yeah because we destroyed them before she could recruit them.

Eli: Yeah. But either way, Devimon is not going to cause anymore damage ever again.

Me: Yeah.

Nico: Now, we just have to find him.

Me: And luckily, I know just where to look and Tai does too.

We looked towards Infinity Mountain.

Tai: He's at the top of Infinity Mountain.

Leomon: He put me under his control before too.

Ogremon: And I was his puppet before as well.

Frigimon: Lets not forget guys, he put many of us Digimon under his control with his Black Gears.

Drimogemon: Yeah no kidding.

Poromon: Now we know where he is.

Me: Yep. Hey look guys!

We saw a Tentacool.

Tentacool: Hey another of my kind!

Me: A Tentacool is here too? Wow!

Nico: Maybe you can communicate with it

Tentacool went over.

Tentacool: Tenta Tenta?

She talked to her and our Tentacool gasped!

Tentacool: Oh man! This is someone Flashwing knows. Her name is Jillian Flashwing.

Flashwing gasped.

Flashwing: Oh my! Jillian is one of my best friends and someone I love as a great sister.

Me: We better help her then!

Flashwing: Right! BLINDED BY THE LIGHT!

We went to face her.

Flashwing: Jillian it's okay. It's me Flashwing.

All she did was hop on Horsea's head

Horsea: Hey!

Tentacool: Jillian calm down.

Flashwing used her Crystal Lighthouse powers and hypnotically had her come over.

Flashwing: Thats right. Follow the shining ligt.

She used her Ruby of The Sea to fire at Flashwing but she dodged it!

Me: Okay then.

I fired waves of lightning and blasted her.

I snapped my fingers and she reverted back and had Aqua blue hair and blue eyes and had purple angel wings with amazingly dazzling crystal on them and she had Tentacool in the middle of her forehead and had a huge crystal cluster cutie mark on her arm.

I wrapped her in a blanket and we brought her over.

Me: Wow!

Rarity: Oh those wings are absolutely beautiful darlings.

Flashwing: She was born with beautiful crystal wings like mine and they shine amazingly well.

Me: They sure do.

She woke up to see Horsea's stern gaze

Jillian Flashwing: Huh? A Horsea?

Horsea: You sat on my head!

Maria picked her up.

Maria: Oh come on Horsea she didn't attack you this time.

Horsea: Yeah but still...

Tentacool: Lighten up Horsea she was just having fun.

Flashwing: Jillian are you alright?

Jillian Flashwing: Flashwing!? Oh wow!

She hugged her.

Jillian Flashwing: I'm so happy to see you.

Flashwing: I am too sister.

Me: That's awesome that you and Flashwing are sisters.

Jillian Flashwing: Not by blood but by friendship. We have been close since I got my powers over crystal and I helped Flashwing a lot in battling Kaos and his forces.

Spyro: She has been an honorary Skylander for a long time and it's awesome.

Twilight Sparkle: That is amazing.

Me: Yep. Also Jillian you were turned into a Tentacool by Dark Gale.

Jillian Flashwing: Dark Gale? Who are they?

Me: Oh you aren't part of Sonya's team. Well they are a villain organization we destroyed last month.

Camie: Yeah.

Jillian Flashwing: Yeah I was helping Flashwing with bringing down some of Kaos's Fire Troll Forces that were going after the Ancient Tree Spirit.

Tessa: Dragonfeathers! They are still going after the Elementals!

Me: Some things never change.

Qin: We need to go to Skylands and have most of Kaos's forces put into the M.O.E.

Me: Good idea. But we'll worry about that some other time.

Nico: What do you do in your free time?

Jillian Flashwing: Oh I like helping Flashwing in Skylands and we team up and battle their enemies.

Me: Cool

Jillian Flashwing: Also I just graduated from Skylands academy before I turned into Tentacool. I am a Skylander of the Earth. First one from Earth.

Bash: She became the first Human to become a Skylander.

Me: That is cool!

Lola: Yep.

Jillian Flashwing: But in my free time I like learning all about the history of Skylands.

Me: Cool cool.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her blue clothes and a crystal sword.

Jillian Flashwing: Wow I look awesome.

Me: You sure do.

Maria: (to Horsea) Maybe there's one for you as well.

Horsea: Maybe. Or my evolved forms. That would be cool.

Lincoln: (GASP) WHOA! I just had a premonition on who the Akuma is. It's Kari's Akuma, Hikaridraco. The Hypothetical Akuma of Kari Kamiya and she is a dragon of light and embodies light in its entirety and she has the powers of angels and light in its entirety. She was made because of the Digimon Emperor, Myotismon and Devimon hurting many Digimon and vowed to destroy them all!

WE GASPED!

He showed us a sketch of her and she was a beautiful dragon of light and she had fire feather wings and had golden armor and had the Crest of Light on her tail, head and armor and wings.

Me: Whoa!

Kari: Wow! My Akuma looks so cool!

Gatomon: And you can turn into a dragon so this is fitting for you.

Me: It sure is.

Tae Kwon Crow: Why don't you turn into your dragon form now?

Kari: Okay.

She concentrated and then she transformed into her PINK DRAGON FORM!

Me: WHOA!

Nico: Haven't seen this in a while.

Kari: Where is my Dragon Akuma?

Eli concentrated.

Eli: She's flying in the sky!

We looked up and saw a dragon!

Me: WHOA! There she is!

Kari roared and she flew down and we saw her! It was HIKARIDRACO!

Me: WHOA!

Hikaridraco: Wow! I look really amazing as a dragon.

Kari: I was just about to say the exact same thing.

Lola: Wow! Like looking at yourself in the mirror.

Tar Pit: Kari? Is that you?

Hikaridraco: Yes it's still me.

Me: Wow. I guess you became a digimon in a sense. I would call this form HikariDracodramon. ヒカリドラコドラモン

HikariDraco: I like the sound of that.

Eli: Me too.

Kari: What level would you say you are like this.

HikariDraco: I would say maybe Mega.

Me: Lets see.

I used my power to scan her and it showed that she was a Mega Level in terms of power!

Me: WHOA! You are a Mega Digimon like this. Fitting for you.

Arbormon: You need to calm down!

Hikaridraco: Not until Myotismon, Devimon and the Digimon Emperor are gone.

Nico: Then we fight. (Echoing) TERRA DESTROYER!

He formed a huge ball of energy and threw it and blasted her down in a massive and powerful explosion!

Arbormon charged at her and blasted her all over.

Hikaridraco: My turn! (ECHOING) PINK DRAGONFIRE TORNADO!

She fired a massive flaming vortex of fire.

Jillian Flashwing: Like old times?

Flashwing: You know it!

Jillian and Flashwing: BLINDED BY THE LIGHT! CRYSTAL SHARD LASERSTORM!

They fired waves of lasers and intense crystals and the blasts overtook her blast and they hit her and smashed her down.

Me: YEAH!

She was knocked out.

Me: All right!

Lena Isis: I didn't know she had her own attacks.

Phosphos: Neither did I

Me: Well she is the Akuma of a Digidestined. So it fits.

Lena Isis: That does make sense.

Nico: Alright, now to get after Devimon.

Lincoln: But first. Selena.

Selena Mendez, Camie Elextor, Wendy Sauron, Varie Yulinova, Lorena Cavenstein, Solla Nexcrota, Kira Textington, Gina Thunderton, Xenia Vola Dappra, and Tania Tornadora raised their staves as they chanted an incantation and we then saw the symbol of The Nightflame Sun appear in the sky and a magic circle appeared where Dark Sebastian and those Dark Church of Malphas dickheads are at as it glowed with purple energy as we saw it through a viewing window. Then, we saw the chaos erupt as beams of purple energy and magic were fired from nowhere and they forced out the many armies of demons and monsters hiding and got destroyed in a split second. They saw it, and Devimon let out a scream of rage!

The viewing window closed as we were laughing hysterically!

Me: Hah! Serves you right, asshole!

Nico: Okay, now we can get after that bastard without any nasty surprises from those pack of snakes.

We then took off, and we got there in time to see Devimon raging, raving, and screaming and shrieking like a monster and our energy auras flared up extremely as we grew stronger from the toxic hate, but our energy auras really really flared up to the extreme and we all grew even more stronger than ever as we felt the extreme toxic hate of Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra.

Nico: Okay, let's end that bastard once and for all.

Devimon: WHEN I FIND THOSE FOOLS, I'M GOING TO DESTROY THEM ALL ALONG WITH THIS ENTIRE PLANET!

Dark Sebastian: WHAT THE HELL! IF ANYONE'S GOING TO DESTROY THOSE FOOLS, IT'S GOING TO BE US!

Alaister Necroshade: CONSIDER OUR ALLIANCE OVER!

Devimon: WHAT?!

Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra: ARMIES OF THE NETHERWORLD, ATTACK!

We then saw Devimon fighting against massive armies of zombies, demons, and other evil monsters from Hell that were summoned, and we saw Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra laughing insanely and malevolently at the chaos and madness they've unleashed.

?: TIME TO SHUT YOU PACK OF SNAKES UP!

Suddenly, the spirits of the Digi-Crests appeared out of nowhere and they attacked Devimon in total fury and that made him extremely pissed off even more and they also attacked the armies of zombies, monsters, and demons summoned by Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra and destroyed them!

Then, the spirits converged and they crashed down and a massive explosion erupted as a Thunderbird Screech and Phoenix Cry was heard and we appeared, and this made Devimon even more pissed off than ever, along with Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra.

Me: You've got some nerve coming back from the dead, Devimon.

Nico: I honestly thought we were finally done with you, after all the trouble you've caused to us in the past. But, thanks to Anti-Monitor bringing you back from the dead, that was basically crossing the line!

Lincoln: And speaking of, we're only here for our main target, Devimon, you pack of snakes are a nuisance. But, don't think we forgot about all your nasty schemes against us, along with the horrific bloodbath you tried to cause when you lot tried to kill our main targets, that's our kill, not yours.

Devimon: DIE! ALL OF YOU JUST FUCKING DIE!

Lincoln and I fired blasts of purifying light at Devimon along with those pack of snakes and they got burned badly, and when he saw The Crest of Courage on Lincoln, he froze in horror!

Devimon: No..., it can't be!

Me: That's right, Lincoln's also a Digi-Destined as well, so you're screwed, bastard!

Suddenly, Lincoln's deep sapphire eyes and the rainbow iris of his eyes turned heavenly golden yellow as we felt a massive and powerful divine force coming from him and heavenly lights shined down as the Angels and Archangels of Heaven appeared.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) And we've already had it with you, Dark Sebastian. Time to send you all away once more.

Dark Sebastian: (DEMONIC VOICE) SHUT THE FUCK UP, BITCHES! DIE! THIS IS FOR HUMILIATING ME!

DARK SEBASTIAN FIRED A BLACK AND RED ENERGY BLAST AT US TO KILL US, BUT LINCOLN FIRED A BLAST OF HEAVENLY LIGHT THAT DESTROYED THE BLACK AND RED ENERGY BLAST AND THE BLAST OF HEAVENLY LIGHT HIT DARK SEBASTIAN RIGHT IN THE STOMACH AND SENT HIM FLYING INTO A WALL! HE GOT BACK OUT, BUT THAT PISSED HIM OFF BIG TIME AND HE GOT BURNED BADLY BY THE HEAVENLY LIGHT!

Devimon: Hah, serves you right.

Dark Sebastian Mendez: (DEMONIC VOICE) WHAT THE FUCK DID YOU SAY?! BASTARD!

Devimon was smug at Dark Sebastian's humiliation. But, his smugness is about to be broken big time as the darkness blackened the skies even more.

Selena Mendez: UH OH, NOW YOU'VE GONE AND DONE IT!

Camie Elextor: HE'S GONNA GO BALLISTIC!

Dark Sebastian Mendez: (Demonic Voice) YOU GODDAMN BASTARD! HOW DARE YOU SAY THAT TO ME! AND AS IF I'D EVER OBEY THE LIKES OF YOU, YOU'RE NOTHING MORE THAN OUR PLAYTHING TO USE AND DESTROY!

Devimon: What did you say?! YOU LITTLE...!

Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra went after Devimon, and they proceed to slash at him many times with demonic black broadswords and they stabbed him in the stomach and legs and arms with daggers!

Devimon: (SCREAMS IN AGONY)

Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra: DIE! DARK SEBASTIAN AND THOSE DARK CHURCH OF MALPHAS AND ORDER OF THE DARK UNIVERSE DICKHEADS WAS STILL MERCILESSLY ATTACKING DEVIMON SLASHING HIM AND STABBING HIM AND THEY WERE STILL LAUGHING DEMONICALLY AND INSANELY! IT WAS BECOMING A FUCKING BLOODBATH!

Gina Thunderton: THAT'S IT, YOU PACK OF SNAKES! LET'S SEND THEM BACK TO TRANSYLVANIA!

God: (Through Lincoln's body)(Divine Heavenly Godly Voice) Understood, Gina.

Lincoln, Selena Mendez, Camie Elextor, Wendy Sauron, Varie Yulinova, Solla Nexcrota, Kira Textington, Gina Thunderton, Xenia Vola Dappra, and Tina Tornadora fired blasts of Divine Darkness which hit Captain Pollution and blasted Dark Sebastian and those Dark Church of Malphas and Order of The Dark Universe dickheads off him and that really really enraged them, but The Hunters of The Nightflame Sun and Lincoln blasted Dark Sebastian and those Dark Church of Malphas and Order of The Dark Universe dickheads with blasts of Heavenly Light and Divine Darkness and kicked them out and sent them back to Transylvania as they spewed toxic hatred and death threats towards us, but that made us grow stronger still.

Now, all that was left is to take down Devimon for good.

Nico: Alright, now that the fucked-up snakes are back in Transylvania, now it's your turn, Devimon! This is where you die here and now!

We faced him.

Nico: I've got a score to settle with you Devimon!

T.K.: Same here!

Devimon: (Laughs Evilly) You all think you can beat me?

Me: Oh it's not just us! You have all of OUR PARTNERS TOO!

He saw THOUSANDS AND THOUSANDS of Digimon appear and he gasped! He even saw LOTS of Digidestined too!

Me: That's right! It's not just Tai and friends you have to deal with, but Digidestined from all over the world!

Qin: Yeah!

Black Spider: No Opaline to help you this time

Devimon: No matter! I'll still destroy you all! (ECHOING) DEATH CLAW!

He went at us.

He wrapped up Devimon in bandages and he was tied up good!
